

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#24-0500

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Susan Grant, Acting City Manager

DATE: July 2, 2024

TITLE: Preliminary Annual Assessment Resolution for the Stormwater Assessment
Initiating the Process for Imposing the Fiscal Year 2025 Non-Ad Valorem
Assessment and Authorizing a Public Hearing on September 12, 2024 -
(Commission Districts 1, 2, 3 and 4)

Recommendation

Staff recommends the City Commission adopt a preliminary annual assessment resolution initiating the process for imposing the Non-Ad Valorem Stormwater Assessment and establish the date of September 12, 2024, at 5:01 P.M. at the Broward Center for the Performing Arts – Mary N. Porter Riverview Ballroom – 201 SW 5th Avenue, Fort Lauderdale, FL 33312 to hold a public hearing to consider public comments.

Background

On June 16, 2020, the City Commission authorized the creation of a Stormwater Management Program Assessment to fund the planning, construction, operation, maintenance, and administration of a public stormwater management system upon benefited parcels at a rate of assessment based on the special benefit accruing to such parcel from the provision of a stormwater management system (Ordinance C-20-18). Annually, the City must adopt an Annual Assessment Resolution in which assessments will be imposed to approve the assessment roll to fund the Stormwater Management Program.

The Fiscal Year (FY) 2025 recommended Stormwater Assessment is 15% higher than the FY 2024 Stormwater Assessment.

The City Manager is required per Section 197.3632 (5)(a), Florida Statutes to certify the non-ad valorem assessment rate to the Broward County Tax Collector no later than September 15, 2024.

Resource Impact

The FY 2025 Stormwater Program Management Assessment will generate approximately \$35,000,309 in revenues in FY 2025.
