

**CITY OF FORT LAUDERDALE  
City Commission Agenda Memo  
REGULAR MEETING**

**#17-0764**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Lee R. Feldman, ICMA-CM, City Manager

**DATE:** August 22, 2017

**TITLE:** Motion to Approve Contract for Purchase of Mobile Data Technician  
Services – Control Communications Inc. – \$355,000 (four-year total)

---

**Recommendation**

It is recommended that the City Commission approve a contract, in substantially the form attached, with Control Communications Inc. for the purchase of mobile data technician services in the four-year amount of \$355,000, subject to further appropriations based on City needs.

**Background**

The City relies on mobile data technician contracted services for the installation of electronic equipment in all City vehicles to include police, fire, and other local government stakeholders. These services are also used to assist with camera and access control system installation, troubleshooting, and replacement.

On June 16, 2017, the Procurement Services Division issued Invitation to Bid (ITB) No. 773-11904. The bid opened on June 30, 2017, at which time four bids were received. The lowest bid was submitted by NMSC, Inc. Upon investigation and conversation with the bidder, it was determined that the company does not provide the type of services specified in the ITB.

Control Communications Inc. met all specifications of the ITB and has been deemed the lowest cost, responsive and responsible bidder recommended for award.

**Resource Impact**

There will be a fiscal impact to the City in the amount of \$123,875 for FY 2017. Future expenditures are contingent upon approval and appropriation of the annual budget.
