The Participant shall cause or require to be inserted in full, in all such Agreements subject to such regulations, provisions meeting the requirements of this paragraph.

3. “Section 3” Clause

a. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). f. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

g. Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be a condition of the federal financial assistance provided under this Agreement and binding upon the City, the Participant and any of the Participant's participants and subcontractors. Failure to fulfill these requirements shall subject the City, the Participant and any of the Participant's participants and subcontractors, their successors and assigns, to those sanctions specified by the Agreement through which federal assistance is provided. The Participant certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

The Participant further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award Agreements for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area

Agency: Housing Opportunities, Mortgage Assistance & Effective Neighborhood Solutions, Inc. d/b/a H.O.M.E.S., Inc.

Program Description: H.O.M.E.S., Inc. will use the funds of \$100,000 in one or both of two ways:

(1) To support their *Supportive Housing & Self-Sufficiency Program* for youth 18 – 25 years old who have aged out of foster care or relative care. Tier One of this Program provides affordable, safe, decent housing for the youth at the H.O.M.E.S. campus in Fort Lauderdale. Tier Two is a holistic mix of self-sufficiency training services (such as job & internship coaching and placement; school placement & attendance; life coaching by social workers; group counseling & social activities; financial literacy classes; emergency help with a variety of issues). The Program prevents homelessness and helps these youth become independent and able to provide for themselves and their own children financially, physically, and emotionally.

Clients to be Served: If all of the \$100,000 in City funds is utilized in the youth Self-Sufficiency Program, then H.O.M.E.S., Inc. will be required to serve 16 qualified youth clients. However, if the City approves a portion of the funds to be used for rehab/renovation costs, then, in that event, the number of clients to be served will be adjusted, in agreement with the City at that time.
