The Parties acknowledge that money damages or other legally available remedies may be inadequate for the failure to perform, and that the Party giving notice is entitled to obtain an order requiring specific performance by the other Party. Failure of either Party to exercise its rights in the event of any breach by the other Party shall not constitute a waiver of such rights. No Party shall be deemed to have waived any failure to perform by the other Party unless such waiver is in writing and signed by the waiving Party. Such waiver shall be limited to the terms specifically contained therein. This Article shall be without prejudice to the rights of any Party to seek a legal remedy for any breach of the other Party as may be available to it in law or equity.
