Subject: City of Fort Lauderdale - August 4th Certification

Good morning Holly,

Please accept the attached certification packet for the City of Fort Lauderdale's proposed millage and budget, the Sunrise Key Neighborhood Improvement District's proposed millage and budget, and the preliminary assessment rates for the Fire-Rescue, Beach Business, and Lauderdale Isles Water Management District.

The packet also contains the signed and approved DR-420 forms that have been certified using the e-TRIM certification process.

If you have any questions or concerns or if you need additional information, please feel free to contact me or the Budget Manager, Emilie Smith.

Thank you for your assistance!
