Re: Updates to Citizens Police Review Board's Recommendation

---

Below please find updates on recommendations made by the Citizens Police Review Board ("CPRB").

- **Ordinance changes as it relates to the CPRB's functions**  
The City Attorney and I have determined that this does not have to be bargained with the Fraternal Order of Police (FOP). The next steps will be to meet with the President of the FOP and go over the proposed changes. Afterwards, we will bring it before the Commission for consideration. We will get it in place as quickly as possible.
- **FLPD submission of data to the FBI's Voluntary National Use of Force Database**  
Chief Lynn has indicated he will work with the FBI to proceed with this request.
- **Joint follow-up Workshop**  
Our new police chief will start on August 16, 2021. We will work on scheduling the Workshop after the break so that we may have the benefit of having our new police chief in place for the Workshop.
- **Annual Response to Resistance Report for 2020 and Analysis**
  - **Annual Response to Resistance Report for 2020**  
Chief Lynn advised that this is something we already do on an ongoing basis through Internal Affairs.
  - **Analysis**  
Chief Lynn indicated we can work on the analysis and come up with a conclusion if there is a conclusion.
