CONGRESSIONAL DIRECTIVE

Congression Investigation of Hispanic Hate Groups

Press Release! Press Release! Press Release! Press Release! Press Release! Press Release!

RE: HISPANIC HATE GROUPS, HISPANIC GOVERNMENT OFFICIALS AND HISPANIC UNIVERSITY PROFESSORS CALL FOR WHITE GENOCIDE!

An underground directive garnered by a loyal Republican Cuban-American has been released to the public. This underground directive calls for the death of "old white people". In this underground directive issued by hispanic hate groups, you will find government officials and university professors joining the hispanic hate groups in encouraging "old white people" to die.

Everyone has the right to free speech under the First Amendment, however, government officials do not have the First Amendment right to call for the death of anyone unless they have been found guilty of a capitol offense. Officials of higher learning institutes or any learning institute does not have the right to call for death of other citizens.

Officials of governments and learning institutes are tax payer funded. Therefore, when government officials and learning institutes join hate groups that call for death of citizens, especially based on race and age; stating they have a duty to die...that is a call for genocide!

The hispanic hate groups are obviously wide spread and their movement for genocide of white Americans, i.e., "old white people" has been supported nationwide by a professor from the University of Texas who claims aging white Americans are dying and "he loves it" and a Loyola Marymount University Professor who warns the hispanic hate group's movement to use codes that only latinos understand to avoid a "white backlash". Genocide of white's is on the move!

This hispanic hate group's subversive movement must be investigated by the United States Congress and The Federal Bureau of Investigation and Homeland Security. We are quite fortunate to be privy to information that reveals there is a hispanic hate group movement for genocide of the white race. This is how genocide began in Germany with the colleges and universities joining with government officials.

Please read the underground hispanic hate group's call for genocide of the white race. They should be thanking the white race for helping them to make it in America. Instead, they are biting the hand that feeds them. Those who are citizens are committing treason and they are traitors. Please send a written response to Christine Timmon, 12 S.E. 20th Street, #1, Fort Lauderdale, Fl. 33316. Phone 954.356.9989, or 954.770.4940, email christine84@myway.com.

Of course, it is not ALL immigrants. But, to hear/see it from one, is one too many.

There are enough stories below, so I will spare you the words that have fallen on my ears, as well as the illegalities I have seen committed by people I have known/know personally. I always say that it is the raping of America and her people.

Michael Lynch does a great job of getting the abuse on tape. I wish I would have recorded the things I have heard, but I was not expecting the unexpected. Who would ever think that someone is up to that which you would not do?

Subject: You Old White People - Scary Stuff

If there was ever any doubt in your mind what "immigration reform" was about, this should clear

it up.

You Old White People - Scary Stuff

"You old white people. It is
your duty to die."

HISPANIC LEADERS SPEAK OUT

Augustin Cebada, Brown Berets; "Go back to Boston! Go back to Plymouth Rock, Pilgrims! Get out! We are the future. You are old and tired. Go on. We have beaten you. Leave like beaten rats. -you old white people. It is your duty to die. Through love of having children, we are going to take over.

Richard Alatorre, Los Angeles City Council. "They're afraid we're going to take over the governmental institutions and other institutions. They're right. We will take them over . . . We are here to stay."

Excelsior, the national newspaper of Mexico, "The American Southwest seems to be slowly returning to the

jurisdiction of Mexico without
firing a single shot."

Professor Jose Angel Gutierrez,
University of Texas; "We have
an aging white America. They
are not making babies. They are
dying. The explosion is in our
population I love it. They are
shitting in their pants with fear. I
love it."

Art Torres, Chairman of the
California Democratic Party,
"Remember 187--proposition to
deny taxpayer funds for services
to non-citizens--was the last gasp
of white America in
California .."

Gloria Molina, Los Angeles
County Supervisor, "We are
politicizing every single one of
these new citizens that are
becoming citizens of this
country..... I gotta tell you that a
lot of people are saying, "I'm
going to go out there and vote
because I want to pay them
back."

Mario Obledo, California
Coalition of Hispanic
Organizations and California
State Secretary of Health,
Education and Welfare under
Governor Jerry Brown, also
awarded the Presidential Medal
of Freedom by President Bill

Clinton, " California is going to be a Hispanic state. Anyone who doesn't like it should leave."

Jose Pescador Osuna, Mexican Consul General, "We are practicing 'La Reconquista' in California."

Professor Fernando Guerra, Loyola Marymount University ;
"We need to avoid a white backlash by using codes understood by Latinos . . . "

**WHEN I WAS YOUNG:**  
When I was young, I remember hearing about the immigrants that came through Ellis Island .. They wanted to learn English. They wanted to breathe free. They wanted to become Americans. Now too many immigrants come here with demands. They demand to be taught in their own language. They demand special privileges--affirmative action. They demand ethnic studies that glorify their culture.

~~~~~

HOW CAN YOU HELP?:
Send copies of this email to at least ten other people, 100 would be even better. Help us get the word out.

Remember when you vote that we need someone in the White

House who will balance the budget and control illegal immigration. If we make all illegals, legal, then we have lost our country forever. Liberalism will have won and you will have a one party system forever. Redistribution of wealth will be the law. It is called socialism. Our country is heading in the wrong direction and we are doing it to ourselves without serious protest.

**ALL AMERICANS
SHOULD BE
DISTURBED, VERY
DISTURBED BY
THIS. WHAT A
SHAME, THAT NOT
ENOUGH
AMERICANS HAVE
THE BACK BONE TO
STAND UP AND SAY,
"ENOUGH IS
ENOUGH". IT IS
TIME WE TOOK
OUR COUNTRY
BACK!**

**If you are too
Politically**

Correct to pass
this on -Then
you, my friend,
are Americas
biggest
problem.
