

Tabulation Of Bids

Event # : 246

Version: 1

Name: Generator & Automatic transfer switch for Public Works Bldg

Description: The City of Fort Lauderdale, Florida (City) is seeking bids from qualified bidders, hereinafter referred to as the Contractor, to provide generator and associated appurtenances services & ATS Service Switch at Public Works Administration Building for the City's Public Works Department, in accordance with the terms, conditions, and specifications contained in this Invitation to Bid (ITB).

The Manufacturer/Supplier shall furnish, and acceptance test a complete and operable standby electric generating system, including all devices and equipment as well as the ATS Service Switch with five-year maintenance plan, as shown on the drawings and per specs, and as required for the service. Materials and equipment shall be new and delivered to the job site (FOB Destination) factory tested and ready for installation (Installation shall be performed by others under a separate contract).

The engine/generator set Manufacturer/Supplier and/or local Dealer shall provide a 5-year preventive maintenance proposal to the Owner and Engineer for review. The maintenance proposal shall include all maintenance, testing, and minor repairs for the complete generator system deemed to be suitable for coverage under this maintenance.

This project is located at 949 NW 38th Street Fort Lauderdale, FL 33309, in the City of Fort Lauderdale. The work to be accomplished under this contract includes, but is not limited to, furnish and deliver generator and associated equipment as well as automatic Transfer Switch as required by specifications.
