**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Lee Feldman, ICMA-CM, City Manager

**DATE:** March 19, 2013

**TITLE:** Resolution Authorizing the City Manager to Submit a Grant Application to the  
Florida Inland Navigation District – 2013 Waterways Assistance Program -  
\$30,000

---

**Recommendation**

It is recommended that the City Commission adopt a resolution authorizing the City Manager to submit a grant application to the Florida Inland Navigation District (FIND) for the 2013 Waterways Assistance Program.

**Background**

This grant program provides funding assistance to local governments to perform waterway improvement projects. The program also funds up to \$30,000 for the initial purchase of marine law enforcement vessels and related equipment. The grant period is October 1, 2013 through September 30, 2015.

The Department will request one set of outboard motors through the grant and will meet the grant's required 50% cash match through the purchase of a second set of outboard motors. The grant will fund \$30,000 of the total \$65,700 project cost. The Department is requesting that funds for the required match be budgeted in the General Fund in FY 2014 (FD001-9129).

**Resource Impact**

There is no fiscal impact during FY 2013. In FY 2014 there is an anticipated positive fiscal impact to the City in the amount of \$30,000. Full implementation of the grant will require the City to budget \$35,700 in the General Fund in FY 2014 (FD001-9129).
