TO: Honorable Mayor & Members
                Fort Lauderdale City Commission

FROM: Lee Feldman, City Manager

DATE: September 18, 2012

TITLE: Motion to approve proprietary purchases of maintenance contract renewals - $92,413.10

Recommendation

It is recommended that the City Commission approve the purchase of proprietary maintenance contract renewals utilizing the following vendors:

Radio IP	$ 32,413.10
Smart Business Systems, Inc.	$ 60,000.00

Background

The Fort Lauderdale Police Department has proprietary maintenance software/hardware support requirements with the following vendors for public safety systems:

Radio IP Wireless Network Communications and Encryption
This system provides wireless network integration for mobile data computers, encryption and message routing for Police and Fire Departments. Radio IP provides data encryption and gateway functions for the Computer Aided Dispatch/Records Management System (CAD/RMS) and Motorola data system. They are the sole developer and maintenance provider for their system.

Smart Business Systems, Inc. Data Administration Services, Application Development and Data Migration
Smart Business has provided database administration services to the Police Department for over 10 years. They have intricate knowledge of the design, functionality and maintenance requirements of our key computing systems utilizing databases including CAD, RMS, evidence and timekeeping systems. As a result, they are uniquely qualified to continue providing database administration services for these systems.

Resource Impact

There is a fiscal impact to the City in the amount of $92,413.10.
Funding is contingent upon approval and appropriation of the FY2013 budget as shown below.
