All insurance policies shall be through insurers authorized or eligible to write policies in the State of Florida and possess an A.M. Best rating of A-, VII or better, subject to approval by the City's Risk Manager.

The coverages, limits, and/or endorsements required herein protect the interests of the City, and these coverages, limits, and/or endorsements shall in no way be relied upon by the Participant for assessing the extent or determining appropriate types and limits of coverage to protect the Participant against any loss exposures, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the City's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Participant under this Agreement.

Such notification will be in writing by registered mail, return receipt requested, and addressed to the certificate holder.

The City reserves the right to suspend the Agreement until this requirement is met.

Any costs for adding the City as an Additional Insured shall be at the Participant's expense.

If the Participant's primary insurance policy/policies do not meet the minimum requirements, as set forth in this Agreement, the Participant may provide evidence of an Umbrella/Excess insurance policy to comply with this requirement.

The Participant's insurance coverage shall be primary insurance as respects to the City, a Florida municipal corporation, its officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, a Florida municipal corporation, its

officials, employees, or volunteers shall be non-contributory.

Any exclusion or provision in any insurance policy maintained by the Participant that excludes coverage required in this Agreement shall be deemed unacceptable and shall be considered breach of contract.

All required insurance policies must be maintained until the contract work has been accepted by the City, or until this Agreement is terminated, whichever is later. Any lapse in coverage shall be considered breach of contract. In addition, Participant must provide to the City confirmation of coverage renewal via an updated certificate should any policies expire prior to the expiration of this Agreement. The City reserves the right to review, at any time, coverage forms and limits of Participant's insurance policies.

The Participant shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement to the Participant's insurance company or companies and the City's Risk Management office, as soon as practical.

The Contractor shall maintain a copy of the subcontractor's affidavit for the duration of this Agreement and in accordance with the public records requirements of this Agreement.
2. The City, the Contractor, or any subcontractor who has a good faith belief that a person or entity with which it is contracting has knowingly violated Subsection 448.09(1), Florida Statutes (2022), as may be amended or revised, shall terminate the contract with the person or entity.

4. A contract terminated under Subparagraph 448.095(2)(c)1. or 2., Florida Statutes (2022), as may be amended or revised, is not a breach of contract and may not be considered as such. If the City terminates this contract under Paragraph 448.095(2)(c), Florida Statutes (2022), as may be amended or revised, the Contractor may not be awarded a public contract for at least one year after the date on which the contract was terminated. The Contractor is liable for any additional costs incurred by the City as a result of termination of this Agreement.
