Re: Naming 1 block of NE 14th Street running west from NE 4th Avenue/Flying L Avenue
"Mansur Place" revised from our December 5, 2014 letter to the City of Fort Lauderdale.

Dear Mr. Feldman:

The Board of Directors of Insight for the Blind would like to begin the process to name a one block section of NE 14th Street between NE 3rd Avenue and NE 4th Avenue for the founder of Insight, Ted and Caroline Mansur.

Insight for the Blind would pay, in advance, for all the costs associated with this request.

Mrs. Mansur passed away in September of 2013. I have enclosed a recent Insight Newsletter with additional background on Mrs. Mansur and our agency which was founded in 1975. Naturally, Insight would pay any costs associated with this request.

There are no businesses or homes fronting on this block. In fact no properties front on 14TH Street from NE 4TH Avenue all the way to Andrews. Regarding the block in question, the property adjacent to 14TH Street on the south side is owned by All Year Cooling and Heating. Their President, Mr. Thomas Smith, Jr. fully supports this request as his business fronts on NE 4TH Avenue/Flying L Drive. The property on the north side of the aforementioned block has been owned by Insight for the Blind for the past 30 years.

I was informed by staff at the City Department of Transportation and Mobility that such a request was to begin with a letter to you the Fort Lauderdale City Manager. Please let me know what additional information you require. I appreciate your time and consideration of this request.

Kindest Regards,

Matthew Corey
President/CEO
