Re: Response to Bid Protest received
BID 273-11974 - Water Extraction and Remediation of Water Damage and Mold Impact

Dear Mr. Levin:

The City is in receipt of your letter of protest regarding the recommendation to award the referenced bid to United Restoration of Florida, LLC (United). Your letter states that the bid from United is non-responsive due to their submitted pricing on line item 273-11974-01-31 (HVAC System Clean and Sanitize). Your position is that United "submitted a cost price that is not a Bona Fide proposal as it is well below a reasonable market value."

We have confirmed with United that they will stand by their quoted price and perform the required duties as indicated in the line item, for the price submitted. As such, the Bid Protest received from Decon Environmental & Engineering, Inc. is hereby denied.

Thank you for your concerns and your continued interest in doing business with the City of Fort Lauderdale.

Sincerely,

Jennifer Alvarez, GPPO
Manager, Procurement and Contracts
