Utility Agency/Owner (UAO): City of Fort Lauderdale	

THIS AGREEMENT, entered into this 3rd day of JUNE, year of 2015, by and between the **STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION**, hereinafter referred to as the "FDOT," and **City of Fort Lauderdale**, hereinafter referred to as the "UAO";

WITNESSETH:

WHEREAS, the **UAO** owns certain utility facilities which are located on the public road or publicly owned rail corridor identified below, hereinafter referred to as the "Facilities" (said term shall be deemed to include utility facilities as the same may be relocated, adjusted, or placed out of service); and

WHEREAS, the **FDOT**, is currently engaging in a project which involves constructing, reconstructing, or otherwise changing a public road and other improvements located on a public road or publicly owned rail corridor identified as _____, State Road No. A1A, hereinafter referred to as the "Project"; and

WHEREAS, the Project requires minor modifications to the Facilities or the **FDOT's** design more particularly described in Exhibit A attached hereto and by this reference made a part hereof, hereinafter referred to as "Utility Work," and full plans and technical specifications for the Utility Work are not required; and

WHEREAS, the **FDOT** will perform the Utility Work as part of the Project; and

WHEREAS, the **UAO**, pursuant to the terms and conditions hereof, will bear certain costs associated with the Utility Work; and

WHEREAS, the **FDOT** and the **UAO** desire to enter into an agreement which establishes the terms and conditions applicable to the Utility Work;

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, the **FDOT** and the **UAO** hereby agree as follows:

1. Performance of Utility Work

- a. The **FDOT** will include the Utility Work in its plans and specifications for the Project and will include the Utility Work as part of the **FDOT's** construction of the Project. The preparation of the plans and specifications and the construction of the Project will be performed in such manner as the **FDOT**, in its discretion, deemed appropriate.
- b. All location, protection, relocation, adjustment, or removal of the **UAO's** Facilities which is not listed in Exhibit A shall be performed pursuant to a separate agreement.

2. Cost of Utility Work

- a. The **UAO** will, at least ninety (90) calendar days prior to the date on which the **FDOT** advertises the Project for bids, pay the **FDOT** the amount of \$ 27,445.60 for the cost of the Utility Work. Said amount will be deposited into the State Transportation Trust Fund.

- b. The **FDOT** and the **UAO** acknowledge and agree that the amount stated above includes an additional ten percent (10%) to cover the **UAO's** obligation for the cost of the Utility Work as set forth in Section 337.403(1)(b), Florida Statutes.
- c. Except for costs associated with any changes or additions to the Utility Work, the **FDOT** and the **UAO** agree that the deposit shall be an asset of the **FDOT** and that it constitutes a full and final lump sum payment for the cost of the Utility Work, without any requirement for a subsequent accounting for the use of the deposit.
- d. Pursuant to Section 337.403(1)(b), Florida Statutes, no changes or additions to the Utility Work will be made during the construction of the Project unless the **UAO** has made an additional deposit to cover the cost of the changes or additions. To the extent that the amount stated in Subparagraph 2.a. above exceeds the amount of the **FDOT contractor's** bid that applies to the Utility Work, such excess may be applied to cover the cost of the changes or additions. All changes or additions shall be subject to the limitations on supplemental agreements and change orders contained in Section 337.11(8), Florida Statutes.

3. Default

- a. In the event that the **UAO** breaches any provision of this Agreement, then in addition to any other remedies which are otherwise provided for in this Agreement, the **FDOT** may exercise one or more of the following options, provided that at no time shall the **FDOT** be entitled to receive double recovery of damages:
 - (1) Terminate this Agreement if the breach is material and has not been cured within 60 days from written notice thereof from the **FDOT**.
 - (2) Pursue a claim for damages suffered by the **FDOT**.
 - (3) Suspend the issuance of further permits to the **UAO** for the placement of Facilities on **FDOT** property if the breach is material and has not been cured within 60 days from written notice thereof from **FDOT** until such time as the breach is cured.
 - (4) Pursue any other remedies legally available.
 - (5) Perform any work with its own forces or through contractors and seek repayment for the cost thereof under Section 337.403(3), Florida Statutes.
- b. In the event that the **FDOT** breaches any provision of this Agreement, then in addition to any other remedies which are otherwise provided for in the Agreement, the **UAO** may exercise one or more of the following options:
 - (1) Terminate this Agreement if the breach is material and has not been cured within 60 days from written notice thereof from the **UAO**.
 - (2) Pursue any other remedies legally available.
- c. Termination of this Agreement shall not relieve either party from any obligations it has pursuant to other agreements between the parties and from any statutory obligations that either party may have with regard to the subject matter hereof.

4. Indemnification

FOR GOVERNMENT-OWNED UTILITIES:

To the extent provided by law, the **UAO** shall indemnify, defend, and hold harmless the **FDOT** and all of its

officers, agents, and employees from any claim, loss, damage, cost, charge, or expense arising out of any acts, action, error, neglect, or omission by the **UAO**, its agents, employees, or contractors during the performance of the Agreement, whether direct or indirect, and whether to any person or property to which **FDOT** or said parties may be subject, except that neither the **UAO**, its agents, employees, or contractors will be liable under this section for damages arising out of the injury or damage to persons or property directly caused by or resulting from the negligence of the **FDOT** or any of its officers, agents, or employees during the performance of this Agreement.

When the **FDOT** receives a notice of claim for damages that may have been caused by the **UAO** in the performance of services required under this Agreement, the **FDOT** will immediately forward the claim to the **UAO**. The **UAO** and the **FDOT** will evaluate the claim and report their findings to each other within fourteen (14) working days and will jointly discuss options in defending the claim. After reviewing the claim, the **FDOT** will determine whether to require the participation of the **UAO** in the defense of the claim or to require the **UAO** to defend the **FDOT** in such claim as described in this section. The **FDOT's** failure to notify the **UAO** of a claim shall not release the **UAO** from any of the requirements of this section. The **FDOT** and the **UAO** will pay their own costs for the evaluation, settlement negotiations, and trial, if any. However, if only one party participates in the defense of the claim at trial, that party is responsible for all costs.

FOR NON-GOVERNMENT-OWNED UTILITIES:

The **UAO** shall indemnify, defend, and hold harmless the **FDOT** and all of its officers, agents, and employees from any claim, loss, damage, cost, charge, or expense arising out of any acts, action, error, neglect, or omission by the **UAO**, its agents, employees, or contractors during the performance of the Agreement, whether direct or indirect, and whether to any person or property to which **FDOT** or said parties may be subject, except that neither the **UAO**, its agents, employees, or contractors will be liable under this section for damages arising out of the injury or damage to persons or property directly caused by or resulting from the negligence of the **FDOT** or any of its officers, agents, or employees during the performance of this Agreement.

The **UAO's** obligation to indemnify, defend, and pay for the defense or at the **FDOT's** option, to participate and associate with the **FDOT** in the defense and trial of any damage claim or suit and any related settlement negotiations, shall arise within fourteen (14) days of receipt by the **UAO** of the **FDOT's** notice of claim for indemnification to the **UAO**. The notice of claim for indemnification shall be served by certified mail. The **UAO's** obligation to defend and indemnify within fourteen (14) days of such notice shall not be excused because of the **UAO's** inability to evaluate liability or because the **UAO** evaluates liability and determines the **UAO** is not liable or determines the **FDOT** is solely negligent. Only a final adjudication or judgment finding the **FDOT** solely negligent shall excuse performance of this provision by the **UAO**. The **UAO** shall pay all costs and fees related to this obligation and its enforcement by the **FDOT**. The **FDOT's** delay in notifying the **UAO** of a claim shall not release **UAO** of the above duty to defend.

5. Force Majeure

Neither the **UAO** nor the **FDOT** shall be liable to the other for any failure to perform under this Agreement to the extent such performance is prevented by an act of God, war, riots, natural catastrophe, or other event beyond the control of the non-performing party and which could not have been avoided or overcome by the exercise of due diligence; provided that the party claiming the excuse from performance has (a) promptly notified the other party of the occurrence and its estimate duration, (b) promptly remedied or mitigated the effect of the occurrence to the extent possible, and (c) resumed performance as soon as possible.

6. Miscellaneous

- a. To the Facilities shall at all times remain the property of and be properly protected and maintained by the **UAO** in accordance with the then current Utility Accommodation Manual and the current utility permit for the Facilities.
- b. Pursuant to Section 287.058, Florida Statutes, the **FDOT** may unilaterally cancel this Agreement for

refusal by the **UAO** to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the **UAO** in conjunction with this Agreement.

- c. This Agreement constitutes the complete and final expression of the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, or negotiations with respect thereto, except that the parties understand and agree that the **FDOT** has manuals and written policies and procedures which shall be applicable at the time of the Project and the relocation of the Facilities and except that the **UAO** and the **FDOT** may have entered into other agreements for work not included in Exhibit A for Facilities located within the limits of the Project. Copies of **FDOT** manuals, policies, and procedures will be provided to the **UAO** upon request.
- d. This Agreement shall be governed by the laws of the State of Florida. Any provision hereof found to be unlawful or unenforceable shall be severable and shall not affect the validity of the remaining portions hereof.
- e. Time is of essence in the performance of all obligations under this Agreement.
- f. All notices required pursuant to the terms hereof may be sent by first class United States Mail, facsimile transmission, hand delivery, or express mail and shall be deemed to have been received by the end of five business days from the proper sending thereof unless proof of prior actual receipt is provided. The **UAO** shall have a continuing obligation to notify each District of the **FDOT** of the appropriate persons for notices to be sent pursuant to this Agreement.
