War Memorial Auditorium

# War Memorial Auditorium

On December 6, 2013, over 800 volunteers, 36 sponsors, and 23 corporate teams helped to create a beautiful environment for our local veterans, active military service members, and other visitors to the War Memorial Auditorium.

# Landscaping Teams

Team members helping to stain the wooden fences that surround the grounds of the War Memorial Auditorium.

Six murals were painted at the entryway to the Auditorium.  
Each mural representing a branch of the military.

A bench was installed and dedicated to all veterans who have served our country.
