22 **WHEREAS**, the City Commission deems it appropriate and in the best interests  
23 of the residents of Oakland Park to amend provisions of Chapter 3 entitled “Alcoholic  
24 Beverages” of the Code of Ordinances relative to the existing “permits required for  
25 premises to remain open past midnight; revocation, suspension of state beverage license”  
26 section and the new “personal alcoholic beverage seller/server’s education, training and  
27 certification” section for the sale of alcoholic beverages; and  
28

29 **WHEREAS**, in the cases of recent state and Local Law Enforcement activities  
30 related to the illegal alcoholic beverage sales to underage persons at bars, nightclubs,  
31 restaurants, restaurant bars, convenience stores, gasoline service stations, liquor stores,  
32 food and grocery stores, supermarkets and like retail establishments that have a state  
33 approved alcoholic beverage license in Broward County and Oakland Park an analysis of  
34 data was compiled by the Division of Alcoholic Beverages and Tobacco (AB&T) from  
35 compliance checks for the years 2005 through 2006 (with 17 arrests), 2006 through 2007  
36 (with 24 arrests) and 2007 through 2008 (with 52 arrests). The data from the AB&T  
37 compliance checks related to illegal alcoholic beverage sales to underage persons have  
38 revealed an approximate 70% compliance rate for Broward County which also is a 30%  
39 noncompliance rate. Compliance checks conducted within the City of Oakland Park have  
40 revealed a 72% compliance rate and a 28% non-compliance rate. These compliance rates  
41 are approximately 20% below the state average of 90-92%. State and Local Law  
42 Enforcement agencies seek to improve the compliance rates related to illegal alcoholic  
43 beverage sales to underage persons by requiring a state-accepted personal alcoholic

1 beverage seller/server's education, training and certification class/course and/or program  
2 in order to diminish this illegal activity.

3  
4 **WHEREAS**, the City Commission of Oakland Park finds and determines that the  
5 noncompliance rate of 28% referenced herein is detrimental and injurious to the health,  
6 safety and welfare of the residents of the city of Oakland Park.

7  
8 **WHEREAS**, the City Commission hereby finds by requiring that individuals who  
9 sell alcoholic beverages be certified as having completed a state-accepted personal  
10 alcoholic beverage seller/server's education, training and certification class/course and/or  
11 program with this the City gains additional authority to regulate the "permits required for  
12 premises to remain open past midnight; revocation, suspension of state beverage license".  
13 This requirement pertains to any person that works as a manager, alcoholic beverage  
14 seller/server, store clerk and/or in any other capacity and to penalize those individuals  
15 who do not possess a state-accepted certification to sell alcoholic beverages in open past  
16 midnight alcoholic beverage establishments;

18 **NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION**  
19 **OF THE CITY OF OAKLAND PARK, FLORIDA THAT:**
