R E C I T A L S

WHEREAS, OWNER is the owner of a parcel of land legally described in **Exhibit “A”** attached hereto and made a part hereof (the “Property”); and

WHEREAS, the Property is located on the west side of North Ocean Boulevard also known as A1A (hereinafter referred to as “A1A”), a right-of-way which is under the jurisdiction of the State of Florida Department of Transportation (“FDOT”); and

WHEREAS, the Landscape Improvements are proposed to be installed on the west side of the A1A right-of-way (just south of NE 30th Street) (the “Improvement Area”); and

WHEREAS, in order to permit the Landscape Improvements to be constructed in the FDOT right-of-way, FDOT requires the City to enter into an agreement entitled “Amendment Number Twenty (20) to Florida Department of Transportation District Four (4) Landscape Inclusive Maintenance Memorandum of Agreement for State Road A1A” which incorporates all applicable provisions of the District Four (4) Maintenance Memorandum of Agreement Inclusive Agreement for SR A1A and its amendments thereto (the “Agreement”) which is attached hereto and incorporated herein as **Exhibit “B”**; and

WHEREAS, other than the Landscape Improvements required in the Agreement, OWNER shall not be obligated to assume any responsibilities or liabilities with respect to any other right-of-way improvements located outside of the area described in Amendment Number Twenty (20) to Florida Department of Transportation District Four (4) Landscape Inclusive Maintenance Memorandum of Agreement for State Road A1A; and

WHEREAS, the terms and conditions are set forth in the Agreement impose responsibility for maintenance of the Landscape Improvements on the City; and

WHEREAS, as a condition to precedent to the City executing Amendment Number Twenty (20) to Florida Department of Transportation District Four (4) Landscape Inclusive Maintenance Memorandum of Agreement for State Road A1A, OWNER hereby agrees to assume all liability, obligations and responsibilities under the Agreement and agrees to indemnify and hold harmless the City, its officers, elected and appointed officials, volunteers, employees, and agents from any and all liability under the Agreement only for the Landscape Improvements pursuant to the terms and conditions of this Assumption Agreement and the Agreement; and

WHEREAS, OWNER shall not be obligated to assume any maintenance responsibilities or liabilities with respect to any other right-of-way improvements in the FDOT right-of-way, other than the Landscape Improvements.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, and other good and valuable considerations, the sufficiency and adequacy of which is hereby acknowledged, OWNER and the City hereby agree as follows:

1. Recitals. The foregoing Whereas clauses are true and correct and are hereby incorporated herein.

2. Terms. The following terms, as used and referred to herein, shall have the meanings set forth below, unless the context indicates otherwise.

City Manager means CITY's Chief Executive Officer, its City Manager, or his or her designee.

City Engineer means the City Engineer (Urban Design Engineer) for the CITY, or the City Engineer's designee. In the administration of this agreement, as contrasted with matters of policy, all parties may rely upon instructions or determinations made by the City Engineer. For the purposes hereof, the CITY Engineer's designee shall be the Urban Design Engineer.

Day(s). In computing any period of time expressed in day(s) in this Agreement, the day of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next day which is neither a Saturday, Sunday or legal holiday. When the period of time prescribed or allowed is less than seven (7) days, intermediate Saturdays, Sundays, and legal holidays shall be excluded in the computation.

Department (also known as "FDOT") means the State of Florida Department of Transportation.

Effective Date means the effective date of this Assumption Agreement, which shall be the date upon which both (i) this Assumption of Liability and Hold Harmless Agreement is executed by the proper corporate officials for OWNER and the CITY and recorded in the Official Records of Broward County by the Owner at the Owner's expense and (ii) the Agreement is executed by FDOT and the City.

Landscape Improvements as used herein means all liabilities, responsibilities, and obligations that are imposed on the City in the Agreement for the area described in Amendment Number Twenty (20) to Florida Department of Transportation District Four (4) Landscape Inclusive Maintenance Memorandum of Agreement for State Road A1A.

Person means any individual, firm, partnership (general or limited), corporation, company, association, joint venture, joint stock association, estate, trust, business trust, cooperative, limited liability corporation, limited liability partnership, limited liability company or association, or body politic, including any heir, executor, administrator, trustee, receiver, successor or assignee or other person acting in a similar representative capacity for or on behalf of such Person.

3. Compliance and Default. OWNER agrees to assume any and all liability and responsibility for performance of the Landscape Improvements under the Agreement except that OWNER shall not be liable for any improvements and work done by the City or third parties, unless OWNER provides written consent to such improvements. OWNER hereby agrees to abide by and comply with each and every term and condition relating to the Property set forth in the Agreement and this Assumption Agreement and failure to so comply shall constitute a default under this Assumption Agreement. Any acts or omissions by OWNER or OWNER's contractors, agents or employees that are not in compliance with the terms and conditions of the Agreement

shall constitute a default under this Assumption Agreement. The Agreement is incorporated into this Assumption Agreement as if fully set forth herein.

4. Indemnification and Hold Harmless.

(a) OWNER shall protect, defend, indemnify and hold harmless the CITY, its officers, elected and appointed officials, volunteers, employees and agents from and against any and all lawsuits, penalties, damages, settlements, judgments, decrees, costs, charges and other expenses charged or incurred, including reasonable attorney's fees actually incurred, or liabilities of every kind, nature or degree arising out of or in connection with the rights, responsibilities and obligations of OWNER under the Agreement and this Assumption Agreement, conditions contained therein, the location, construction, repair, maintenance use or occupancy by OWNER or its agents, employees, contractors, and subcontractors of the Landscape Improvements, or the breach or default by OWNER of any covenant or provision of the Agreement or this Assumption Agreement. Without limiting the foregoing, any and all such charges, claims, suits, causes of action relating to personal injury, death, damage to property, defects in construction, rehabilitation or restoration of the Landscape Improvements by OWNER or others, including but not limited to costs, charges and other expenses charged or incurred, including reasonable attorney's fees and costs actually incurred or liabilities arising out of or in connection with the rights, responsibilities and obligations of OWNER under the Agreement and this Assumption Agreement, or any actual violation of any applicable and known statute, ordinance, administrative order, rule or regulation or decree of any court by OWNER, is included in this indemnity. OWNER shall not be liable for any negligence or international torts committed by the City, its agents, its employees, its officers, its elected and appointed officials, and its volunteers.

(b) OWNER further agrees that upon delivery of proper and timely notice of violations under the Agreement it shall investigate, handle, respond to, provide defense for, and defend any such claims at its sole expense. The parties will mutually select counsel and in the absence of agreement, the City's selection of counsel shall be final. The City shall retain the right to select counsel of its own choosing as deemed appropriate. This indemnification shall survive termination, revocation or expiration of the Agreement and this Assumption Agreement and shall cover any acts or omissions occurring during the term of the Agreement and this Assumption Agreement.

5. Insurance. At all times during the term of the Agreement and this Assumption Agreement, OWNER, at its expense, shall keep or cause to be kept in effect the insurance coverages for the Landscape Improvements set forth in the Agreement and OWNER shall cause such coverage to be extended to CITY as an additional insured and shall furthermore provide Certificates of Insurance to CITY at least fourteen (14) days prior to the commencement of the Agreement and annually thereafter on the anniversary date of the policies.

In accordance with the requirements in Section 12 of the District Four (4) Maintenance Memorandum of Agreement Inclusive Agreement for SR A1A, OWNER shall comply with the following requirements:

(a) **OWNER** shall at all times during the term of this Agreement keep and maintain in full force and effect, at **OWNER**'s sole cost and expense, Comprehensive General Liability with minimum limits of \$1,000,000.00 per occurrence combined single limit for Bodily Injury Liability and Property Damage Liability and Worker's Compensation insurance with minimum limits of \$500,000.00 per Liability. Coverage must be afforded on a form no more restrictive than the latest edition of the Comprehensive General Liability and Worker's Compensation policy without restrictive endorsements, as filed by the Insurance Services Office and shall name **DEPARTMENT** as an additional insured.

(b) **OWNER** shall furnish **the CITY** with Certificates of Insurance of Endorsements evidencing the insurance coverage specified herein prior to the beginning performance of work under this Agreement.

(c) Coverage is not to cease and is to remain in full force and effect (subject to cancellation notice) until all performance required of **OWNER** is completed. All policies must be endorsed to provide **DEPARTMENT** with at least thirty (30) days notice of cancellation and/or restriction. If any of the insurance coverage will expire prior to the completion of work, copies of renewal policies shall be furnished at least (30) days prior to the date of expiration.

6. Removal of Improvements and Restoration of Improvement Area.

(a) Except as may otherwise be expressly provided herein, it is agreed that upon termination of the Agreement, in whole or in part, **OWNER** shall remove all or any part of the Landscape Improvements in accordance with the terms and conditions of the Agreement, and **OWNER** shall restore the right of way and any impacted public utilities to conditions acceptable to **FDOT**. Such removal and restoration shall be at **OWNER**'s sole cost and expense. In the event **OWNER** fails to begin to remove all or any part of the Landscape Improvements contemplated herein with thirty (30) days after written demand by **FDOT** or **CITY**, the **CITY** is hereby authorized to remove the Landscape Improvements that interfere with the easement rights or the public's use of dedicated rights-of-way and restore the right of way and any public utilities to conditions acceptable to **FDOT**, and all reasonable costs associated with the removal and restoration thereof shall be fully reimbursed by **OWNER**.

(b) In the event **OWNER** fails to remove the Landscape Improvements after an opportunity to cure and **CITY** finds it necessary to remove the Landscape Improvements in accordance with the foregoing, then **OWNER** shall post a cash bond with the **CITY** equivalent to the amount at issue and if not resolved within thirty (30) days after the bond is posted, the **CITY** shall be entitled to payment from the proceeds of the bond.

7. Event of Default; Remedy. In the event the **OWNER** fails to perform or violates any of the terms or conditions of the Agreement or this Assumption Agreement or is in breach or default in any term or condition thereof, the City shall notify **OWNER** of the specific failure or violation of this Assumption Agreement or the Agreement in writing and **OWNER** shall thereafter have a period of thirty (30) days to cure any such failure or violation to the City's reasonable satisfaction (an "Event of Default"). Upon an Event of Default, the City has the right 1) to take any equitable action to enforce the terms and conditions of the Agreement or this Assumption

Agreement, it being stipulated by the parties that since the Agreement and this Assumption Agreement deal with the right to use public easements and rights-of-way of FDOT used for a governmental purpose, a violation or breach of any term or condition of the Agreement or this Assumption Agreement constitutes an irreparable injury to the public and CITY for which there is no adequate remedy at law or 2) take such curative action that was required to be taken by the OWNER under the Agreement and the cost and expense incurred in CITY's curative actions shall be passed on to and owed by OWNER, in which case OWNER shall be liable for payment to CITY for all reasonable and necessary costs and expenses incurred by CITY in connection with the performance of the action or actions associated with the Landscape Improvements. OWNER shall reimburse CITY within thirty (30) days following written demand for payment thereof. Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum simple interest but in no event shall interest exceed the highest amount allowed by Florida law. If a dispute arises as to the need for, or amount due to the CITY for repairs or maintenance undertaken by CITY in accordance with the Agreement or Assumption Agreement, and such dispute is not resolved within thirty days (30) days after the date that CITY makes the written demand for payment, OWNER shall post a cash bond with the CITY equivalent to the amount at issue and if not resolved within thirty (30) days after posting, the CITY shall be entitled to payment from the proceeds of the bond. CITY shall have all other rights and remedies granted to it at law or in equity for OWNER's failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. The remedies found within this Section are cumulative. The exercise of one does not preclude the exercise of any other remedy.

8. Emergencies. If an emergency situation arises with respect to the Agreement or the Assumption Agreement where the Improvement Area or any condition thereof presents an imminent threat to the health or safety of Persons or property, the CITY shall make reasonable efforts to provide telephone and email notice to OWNER's Contact Person. If, following that notice, OWNER fails to take timely action to correct the emergency situation, and allowing the emergency situation to continue would pose an imminent threat to health or safety to Persons or property, CITY may undertake such limited actions as are necessary to eliminate the emergency; and CITY shall be entitled to recover its reasonable costs of cure or resolve the emergency from OWNER in accordance with provisions hereof. For the purposes of this Section, OWNER'S Contact Person shall be Publix Super Markets, Inc., Attention: Anne Balderston; telephone number (863) 616-5777; and e-mail address: Anne.Balderston@Publix.com, with simultaneous copy to Publix Super Markets, Inc., Attention: Taylor McAuley; telephone number (863) 680-5393; and e-mail address: Taylor.Mcauley@Publix.com. In the event the OWNER's Contact Person or any other information pertaining to the OWNER's Contact Person shall change, such change shall be provided to the CITY Engineer and the CITY's Director of the Transportation and Mobility Department, in writing.

9. Damage to Public Property. In the event the use, operation, maintenance, repair, construction, demolition or reconstruction of the Landscape Improvements cause(s) any damage whatsoever to any other public property, then OWNER shall be responsible for the cost of repair and shall, at CITY's option, make said repairs, subject to CITY's reasonable satisfaction.

10. Notices.

(a) Except as provided in subparagraph (c) below, whenever it is provided herein that notice, demand, request or other communication shall or may be given to, or served upon, either of the parties by the other, or either of the parties shall desire to give or serve upon the other any notice, demand, request or other communication with respect hereto or with respect to any matter set forth in the Agreement or this Assumption Agreement, each such notice, demand, request or other communication shall be in writing and any law or statute to the contrary notwithstanding shall not be effective for any purpose unless the same shall be given by hand delivery, or by a nationally recognized overnight courier, or by mailing the same by registered or certified mail, postage prepaid, return receipt requested, addressed to the party at the address set forth below, or at such other address or addresses and to such other person or firm as OWNER may from time to time designate by notice as herein provided.

(b) All notices, demands, requests or other communications hereunder shall be deemed to have been given or served for all purposes hereunder upon receipt if by hand delivery, or upon one (1) business day after deposit with such overnight courier as required above, or upon two (2) business days after deposit with the United States mail, postage prepaid, in the manner aforesaid, provided, however, that for any distance in excess of five hundred (500) miles, air mail service or Federal Express or similar carrier shall be utilized, if available.

11. Independent Contractor. As between CITY and OWNER, OWNER is an independent contractor under this Assumption Agreement. In providing such services, neither OWNER nor its agents shall act as officers, employees, or agents of CITY. No partnership, joint venture, or other joint relationship is created hereby. CITY does not extend to OWNER or OWNER's agents any authority of any kind to bind CITY in any respect whatsoever.

12. Joint Preparation. Each party and its counsel have participated fully in the review and revision of this Assumption Agreement and acknowledge that the preparation of this Assumption Agreement has been their joint effort. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. The language in this Assumption Agreement shall be interpreted as to its fair meaning and not strictly for or against any party.

13. Interpretation of Agreement; Severability. This Assumption Agreement shall be construed in accordance with the laws of the State of Florida. If any provision hereof, or its application to any person or situation, is deemed invalid or unenforceable for any reason and to any extent, the remainder of this Assumption Agreement or the application of the remainder of the provisions, shall not be affected. Rather, this Assumption Agreement is to be enforced to the extent permitted by law. The captions, headings and title of this Assumption Agreement are solely for convenience of reference and are not to affect its interpretation. Each covenant, term, condition, obligation or other provision of this Assumption Agreement is to be construed as a

separate and independent covenant of the party who is bound by or who undertakes it, and each is independent of any other provision of this Assumption Agreement, unless otherwise expressly provided. All terms and words used in this Assumption Agreement, regardless of the number or gender in which they are used, are deemed to include any other number and other gender, as the context requires.

14. Successors. This Assumption Agreement shall be binding on and inure to the benefit of the parties, their successors and assigns. It is intended that this Assumption Agreement and the rights and obligations set forth herein shall run with the land and shall bind every person having any fee, leasehold or other interest therein and shall inure to the benefit of the respective parties and their successors, assigns, heirs, and personal representatives.

15. No Waiver of Sovereign Immunity. Nothing contained in this Assumption Agreement is intended to serve as a waiver of sovereign immunity by the City to which sovereign immunity may be applicable.

16. Third Party Beneficiaries. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Assumption Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based on this Agreement. Nothing herein shall be construed as consent by any agency or political subdivision of the State of Florida to be sued by third parties in any manner arising out of any contract.

17. Non-Discrimination. OWNER shall not discriminate against any Person in the performance of duties, responsibilities and obligations under this Assumption Agreement because of race, age, religion, color, gender, national origin, marital status, disability or sexual orientation.

18. Records. Each party shall maintain its own respective records and documents associated with this Assumption Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Chapter 119, Florida Statutes as applicable, and any resultant award of attorney's fees for non-compliance with that law.

19. Entire Agreement. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Assumption Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

20. Waiver. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Assumption Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Assumption Agreement shall not be deemed a waiver of such provision or modification of this Assumption Agreement. A waiver of any breach of a provision of this Assumption Agreement shall not be

deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Assumption Agreement.

21. Governing Law. This Assumption Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Assumption Agreement and any action involving the enforcement or interpretation of any rights hereunder, shall be brought exclusively in the state courts of the Seventeenth Judicial Circuit in Broward County, Florida, and venue for litigation arising out of this Assumption Agreement shall be exclusively in such state courts, forsaking any other jurisdiction which either party may claim by virtue of its residency or other jurisdictional device. **By entering into this Assumption Agreement, CITY and OWNER hereby expressly waive any rights either party may have to a trial by jury of any civil litigation related to the Agreement or this Assumption Agreement or any acts or omissions in relation thereto.**

22. Recording. This Assumption Agreement and all its exhibits shall be recorded in the Official Records of Broward County, Florida, by Owner at Owner's sole cost and expense. OWNER shall provide a copy of this recorded Assumption Agreement to the City Manager and City Clerk.

23. Term. This Assumption Agreement shall continue in full force and effect until such time as the Agreement becomes null and void by removal of the Landscape Improvements, by operation of law or in accordance with the terms of the Agreement, or is terminated by a court order or mutual agreement between OWNER, FDOT and CITY and no obligations lying thereunder survive such termination.

24. Assignment. OWNER may assign this Assumption Agreement without the prior written consent of the CITY to a transferee of the fee simple interest in the Property or to an owner responsible for the common areas of the Property (including a condominium association, homeowner's association or property owner's association), with written notice to the City Manager of such assignment and delivery of a copy of the written assumption of responsibilities executed by the assignor and recorded in the Public Records of Broward County, Florida.

25. Police Power. Nothing herein shall be construed as a waiver of the City's police power. OWNER shall comply with the City's codes, ordinances and regulations with respect to installation and construction of the Landscape Improvements. OWNER shall construct operate and maintain the Landscape Improvements in compliance with all health, sanitary, fire, zoning and building code requirements and any other governing authority with jurisdiction over the Improvement Area and Improvements.

26. No Property Rights. OWNER expressly acknowledges that pursuant to the terms hereof, it gains no property right through this Assumption Agreement or the Agreement to the continued possession or use of the Landscape Improvements within the Improvement Area.

**AMENDMENT NUMBER TWENTY (20) TO
FLORIDA DEPARTMENT OF TRANSPORTATION DISTRICT FOUR (4)
LANDSCAPE INCLUSIVE MAINTENANCE MEMORANDUM OF AGREEMENT
FOR STATE ROAD A1A**

THIS AMENDMENT Number Twenty (20) to the Agreement dated January 31, 2008, was made and entered into this _____ day of _____ 20____ by and between the **FLORIDA DEPARTMENT OF TRANSPORTATION**, a component agency of the State of Florida, hereinafter called the **DEPARTMENT**, and the **CITY OF FORT LAUDERDALE**, a municipal corporation of the State of Florida, hereinafter called the **AGENCY**.

WITNESSETH

WHEREAS, the parties entered into the Landscape Inclusive Maintenance Memorandum of Agreement dated January 31, 2008 (“Original Agreement”) for the purpose of the AGENCY maintaining landscape and hardscape improvements on **State Road A1A**; and,

WHEREAS, the DEPARTMENT and the AGENCY agree to amend the Original Agreement for the purpose of adding additional landscape improvements (“Additional Improvements”) to be installed by permit on **State Road A1A** in accordance with the above referenced Original Agreement; and,

WHEREAS, the AGENCY by Resolution No. _____ dated _____, attached hereto as **Exhibit C** and by this reference made a part hereof, desires to enter into this Agreement and authorized its officers to do so; and,

NOW THEREFORE, for and in consideration of mutual benefits that flow each to the other, the parties covenant and agree as follows:

1. The parties herein agree to modify the Original Agreement accordingly:

A. The following sentence is added to the end of the first paragraph of Section 3:

The AGENCY shall be responsible for all maintenance and repairs to FDOT sidewalks directly attributable to tree roots or other AGENCY maintained improvements.

B. The following section is hereby added:

DEPARTMENT ACCESS TO FACILITIES

The DEPARTMENT will periodically need access to various features within the limits of this Agreement. Upon request of the DEPARTMENT, the AGENCY will have 14 calendar days to provide access to the items noted by the DEPARTMENT. This may require temporary or permanent removal of improvements such as hardscape, landscape or other items conflicting with the items to which the Department needs access.

Should the AGENCY fail to remove or relocate items as requested, the Department may:

- (a) Remove conflicting improvements or any portion thereof.
 - (b) Restore the area with any material meeting Department standards.
 - (c) Restore the improvements at the request and funding of the AGENCY.
2. Pursuant to section one (1) of Amendment Eleven (11) to the Original Agreement, the AGENCY has agreed to allow an Adjacent Property Owner to construct Additional Improvements or to modify an improvement located as indicated in **Exhibit "A"** on SR A1A from Milepost 5.200 to Milepost 5.233.
3. The Additional Improvements (planting and irrigation) shall be installed according to the plans attached to this Amendment as **Exhibit "B"** and incorporated into the Original Agreement.
4. The AGENCY agrees to maintain the Additional Improvements in accordance with Part I of Exhibit "C" Maintenance Plan for Landscape Improvements, of the Original Agreement, and in compliance with:

PART II. Specific Project Site Maintenance Requirements and Recommendations:

- a) Design intent is to provide pedestrian-friendly landscape buffer adjacent to S.R. A1A.
- b) To maintain the intended appearance of all palms, apply the latest palm fertilizer recommended by the University of Florida IFAS Extension per the manufacturer's specifications.
- c) To maintain the intended appearance of all shrubs or turf grass, apply the latest fertilizer recommended by the University of Florida IFAS Extension per the manufacturer's specifications.
- d) Do not remove fronds from self-cleaning palms, unless damaged. Palms with persistent fronds shall only have dead fronds removed, do not remove any green fronds. If it is deemed necessary to prune a palm's fronds, no fronds shall be trimmed above 3 o'clock and 9 o'clock on the horizontal plain.

- e) Groundcover and shrub horizontal growth shall be maintained to prevent foliage from growing beyond the limits of the planting areas shown on the plan. Maintain a 6"-18" range setback (depending on plant spacings indicated on plans) from the foliage to the edge of curb, pavement, sidewalk and/or other hardscape improvements.
- f) Maintain the vertical height of:
 - 1) *ERNODEA LITTORALIS* between 12" and 18", full to ground.
 - 2) *FICUS MICROCARPA CV GREEN ISLAND* between 30" and 36", full to ground.
 - 3) *TRADESCANTIA PALLIDA 'PURPUREA'* at full mature height (approx. 18"), full to ground.
 - 4) *ZAMIA PUMILA* at full mature height (approx. 36"), full to ground.
- g) Inspect groundcovers and shrubs on a monthly basis for maintaining full to ground coverage.
- h) Evaluate plant material on a monthly basis for pests, diseases, drought stress or general decline. If required, follow the integrated pest management program established by the Agency to ensure healthy plants.
- i) Joints and cracks in concrete, patterned concrete or asphalt, concrete pavers, concrete curbs, expansion joints, catch basins, gutter areas, etc. shall be inspected on a monthly basis to keep those areas free of weeds.
- j) Inspect the irrigation system performance on a monthly basis to ensure the system is providing 100% coverage, does not have sections of low pressure, heads and valves are clean and clear of debris and any damaged irrigation components (i.e., spray nozzles, spray heads, valve boxes, etc.) are repaired or replaced.

Except as modified by this Amendment, all terms and conditions of the Original Agreement and all Amendments thereto shall remain in full force and effect.

- ONLY CLEARING BY HAND IS PERMISSIBLE WITHIN THE DRIFLINE OF TREES DESIGNATED FOR PRESERVATION. THE ROOT SYSTEMS OF TREES SHALL BE PROTECTED AT ALL TIMES. IF ROOTS ARE EXPOSED, THE CONTRACTOR SHALL PROVIDE TEMPORARY EARTH COVER MIXED WITH PEAT MOSS AND WRAPPED WITH BURLAP TO PREVENT EXPOSED ROOTS FROM DRYING OUT BEFORE PERMANENT BACKFILL IS PLACED. THE CONTRACTOR SHALL ALSO WATER, MAINTAIN IN MOIST CONDITION, AND OTHERWISE TEMPORARILY SUPPORT AND PROTECT THE TREE OR ROOT FROM DAMAGE UNTIL THE TREE OR ROOT IS PERMANENTLY COVERED WITH EARTH.

NEIGHBORHOOD COMPATIBILITY NOTES:

- IT IS THE INTENT OF THESE DRAWINGS TO COMPLY WITH ALL APPLICABLE NEIGHBORHOOD REQUIREMENTS FOR LANDSCAPE PLANTING AS FOLLOWS:
 - PROPOSED PLANTINGS ARE CONSISTENT WITH THE PROPOSED USE, ADJACENT DEVELOPMENT, AND AS REQUIRED UNDER SECTION 47-12 OF THE UDR.
 - EXISTING TREES ARE PRESERVED OR OTHERWISE NOTICATED AS OUTLINED IN THE DRAINAGE. PLANT MATERIAL IS USED IN A CONTEMPORARY URBAN CONTEXT, ACKNOWLEDGING THE LIMITATIONS OF THE BEACH ENVIRONMENT, AND CREATES A LUSH TROPICAL ENVIRONMENT IN KEEPING WITH THE VISUAL QUALITY OF THE BEACH AND ADJOINING PUBLIC CORRIDORS. PLANT MASSINGS ARE RICH IN MATERIAL, WITH EMPHASIS ON THE GROUND PLANE TREATMENT. COLOR IS USED IN BOLD, MASSIVE STATEMENTS WHERE APPROPRIATE.

- USE PIPE SLEEVES AT LEAST TWO PIPE SIZES LARGER THAN THE CARRIER PIPE OR TWICE THE DIAMETER OF THE WIRE BUNDLE TO BE PLACED UNDER ALL PAVING/STEPS.
- CONNECT NEW STATION VALVES TO PROPOSED AUTOMATIC CONTROLLER. MULTIPLE STATION VALVES MAY BE HOUSED WITHIN SINGLE VALVE BOX AS APPROVED BY LANDSCAPE ARCHITECT DURING SHOP DRAWING SUBMITTAL. REFER TO EQUIPMENT SCHEDULE.
- MAINTAIN SPRINKLERS AND BUBBLERS IN SEPARATE STATIONS. DO NOT COMBINE SPRINKLERS AND BUBBLERS TO SAME AUTOMATIC VALVE.
- CONTRACTOR SHALL PROVIDE SEPARATION OF HYDROZONES. DISTINCT IRRIGATION STATIONS SHALL BE PROVIDED FOR TURF AND NON-TURF AREAS AS INDICATED ON PLAN. DO NOT COMBINE TURF/SOD AREA HYDROZONES WITH ANY OTHER PLANTING TYPE HYDROZONES.
- INSTALLER IS REQUIRED TO CONDUCT FINAL TESTING AND ADJUSTMENT TO ACHIEVE DESIGN SPECIFICATIONS PRIOR TO COMPLETION OF THE SYSTEM AND ACCEPTANCE BY THE OWNER OR OWNERS REPRESENTATIVE.
- INSTALLER SHALL PROVIDE OWNER WITH THE FOLLOWING POST-CONSTRUCTION DOCUMENTATION:
 - AS-CONSTRUCTED DRAWINGS
 - RECOMMENDED MAINTENANCE ACTIVITIES AND SCHEDULES
 - OPERATIONAL SCHEDULE
 - DESIGN PRECIPITATION RATES
 - INSTRUCTIONS ON ADJUSTING THE SYSTEM TO APPLY LESS WATER AFTER THE LANDSCAPE IS ESTABLISHED
 - MAINTENANCE SCHEDULE
 - WATER SOURCE
 - WATER SHUT-OFF METHOD
 - MANUFACTURER'S OPERATIONAL GUIDE FOR IRRIGATION CONTROLLER
- INSTALLER SHALL WATER SOD AREAS AND LANDSCAPE PLANTS DAILY FOR 30 DAYS, EVERY OTHER DAY FOR 150 DAYS, AND WEEKLY THEREAFTER. APPLY 3 GALLONS OF WATER PER CALIPER INCH. DO NOT WATER IF ROOTBALL BE WET ON WATERING DAY. WATER SOD AREAS FOR APPROXIMATELY 15 MINUTES PER ZONE. ALL IRRIGATION STATION RUN TIMES SHALL BE COORDINATED WITH OBSERVED FIELD CONDITIONS.
- REFER TO IRRIGATION DETAILS AND SPECIFICATIONS.
