Homeowner: Joan Gilbertson
Phone #: 954-581-5294 **Email:** chefchris4343@aol.com
Address: 500 SW 7th St.
Fort Lauderdale, FL 33315
Proposal Sent Via: Email

Ms. Joan Gilbertson:

Cliff Berry, Inc. (CBI) has been offering comprehensive **Environmental Services** for over five decades by combining proven technical expertise and problem solving proficiency. We have supported our customers in developing cost effective solutions for all of their environmental requirements.

Cliff Berry, Inc. (CBI) is pleased to provide you with a personalized pricing proposal to execute the following Scope of Work referenced below:

Scope of Work:

Please see below a list of steps that Cliff Berry, Inc. will take to remediate/ disinfect the sewage contamination at the above mentioned property.

1. CBI will pressure clean and disinfect all non-pervious surfaces with biocide solution.
2. CBI will apply a granular lime powder over the entire yard that was impacted by the sewer line break on the pervious surfaces i.e. soil or gravel.
3. CBI will use hand tools and an industrial vacuum unit to excavate and properly dispose of all loose debris and soil from the top layer and replace with approximately 6000 square feet of gravel and sod.
5. CBI will also pressure wash and disinfect sidewalks and driveways, as well as the bottom of affected buildings.
6. CBI will remove and dispose of approximately 10 x 10 wooden shed on the rear of the property that was impacted.

Project Estimate: \$18873

Price includes all safety and personal protective equipment and supplies, all disposal, and hauling.

Work Location: 500 SW 7th St.
Fort Lauderdale, FL 33315

Disposal Site: Waste Management – Pompano Beach

Cliff Berry, Inc. would like to thank you for the opportunity to submit pricing for this project. If you require additional details on this scope of work, please do not hesitate to contact the undersigned.

CBI is committed to preserving our environment and combined with decades of documented work experience. It is our personal commitment to you that we shall execute this work with the highest degree of professionalism and environmental stewardship. All CBI field personnel are certified with 40-Hour OSHA training and are Confined Space Entry certified.
