TITLE: Public Hearing Approving the Issuance of a Certificate of Public Convenience and Necessity for PDP MD, LLC to Operate Fifteen Non-Emergency Medical Transport Vans within the City of Fort Lauderdale - **(Commission Districts 1, 2, 3 and 4)**

Recommendation

Staff recommends the City Commission approve the issuance of a Certificate of Public Convenience and Necessity authorizing PDP MD, LLC to operate fifteen non-emergency medical transport vehicles (Ford Transit 350 & Ford Transit 350 Wagon's) within the City of Fort Lauderdale.

Background

Per Chapter 27 of the City's Code of Ordinances, it is unlawful for any person to engage in, or carry on the business of operating for-hire transportation services within the City without obtaining a Certificate of Public Convenience and Necessity. Vehicle for Hire applications are reviewed by staff for sufficiency before they are scheduled for City Commission approval. Risk Management will review the Certificate of Insurance prior to the issuance of any permits.

PDP MD, LLC applied to provide service in the City of Fort Lauderdale utilizing fifteen (15) modified Ford Transit 350's as non-emergency transport vans. Staff reviewed the application (Exhibit 1) in which the applicant proposes to operate with the sole purpose of transporting persons to various hospitals or doctor's offices for non-emergency purposes. Staff has found the application to be acceptable and recommends the approval to operate on City roadways.
