It is recommended that the City Commission approve a motion authorizing the City Manager to accept a grant from the Community Foundation of Broward and execute a contract, in substantially the form attached, necessary to accept the awarded funds in the amount of \$42,000.

**Background**

On March 12, 2015, the Transportation and Mobility Department submitted a grant application to the Community Foundation of Broward for their Art of Community Engagement Challenge to award individual grants of \$5,000 to \$100,000 with a required one to one cash match to support big, bold, innovative civic-engagement projects that utilize the arts to address issues of public concern.

This grant will support a project for the community to engage in a fun and artistic experience through design and painting of murals on the pavement at three intersections south of the Bonnet House and Breakers Avenue intersecting Belmar, Windamar, and Riomar Streets, that will also incorporate pedestrian crossings, American with Disabilities Act (ADA) ramp upgrades, and designated travel lanes used to create safe avenues for crossing the street.

The total cost of the Project is estimated at \$102,016 with funds available in Neighborhood Traffic Calming and Pedestrian Safety. Staff will utilize the grant funds to cover staffing and project costs. The ADA ramp upgrades and new curbing will be funded through the Transportation and Mobility operating budget.
