City Commission Agenda Memo
REGULAR MEETING

#24-0588

TO: Honorable Mayor & Members of the Fort Lauderdale City Commission

FROM: Susan Grant, Acting City Manager

DATE: July 2, 2024

TITLE: Motion Approving an Event Agreement and Request for Road Closures, including an Extended Road Closure Beyond 10:00am on the Barrier Island and Request for Music Exemption for The Seminole Hard Rock Winterfest Boat Parade - **(Commission Districts 1, 2 and 4)**

Recommendation

Staff recommends the City Commission approve an event agreement and request for road closures, including an extended road closure beyond 10:00am on the Barrier Island and request for music exemption with Integrity Multisport Inc., in substantially the form attached, and authorize execution of the agreement by the City Manager.

Background

The Seminole Hard Rock Winterfest Boat Parade will have three separate activation sites including The New River/Intracoastal Waterway, Tunnel Top Park/Laura Ward Plaza/Riverwalk (from Salt 7 east to Riverside Hotel) and Las Olas Intracoastal Promenade Park. Details for each location activation are listed below.

City staff has been working closely with the event organizer regarding event topics, such as logistics, maintenance, and security as detailed below. The Police Department recommends approval for closing the City streets where appropriate, and event parking has been satisfactorily arranged. When applicable, amplified music was discussed, and the event organizer was advised of the noise ordinance and possible concerns.

The organizer will pay for all event costs and submit the required certificates of insurance. The event organizer will also secure all other necessary permits and licenses that are required from other agencies. Civic and merchant associations have been notified, as appropriate, regarding events in their areas. Specific event details are included in each event application as attached.

Where applicable, the City Commission authorizes amplified music for the events listed below.

Authorization for the execution of the event agreements is contingent upon the City

Attorney's Office receiving and approving a validly executed agreement.
