Uptown Rezoning Application
200 W Cypress Creek
Case No. UDP-Z24012

RE: Rezoning from Intense Manufacturing and Industrial (M-3, Broward County) to Uptown Urban Village Southeast (UUV-SE) District - 200 W Cypress Creek - ULDR Rezoning Criteria Responses

The property owner, 200 W Cypress Creek Holdings, LLC., is requesting to rezone 133,678 square feet (approximately 3.06 acres) of land located at 200 W Cypress Creek Holdings, LLC. from Intense Manufacturing and Industrial (M-3, Broward County) District to Uptown Urban Village Southeast (UUV-SE) to permit the development of an adaptive reuse project into a Private Club Facility on the site. The City of Fort Lauderdale staff is processing the rezoning on behalf of the property owner.

Pursuant to the City's Unified Land Development Regulations (ULDR) Section 47-24.4.D, Rezoning Criteria, an applicant must demonstrate that the application for a rezoning meet the following criteria:

1. The zoning district proposed is consistent with the City's Comprehensive Plan.
The property is currently zoned M-3, County zoning and has an underlying land use designation of Industrial, which is intended to accommodate opportunities for the retention and expansion of economic activities associated with manufacturing, processing or assemble plants and their support enterprises for warehouse, storage, distribution, research and development. The proposed UUV-SE zoning district is consistent with this land use designation. Please refer to the Comprehensive Plan Consistency section within this report for additional information.
2. The changes anticipated by the proposed rezoning will not adversely impact the character of development in or near the area under consideration.
The development in the surrounding area is characterized mainly by office, hotel, and commercial uses. Rather than adversely impacting the character of development in the area with more intense uses such as industrial manufacturing, the proposed rezoning to UUV-SE will have a positive impact by allowing for the expansion of warehouse and storage use in the area.
3. The character of the area proposed is suitable for the uses permitted in the proposed zoning district and is compatible with surrounding districts and uses.
Rezoning the proposed property to the UUV-SE zoning district will permit the proposed use of Private Club Facility, as it is a permitted use in the UUV-SE zoning district. In addition, the proposed zoning district is compatible with the surrounding business districts that permit and have existing uses similar to that of the proposed use. Furthermore, the Uptown Master Plan encourages the proposed property to be rezoned to the UUV-SE zoning district. The proposed rezoning ensures the continued planned growth of the Uptown Urban Village identified in the Uptown Urban Village Master Plan.
