

RESOLUTION NO. 13-

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA, RELATING TO THE CREATION OF THE WAVE STREETCAR ASSESSMENT AREA AND IMPOSITION OF AN ASSESSMENT FOR THE CAPITAL FUNDING OF THE CONSTRUCTION OF CERTAIN TRANSPORTATION IMPROVEMENTS WITHIN THE PROPOSED WAVE STREETCAR PROJECT ASSESSMENT AREA; DESCRIBING THE METHOD OF ASSESSING TRANSPORTATION IMPROVEMENT ASSESSED COSTS AGAINST ASSESSED PROPERTY LOCATED WITHIN THE CITY OF FORT LAUDERDALE; DIRECTING THE PREPARATION OF AN ASSESSMENT ROLL; AMENDING RESOLUTION 13-95; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Commission has enacted an ordinance to provide for the creation of assessment areas and to authorize the imposition of assessments to fund the Project Cost of Transportation Improvements; and

WHEREAS, the Wave Streetcar Project constitutes a Transportation Improvement under Ordinance No. C-13-14 and the Wave Streetcar Assessment Area, constituting an Assessment Area as described in Section 2.01 thereof, encompasses only property specially benefitted by the Wave Streetcar Project; and

WHEREAS, the Wave Streetcar Project will facilitate economic growth and development patterns prescribed in the adopted land use plans for the Wave Streetcar Assessment Area; and

WHEREAS, the Wave Streetcar Project will support sustainable development in the Wave Streetcar Assessment Area by improving mobility and regional connectivity while providing transportation alternatives and reducing automobile dependency; and

WHEREAS, the Wave Streetcar Project will provide for and result in an increased level of necessary infrastructure services, enhancement of area recreation and utilization, promote user friendliness and enhance overall aesthetic beautification of the Wave Streetcar Assessment Area; and

WHEREAS, the infrastructure developments and improvements associated with the Wave Streetcar Project will enhance and strengthen the relationship of such improvements to the use and enjoyment of the assessed parcels, as well as benefit and promote the property values within the Wave Streetcar Assessment Area; and

WHEREAS, the City Commission hereby finds and determines that the Wave Streetcar Assessment to be imposed in accordance with this Resolution, provides an equitable method of funding the Project Cost of the Wave Streetcar Project by fairly and reasonably allocating the cost based on the special benefit derived by Assessed Properties in the manner herein described;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. That the foregoing recitals are true and correct and are hereby incorporated herein.

SECTION 2. AUTHORITY. This Resolution is adopted pursuant to the provisions of Ordinance No. C-13-14, enacted by the City Commission on June 4, 2013, (hereinafter referred to as "Ordinance"), Chapter 166, Florida Statutes, and other applicable provisions of law.

SECTION 3. DEFINITIONS. This Resolution is the Final Assessment Resolution as defined in the Ordinance. All capitalized terms in this Resolution shall have the meanings defined in the Ordinance and Resolution No. 13-95 adopted by the City Commission on June 4, 2013 (the "Initial Assessment Resolution"). Unless the context indicates otherwise, words imparting the singular number include the plural number, and vice versa; the terms "hereof," "hereby," "herein," "hereto," "hereunder" and similar terms refer to this Resolution; and the term "hereafter" means after, and the term "heretofore" means before, the effective date of this Resolution. Words of any gender include the correlative words of the other gender, unless the sense indicates otherwise.

SECTION 4. AMENDMENTS TO INITIAL RESOLUTION. The Initial Assessment Resolution is hereby amended as follows:

...

SECTION 1.03. GENERAL FINDINGS. It is hereby ascertained:

...

(G) The Wave Streetcar Project will provide for and result in an increased level of necessary infrastructure services, enhancement of area recreation and utilization, promoted user-friendliness, and enhance overall aesthetic beautification of the Wave Streetcar Assessment Area. The infrastructure developments and improvements associated with the Wave Streetcar Project will enhance and

strengthen the relationship of such improvements to the use and enjoyment of the assessed parcels, as well as ultimately benefit and promote the property values within the Wave Streetcar Assessment Area.

(H) The City intends to issue Obligations to fund a portion of the Capital Costs of the Wave Streetcar Project. The City intends to impose Wave Streetcar Assessments upon the benefitted parcels within the Wave Streetcar Assessment Area to fund the debt service and related costs on such Obligations, certain administrative and collection costs and certain statutory discount costs.

~~(G)~~

(I) Based upon the foregoing, property located within the Wave Assessment Area will derive a special benefit from the Wave Streetcar Project. Accordingly, the City Commission hereby finds it reasonable (1) to apportion the Annual Assessed Costs applicable to the Wave Streetcar Project among the Property Use Categories based upon the aggregate Just Values of all parcels (including Government Property) within each Property Use Category within the Wave Streetcar Assessment Area as set forth in Section 2.04(B) hereof, and then (2) to apportion those amounts of Annual Assessed Costs apportioned to each Property Use Category to the individual parcels (excluding the Government Property) within each Property Use Category based upon the Building Area square footage for "Non-Residential Property," the square footage of land area for "Land," and the number of Dwelling Units for "Residential Property," all as further set forth in Section 2.04(C) hereof.

(J) The City Commission at its April 2, 2013 Conference Meeting reviewed the Downtown Fort Lauderdale Wave Streetcar System Assessment Program Report prepared by Government Services Group, Inc. (the "Report") attached as Exhibit 4 to City Commission Agenda Memo 13-0333. The Report provided the objectives of the Wave Streetcar Assessment Program and described the assessment and apportionment methodology. The City Commission hereby approves the Report and adopts the same as the assessment and apportionment methodology for the Wave Streetcar Assessment.

~~(H)~~

(K) The City Commission hereby finds and determines that the Assessment, to be imposed in accordance with this Resolution, provides an equitable method of funding the Project Cost of the Wave Streetcar Project by fairly and reasonably allocating the cost based on the special benefit derived by Assessed Properties, in the manner herein described.

...

SECTION 2.01. DESCRIPTION OF WAVE STREETCAR ASSESSMENT AREA. The Wave Streetcar Assessment Area shall include certain property located in completely or partially within the Downtown Regional Activity Center and South Regional Activity Center Land Use Designations, as more specifically identified in Appendix A attached hereto.

...

SECTION 2.03. IMPOSITION OF ANNUAL WAVE STREETCAR ASSESSMENTS. Annual Wave Streetcar Assessments shall be imposed against all Tax Parcels located wholly or partially within the Wave Streetcar Assessment Area, with the exception of Government Property owned by a Contributing Government, for each Fiscal Year in which Obligations remain outstanding. The total area of all Tax Parcels partially within the Wave Streetcar Assessment Area are found to be wholly within the Wave Streetcar Assessment Area for the purposes of this assessment. The annual Wave Streetcar Assessments shall be computed in accordance with Section 2.04. When imposed, the Wave Streetcar Assessments for each Fiscal Year shall constitute a lien upon such Tax Parcels pursuant to the Ordinance and shall be collected on the ad valorem tax bill in the manner authorized by the Uniform Assessment Collection Act.

...

SECTION 5. CREATION OF ASSESSMENT AREA. The Wave Streetcar Assessment Area is hereby created to include all of the Tax Parcels of which all or a portion of such Tax Parcel is located within the Wave Streetcar Assessment Area which is more specifically described in Appendix A hereto. The Wave Streetcar Assessment Area is created for the purpose of funding the Project Cost of the Wave Streetcar Project.

SECTION 6. CONFIRMATION OF INITIAL RESOLUTION. The Initial Assessment Resolution, as modified by Section 4 hereof, is hereby ratified and confirmed.

SECTION 7. APPROVAL OF ASSESSMENT ROLL. The Assessment Roll for the Wave Streetcar Assessment Area that contains the Wave Streetcar Assessments for those Tax Parcels, of which all or a portion are located within the Wave Streetcar Assessment Area, which is currently on file with the City Clerk and attached hereto as Appendix B, is hereby approved.

SECTION 8. ASSESSMENTS.

(A) The Tax Parcels described in the Assessment Roll are hereby found to be specially benefitted by construction of the Wave Streetcar Project in the amount of the maximum annual Wave Streetcar Assessment set forth in the Assessment Roll. The methodology for computing annual Wave Streetcar Assessments described in the Initial Assessment Resolution is hereby approved. Annual Assessments computed in the manner described in the Initial Assessment Resolution and in the Report are hereby levied and imposed on all Tax Parcels described in the Assessment Roll. Tax Parcels, all or a portion of which are located in the Assessment Area, shall have a maximum annual Wave Streetcar Assessment rate of \$0.09 per building square feet for Non-Residential Property, \$0.03 per land area square feet for Land, and \$99.00 per Dwelling Unit for Residential Property for a period of twenty-five (25) years, commencing with the tax bill mailed in November, 2013.

(B) Upon adoption of the Annual Assessment Resolution for each Fiscal Year, the Wave Streetcar Assessments shall constitute a lien against Assessed Property equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien shall be deemed perfected upon adoption by the City Commission of the Annual Assessment Resolution for the Wave Streetcar Assessment Area and shall attach to the Tax Parcels included on the Assessment Roll for the Wave Streetcar Assessment Area as of the prior January 1, the lien date for ad valorem taxes.

SECTION 9. COLLECTION OF ASSESSMENTS. The Wave Streetcar Assessments shall be collected pursuant to the Uniform Assessment Collection Act. To the extent that the City is not able to collect Special Assessments pursuant to the "uniform tax roll collection" method under Chapter 197, Florida Statutes, the City may elect to collect and enforce Special Assessments pursuant to any available method under the Assessment Act, or Chapter 197, Florida Statutes, or any successor statutes thereto. The election to collect and enforce Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the City from electing to collect and enforce Special Assessments pursuant to any other method permitted by law in any subsequent year.

Upon adoption of the Annual Assessment Resolution for the Wave Streetcar Assessment Area for each Fiscal Year, the City Manager shall cause the certification and delivery of the Assessment Roll to the Tax Collector by September 15, in the manner prescribed by the Uniform Assessment Collection Act. The Assessment Roll, as delivered to the Tax Collector, shall be accompanied by a Certificate of Non-Ad Valorem Assessment Roll in substantially the form attached hereto as Appendix C.

SECTION 10. EFFECT OF FINAL ASSESSMENT RESOLUTION. The adoption of this Final Assessment Resolution shall be the final adjudication of the issues presented herein and in the Initial Assessment Resolution (including, but not limited to, the method by which the Wave Streetcar Assessments will be computed, the Assessment Roll, the maximum annual Wave Streetcar Assessment and the levy and lien of the Wave Streetcar Assessments) unless proper steps are initiated in a court of competent jurisdiction to secure relief within 20 days from the date of City Commission action on this Final Assessment Resolution.

SECTION 11. ASSESSMENT NOTICE. The City Clerk is hereby directed to record a general notice of the Wave Streetcar Assessments in the Official Records of Broward County Florida. Such notice shall be in substantially the form attached as Appendix D hereto. The preliminary Assessment Roll and each annual Assessment Roll shall be retained by the City Clerk and shall be available for public inspection.

SECTION 12. EFFECTIVE DATE. This Resolution shall be effective upon adoption.

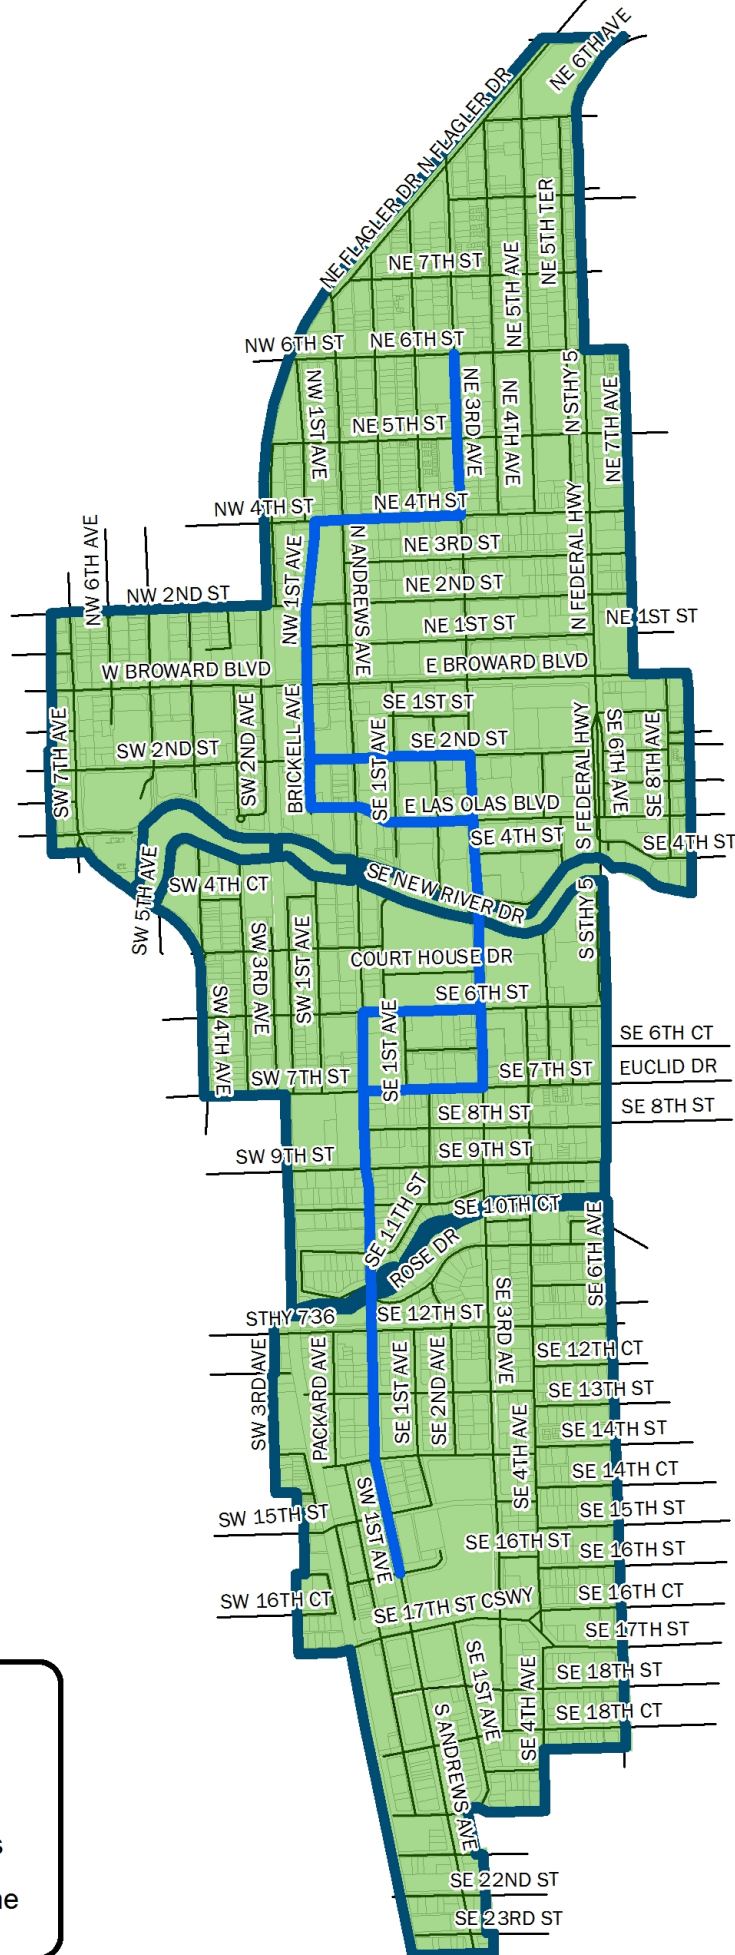

ADOPTED this the _____ day of _____, 2013.

AFFIDAVIT OF MAILING

BEFORE ME, the undersigned authority, personally appeared Lee R. Feldman, Sandi Melgarejo, and Charity Moore, who, after being duly sworn, depose and say:

1. Lee R. Feldman, as City Manager of the City of Fort Lauderdale, Florida, (City) pursuant to the authority and direction received from the City Commission, City of Fort Lauderdale, Florida, timely directed the preparation of the Assessment Roll and the preparation, mailing, and publication of notices in accordance with Sections 4.01, 4.03, and 4.04 of the Wave Streetcar Initial Assessment Resolution adopted by the City Commission on June 4, 2013 (the "Initial Assessment Resolution") and in conformance with the Section 2.04, 2.05, and 2.06 of the Mass Transportation Assessment Ordinance adopted by the City Commission on June 4, 2013 (the "Ordinance"). The Initial Assessment Resolution directed and authorized notice by First Class Mail to all affected property owners.

2. Sandi Melgarejo is Project Coordinator for Government Services Group (GSG). GSG has caused the notices required by Section 2.06 of the Ordinance to be prepared in conformance with the Initial Assessment Resolution. An exemplary form of such notice is attached hereto. GSG has caused such individual notices for each affected property owner to be prepared and each notice included the following information: the purpose of the assessment; the total amount proposed to be levied against each parcel; the unit of measurement to be applied against each parcel to determine the assessment; the number of such units contained within each parcel; the total revenue the City expects to collect by the assessment; a statement that failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title; a statement that all affected property owners have a right to

appear at the hearing and to file written objections with the local governing board within 20 days of the notice; and the date, time, and place of the hearing.

3. On or before June 12, 2013, GSG delivered and directed the mailing of the above-referenced notices by Modern Mailers, Inc. ("Modern Mailers"), in accordance with Section 2.06 of the Ordinance and the Initial Assessment Resolution by First Class Mail to each affected owner, at the addresses then shown on the real property assessment tax roll database maintained by the Broward County Property Appraiser for the purpose of the levy and collection of ad valorem taxes. Notices to property owners receiving multiple individual notices were mailed, or caused to be mailed by GSG on or before June 12, 2013.

4. Charity Moore is Production Manager of Modern Mailers. As directed above, Modern Mailers, mailed or caused to be mailed on or before June 12, 2013, the above-referenced notices delivered to Modern Mailers by GSG.

FURTHER AFFIANTS SAYETH NOT.

Dear Property Owner:

An assessment program has been created to fund a portion of the costs to build a downtown streetcar (WAVE) system within portions of downtown City of Fort Lauderdale (City). The cost of the WAVE improvements will be funded by assessments against the benefitted property within the City.

The annual assessment is based on the classification of each parcel of property and number of billing units contained therein. A more specific description of the improvements and the method of computing the assessment for each parcel of property are set forth in the Initial Assessment Resolution adopted by the City on May 7, 2013. Copies of the Initial Assessment Resolution and the preliminary Assessment Roll are available for your review at the City Clerk's Office. The City Clerk's Office is located on the 7th floor of City Hall, 100 N. Andrews Avenue, Fort Lauderdale, FL 33301.

The above parcel is classified as _____.

The total number of billing units on the above parcel is _____.

The assessment project will be financed by special assessment bonds secured by the City. This will permit the costs attributable to your property to be amortized over a period of twenty-five (25) years. The annual assessment will include your share of the principal, interest, collection cost, and the amount Florida law requires the City to discount receipts for its annual budget. Annual assessments will be payable for twenty-five (25) years.

Information regarding the assessment for your specific property, including the amount of acreage, is provided below.

The annual assessment for the above parcel is _____.

The maximum annual Assessment that can be imposed without further notice for Fiscal Year 2013-14 and for future fiscal years for the above parcel is _____.

The City intends to include the annual assessment on your ad valorem tax bill, commencing with the tax bill to be mailed to you in November 2013. Failure to pay your assessments will cause a tax certificate to be issued against the property which may result in a loss of title. The City intends to collect \$_____ annually in assessments, inclusive of all administrative and statutory discounts, over the next twenty-five (25) years for this project.

The City will hold a public hearing at 6:00 p.m., or as soon thereafter as the matter can be heard, on July 9, 2013, at the 1st Floor City Commission Chambers, City Hall, 100 N. Andrews Avenue, Fort Lauderdale, Florida, for the purpose of receiving comments on the proposed assessments, including collection on the ad valorem tax bill. You are invited to attend and participate in the public hearing or to file written objections with the City prior to or during the hearing. If you decide to appeal any decision made by the City with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. If you are a person with a disability who needs any accommodation or an interpreter to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the City Clerk's Office at (954) 828-5002 at least _____ days prior to the date of the hearing.

If you have any questions, please contact _____ at (____) _____, Monday through Friday between 8:00 a.m. and 4:30 p.m.

NOTICE OF HEARING

CITY OF FORT LAUDERDALE APPENDIX D TO IMPOSE AND PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS

Notice is hereby given that the City Commission of Fort Lauderdale, Florida, will conduct a public hearing to consider creation of the Wave Streetcar Assessment Area, as shown above, and to impose non-ad valorem assessments against certain property located therein and collecting the assessments on the ad valorem tax bill. The hearing will be held at 6:00 P.M., or as soon thereafter as possible, on Tuesday, July 9, 2013 in the City Commission Room, City Hall, 100 North Andrews Avenue, Fort Lauderdale, Florida. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the City Clerk's office at (954) 828-5002 two days prior to the meeting.

All affected property owners have a right to appear at the hearing and to file written objections with the City Commission within 20 days of this notice. Any person wishing to appeal any decision of the City Commission with respect to any matter considered will need a record and may wish to ensure that a verbatim record is made.

The assessments have been proposed to fund capital costs for construction of the Wave Streetcar Project to serve the Wave Streetcar Assessment Area. The assessment will be divided among properties falling within Non-residential, Land and Residential Property Use Categories based upon their aggregate just values in relation to each other and then these proportionate amounts will be apportioned (1) for each parcel within the Non-Residential Property Use Category, based upon the square footage of the buildings thereon, (2) for each parcel within the Land Property Use Category, based upon the square footage of land therein, and (3) for each Parcel within the Residential Property Use Category, based upon the number of dwelling units thereon. The Fiscal Year 2013-14 assessment rates are as follows:

Category	Billing Unit	Rate Per Billing Unit
Non-Residential	Building square feet	\$0.09
Land	Land area square feet	\$0.03
Residential	Dwelling unit	\$99.00

A more specific description of these assessment methodologies is set forth in the Initial Assessment Resolution adopted by the City Council on June 4, 2013. Copies of the Initial Assessment Resolution, the plans and specifications for the Wave Streetcar project, and the preliminary assessment rolls are available for inspection at the offices of the City Clerk, located at the City Hall, Fort Lauderdale, Florida.

Annual Wave Streetcar Assessments will be collected on the ad valorem tax bill for a period of 25 years, commencing with the tax bill to be mailed in November 2013. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title.
