The parties hereby recognize that the legal description of the Demised Premises may need to be adjusted from time to time so as to be conterminous with the actual legal description of the footprint of the buildings intended to be

constructed upon the Demised Premises, as approved by applicable governmental authorities, and that such adjustments will necessarily cause some adjustments to the legal description of the Demised Premises. To the extent that the Lessee determines that the footprint of the buildings in the Demised Premises needs to be modified, then, the Lessee shall prepare an ALTA survey meeting the minimum technical standards of the revised legal description(s) ("**Legal Description**") along with an updated title commitment which Legal Description and updated title commitment shall be subject to the review and approval by Lessor which approval shall not be unreasonably be withheld or delayed. The term of this Lease shall run coterminous with the term of the Submerged Lands Lease, as periodically extended. But in no event shall the Lease term exceed fifty (50) years plus five (5) years to complete construction of the Initial Improvements starting from the Commencement Date. A lawful termination of the Submerged Lands Lease as evidenced by written notice from TIITF, or any successor entity to the TIITF, after the expiration of any applicable cure period triggered by notice to Lessee and Lessor, shall be deemed a termination of this Lease.

Monthly Rent: As more particularly set forth in Article VI.

Additionally, Lessee agrees no food or beverage venue shall emit unreasonably loud noises or create a nuisance to the surrounding neighbors. Notwithstanding anything to the contrary contained herein, Lessee and Lessor agree all food and beverage venues located on the Demised Premises, including the tiki bar, shall be open no later than 11:00 PM EST on weekdays and 1:00 AM EST on weekends.

Lessee will coordinate commencement and completion of Lessee Improvements with Lessor, and its agents, employees and contractors, to minimize disruption to traffic flow, pedestrian travel, noise pollution and other nuisances to the surrounding neighborhood and community. Commencing on the Effective Date of this Lease and for one year thereafter, Lessee shall have the right to (the "**Pre-Development Period**") to inspect the Existing Marina Premises and the Demised Premises prior to taking Possession of the Demised Premises, to conduct feasibility studies regarding Lessee's intended use and redevelopment of the Demised Premises; provided, however, that any invasive testing shall require the prior written consent of Lessor, which shall not be unreasonably withheld, conditioned or delayed and shall not interfere with the ongoing operations of the existing marina. Lessee's permitted studies may include without limitation: (i) core soil borings if called for by a Phase I Environmental Site Assessment ("**Phase I**") so long as core soil borings are conducted on the Demised Premises or areas of the Existing Marina Premises where Lessee may be constructing a promenade or bulkhead and do not unreasonably interfere with Lessor's Improvements; (ii) environmental and architectural tests and investigations, including a Phase I; (iii) physical inspections of all improvements, including existing seawall, fixtures including, existing docks, equipment, subsurface soils, structural members, and personal property; and (iv) examination of plans specifications, manuals, and other documents relating to the construction and condition of the Existing Marina Premises. If Lessee elects to terminate this Lease, and the condition of the Existing Marina Premises was materially altered due to tests, inspections or pre-development work performed by Lessee or on Lessee's behalf, Lessee must restore the Existing Marina Premises to its original condition in all material respects. Lessee must provide proof of insurance before undertaking any activities and such indemnities as required by the City Manager in his sole discretion. If the City Manager in his sole discretion determines that certain protective bonds (i.e. payment, performance, demolition, etc.) from approved and properly licensed surety or bonding companies are required before conducting any testing on the Demised Premises, then Lessor shall provide same in amounts and from such companies and in such format as determined by the City Manager before being allowed access to the Demised Premises. Lessee must reasonably coordinate its activities with the Lessor by providing no less than forty-eight (48) hours prior written notice to Lessor before undertaking any onsite inspections, investigations, tests or assessments of the Demised Premises. The activities authorized in this section shall not unreasonably interfere with the ongoing operations of the Marina or the public access or right to use the parking lot. Notwithstanding anything to the contrary contained in this Section 5.1, Lessee shall provide at least five (5) days advance notice of its intent to the City Manager, or his designee, prior to conducting any invasive procedures within the Demised Premises.

If Lessor has no current ALTA/ASCM survey of the Existing Marina Premises which is satisfactory to Lessee and its lender, Lessee shall obtain: (i) a new survey, or (ii) at Lessee's option, an update of Lessor's existing survey which satisfies Lessee's internal survey requirements (such new or updated survey being called the "**Survey**"). Lessee shall pay for the initial cost of any new or updated Survey of the Demised Premises. The legal description set forth in the Survey obtained by Lessee shall be submitted to Lessor for approval in accordance with this Lease and upon approval shall be deemed the Legal Description of the Demised Premises and added to this Lease as **Exhibit D**.
- (b) **Title Commitment.** As soon as reasonably possible, and in any event within twenty (20)

business days after the Effective Date, Lessee shall, at Lessee's expense, deliver or cause to be delivered to Lessor: (1) a title commitment (the "**Title Commitment**") covering the Demised Premises binding any title company chosen by Lessee (the "**Title Company**") to issue a ALTA Leasehold Policy of Title Insurance (the "**Title Policy**") on or before the expiration of the Pre-Development Period, in the full amount of the value associated with the Demised Premises after the construction of the Improvements, insuring Lessee's leasehold title to the Demised Premises to be good and indefeasible, subject only to the Permitted Exceptions defined as any item in the Title Commitment, Title Documents or Survey which is not removed prior to the expiration of the Pre-Development Period; and (2) true and legible copies of all recorded instruments affecting the Demised Premises and recited as exceptions in the Title Commitment (collectively, the "**Title Documents**").

- (h) Execution and Delivery of a long term financial agreement (of at least 25 years) with Marine Industries Association of South Florida, Inc. regarding the Boat Show so long

as the Marine Industries Association of South Florida, Inc. is amenable to such a long term financial agreement, the agreement takes into consideration of the factors set forth in Section 7.2(e) and the financial agreement does not violate the terms and conditions of the Sovereign Submerged Lands Lease as determined by TIITF.

- (i) Completion of a survey, at Lessee's expenses of the Demised Premises which survey shall incorporate a legal description of the Demised Premises mutually acceptable to both parties which shall replace the legal description in **Exhibit A**.
- (j) Receipt by the Lessor of a General Release executed by CBRE, Inc. in form and content acceptable to Lessor and its City Attorney relating to any and all commissions or fees owed to CBRE, Inc. arising from this transaction.

If the conditions in Sections 5.2 and 5.3 (except the requirement to complete condition 5.3(d) prior to expiration of the Pre-Development Approval is removed and Lessor shall not have the right to terminate the Lease if this condition is not satisfied) are not resolved to the mutual and reasonable satisfaction of both parties, either party may terminate this Lease by delivering a written notice to the other on or before the last day of the Pre-Development Period. In the event that either party terminates this Lease, then neither party shall have any further rights or obligations under this Lease (except for those that accrue on or before the date this Lease, is terminated in writing or which may expressly survive the termination of this Lease). If this Lease is terminated and if Lessee has possession of the Demised Premises, then upon demand of Lessor, Lessee shall restore the Demised Premises to the condition existing prior to its possession.

Section 5.4. Construction Approvals Period. Lessee shall have a period commencing on the Effective Date of this Lease and expiring on the earlier of (i) three (3) years after the Effective Date or (ii) the date Lessee commences excavation work (soil borings performed in connection with an environmental assessment are not considered excavation work) on the Existing Parking Lot (the "**Construction Approvals Period**") to pursue all necessary consents, approvals, permits or licenses required by any Applicable Authority prior to the commencement of construction of the Initial Improvements. If Lessee is unable to secure development approvals from the Applicable Authorities to construct the Initial Improvements, then Lessee may terminate this Lease by delivering a written notice to Lessor on or before the last day of the Construction Approvals Period. In the event that Lessee terminates this Lease pursuant to this Section 5.4 during the Construction Approvals Period, neither party shall have any further rights or obligations under this Lease (except for those that accrue on or before the date Lessee terminates the Lease in writing or which may expressly survive the termination of this Lease). If this Lease is terminated, and the condition of the Existing Marina Premises was materially altered due to tests, inspections or pre-development work performed by Lessee or on Lessee's behalf, Lessee must restore the Existing Marina Premises to its original condition in all material respects. Failure to restore the Demised Premises to the satisfaction of Lessor shall result in forfeiture of all or a portion of the Construction Security Payment of \$100,000.00 on deposit with Lessor.

ARTICLE VI.

Lessee has previously submitted a deposit in an amount equal to \$100,000 which shall be applied to the first Year's Base Annual Rental (defined below) which is owed to Lessor. Additionally, on or before the 120th calendar day after the end of the applicable Lease Year, Lessee shall pay to Lessor, a sum of money equal to the product of the percentage rental factor hereinabove specified, multiplied by the total Gross Sales made in or from the Demised Premises during such preceding Lease year as indicated and not previously paid.

Section 6.4. TIITF Rents. Lessee shall also be solely responsible for all rents, fees, costs and expenses owed by Lessor to TIITF, without setoff, credit or reduction in rents, fees or costs owed to Lessor, during the Term of this Lease under the Submerged Lands Lease (as it may be amended, revised or restated) and as it relates to operations of Lessee on the Demised Premises (but not areas outside of the Demised Premises) pursuant to the Release of Deed Restriction and Reverter, and any amendments, revisions or restatement thereof (the "**Uplands Deed**") dated October 24, 1989, Deed No. 90047196, recorded in the Official Records Book 17136, Page 645 of the Public Records of Broward County, Florida. Lessor agrees that it shall not, without first obtaining Lessee's consent, modify the Uplands Deed or the Submerged Lands Lease during the Term of this Lease in a manner that would alter the obligations of Lessee to TIITF in a manner detrimental to Lessee's rental obligations set forth herein. Lessee acknowledges that it must comply with Section 253.0346, Florida Statutes, in order to receive the "First Come, First Serve" rental discount and the clean marina, clean boatyard or clean marine retailer discount on the annual lease fee to TIITF. Upon written request from Lessor, Lessee shall provide to Lessor reasonably satisfactory proof of payment to TIITF pursuant to the Submerged Lands Lease and Uplands Deed. Lessor shall have the right to request proof of payment and notice of default from TIITF. Both parties acknowledge that during the term of this Lease, the Lessor shall remain in privity with TIITF or its successor in interest under the Submerged Lands Lease, including any renewals thereof and retains a leasehold interest in the Existing Submerged Area under the Submerged Lands Lease. Any renewals of the Submerged Lands Lease shall be renewed on behalf of and in favor of Lessor.

Section 6.5. Fractional Years. If the Commencement Date shall be on a date other than the first day of a calendar year or terminate on a date other than the last day of a calendar year, percentage rental for such fractional part of the calendar year following the Commencement Date or preceding the termination date, as the case may be, shall be paid at the specified rate for all Gross Sales made during such fractional part of a calendar year.

Section 6.6. Definition of Gross Sales. The term "Gross Sales," as used herein, means the total of all revenue, proceeds, rent, income and receipts received by Lessee from any person of every kind derived directly or indirectly from the operation of the Demised Premises which shall include the entire amount of the sales price, whether for cash or credit or otherwise, of all sales of slip licenses or rentals, dockage fees, together with all ancillary revenue thereto, merchandise, food, drinks and services (including receipts whatsoever of all business conducted in or from the Demised Premises), including mail, to-go or telephone orders received or filled at the Demised Premises, deposits not refunded to purchasers, orders taken although such orders may be filled elsewhere, sales to employees, sales through vending machines or other devices, and sales by any Lessee, Sublessee, concessionaire or licensee or otherwise in said Premises except as otherwise expressly provided in Sections 6.7 or 6.8. Each sale upon installment or credit shall be treated as a sale for the full price in the month during which such sale was made, irrespective of the time when Lessee receives payment from its customer. No deduction shall be allowed for uncollected or uncollectible credit accounts.

Section 6.7. Excluded Revenue from Gross Sales. Gross Sales shall also not include, however, any sums collected and paid out for any sales or excise tax imposed by any duly constituted governmental authority, nor shall it include the exchange of merchandise between the stores of Lessee, if any, where such exchanges are made solely for the convenient operation of the business of Lessee and not for the purpose of consummating a sale which has theretofore been made in or from the Demised Premises and/or not for the purpose of depriving Lessor of the benefit of a sale which otherwise would be made in or from the Demised Premises, nor the amount of returns to shoppers or manufacturers, nor the amount of any cash or credit refund made upon any sale where the merchandise sold, or some part thereof, is thereafter returned by purchaser and accepted by Lessee, nor sales of Lessee's trade fixtures after use by Lessee in the Demised Premises (collectively "**Excluded Revenue**"). Additionally the following shall be considered Excluded Revenue:

- (a) Gratuities received by employees;
- (b) The portion of rent payable by a Sublessee attributable to tenant improvements given to such Sublessee under its Sublease amortized over the initial term of such Sublease at a commercially reasonable interest rate ("**Sub-Tenant Allowances**"), provided such Sub-Tenant Allowances shall only be excluded from Gross Sales of subleases to Affiliates of Lessee to the extent the rent of such Sublease to an Affiliate of Lessee is at fair market value;
- (c) Federal, state or municipal excise, sales, use, occupancy or similar taxes collected directly from sub-tenants, patrons, guests or otherwise, provided such taxes are separately stated;

- (d) Insurance proceeds (other than business interruption, or loss of income insurance);
- (e) Deposits until same are forfeited by the person making the deposit;
- (f) Advance rentals until such time that they are earned;
- (g) Casualty Insurance loss proceeds which are applied toward restoration of improvements or which are paid over to a mortgagee or otherwise are not retained by Lessee (except for any proceeds of rent interruption insurance);
- (h) Taxes, utilities, insurance and expenses, including common area expenses and maintenance charges paid to the Lessee in the form of rent or otherwise by a sublessee that Lessee passes through to the applicable vendors;

Section 6.8. Gross Sales Derived from Ancillary Operations. Notwithstanding anything contained herein to the contrary, for purposes of computing Ancillary Operations Revenue, the parties stipulate that the Ancillary Operations Revenue shall only be an amount equal to the rent paid by a sublessee to Lessee pursuant to lease for such purpose and nothing else.

Section 6.9. Statement of Gross Sales. On or before the 120th day of each Lease Year during the term of this Lease, Lessee shall prepare and deliver to Lessor, at the place where rental is then payable, a statement certified as correct by Lessee showing the amount of Gross Sales made during the preceding Lease Year. In addition, Lessee shall prepare and deliver to Lessor, at the place where rental is then payable, a statement of Gross Sales during the preceding Lease Year (or partial Lease Year), certified to be correct by an independent Certified Public Accountant. Lessee shall furnish similar statements for its licensees, concessionaires and Sublessees, if any. All such statements shall be in such form as the Lessor may reasonably require. If any such certified statement discloses an error in the calculation of the percentage rental for any period, appropriate adjustment of the percentage rental shall be made, subject, however, to Lessor's rights under Section 6.7 (b).

- (a) **Sales Records.** Lessee shall keep in the Demised Premises a permanent, accurate set of books and records of all sales of merchandise and services and revenue derived from business conducted in or about the Demised Premises, and all supporting records, including, but not limited to, sales, income and other tax reports, banking records, cash register tapes, sales slips and other sales records. All such books and records shall be retained and preserved in accordance with retention requirement of Florida Public Records laws after the end of the calendar year to which they relate or in accordance with Governmental Regulations, and shall be subject to inspection and audit by Lessor and its agent's at all reasonable times.
- (b) **Audit.** Lessor, in its sole discretion, shall have the right to have its auditors make a special audit of all books and records, wherever located, pertaining to Gross Sales from all revenue sources made in or from the Demised Premises and the capital reserve improvement account. If such statements are found to be incorrect to an extent of more than five percent (5%) over the figures submitted by Lessee, Lessee shall pay for

such audit. Lessee shall promptly pay to Lessor any deficiency or Lessor shall promptly refund to Lessee any overpayment, as the case may be, which is established by such audit. Additionally, Lessee and Lessee's subcontractors shall preserve and make available, at reasonable times for examination and audit by Lessor in Broward County, Florida, all financial records, supporting documents, statistical records, and any other documents pertinent to this Lease for the required retention period of the Florida public records law, Chapter 119, Florida Statutes, as may be amended from time to time, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Lease. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida public records law is determined by Lessor to be applicable to Lessee and Lessee's subcontractors', subtenants or sublessee records, Lessee and Lessee's subcontractors, sublessees and subtenants shall comply with all requirements thereof; however, Lessee and Lessee's subcontractors, sublessee or subtenants shall violate no confidentiality or non-disclosure requirement of either federal or state law. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for Lessor's disallowance and recovery of any payment upon such entry. Lessee shall, by written contract, require Lessee's subcontractors, general contractors, subtenants and sublessees to agree to the requirements and obligations of this section. The Lessee shall maintain during the term of the contract all books of account, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this contract.

- (c) The Lessee herein shall furnish to the Lessor within one hundred twenty (120) days of the end of the Lease Year an audited financial report performed by a certified public accountant licensed to practice in the State of Florida and using commercially reasonable accounting standards, said financial report reflecting the sales and revenue results only of operations during such Lease Year along with fund balance of the capital reserve improvement account. Said financial report may be consolidated with Affiliates of Lessee as long as Lessee's financial information is separately disclosed. That is, the statement of sales and revenue of Lessee may not be consolidated with the revenue of any affiliates, subsidiaries or parent of Lessee.

Section 6.10. Parking Revenue from Existing Parking Lot. Lessee acknowledges and agrees Lessor shall retain control, possession and all rights to the Existing Parking Lot after the Commencement Date and the rent, revenue and proceeds derived therefrom shall inure to Lessor until commencement of construction of the Initial Improvements. Lessor shall be responsible for maintaining the Existing Parking Lot until control is transferred to Lessee. Lessor agrees to remove its parking meters (and any other parking equipment) and deliver possession of the Parking Lot within sixty (60) days after receiving written notice from Lessee of intent to commence construction of the Initial Improvements.

ARTICLE VII.

USE OF DEMISED PREMISES

Section 7.1. Use. The Demised Premises shall be used by Lessee only for the purpose or purposes specified under the Permitted Use definition in Article II and for no other purpose without the prior written consent of Lessor. The Demised Premises may only be used by Lessee as permitted by, and in full and strict compliance with, all Governmental Regulations and any restrictive covenants applicable to the Demised Premises.

Section 7.2. Limitations on Use.

- (a) Lessee shall not, without Lessor's prior written consent, keep anything within the Demised Premises or use the Demised Premises for any purpose which invalidates any insurance policy carried on the Demised Premises. All property kept, stored or maintained within the premises by Lessee shall be at Lessee's sole risk.
- (b) Lessee shall not permit any objectionable or unpleasant odors to emanate from the premises; nor place any antenna, awning or other projection on the exterior of the Demised Premises (other than those indicated on plans and specifications for the Initial Improvements and approved in advance by Lessor in writing in its proprietary capacity under this Lease and not in its regulatory capacity or in the exercise of its police power); nor take any other action which would constitute a nuisance. Lessee shall comply with local noise ordinances in the operation of radios, televisions, loudspeakers or amplifiers on the Demised Premises.
- (c) Lessee shall take good care of the Demised Premises and keep the same free from waste at all times. Lessee shall keep the Demised Premises clean and free from dirt or rubbish at all times, and shall store all trash and garbage within the Demised Premises or in such area outside and premises as may be designated for such purpose by Lessor and Lessee shall arrange, for the regular pickup of such trash and garbage at Lessee's expense. Lessee shall not operate an incinerator or burn trash or garbage.
- (d) Lessee covenants and agrees that during the Lease it will (a) maintain appropriate certifications and licenses for such use, subject to Force Majeure and (b) seek to maximize the Gross Sales generated therefrom consistent with sound business practices and Lessee's concurrent goal of maximizing its net operating income therefrom subject to Force Majeure.
- (e) Lessee acknowledges the Fort Lauderdale International Boat Show (the "Boat Show") is an economic driver for the Fort Lauderdale metropolitan area and the Demised Premises has served as one of the host sites for a number of years. Therefore, Lessee agrees to accommodate the Boat Show on the Demised Premises and agrees to charge no more than a fair market value rate for use of the Demised Premises by the Boat Show taking into consideration all the relevant factors, including without limitation, the following: (i) any published rates to the tenant under the TITF submerged land

lease for the Fort Lauderdale International Boat Show, (ii) rent/fees paid by the promoters or operators of the Boat Show to other marina participants for slips of similar size, and (iii) Lessee's published rates for the applicable season. The published rate schedule shall be submitted to the Lessor annually and Lessee agrees to maintain the same rates between October 1 and June 1 of the following year. Additionally, Lessee shall incorporate a high quality design in connection with the Lessee's Improvements that is reasonably compatible with the Boat Show's desired usage of the Demised Premises to maximize opportunity for Lessor and the Boat Show with advice and counsel from representatives of the Marine Industries Association of South Florida.

- (f) Lessee agrees that at no time will it directly or indirectly knowingly permit the Demised Premises or any portion thereof to be used for any illegal purpose.
- (g) Without the consent of Lessor which may be granted or withheld in the Lessor's absolute discretion, this Lease is issued to Lessee with the explicit condition that any type of gambling at the Demised Premises is prohibited.
- (h) Without the consent of Lessor, which may be granted or withheld in the Lessor's absolute discretion no live adult entertainment establishments (as defined in Section 15-156(a) of the City of Fort Lauderdale Code of Ordinances in effect as of the Commencement Date) shall be allowed on the Demised Premises, nor shall adult streaming video be allowed.
- (i) Without the written consent of the Governing Body of the Lessor, which may be granted or withheld in the Lessor's absolute discretion, the Lessee shall not create a condominium form of ownership on or within the Demised Premises.

ARTICLE VIII.

DESIGN, CONSTRUCTION, INSTALLATION AND LIEN CLAIMS

Section 8.1. Construction of Improvements. Lessee agrees to cause the Initial Improvements to be constructed on the Demised Premises all in accordance with the submitted plans and specifications and according to alternative C-3 as approved by the City Commission under Resolution 16-180, which shall include any work or equipment to be done or installed by Lessee affecting existing or constructing any new structural, mechanical or electrical part of Demised Premises in addition to any dredging, grading or other horizontal development work (the "Plans"). Prior to commencement of construction of the Improvements, the Plans for any Improvements shall be submitted to Lessor for review and approval in Lessor's proprietary capacity under this Lease which approval shall not be unreasonably withheld, conditioned or delayed. Within thirty (30) days of receipt of the Plans, the City Commission of Lessor shall give Lessee written notice of either Lessor's proprietary approval or disapproval setting forth the reasons therefore and failure to respond in any manner by the Lessor shall be deemed approval of the Plans which approval shall remain subject to Lessor's approval in its regulatory capacity or in the exercise of its police power under Governmental Regulations. In the event that Lessor

disapproves the Plans, Lessee shall within ten (10) business days of receipt of the notice modify the Plans in accordance with the reasons set forth in Lessor's disapproval notice or meet with Lessor to discuss a resolution to any disagreement over changes in the Plans, if applicable. The modified Plans shall be resubmitted to Lessor for Lessor's final review and approval (not to be unreasonably withheld, delayed, or conditioned). Notwithstanding anything to the contrary contained herein, any approval by Lessor in its proprietary capacity under this Lease shall remain subject to Lessee's compliance with Governmental Regulations, including, without limitation, the City of Fort Lauderdale Unified Land Development Regulations (ULDRs) which approvals under the ULDRs may be simultaneously pursued while Lessor reviews the Plans under this Lease.

Improvements shall include all Lessee Improvements including both the Initial Improvements, Subsequent Major Improvements (defined below) and Alterations (defined below) constructed by Lessee but not the Lessor Improvements unless expressly provided herein.

All construction of the Lessee Improvements and the Lessor Improvements shall be done in a good and workmanlike manner and with the use of quality materials. Construction of the Improvements (except for Lessor Improvements which shall be at Lessor's sole risk and expense) shall be at Lessee's respective risk and Lessee shall pay promptly all costs of construction associated with the Improvements for which it is responsible, which shall include, but not by way of limitation, (a) all contract charges (labor, material and services furnished by contractors and subcontractors) (b) all costs of labor and material, (c) engineering, architectural, surveying and other professional fees and costs, and (d) all other costs and expenses (insurance, administrative, zoning, etc.), including, but not limited to, the cost of site clearing, excavating, dredging, site preparation, fill, compaction and grading with soil acceptable to build the proposed Improvements except that Lessor shall use best efforts to assist Lessee in locating an off-site area, at no cost to Lessor, for the disposal of excavated and dredged soils from the Demised Premises. However, Lessor's failure to do so shall not constitute an event of default under this Lease or a right to pursue a claim for damages, whether at law or in equity, against the Lessor. As between Lessor and Lessee, construction of the Initial Improvements shall conclusively be deemed to be substantially completed upon delivery to Lessee of a certificate of occupancy signed by a City of Fort Lauderdale building inspector and any other certificate required by an Applicable Authority with respect to the Initial Improvements.

Section 8.2. Lessee's Minimum Contribution Amount. Notwithstanding anything to the contrary contained herein, Lessee (or its sublessees) shall contribute no less than Nineteen Million Four Hundred Twenty Five Sixty Three and No/100 Dollars (\$19,425,063.00) toward the cost of the Initial Improvements (the "**Minimum Contribution Amount**") and shall provide Lessor with evidence of contracts and paid receipts adding up to the Minimum Contribution Amount in order to fully satisfy the Minimum Contribution Amount covenant, it being understood that costs incurred by a sublessee relating to furniture or equipment shall not be included in the calculation of the Minimum Contribution Amount. Lessee shall be entitled to a credit for improvements made by sublessees to the extent that sublessee improvements add value to the leasehold estate. Notwithstanding anything to the contrary contained herein, Lessee shall be permitted to contribute less than the Minimum Contribution Amount to the extent that Applicable Authorities prohibit Lessee from pursuing the full scope of the redevelopment as depicted in **Exhibit B** after taking reasonable steps, including expenditure of funds and employing the

resources reasonably necessary to secure the applicable approvals. In the event Lessee is able to achieve costs savings for elements of construction reflected on the Schedule of Values, such savings shall be deposited into the capital improvement reserve account upon completion of the Initial Improvements. Efforts to reduce redundancy through costs savings shall not take precedence over the requirement to construct a first class marina. Additionally, Lessee agrees to diligently pursue the substantial completion of the Initial Improvements and payment in full of the Minimum Contribution Amount on or before the Fifth (5th) anniversary of the Commencement Date (subject to delays set forth in Section 8.4 below including, without limitation, Unavoidable Delays). If the Initial Improvements are not substantially completed on or before the fifth (5th) anniversary of the Commencement Date, then the Lessor reserves the right to terminate the Lease and take possession of the Demised Premises.

Section 8.3. Ownership of Improvements. All of the Improvements of any nature constructed by Lessee on the Demised Premises including the Initial Improvements and alterations of the Initial Improvements and other alterations made pursuant to the provisions of this Lease shall be owned by and shall be the property of Lessee during the term of this Lease. The Lessor Improvements shall be owned by Lessor. Upon the termination of this Lease, whether by expiration of the term hereof or by reason of default on the part of Lessee, or for any other reason whatsoever, the Improvements (including the Initial Improvements), and all parts thereof shall merge with the title of the land, free of any claim of Lessee and all persons and corporations (subject to the provisions of Article XIV hereof with respect to the rights of Leasehold Mortgagees holding Leasehold Mortgages, as both such terms are hereinafter defined it being understood that the Leasehold Mortgage should in no event have a maturity date which extends beyond the Expiration Date) claiming under or through Lessee (except for purchase money security interests in equipment and except for trade fixtures and personal property of Lessee that can be removed without damage to the Improvements). Lessee shall deliver the Demised Premises to Lessor in reasonably good condition, actual wear and tear excepted, upon the termination or expiration of the term of this Lease. Upon the termination of this Lease, Lessee, at Lessor's request, will execute a recordable instrument evidencing the termination of this Lease and stating the termination date.

Section 8.4. Force Majeure. The time for the performance of Lessee's obligations relative to the construction, restoration, repair, operation and maintenance of the Improvements as provided for in this Lease shall be extended for the period that such performance is due to Unavoidable Delays. "Unavoidable Delay" shall mean all failures or delays in a party's performance of its obligations hereunder not within such party's reasonable control, including without limitation, the impossibility of such performance which shall result from or be caused by any arbitration, legal proceedings or other litigation threatened, instituted against or defended by such party, in good faith, and not merely for purposes of delay, act of God, acts of the public enemy, wars, blockades, epidemics, earthquakes, storms, floods, explosions, strikes, labor disputes, work stoppages, riots, insurrections, breakage or accident to machines or lines or pipe or mains, lawful acts of any governmental agency or authority restricting or curtailing the construction of the Improvements or withholding or revoking necessary consents, approvals, permits or licenses, equipment failures, inability to procure and obtain needed building materials (provided such party who is unable to do so makes reasonable efforts to procure satisfactory substitute materials if practical) whether as a result (directly or indirectly) of any lawful order, law

or decree of any governmental authority or agency or otherwise, and any other cause whether of the kind herein referred to or otherwise; provided, that such party shall pursue with reasonable diligence the avoidance or removal of such delay. The inability or refusal of a party to settle any labor dispute shall not qualify or limit the effect of Unavoidable Delay. The inability of a party to secure funds required to perform its agreements hereunder shall not constitute Unavoidable Delay.

Section 8.5. Lessee's Work. Lessee shall have no right, authority or power to bind Lessor, or any interest of Lessor in the Demised Premises, for any claim for labor or material or for any other charge or expense incurred in connection with any construction work done by Lessee within the Demised Premises or any change, alteration or addition thereto, or replacement or substitution therefor, nor to render the Lessor's interest in the Demised Premises liable to any lien or right of lien for any labor or material or any other charge or expense incurred in connection therewith, and Lessee shall in no way be considered as the agent of Lessor in the construction or operation of the Improvements or any replacement or substitution therefor.

Section 8.6. Zoning, Permits & Approval by City. Irrespective of any other provisions of this Lease or additions thereto, the obligations of Lessee under this Lease are conditioned upon (a) approval of the plans and specifications for the Improvements by the Lessor and any Applicable Authorities including TITF, (b) replatting of the Demised Premises, if necessary, in accordance with Governmental Regulations or restrictive covenants, and (c) the issuance of appropriate development orders and building permits for the construction of the Improvements upon the Demised Premises. All such approvals or replatting shall be secured prior to the Commencement Date. Lessor, in its capacity as Lessor under this Lease (without waiver of Lessor's regulatory rights or duties provided by Governmental Regulations), hereby agrees to cooperate fully with Lessee in securing the aforesaid permits and approvals and hereby grants Lessee the right to make application for them in the name of Lessor, if necessary. All expenses incurred by Lessee or Lessor in obtaining the permits and authorizations referred to in this paragraph shall be the responsibility of the party responsible for the construction of the respective Improvements (with Lessor responsible for all costs associated with the Lessor Improvements) and the other party shall have no liability for the permitting costs associated with Improvements for which they are not responsible. Notwithstanding the forgoing, each party hereto will, at the request of the other party hereto, take such further actions as are requested and execute any additional documents, instruments or conveyances of any kind which may be reasonably necessary to further effect the transactions contemplated by this Lease, including, without limitation, applications necessary to apply for grants available for construction or maintenance of the Demised Premises or Lessor Improvements, as the case may be. As a condition for Lessor's assistance in applying for grants for construction or maintenance of Lessee Improvements, Lessee shall assume any and all liability and obligations under any grants received for this project. Nothing in this Agreement is intended to limit or restrict the regulatory or police powers and responsibilities of the City in acting on such applications by virtue of the fact that the City may have been required to consent to such applications as a property owner under this Lease.

Section 8.7. Discharge of Liens. If any mechanic's, materialman's or other types of liens or lien claims are filed against the whole or any part of the Demised Premises, arising or resulting from actions or omissions by the Lessee only, then then the Lessee shall promptly secure their release, or if the Lessee wishes to contest any such lien or claim and has a reasonable basis for

a contest, the Lessee may do so, but only if the Lessee furnishes the Lessor with surety bonds or escrow funds ("**Construction Security**") equal to 125% of the liened amount to protect the Lessor's interest in the Demised Premises and the parties' interests in this Lease during the pendency of the contest. If the Lessee does not secure a lien release or furnish Construction Security, such failure shall constitute an event of default by the Lessee hereunder and, in addition to all other rights and remedies available to the Lessor by reason thereof, the Lessor may, after thirty (30) days' prior written notice pay such lien or claim and secure such release, and the Lessee shall be obligated to reimburse the Lessor for all sums reasonably expended by the Lessor in paying such lien or claim and securing such release, including attorney's fees, plus interest at the highest lawful rate from the date of the Lessor payment until it is reimbursed. Nothing contained in this **Section 8.7** or elsewhere in this Lease shall be deemed or construed as an authorization by or consent of Lessor or Lessee to the filing of any mechanic's or materialman's lien against the Demised Premises, or against all or any portion of the Demised Premises or any interest therein. At Lessor's election, Lessee may be required to file a notice in accordance with Chapter 713, Florida Statutes.

Section 8.8. Payment and Performance Bond. Prior to commencement of construction of improvements under a sublease (if the value is in excess of \$1,000,000 as it relates to sublessee improvements) or prior to the commencement of construction of the Initial Improvements, Lessee, or sublessee, or Lessee's, or sublessee's selected general contractor (collectively the "**Lessee's GC**") shall furnish to Lessor a Payment and Performance Bond, in the amount of the proposed costs of the Initial Improvements (which in no event shall be below the Minimum Contribution Amount) as surety for faithful performance under the terms and conditions of this Lease or in the amount of the proposed construction costs under the sublease. Lessee previously submitted a \$100,000 proposal security payment ("**Construction Security**") along with the original proposal and the Construction Security shall be returned after acceptance of the Payment and Performance Bond of the Lessee or Lessee's GC; proof of insurance coverage submission, if required; and full execution of this Lease. The corporate surety issuing the Payment and Performance Bond must have a Financial Size Categories (FSC) rating of no less than "A-" by the latest edition of Best's Key Rating Guide, or acceptance of insurance company that holds a valid Florida Certificate of Authority issued by the State of Florida, Department of Insurance, and are members of the Florida Guarantee Fund. Acknowledgment and agreement is given by both parties that the amount herein set for the Payment and Performance Bond is not intended to be nor shall be deemed to be in the nature of liquidated damages nor is it intended to limit the liability of the Lessee to Lessor in the event of a material breach of this Lease. The conditions of the Payment and Performance Bond shall be to insure that the Lessee's GC will:

- a) Promptly make payment to all claimants, as defined in Section 255.05 Florida Statutes, as amended, supplying the Lessee with labor, materials, or supplies, used directly or indirectly by the Lessee in the prosecution of the work related to the Improvements under this Lease;
- b) Pay Lessor all losses, damages, expenses, costs, and attorney's fees, including appellate proceedings, that Lessor sustains because of a default by Lessee under this Lease pursuant to claims made under Section 255.05, Florida Statutes; and

- c) Perform the guarantee of all obligations of the Lessee's under this Lease with respect to the construction, and the acquisition and installation of the Improvements.

The Payment and Performance Bond must be written by a Corporate Surety company on the U.S. Department of Treasury current approved list of acceptable sureties on Federal Bonds, as found in the U.S. Department of Treasury Circular No. 570, with said bonds being executed and issued by a resident agent licensed by and having offices in the State of Florida representing such Corporate Surety at the time such improvements are constructed, conditioned upon full and faithful performance by Lessee, sublessee or any contractor, if applicable, of such contract, and full payment to all laborers and materialmen supplying labor or materials for such improvements. Such bonds shall identify Lessor as additional obligee. If the bonds are provided by the contractor, then to the extent commercially obtainable, the bond shall provide that a default by Lessee or sub-tenant as the case may be, in the performance of the contractor's contract, shall not be raised as a defense to the Lessor as one of the obligee's requiring performance of such construction contract by the surety.

Section 8.9. Contractor's Insurance and Indemnity. The Lessee shall require every contractor performing any work pertaining to the Improvements to furnish certificates of insurance to the reasonable satisfaction of the Lessor. Copies of such certificates shall be furnished to the City Manager. Lessor will be named as an additional insured on such policies. The Lessee shall use commercially reasonable efforts (without being required to incur any increase in cost) to include an indemnification clause on any contract or agreement for any and all labor, services or materials to be provided in connection with the construction of Improvements in excess of \$1,000,000 between Lessee or its Affiliate and any general contractor (each a "Third Party") whereby the Third Party shall indemnify and hold harmless the Lessee and Lessor for any and all loss, cost, or expense, including, but not limited to, attorneys' fees and court costs through all trial and appellate levels with respect to personal injury and/or property damage caused by the Third Party, its subcontractors, subconsultants, agents and employees in connection with performing or providing such labor, services or materials and/or any other of its obligations under the applicable contract or agreement and arising out of its negligence and/or intentional acts.

ARTICLE IX.

SECURING GOVERNMENTAL APPROVALS AND COMPLIANCE WITH LAW

Section 9.1. Compliance with Laws.

- a) Lessee, at Lessee's sole cost and expense, shall obtain any and all governmental licenses, permits, and approvals necessary to construct or install the Improvements and to allow the use and occupancy of the Demised Premises, but not the Lessor Improvements. Lessee shall comply and shall require any Sublessees of the Demised Premises to comply, at all times with (i) all applicable Governmental Regulations for the use of the Demised Premises, and (ii) all governmental orders for the correction, prevention and abatement of nuisances arising from Lessee's and/or the Sublessees use of the Demised Premises, all at Lessee's and/or Sublessee's sole cost and expense.

- b) Lessee shall procure at its sole expense any permits and licenses required for the transaction of business in the Demised Premises and/or in any way related to the Demised Premises and shall comply with all laws, ordinances, regulations and orders now in effect or hereafter enacted or passed during the term of this Lease insofar as the Demised Premises and any signs of Lessee are concerned, and shall, except as herein otherwise provided, make at Lessee's own cost and expense all repairs, additions and alterations to the Demised Premises ordered or required by any governmental authorities, whether in order to meet the special needs of Lessee, or by reason of the occupancy of Lessee, or otherwise.
- c) Lessee's compliance with all Governmental Regulations, rules, and other laws shall include, but not be limited to, full compliance with all federal, state, and local laws, rules, and regulations concerning the possession, storage, use, disposal of and clean-up relating to any and all types of Hazardous Substances or hazardous wastes, as the term "**Hazardous Wastes**" is defined by applicable Governmental Regulations or Hazardous Substance Laws.
- d) Lessee shall obtain any and all needed regulatory approvals, licenses, and/or permits relating to the operation of its business, its occupancy of the Demised Premises, and any other such approvals, licenses or permits relating in any way to the Demised Premises during the Lease Term, including, but not limited to, any such governmental approvals, permits or licenses relating to Hazardous Substances, chemicals, petroleum products, hazardous materials, as the term "**Hazardous Materials**" is defined by applicable Governmental Regulations or Hazardous Substance Laws, and/or Hazardous Wastes possessed, used, or stored on the Demised Premises by Lessee.

Lessee will not engage in and will not permit any other party to engage in any activity on the Demised Premises which would cause (i) the Demised Premises to become a hazardous waste treatment storage or disposal facility within the meaning of, or otherwise bring the Demised Premises within the ambit of, the Resource Conservation and Recovery Act of 1975 ("RCRA"), 42 U.S.C. §6901, et seq., as amended, or any similar state law or local ordinance or other environmental law, (ii) a release or threatened release of a Hazardous Substance from or to the Demised Premises within the meaning of, or otherwise bring the Demised Premises within the ambit of, the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA"), 42 U.S.C. §9601-9657, as amended, or any similar state law or local ordinance of any other environmental law, or (iii) the discharge of pollutants or effluents into any water source or system, or the discharge into the air of any emissions, which would require a permit under the Federal Water Pollution Control Act, 33 U.S.C. §1251, et seq., or the Clean Air Act, 42 U.S.C. §7401, et seq., or any similar state law or local ordinance or any other environmental law. Notwithstanding anything to the contrary contained herein, on or before the ninetieth (90th) day after the Effective Date, a Phase I Environmental Site Assessment ("ESA") at Lessee's expense shall be performed on the Demised Premises. And, if the ESA recommends a Phase II ESA then a Phase II ESA shall also be performed (the Phase I ESA and any applicable Phase II ESA shall form the "Environmental Baseline" for this Lease. - c) In the event that any lien is recorded or filed against the Demised Premises pursuant to any Governmental Regulations or Hazardous Substance Laws regarding Hazardous Substances, Hazardous Materials, Hazardous Wastes, or Asbestos, Lessee hereby guarantees to Lessor that Lessee shall, not later than thirty (30) days following the filing of such lien, satisfy the claim and cause the lien thereunder to be discharged of record (whether by payment, bonding or as otherwise provided by Section 9.2. hereof).
- d) In addition to the foregoing, Lessee shall protect, defend, indemnify and save harmless Lessor, and Lessor's officials, constitutional officers, agents, employees and representatives from and against all loss (including diminution in the value of the Demised Premises), cost, damage, liability, obligation, causes of action, fine, penalty or expense (including attorneys' fees and expenses for investigation, inspection, removal, clean up, and remedial costs incurred to permit continued or resume normal operation of the Demised Premises), imposed upon or incurred by or asserted against Lessor by reason of the following occurrences during the Lease Term, as extended (i) the use, generation, storage, presence, disposal, escape, seepage, leakage, spillage, discharge, emission, release, or threatened release of any Hazardous Substance, Hazardous Materials and/or Hazardous Wastes or Hazardous Substances on, from, or affecting the Demised Premises or any other property or the presence of Asbestos on the Demised Premises; (ii) any personal injury (including wrongful death) or property damage (real or personal) arising out of or -related to such Hazardous Substance, Hazardous Wastes, Hazardous Materials or Asbestos; (iii) any lawsuit brought or threatened, settlement reached, or government order relating to such Hazardous Substance, Hazardous Wastes, Hazardous Materials or Asbestos; or (iv) any violation of laws, orders, regulations, requirements, or demands of governmental authorities, which are based upon or in any way related to such Hazardous Substance, Hazardous Wastes, Hazardous Materials or Asbestos including, without limitation, the costs and expenses of any remedial action, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses.
- e) If at any time Lessee shall become aware, or have reasonable cause to believe, that any Hazardous Substance in violation of any applicable Governmental Regulations or Hazardous Substance Laws has come to be located on or beneath the Demised Premises or within the marina area, Lessee shall immediately, upon discovering such presence or suspected presence of the Hazardous Substance, give written notice of that condition to Lessor. In addition, Lessee shall immediately notify Lessor in writing of (i) any enforcement, cleanup, removal or other governmental or regulatory action instituted, completed, or threatened pursuant to any Governmental Regulations or Hazardous Substance Laws, (ii) any written claim made or threatened by any person against Lessee, the Demised Premises or improvements located thereon relating to damage, contribution, cost recovery, compensation, loss or injury resulting from or

claimed to result from any Hazardous Substances, and (iii) any reports made to any Applicable Authorities arising out of or in connection with any Hazardous Substances in or removed from the Demised Premises or any improvements located thereon, including any complaints, notices, warnings or asserted violations in connection therewith. Lessee shall also supply to Lessor as promptly as possible, and in any event, within five (5) business days after Lessee first receives or sends the same, copies of all claims, reports, complaints, notices, warnings or asserted violations of any applicable Governmental Regulations or Hazardous Substance Laws relating in any way to the Demised Premises or improvements located thereon or Lessee's use thereof.

f) Lessee agrees to provide to the Lessor a copy of all environmental and Hazardous Substance reports (including test results dealing with the Demised Premises) obtained by Lessee after the Commencement Date hereof, or which otherwise come into Lessee's possession, custody, or control (regardless of when conducted), within fifteen (15) days following Lessee's receipt of same.

g) The remedial obligation of the Lessee as stated above shall include the reasonable costs of the following when required by Applicable Authorities:

all required or necessary inspections, investigations, applications, permits, plans, licenses, consent orders, and the like; and,

all cleaning, detoxification, remediation, cleanup and disposal; and,

all tests, audit, monitoring, and reporting; and

payment of all fees, costs, assessments, fines and penalties legally charged by Applicable Authorities in accordance with Governmental Regulations.

The indemnity in Section 9.2 shall include without limitation the reasonable costs of the following when required by Applicable Authorities that enforce laws related to Governmental Regulations:

all required or necessary inspections, investigations, applications, permits, plans, licenses, consent orders, and the like; and,

all cleaning, detoxification, remediation, cleanup and disposal; and,

all tests, audit, monitoring, and reporting; and

all fees, costs, assessments, fines and penalties charged by Applicable Authorities.

Lessee agrees to pay for all reasonable attorneys' fees, experts' fees and costs incurred by Lessor in Lessor's enforcement against Lessee of the provision of this Section 9.2;

The indemnification provided in this Section 9.2 shall survive the termination or expiration of this

Lease, but shall end, with respect to any claim or cause of action, with the expiration of any applicable statute of limitations for such claim or cause of action;

In the event the Lessor's insurance coverage requires that the Lessor's carrier defend any claim that falls within the scope of this indemnity, the Lessee shall not be responsible to reimburse the Lessor for its costs of defense; to the extent such defense is provided pursuant to the Lessor's insurance policy.

- h) At any time during the term of the Lease, the Lessor may, upon reasonable prior written notice to the Lessee (taking reasonable action to minimize potential disruption of the operation of the marina and other Permitted Uses) to enter upon the Demised Premises for the purpose of conducting environmental tests, pursuant to this Section 9.2 (and thus not as a result of the exercise of its regulatory governmental jurisdiction) ("Lessor's Tests"), to determine the presence and extent of contamination by Hazardous Substances on or under the Demised Premises, provided that in connection with entering into occupied portions of the Demised Premises, the Lessor shall provide reasonable advance notice to Lessee and coordinate such access with Lessee, in order to not unreasonably interfere with its operations. The Lessor shall not be entitled to conduct the Lessor's Tests unless: (1) a governmental entity (other than the Lessor) shall have issued a written notice of violation to the Lessee or the Lessor with respect to Hazardous Substances on, within, or under the Demised Premises); or (2) the Lessor has reasonable cause to believe that Hazardous Substances exist on or under the Demised Premises in violation of Governmental Regulations.
- i) The Lessor's Tests shall be at the sole cost of the Lessor. The cost and expenses relating to the Lessor's Tests shall not be included in remediation provisions of Section 9.2 or in the scope of any indemnification provided in favor of the Lessor in this Lease. No Lessor's Tests shall be conducted until the Lessor has provided to the Lessee the name of the testing contractor (which shall be fully licensed to conduct the Lessor Tests) and a certificate of insurance with limits reasonably acceptable to the Lessee confirming that the Lessee is an additional insured and that coverage exists for property damage, personal injury and business interruption which may result from the Lessor's Tests. The Lessor agrees to indemnify and hold the Lessee harmless (subject to its limitation of sovereign immunity liability) with respect to any loss, claim or damage (including attorney's fees and expenses) which the Lessee shall suffer as the result of the conduct of the Lessor's Tests.

Section 9.3. Warranties. Except as expressly stated otherwise in this Lease, Lessor makes no representations, express, implied, or otherwise, as to the suitability of the Demised Premises for use by Lessee nor as to the Lessee's intended use of the Demised Premises being in compliance with any deed restrictions, laws, regulations, rules, ordinances, building codes, zoning requirements, or other similar restrictions on use. Lessee acknowledges that it has checked applicable restrictions, laws, building codes, zoning requirements, rules, regulations and ordinances to determine that the Lessee's intended use of the Demised Premises is authorized and permitted by law.

ARTICLE X.

TAXES, FEES AND ASSESSMENTS

From and after the Effective Date, Lessee shall pay, before they become delinquent, all sales, use or excise taxes, ad valorem and non-ad valorem taxes, assessments (whether general, special, ordinary, extra ordinary, foreseen or unforeseen) and other governmental charges and impositions levied or assessed against Lessee's fixtures, equipment and personal property on, attached to, or used in connection with the Demised Premises or any part thereof or related to or arising from the use, occupancy or rents and income derived from the Demised Premises; provided, however, that if any tax is payable in installments, Lessee may also pay in installments, but all such taxes shall be paid in full prior to the expiration of the Lease Term, as extended if applicable. Upon Lessor's written request, Lessee shall deliver to Lessor official receipts that show payment of all charges required under this Article and contained in Lessor's written request. These receipts must be delivered to the place where the Rent payments are to be made. Lessee shall have the right at Lessee's election to protest the levy, assessment or collection of any taxes, assessments, charges or impositions by appropriate legal action, provided that Lessee shall not thereby permit any lien (other than the lien for current taxes not yet due and payable) or judgment for any taxes, assessments, charges or impositions to be filed or enforced against the Demises Premises. On the written request of Lessee, Lessor will join with Lessee in any such protest on the condition that Lessee pay all of the reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred by Lessor in connection with this joinder. Lessee must give the written notice to Lessor not later than sixty (60) days before the contested taxes would otherwise become delinquent. Lessee must also furnish Lessor with a bond with surety by a surety company qualified to do business in the State of Florida or cash paid into escrow and held by Lessor. The bond or cash must be in an amount equal to the amount of the taxes, claim, charge or assessment together with estimated penalties and interest being contested and must be conditioned upon payment of the taxes, claim, charge or assessment once the validity has been determined. At the expiration of the Lease, Lessee shall deliver the Demised Premises and the Lessee Improvements to Lessor in good condition, subject to normal wear and tear. Notwithstanding the forgoing, Lessor shall be solely responsible for maintaining and replacing Lessor Improvements throughout the Term of this Lease and Lessor's sole expense.

On or before the first day of the eleventh (11th) Lease Year and before the first day of each fifth Lease Year thereafter, the Lessee, at its expense, shall have an engineer licensed in the State of Florida perform a physical inspection, including but not limited to all structural components, plumbing, life safety, electrical, heating and air conditioning systems and mechanical equipment as well as any and all structural trade fixtures, of the Initial Improvements, the Improvements and any alterations or modifications within the Demised Premises in order and to memorialize in a written report (a "Capital Improvement Report") relevant useful life and whether replacement and/or capital improvements are needed in order for such improvements to be maintained in accordance with the requirements of this Lease ("Capital Improvement Requirements"). Subsequent Major Improvements means any alteration or addition to the Demised Premises (whether done as a single project or as a series of projects within a twelve (12) month period) whose cost exceeds twenty percent (20%) of the Fair Market Value of the Demised Premises. Fair Market Value shall be determined by and based on the most current "as-built" appraisal of the Demised Premises, prepared by an MAI appraiser licensed to perform appraisal services within the State of Florida, obtained from Lessee's leasehold mortgagee, if applicable. In the event the most current appraisal is more than two (2) years old, the Lessor or the Lessee may require a new appraisal and such appraisal shall be certified to Lessor and Lessee. The cost of such new appraisal shall be borne by Lessee. For purposes of this section, neither routine and normal maintenance nor work required under a Capital Improvement Report (as defined in Article XII, Section 12.1) shall be considered Subsequent Major Improvements. Notwithstanding the foregoing, Lessee shall have the right, from time to time, to make minor additions, alterations and changes to the in or to the Lessee Improvements which do not amount to Subsequent Major Improvements (hereinafter sometimes referred to collectively as "alterations" which term shall, when used in this Section 12.3 include any replacement or substitution therefor), provided that no event of default shall exist by Lessee in the performance of Lessee's covenants or agreements in this Lease, subject, however, to the following:

- b) no alterations shall be made which would impair the structural soundness of the Lessee Improvements;
- c) no alterations shall be undertaken until Lessee has furnished Lessor reasonable evidence that all building permits, licenses and authorizations required by Governmental Regulations and all required consents of Leasehold Mortgagees and the City have been procured. Lessor shall join, but without expense to Lessor, in the application for such permits, licenses or authorizations whenever such action is necessary and is requested by Lessee;
- d) no alterations shall be made which would be in violation of the terms and provisions of

the any exceptions not cured or removed as evidenced in the Title Documents [e.g. applicable deed restrictions];

Section 12.5. Security. Lessee, at its sole cost and expense is responsible for providing security within the Demised Premises that will reasonably ensure the safety of employees and patrons. The Lessee shall take appropriate measures to identify potential emergency situations and develop a plan of action to protect the safety and security of employees and patrons. This plan shall address medical, fire and other emergency situations that threaten the health, safety and welfare of persons, as well as the Demised Premises. All employees are required to be tested annually to demonstrate their proficiency in handling such situations. The Lessee shall provide an annual written safety and security plan for all operating facilities for the review and approval of the Lessor.

ARTICLE XIII.

CASUALTY DAMAGE, DESTRUCTION AND CONDEMNATION

Section 13.1. Casualty Damage or Destruction.

- a) **Lessee's Obligation to Restore.** Should the Improvements currently existing or hereafter situated on the Demised Premises during the term of this Lease be wholly or partially destroyed or damaged by fire, or any other casualty whatsoever, Lessee shall promptly repair, replace, restore or reconstruct the same in substantially the form in which the same existed prior to any such casualty and with at least as good workmanship and quality as the Improvements being repaired or replaced, all in compliance with the provisions of Article VIII hereof but with such alterations or modification as to restored Improvements as may be consistent with the further terms and provisions hereof. Such work shall commence on or before two hundred ten (210) days from the event giving rise to such construction obligation and shall be completed thereafter with reasonable diligence. In the event of any casualty damage to the Improvements during the last five (5) years of the term of this Lease which would require more than ninety (90) days to repair and restore after commencement of restoration, Lessee shall have the option to terminate this Lease at any time prior to commencement of rebuilding by giving notice of termination to Lessor. In the event

85

of termination of this Lease by Lessee during the last five (5) years of the Lease Term under the circumstances set forth above, this Lease shall terminate and come to an end upon Lessee's termination as aforesaid as though the date of such termination by Lessee were the date of expiration of the term of this Lease, and all insurance proceeds shall be payable as follows first to discharge any Leasehold Mortgages, and then the balance to be paid to Lessor. Notwithstanding the forgoing, Lessor shall be entitled receive funds in any capital improvement reserve account maintained in accordance with Article XII of this Lease.

b) **Deposit of Funds for Restoration**. So long as there exists a Leasehold Mortgage, all fire and extended coverage insurance proceeds shall be deposited with the holder of such Leasehold Mortgage having the first lien priority, but if no Leasehold Mortgage exists then with a federally insured financial institution with offices located in Fort Lauderdale, Florida ("Qualified Bank"). In any event such proceeds shall be received, held and paid out by such Leasehold Mortgage, if any, or by such Qualified Bank, and shall be disbursed for restoration for the casualty damage as follows unless modified by the Leasehold Mortgage:

(1) Lessee must first secure Lessor's and any Leasehold Mortgagee's reasonable approval of the Plans and Specifications for the proposed restorative work if such Plans and Specifications for restoration deviate materially from the Plans and Specifications for the Improvements which have been so damaged. The insurance proceeds will be paid to Lessee by the first lien Leasehold Mortgagee, if any, or disbursed by such Qualified Bank, if any, after delivery of evidence satisfactory to such Leasehold Mortgagee, if any, and to Lessor that (a) such repair, restoration or rebuilding has been completed and effected in compliance with this Lease as to quality, and (b) no mechanics' or materialmen's liens have attached to the fee or leasehold estate; or at the option of Lessee, such proceeds may be advanced by such Leasehold Mortgagee or disbursed by such Qualified Bank in reasonable installments. Each such installment (except the final installment) is to be advanced by such Leasehold Mortgagee, if any, or disbursed by such Qualified Bank, if any, in an amount equal to the cost of construction of the work completed (including Lessee's overhead directly related or reasonably allocated thereto) since the last prior advance (or since commencement of work, as to the first advance) according to a certificate by the Lessee's architect in charge, less statutorily required retainage in respect of mechanics' and materialman's liens, together with a reasonable showing of bills for labor and material, and evidence satisfactory to any such Leasehold Mortgagee that no lien affidavit has been filed in county for any labor-or material in connection with such work. The final payment or disbursements, which shall be in an amount equal to the balance of such proceeds, shall then be made upon architect's proper certificate of completion and upon receipt of evidenced required by (i) (a) and (i) (b) above, but in no event shall such Leasehold Mortgagee, if any, or such Qualified Bank, if any, be required to advance more than the balance of such insurance proceeds remaining on deposit with such disbursing agent;

- (2) Should the cost of said repairs, restoration or rebuilding be estimated by Lessee's architect in charge to be in excess of said insurance proceeds or should the actual cost determined after Lessee has commenced restoration be in excess of said proceeds, Lessee will upon demand by any such Leasehold Mortgagee or Lessor give satisfactory proof or assurances to such Leasehold Mortgagee that the funds required to meet such deficiency are or will be available to Lessee for such purpose or will deposit the necessary funds to cover such deficiency with such Leasehold Mortgagee;
- (3) Any and all such insurance proceeds in excess of the cost of such repairs, restoration or rebuilding may, if any Leasehold Mortgage so provides, be applied in reduction of unpaid principal and other indebtedness due under such Leasehold Mortgage in the order of priority of such Leasehold Mortgagees; provided, however, that no insurance proceeds in excess of the cost of such repairs, restoration or rebuilding shall be applied to reduce the amount of any Leasehold Mortgage unless the architect has delivered to Lessee a certificate to the effect that such repairs, restoration or rebuilding have been completed substantially in accordance with Plans and Specifications therefor. In the event that there is no Leasehold Mortgage on Lessee's interest, or no Leasehold Mortgagee elects to apply any such excess, the amount of excess shall be paid over to Lessee.

Section 13.2. Condemnation.

- a) **Total Taking.** Lessor and Lessee agree that should the whole of the Demised Premises be taken (which term when used in this Section 13.2 shall include any conveyance in avoidance or settlement of condemnation or eminent domain proceedings) by the Government of the United States, State of Florida, City of Fort Lauderdale, or any other government or power whatsoever, or by any corporation under the right of eminent or should the whole of said Demised Premises and improvements be condemned by any court, city, state, county or governmental authority or office, department or bureau of the city, county, state or United States so that the Demised Premises can no longer be utilized in an economically sound manner by Lessee for the uses and purposes contemplated herein, then this Lease shall terminate as of the date of taking of possession by the condemning authorities (or the later date on which Lessee receives its portion of the award).
- b) Any condemnation award, whether resulting from a partial or total taking shall be apportioned to Lessor and Lessee by a court of competent jurisdiction based on Lessor's and Lessee's property rights in the Demised Premises.
- c) **Partial Taking.** Lessor and Lessee agree that should the fee simple title be taken in part of the Demised Premises by the Government of the United States, State of Florida, City of Fort Lauderdale, or any other government or power whatsoever, or by any corporation under the right of eminent domain, or should a part of said Demised Premises be condemned by any court, city, state, county or governmental authority or office, department or bureau of the city, county, state or United States, then in such

event this Lease shall nevertheless continue in effect as to the remainder of the Demised Premises unless in Lessee's reasonable judgment so much of the Demised Premises shall be so taken or condemned as to make it economically unsound to attempt to use the remainder for the uses and purposes contemplated herein, in which latter event this Lease shall terminate upon notice of termination by the Lessee to Lessor, with such termination to be effective as of the date of taking of possession by the condemning authority (or later date on which Lessee receives its portion of the award) in the same manner as if the whole of the Demised Premises had been thus taken or condemned; provided, however, that if a Leasehold Mortgage then encumbers the leasehold premises this Lease shall not terminate without the prior written consent of the Leasehold Mortgagee. In the event of such taking or condemnation of portion of the Demised Premises where this Lease is not terminated thereby under the provisions of the first sentence of this Paragraph, the Rental payable during the remainder of the term after taking of possession by said condemning authority shall be reduced on a just and proportionate basis having due regard to the square footage of the portion of the Demised Premises thus taken or condemned as compared to the remainder thereof and taking into consideration the extent, if any, to which Lessee's use of the remainder of the Demised Premises shall be been impaired or interfered with by reason of such partial taking or condemnation.

- d) **Partial Taking Award.** In the event that a part of the Demised Premises and Improvements be taken under the power of eminent domain or by condemnation proceedings and this Lease is terminated by reason of such partial taking, then the award will be distributed to Lessee in accordance with Section 13.2 (a). In the event that a part of the Demised Premises and Improvements be taken under the power of eminent domain or by condemnation proceedings and this Lease is not terminated by reason of such partial taking, then the condemnation award shall be paid to Lessee to the extent the condemnation impairs the Lessee Improvements and to the Lessor to the extent the condemnation impairs the Lessor's Improvements.
- e) **Rights of Leasehold Mortgagee.** If any Leasehold Mortgagees encumber the leasehold estate, the Leasehold Mortgagees shall, to the extent permitted by law, be made a party to any condemnation proceeding, if any so desire.
- f) **Voluntary Dedication; Easement Grants.** It is further understood, however, that if during the term of this Lease any portion of the Demised Premises (that is, with respect to the leasehold interest therein) shall be voluntarily devoted to public use by Lessee, it is expressly agreed that there shall be no abatement of Rental on account of said voluntary application to public use, nor shall Lessee thereby permit the public to acquire any right to or interest in any part of the Demised Premises which will continue beyond the termination of this Lease for any cause without Lessor's prior consent. Lessor covenants and agrees to join the Lessee in any action to dedicate portions of the Demised Premises for public streets along the boundaries of the Demised Premises if such dedication is required by the Applicable Authorities as a condition to approve construction of the Improvements and approved by TITF. Lessor further covenants and agrees that it will not undertake or consent to any change in the zoning applicable

to the Demised Premises without Lessee's prior written consent. Any dedication of any portion of the Demised Premises by plat or easement grant previously approved in connection with the Plans, utilities or other purposes provided above shall not result in any reduction or abatement of rent under this Lease.

ARTICLE XIV.

ASSIGNMENT, SUBLETTING AND MORTGAGE

Section 14.1 Assignment. Except for Approved Subleases (as defined below in Section 14.2) of space within the Demised Premises, and except for Leasehold Mortgages, and except for boat slip licenses or leases to third parties desiring to lease a wet slip on the Demised Premises (“**Slip Licenses**”) or subleases to an Affiliate (defined below) or Permitted Corporate Transfers (defined below) or leases for less than 1500 square feet and for a term of no more than ten (10) years (“**Small Shop Leases**”)(collectively Leasehold Mortgages, Slip Licenses, Permitted Corporate Transfers, Small Shop Leases and Leases to an Affiliate shall sometimes be referred to as “**Permitted Transfers**”), Lessee shall not sell, assign or otherwise transfer any portion of its leasehold estate, or undivided interests therein, to any party other than an Affiliate of Lessee, without the prior written consent of the City Commission of Lessor (except that after substantial completion of the Initial Improvements, the City Manager shall render all approvals required under this Article XIV without the need for review by the City Commission) which consent shall not be unreasonably withheld, conditioned or delayed and shall be deemed granted by Lessor in the event Lessor fails to respond to a request for consent within thirty (30) days after receiving the request. With respect to a proposed transfer, sell or assignment of Lessee’s leasehold interest, Lessor shall consider the following factors which shall be verified by the City Auditor: 1) whether the proposed assignee meets certain reasonable standards of creditworthiness and has the cash or financial resources to operate a marina and its ancillary uses which standards shall be deemed satisfied by the proposed assignee’s submission of reasonable proof of financing to complete the assignment from an Approved Lender (as defined below), 2) whether the proposed assignee has the background, experience and expertise to perform its obligations under this Lease and 3) whether the proposed assignee has prior business experience for operating property with uses similar to the Permitted Uses under this Lease and 4) the reputation of the proposed assignee. Such an Assignment shall not be valid until there shall have been delivered to Lessor a true copy of instrument effecting such an assignment and the assignee agrees to assume all obligations under this Lease and agrees to perform all the covenants, terms and conditions of this Lease. As used in this Lease, “**Affiliate**” when used in reference to Lessor or Lessee shall refer to any person, firm, corporation, partnership or other legal entity (for convenience herein called “**person**”) controlled by, controlling or under common control with a party. Control as used in this definition means actual direction or power to direct the affairs of the controlled person, and no person shall be deemed in control of another simply by virtue of being a director, officer or holder of voting securities of any entity. A person shall be presumed to control any partnership of which he or it is a general partner. Notwithstanding anything to the contrary contained herein, the parties recognize that the Lessee is a limited liability company as of the Effective Date and the Lessor agrees that Lessee’s restructuring or change of membership interests pursuant to the current operating agreement of the existing Members (who are Suntex Marinas Investors LLC and Edgewater Resources LLC) of the Lessee which exists as of the Effective Date hereof shall not be considered

a matter requiring the approval of the City Manager, unless there is transfer of the controlling interest in the Lessee to a person or entity that is not currently an existing member of Lessee or an Affiliate of Lessee or an Affiliate of a current member of Lessee. Additionally, and notwithstanding anything to the contrary, the Parties hereby acknowledge and agree (i) the "going public" by Lessee or any owner of Lessee, including, but not limited to, the filing of a registration statement with the Securities and Exchange Commission and/or the creation of one or more classes of stock and the offering of shares of stock to the public for purchase (the "**Permitted Corporate Transfer**") shall not require the consent of the City Commission of Lessor and/or the City Manager in any manner. The parties also agree that a company-wide sale of Lessee's parent company, Suntex Marina Investors, LLC ("SMI") which includes the sale of Lessee and all other subsidiaries or assets owned by SMI whether structured as a membership interest disposition or contribution by SMI or sale of substantially all of the assets owned by SMI shall not require the approval of the City Manager or the City Commission ("**Conditional Corporate Transfer**") provided (i) Lessee is current on all rents, taxes, insurance and other monetary obligations at the time of the Conditional Corporate Transfer or in the event of a non-monetary default, Lessee is actively pursuing a cure of such a default and (ii) prior to completion of the Initial Improvements, David Filler and Bryan Redmond are principals of the succeeding entity to Lessee or SMI and are actively engaged in or overseeing the construction of the Initial Improvements and the operations and maintenance of the Demised Premises after consummation of the Conditional Corporate Transfer. After substantial completion of the Initial Improvements, a Conditional Corporate Transfer is permitted provided Lessee is current on all rents, taxes, insurance and other monetary obligations at the time of the Conditional Corporate Transfer or in the event of a non-monetary default, Lessee is actively pursuing a cure of such a default. All other company restructuring or change in membership of Lessee other than Permitted Corporate Transfers or Conditional Corporate Transfer shall require the consent of the City Commission of Lessor which may be granted or denied in the exercise of the City Commission's reasonable discretion within a reasonable time, not to exceed sixty (60) days, it being agreed that consent shall be deemed granted by Lessor in the event Lessor fails to respond to a request for consent within sixty (60) days after receiving the request. Lessee agrees to pay Lessor an assignment or transfer fee of Twelve Thousand Five Hundred and No/100 Dollars (\$12,500.00) for all assignments or approvals, whether a corporate transfer or assignment requiring the City Manager or City Commission approval under this Article XIV. An Approved Lender means any insurance company, bank or trust company, pension or retirement or trust, governmental agency or fund, or other financial or lending institution or other lender which is regulated by, or makes any loans which are regulated by state or federal laws of the United States or an entity which is listed in the "S&P 500 or the Fortune 500 and each of the foregoing shall have assets in excess of \$500,000,000 and shall have a credit rating of not less than "A" unless the Approved Lender is a bank insured by the Federal Deposit Insurance Corporation and is regulated by state or federal regulatory agencies in which case no credit rating shall be required.

Section 14.2 Subleasing. Subleases of space within the Demised Premises that satisfy the requirements of this Section 14.2 are "**Approved Subleases.**"

- a) **Approval.** Except for Permitted Transfers, Lessee shall not sublet all or any portion of the Demised Premises for occupancy by any sublessee without the prior written consent of Lessor through the City Manager which consent shall not be unreasonably

withheld, conditioned or delayed and shall be deemed granted by Lessor in the event Lessor fails to respond to a request for consent within thirty (30) days after receiving the request. In determining whether to approve or not approve a proposed sublessee and sublease, the Lessor may consider the specific business experience of the proposed sublessee in the applicable industry, the ability of such sublessee to carry out the purpose or activity of the sublease, and as to financial obligations, the ability to perform only the reasonably current financial obligations under the sublease, the rent payable pursuant to the Sublease and whether such rent constitutes fair market value.

b) **Lease Terms.** In addition to the other required provisions contained in this Lease, Lessee's sublease agreements shall include provisions that provide:

- (1) that the sublease is subject to every provision of this Lease;
- (2) that the sublease shall not be for a term extending beyond the term of this Lease;
- (3) that the sublessee is responsible for complying with all Governmental Regulations, and that sublessee's failure to cure after receiving notice of non-compliance will result in Lessee's right to terminate the Lease;
- (4) that the sublessee is responsible for obtaining insurance identical to that required of Lessee as described in Section 11.1; and
- (5) a self-operative provision that it is subject and subordinate to this Lease and any amendments, modifications and extensions thereof, including, but not limited to, all use restrictions and shall be subject to the terms of any nondisturbance agreement between Lessor and such Sublessee or Sub-Sublessee (as applicable).

c) **Sublessee Attornment.** If this Lease terminates for any reason, including Lessee's default, Lessor shall accept the attornment by sublessees in good standing and paying fair market rentals under Approved Subleases. In no circumstance is Lessor required to accept a sublease that (X) reduces rental payable to Lessor or calls for the granting of concessions in rent at any time, (Y) allows the prepayment of rent beyond the current month for which rent is due and payable (except the prepayment of rental for the last month of the term of a Lease made to an actual space occupant for the space to be occupied by him), or (Z) imposes on the Lessor any obligation to make alterations to the Demised Premises under the sublease or to reimburse sublessee for alterations made by the sublessee or be liable for any prepaid rents or security deposits and any defaults of Lessee which occurred prior to Lessor's recognition of the sublessee. Lessor shall not be held liable for any acts or omissions of Lessee prior to recognition of the sublease.

Section 14.3 Continuing Obligations. Notwithstanding any assignment or subletting, Lessee shall at all times remain fully responsible and liable for the payment of the rent herein specified and for compliance with all of its other obligations under this Lease (even if future assignments and subletting's occur subsequent to the assignment or subletting by Lessee, and

regardless of whether or not Lessor's approval has been obtained for such future assignments and sublettings). Lessor shall be permitted to enforce the provisions of this Lease against the undersigned Lessee and/or any assignee without demand upon or proceeding in any way against any other person. In addition to the assignment or transfer fee referenced above, Lessee shall reimburse Lessor for Lessor's reasonable expenses including attorney's fees not to exceed \$1,000.00 incurred by Lessor in connection with any request by Lessee for assignment or subletting.

Section 14.4. Mortgage of Leasehold.

- a) **Lessee's Rights.** Lessee may mortgage its leasehold estate, but not Lessor's fee estate, in order to secure a mortgage loan to obtain funds to construct all Improvements including the Initial Improvements, for permanent loan funds used to retire interim construction financing, or for other financing or refinancing directly benefiting the Demised Premises so long as the conditions precedent set forth in Section 14.4(d) are satisfied.
- b) **Mortgagee's Obligations.** If Lessee permissibly mortgages or encumbers its leasehold estate, the Leasehold Mortgagee shall in no event be required to perform the obligations of Lessee under this Lease unless and until the Leasehold Mortgagee becomes the owner of the leasehold estate pursuant to foreclosure, assignment in lieu of foreclosure or otherwise; thereafter, the Leasehold Mortgagee shall remain subject to these obligations only so long as the Leasehold Mortgagee remains the owner of the leasehold estate, and in no event shall the obligations to be performed hereunder be more expansive for the Leasehold Mortgagee than for Lessee.
- c) **Lessee's Obligations.** Notwithstanding the foregoing, it is specifically understood and agreed that no mortgaging by Lessee and/or any actions taken pursuant to the terms of the Leasehold Mortgage shall ever eliminate or reduce Lessee's obligation to pay the rent due hereunder and otherwise fully perform under this Lease. Lessee shall give prompt notice to Lessor of the terms of any Leasehold Mortgage. Lessee agrees to duly and timely perform all of its obligations under any such Leasehold Mortgage.
- d) **Conditions Precedent.** Lessee agrees that, as a condition precedent to its right to execute any Leasehold Mortgage, it shall:
 - (1) furnish to Lessor its loan documents entered into with the Leasehold Mortgagee and a copy of any notice given by the Leasehold Mortgagee to Lessee pursuant to the Leasehold Mortgage at the time that it is given to Lessee;
 - (2) use commercially reasonable efforts to obtain the Leasehold Mortgagee's agreement to accept Lessor's cure of any default of Lessee under the Leasehold Mortgage (Lessor having no obligation to do so); and

(3) require in the Leasehold Mortgage that there will be an ongoing covenant in the event the Leasehold Mortgagee forecloses on the Leasehold Mortgage that the Demised Premises shall continue to be operated in a first-class manner and Lessor shall have the unrestricted right to approve the replacement operator of the Demised Premises and the Lessee Improvements located thereon.

Section 14.5. Mortgagee Right To Cure. If Lessee's leasehold estate is encumbered by a Leasehold Mortgage and written notice thereof has been given to Lessor, Lessor shall give to the holder of the Leasehold Mortgage (at the address or addresses specified in the written notice to Lessor for the giving of notices to the Leasehold Mortgagee, or as otherwise specified by the Leasehold Mortgagee to Lessee in writing) written notice of any default hereunder by Lessee, contemporaneously with the giving of such notice to Lessee. The holder of the Leasehold Mortgage has the right to take any action or to make any payment necessary or appropriate to cure the specified default, it being the intention of the parties hereto that Lessor shall not exercise Lessor's right to terminate this Lease without first giving the Leasehold Mortgagee the notice provided for herein and affording any Leasehold Mortgagee the same right to cure the default as provided to Lessee in **Article XVI**, below. Lessor agrees not to exercise any right that it may have to terminate this Lease, so long as the Leasehold Mortgagee, or its successor in interest, is performing all of Lessee's covenants, duties and obligations under this Lease.

Section 14.6 Non-Disturbance. Lessor further agrees to execute and deliver to any proposed Leasehold Mortgagee a "**Nondisturbance Agreement**," in form and content acceptable to Lessor in its reasonable discretion wherein Lessor agrees that Lessor will recognize the mortgagee and its successors and assigns after foreclosure, or transfer in lieu of foreclosure, as Lessee hereunder, and continue to perform all of Lessor's duties and obligations hereunder so long as the mortgagee or its successors and assigns performs all of the duties and obligations of Lessee hereunder. In addition, at Lessee's option, Lessor consents to the following for the benefit of any Leasehold Mortgagee:

- (1) an assignment of Lessee's share of the net proceeds from any award or other compensation resulting from a total or partial taking as set forth in Section 13.2 of this Lease,
- (2) the entry of any Leasehold Mortgagee upon the Demised Premises during business hours, without notice to Lessor or Lessee, to view the state of the Demised Premises,
- (3) that a default by Lessee under this Lease shall constitute a default under any Leasehold Mortgage,
- (4) an assignment of Lessee's right, if any, to terminate, cancel, modify, change, supplement, alter or amend this Lease, and
- (5) that, effective on a default in any Leasehold Mortgage, the Leasehold Mortgagee may (A) foreclose the Leasehold Mortgage pursuant to Florida law and sell the leasehold estate to the purchaser at the foreclosure sale, (B) appoint a receiver, irrespective of whether any Leasehold Mortgagee accelerates the maturity of all indebtedness secured by

the Leasehold Mortgage, (C) enter and take possession of the Demised Premises, manage and operate the same, collect the subrentals, issues and profits therefrom and cure any default under the Leasehold Mortgage or any default by Lessee under this Lease, and (D) assign Lessee's right, title and interest in and to the premiums for or dividends on any insurance required by the terms of this Lease, as well as in all refunds or rebates of taxes or assessments on or other charges against the Demised Premises, whether paid or to be paid, provided that none of the foregoing shall be effective with respect to Lessor until notice of the existence of the Leasehold Mortgage is delivered to Lessor.

Lessor also agrees to execute and deliver to the proposed Leasehold Mortgagee any other documents that the proposed Leasehold Mortgagee may reasonably request concerning the mortgaging by Lessee of the leasehold estate created hereby; **provided, however, that Lessor shall never be required to subordinate Lessor's interest in this Lease in the Demised Premises to the mortgage of the proposed Leasehold Mortgagee, encumber its fee interest, waive its right to receive rent (including, base rent, percentage rent or additional rent), waive its right to require payment of taxes, insurance and Additional Rent, waive its sovereign immunity or waive its regulatory or police power and Leasehold Mortgagee cure period does not exceed one year. Thereafter, Lessor shall have the unqualified right to terminate the Lease after the cure period has expired. A Non-Disturbance Agreement shall include these conditions and such other reasonable terms and conditions required by the Lessor.**

Section 14.7 Rights of Mortgagee on Termination to Require a New Lease. If this Lease terminates before the expiration of the term hereof, and if Lessor obtains possession of the Demised Premises in accordance with all conditions precedent as set forth in Section 14.4 (d), Lessor agrees that any Leasehold Mortgagee has the right, for a period of 30 days after termination, to require a new lease of the Demised Premises, and when the new lease is executed and delivered, possession of the Demised Premises.

- a) **Term.** The new lease's term shall commence at the termination of this Lease, and shall expire the same date that this Lease expires, including renewals and extensions, it being understood that the Leasehold Mortgagee shall have the same rights to extend the term of this Lease as are available to Lessee hereunder. The new lease is subject to the provision of the city charter.
- b) **Rent and Other Obligations.** The rent for the new lease shall be at the same rate as would have applied had this Lease not expired or terminated, and all of the rents, covenants, conditions and provisions of the new lease shall be the same as provided for under this Lease. If a Leasehold Mortgagee requires a new lease within the 30-day period, the Leasehold Mortgagee shall give written notice to Lessor of the election, and within 30 days, Lessor and the Leasehold Mortgagee shall execute a new lease on the terms set forth above, and the Leasehold Mortgagee shall pay to Lessor all accrued rent, additional rent and other sums owed by Lessee to Lessor along with unpaid taxes and insurance that remain unpaid at the time of the execution of the new lease, including reasonable attorneys' fees and expenses incurred in connection therewith.

Section 14.8. No Change in Lease Terms. So long as there are any unpaid or undischarged Leasehold Mortgages on Lessee's leasehold estate of which Lessor has received written notice, Lessor expressly agrees for the benefit of the Leasehold Mortgagee(s) that it will not accept from Lessee a material modification of this Lease, or a voluntary surrender of the Demised Premises, without the written consent of the Leasehold Mortgagee(s), which consent shall not be unreasonably withheld. This provision does not limit Lessor's rights in the event of default by Lessee.

ARTICLE XV.

INDEMNIFICATION

Section 15.1. Lessee Indemnity. From and after the Effective Date, Lessee agrees to protect, defend (with counsel reasonably acceptable to Lessor), indemnify and hold harmless Lessor and Lessor's officers, employees, volunteers, and agents from and against any and all claims (including those for bodily injury, disease, sickness, death, property damage) loss, cost, damage, demands, fines, penalties, causes of actions, administrative proceedings, liabilities, and expense (including court costs and reasonable attorneys' fees and expert fees) to the extent not primarily caused by Lessor's ordinary negligence or willful misconduct of Lessor's employees acting within the course and scope of their employment and which arises from (i) the failure by Lessee or any of its, agents, contractors, employees or Sublessees to perform Lessee's responsibilities, duties and obligations under this Lease in accordance with the terms hereof, (ii) the negligence, reckless, misconduct or willful or intentional acts or omission of Lessee, Lessee's employees, sublessees, servants, or invitees entering the Demised Premises under express or implied invitation of Lessee, (iii) the Lessee's or sublessee's construction, installation, demolition or depreciation of the Improvements or sublessee improvements, (iv) the operation of Lessee's business in the Demised Premises, and any other activities on or about the Demised Premises, including without limitation, any claims, liabilities or damages relating to products liability, or (v) allegations that this Lease does not comply with the City's charter.

Lessee agrees to pay for all reasonable attorneys' fees, experts' fees and costs incurred by Lessor in Lessor's enforcement against Lessee of the provision of this Article XV.

The indemnification provided in this Article XV shall survive the termination or expiration of this Lease, but shall end, with respect to any claim or cause of action, with the expiration of any applicable statute of limitations for such claim or cause of action and is not limited by the amount of insurance coverage.

In any matter asserted against the Lessor by third parties which falls within the scope of this indemnity, neither the provisions of this Lease, nor the Lessee's indemnification of the Lessor are intended to waive or affect, and shall not be construed to waive or affect, the Lessor's sovereign immunity, and at all times the Lessor shall retain its sovereign immunity to the greatest extent as may be provided by law. Furthermore, in defending the Lessor against claims of third parties pursuant to the Indemnity provided in this Article XV, the Lessee may assert the Lessor's sovereign immunity to the greatest extent as may be provided by law.

Section 15.2. Third Parties and Sublessees. In connection with its management, operation, promotion and subleasing of the, Demised Premises, including, but not limited to Lessee's business operations, Lessee shall insert into each and every contract or Lease it enters into a clause exculpating Lessor from personal liability under the contract or lease and a clause pursuant to which the third party/Sublessee agrees to indemnify and hold harmless Lessor for the matters set forth in Section 15.1.

ARTICLE XVI.

DEFAULT AND REMEDIES

Section 16.1. Default. Each of the following events is an "Event of Default" by Lessee under this Lease:

(1) Failure by Lessee to pay any installment of rental (including, without limitation, Base Rent, Percentage Rent or Additional Rent) or to pay or cause to be paid taxes (to the extent Lessee is obligated to pay same or cause same to be paid), utilities, insurance premiums or other liquidated sums of money herein stipulated in this Lease to be paid by Lessee if such failure shall continue for a period of thirty (30) days after written notice thereof has been delivered to Lessee (with a copy of said notice to any Leasehold Mortgagee or trustee as provided by Article XIV hereof).

(2) Failure by Lessee to perform or observe any of the terms, covenants, conditions, agreements and provisions of this Lease (other than the payment of rent, taxes, utilities, insurance premiums or other liquidated sums of money) stipulated in this Lease to be observed and performed by Lessee if such failure shall continue for a period of one hundred twenty (120) days after written notice thereof has been delivered to Lessee (with a copy of said notice to any Leasehold Mortgagee or trustee as provided in Article XIV hereof); provided, however, that if any such failure (other than a failure involving payment, rent, taxes, utilities, insurance premium or other liquidated sums of money) cannot reasonably be cured within such one hundred twenty (120) day period, then Lessor shall not have the right to exercise Lessor's remedies pursuant to Subparagraph (1) or (2) of Section 16.2 for so long as Lessee proceeds in good faith and with due diligence to remedy and correct any such failure, provided that Lessee has commenced to cure such failure after the effective date of such notice within such one hundred twenty (120) day period.

(3) Failure by Lessee to pay the rent under the Submerged Land Lease, as amended, or revenue under the Uplands Deed as amended or failure to perform or observe any of the terms, covenants, conditions agreements or provisions of either of these documents or as imposed by the State of Florida or TIITF if such failure shall continue for a period of thirty (30) days after written notice thereof has been delivered to Lessee (with a copy of said notice to any Leasehold Mortgagee or trustee as provided by Article XIV hereof).

(4) Any termination of the Submerged Land Lease by TIITF shall be deemed a termination of this Lease, unless the cause of such termination is cured by the Lessee (or Leasehold Mortgagee) within thirty (30) days of termination or waived by TIITF.

Section 16.2. Lessor Remedies for Lessee Default. If an Event of Default occurs hereunder, Lessor may, at any time thereafter (i.e. after the period following the notice provided for in Section 16.1) during the continuance of such Event of Default, do one or more of the following as Lessor's remedies for such Event of Default:

- a) Subject to the provisions of Article XIV hereof with respect to the rights of any Leasehold Mortgagee and the rights of sublessees, terminate this Lease by giving Lessee written notice of termination (with a copy of said notice to any mortgagee or trustee as provided in Article XIV hereof), in which event this Lease and the leasehold estate created hereby and all interest of Lessee and all parties claiming by, through or under Lessee shall automatically terminate upon the effective date of such termination notice with the same force and effect and to the same extent as if the effective date of such notice were the day originally fixed in Article II hereof for the expiration of the term of this Lease, and Lessor, its agents or representatives, shall have the right, without further demand or notice, to reenter and take possession of the Demised Premises (including all Improvements comprising part thereof) and remove all persons and property therefrom with or without process of law, without being deemed guilty of any manner of trespass and without prejudice to any remedies of Lessor for past due rent or other sums dues under the provisions hereof.
- b) Subject to the provisions of Article XIV hereof with respect to the rights of any Leasehold Mortgagee and rights of sublessees, terminate Lessee's right to possession of the Demised Premises and enjoyment of the rents, issues and profits therefrom, without terminating this Lease or the leasehold estate created hereby, reenter and take possession of the Demised Premises (including all Building Improvements and other Improvements comprising part thereof) and remove all persons and property therefrom, with or without process of law, without being deemed guilty of any manner of trespass and without prejudice to any remedies for any breaches of covenants (including the payment of rent), then existing or thereafter occurring, and lease, manage and operate the Demised Premises and collect the rents, issues and profits therefrom, all for the account of Lessee, and credit to the satisfaction of Lessee's obligations hereunder the net rental thus received (after deducting therefrom all reasonable costs and expenses of repossessing, leasing, managing and operating the Demised Premises). If the net rental so received by Lessor exceeds the amounts necessary to satisfy all of Lessee's obligations under this Lease (including reasonable reserves for operations and replacements), Lessee shall be entitled to such excess; provided that all accrued and unpaid rental (including Base Rent, Percentage Rent and Additional Rent) owing to Lessor shall be paid prior to the payment of any such excess to Lessee. In the event Lessor retakes possession of the Demised Premises under the foregoing provisions hereof, Lessor shall not be liable for any damages or injuries arising from its management and operation of the Demised Premises unless caused by the gross negligence or misconduct of Lessor, employees acting within the course and scope of their employment.
- c) Upon the exercise of Lessor's remedies pursuant to this Section 16.2, Lessee shall execute such releases, deeds and other instruments in recordable form as Lessor shall

reasonably request to accurately set forth of record the status of the leasehold estate and Lessee's rights hereunder.

- d) In the event that the Lessee is in default in the payment of Base Rent due and owing to Lessor and such default remains unpaid for a period of sixty (60) days after written notice from Lessor to Lessee (with copies to the appropriate Leasehold Mortgagees for whom the Lessor has executed Non Disturbance Agreement, who shall be given an additional thirty (30) days from the date Lessee has to cure such default) then if such Base Rent has not been paid by the Lessee and/or such Leasehold Mortgagee within such ninety (90) day cure period, the Lessor, subject to Lessor's obligation to reasonably mitigate damages associated with Lessee's default, shall have the option and privilege as follows:
- (1) To accelerate the maturity of the Base Rent installments for the balance of the Term (based on the Base Rent paid in the immediately preceding Lease Year). This option shall be exercised by an instrument in writing signed by the Lessor and transmitted to Lessee notifying of Lessor's election to accelerate all unmatured Base Rent and installments as presently due and payable.
 - (2) In lieu of the election set forth in Section 16.2 (d) 1 may in like manner declare as presently due and payable the unpaid Base Rent installment for such period of Lease Years as may be fixed in the Lessor's notice to the Lessee. The exercise of this option shall not be construed as a splitting of a cause of action nor shall it alter affect the applications of the Lessee to pay rent under the terms of the Lease for the period unaffected by such notice.
 - (3) As to a particular default, the election of Lessor set forth in Section 16.2 (d) shall expire and be of no effect at such time as Lessee or the Lessee Mortgagee has cured the default in connection with the payment of Base Rent. The elections provided in Section 16.2 (d) shall be available each time a default in the payment of Base Rent occurs (such that, for example, a decision to not accelerate Base Rent for a prior default will not preclude an election to acceleration of Base Rent upon a subsequent default).
- e) In addition to the remedies set forth above, if an event of default exists beyond any applicable cure period, then the Lessor shall be entitled to all other remedies available at law or at equity which are available to Lessor's in enforcing leases, as such remedies may exist from time to time, but Lessor shall not have the right to terminate this Lease, other than pursuant to Section 16.2 (a) and may not accelerate the payment of Base Rent, other than as provided in Section 16.2 (d). Notwithstanding the foregoing, to the extent the Lessor seeks damages, the Lessor shall only be able to seek from the Lessee compensatory damages, but the Lessor shall not be entitled to punitive or consequential damages.
- f) Notwithstanding the existence or adequacy of any remedy provided by law for compensatory damages, the Lessee agrees that the Lessor shall have the right of

specific performance to compel Lessee to cure any non-monetary defaults not cured within the applicable cure period.

- g) The Lessor may elect to cure any non-monetary default of the Lessee (which is not cured within the applicable cure period of Lessee and/or its Leasehold Mortgage) and, upon such cure taking place, all of the Lessor's reasonably incurred costs in connection with such cure shall become Additional Rent which shall be due and payable within thirty (30) days of written notice from Lessor to Lessee of such costs incurred by Lessor (together with providing reasonable supporting documents of such expenses). If Lessor elects to cure a non-monetary default, then Lessee shall be required to reimburse the Lessor for such Additional Rent incurred by Lessor in connection with such acts to attempt to cure within thirty (30) days of written demand, together with reasonable supporting documentation of such expenses.

The liability of Lessee for the payment of Rental and any other sums hereunder shall be expressly subject to the further limitations and provisions of this Article XVI and Section 17.23 hereunder.

Pursuant to any one or more of the foregoing remedies shall not preclude the simultaneous or subsequent pursuit of any other remedy provided herein or any other remedy provided by law or in equity, nor shall the pursuit of any one or more remedies constitute a forfeiture or waiver of any rent or other amount payable by lessee hereunder or of any damages accruing to or suffered by Lessor by reason of any event of default.

ARTICLE XVII.

MISCELLANEOUS

It is intended that the rent provided for in this Lease shall be a net return to Lessor as provided herein, free of any expenses or charges with respect to the Demised Premises, including, without limitation, maintenance, repairs, insurance, replacement, taxes and assessments, and this Lease shall be construed in accordance with and to effectuate this intention.

Section 17.5. Estoppel Certificates. Both parties hereto agree that from time to time, on thirty (30) days prior written request, the non-requesting party will deliver to the requesting party a statement in writing certifying:

- b) the dates to which rent and other charges have been paid;
- c) that the requesting party is not in default under any monetary obligation or other material term or provision of this Lease, and if in default the nature thereof in detail in accordance with an exhibit attached thereto;

Section 17.6. Approvals and Consents. Except as may be otherwise specifically provided herein, the following actions under this Lease shall be taken or not taken by the City Manager in the discretion of the City Manager acting reasonably:

- m) Other provisions of this Lease where the act of the City Manager is expressly applicable.

All other decisions of the Lessor not listed above, or as may be identified elsewhere herein as being made by the City Manager, shall be made by the City Commission. The City Manager shall, where the City Manager's approval or consent is to be given on behalf of the Lessor, approve, approve with stated conditions, or disapprove and specify with specificity the basis for such stated conditions or disapproval within twenty (20) days of the City Manager's receipt of a written request.

Notwithstanding anything to the contrary contained herein, Lessee acknowledges that when the Lessor acts or exercises any rights or obligations under this Lease, including without limitation the specific approval and consent rights of the Lessor set forth herein, it is doing so in its capacity as the fee owner and Lessor of the Demised Premises and not in the exercise of its municipal regulatory authority, and that the role of the Lessor as a municipality (including its regulatory and sovereign powers) is separate and distinct from the role of the Lessor as the fee owner and Lessor of the Property under this Lease.

Section 17.7. No Partnership. It is understood and agreed that in leasing and operating the Demised Premises, Lessee is acting independently and is not acting as agent, partner, joint venturer or employee of Lessor.

Section 17.8. Survival. All of the terms, provisions, conditions, agreements and covenants contained in this Lease shall survive the expiration or termination of this Lease with respect to all rights and remedies that have accrued prior to or that accrue on the expiration or termination of this Lease.

If the Lessee uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or costs arising from the use of such design, device, or materials in any way involved in the work. Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Lease are and shall remain the property of Lessor; and Lessee disclaims any copyright in such materials. In the event of and upon termination of this Lease, any reports, photographs, surveys, and other data and documents prepared by Lessee, whether finished or unfinished, shall become the property of Lessor and shall be delivered by Lessee to the Lessor's Contract Administrator within seven (7) days of termination of this Lease by either party. Any compensation due to Lessee shall be withheld until Lessee delivers all documents to the Lessor as provided herein.

Section 17.11. Public Entity Crime Act. Lessee represents that the execution of this Lease will not violate the Public Entity Crime Act, Section 287.133, Florida Statutes, as may be amended from time to time, which essentially provides that a person or affiliate who is a contractor, consultant, or other provider and who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to Lessor, may not submit a bid on a contract with Lessor for the construction or repair of a public building or public work, may not submit bids on leases of real property to Lessor, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with Lessor, and may not transact any business with Lessor in excess of the threshold amount provided in Section 287.017, Florida Statutes, as may be amended from time to time, for category two purchases for a period of 36 months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Lease and recovery of all monies paid by Lessor pursuant to this Lease, and may result in debarment from Lessor's

competitive procurement activities.

Section 17.12. Conflicts. Neither Lessee nor any of Lessee's employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with Lessee's loyal and conscientious exercise of judgment and care related to Lessee's performance under this Lease. Lessee further agrees that none of Lessee's officers or employees shall, during the term of this Lease, serve as an expert witness against Lessor in any legal or administrative proceeding in which he, she, or Lessee is not a party, unless compelled by court process. Further, Lessee agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of Lessor in connection with any such pending or threatened legal or administrative proceeding unless compelled by court process. The limitations of this section shall not preclude Lessee or any persons in any way from representing themselves, including giving expert testimony in support thereof, in any action or in any administrative or legal proceeding. In the event Lessee is permitted pursuant to this Lease to utilize subcontractors to perform any services required by this Lease, Lessee agrees to require such subcontractors, by written contract, to comply with the provisions of this section to the same extent as Lessee.

Section 17.13. Scrutinized Companies. Subject to *Odebrecht Construction, Inc., v. Prasad*, 876 F.Supp.2d 1305 (S.D. Fla. 2012), affirmed, *Odebrecht Construction, Inc., v. Secretary, Florida Department of Transportation*, 715 F.3d 1268 (11th Cir. 2013), this Section applies to any contract for goods or services of \$1 million or more: The Lessee certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in Section 287.135, Florida Statutes (2014), as may be amended or revised. The Lessor may terminate this Contract at the Lessor's option if the Lessee is found to have submitted a false certification as provided under subsection (5) of Section 287.135, Florida Statutes (2014), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or has been engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2014), as may be amended or revised.

a cost that does not exceed the cost provided in Chapter 119, Florida Statutes (2016), as may be amended or revised, or as otherwise provided by law.

- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law and as to Lessee for the duration of the Lease and as to Lessee's Contractors for the duration of the contract term and following completion of said contract if Lessee's Contractors do not transfer the records to Lessor.
- (d) Upon completion of said construction or maintenance at the Demised Premises, transfer, at no cost, to Lessor all public records in possession of Lessee or Contractor or keep and maintain public records required by Lessor to perform the service. If Lessee's Contractors transfer all public records to Lessor upon completion of the Demised Premises, Lessee and Lessee's Contractors shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Lessee or Lessee's Contractors keep and maintain public records upon completion of Demised Premises, Lessee and Lessee's Contractors shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to Lessor, upon request from Lessor's custodian of public records, in a format that is compatible with the information technology systems of Lessor.
- (e) If Lessee or any Lessee's Contractors have questions regarding the application of Chapter 119, Florida Statutes, to Lessee or Lessee's Contractors' duty to provide public records relating to its contract, contact the Lessor's custodian of public records by telephone at 954-828-5002 or by e-mail at PRRCONTRACT@FORTLAUDERDALE.GOV or by mail at 100 North Andrews Avenue, Fort Lauderdale, FL 33301 Attention: Custodian of Public Records.

Section 17.16. Captions. The captions or headings of paragraphs in this Lease are inserted for convenience only, and shall not be considered in construing the provisions hereof if any question of intent should arise.

Section 17.17. Successors. The terms, conditions and covenants contained in this Lease shall apply to, inure to the benefit of, and be binding upon the parties hereto and their respective successors in interest, and successor trustees, heirs, executors, administrators and legal representatives. All rights, powers, privileges, immunities and duties of either party under this Lease, including, but not limited to, any notices required or permitted to be delivered by either party hereunder, may, at such party's option, be exercised or performed by such party's agent or attorney.

Section 17.18. Severability. If any provision herein is held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Lease shall not be affected

thereby.

Section 17.20. Fees or Commissions. Each party hereby represents and warrants to the other, that it has neither contacted nor entered into an agreement with any real estate broker, agent, finder, or any other party in connection with this transaction, or taken any action that would result in any real estate broker's, finder's, or other fees or commissions being due or payable to any other party with respect to the transaction contemplated by this Lease except that Lessee will pay CBRE, Inc. all commissions owed with respect to the transaction contemplated by this Lease in

accordance with a separate agreement by and between Lessee and CBRE, Inc. and provide proof of same prior to taking possession of the Demised Premises. Each party hereby indemnifies and agrees to hold the other party harmless from any loss, liability, damage, cost, or expense (including reasonable attorney's fees) resulting to the other party from a breach of the representation made by the indemnifying party in this Section 17.20.

Section 17.21. Counterparts. This Lease may be executed in multiple counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same instrument.

Section 17.22. Actions for Nonpayment of Rent and Other Charges. Lessee shall not for any reason withhold or reduce Lessee's required payments of rentals and other charges provided in this Lease, it being agreed that the obligations of Lessor hereunder are independent of Lessee's obligations, except as may be otherwise expressly provided.

Section 17.23. Limitation of Liability. Nothing herein shall be construed as waiver of sovereignty immunity in favor of Lessor, but it is acknowledged by Lessor that it will not have the protections of sovereign immunity in the event that Lessee brings a breach of contract claim arising out of an expressly stated representation or obligation of Lessor under this Lease. Lessor (and Lessor's officials, directors, constitutional officers and employees, and all of their officers, directors, and employees) shall not be personally liable for recover of any judgments. The limitation of liability contained in this Section 17.23 shall apply equally and inure to the benefit of Lessor, it's their officials, constitutional officers, directors and employees and, successors, and assigns.

Section 17.24. Force Majeure. Whenever a period of time is herein prescribed for action to be taken by Lessor, Lessor shall not be liable or responsible for, and there shall be excluded from the computation of any such period of time, any delays due to strikes, riots, acts of God, shortages of labor or materials, war, governmental laws, regulations or restrictions or any other Unavoidable Delays.

Section 17.25. Short Form Lease. The parties agree not to place this Lease or record, but each party shall, at the request of the other, execute and acknowledge so that the same may be recorded a short form lease or memorandum of lease, stating that Lessee has accepted possession of the Demised Premises, indicating the lease term and any options to extend such term, but omitting rent and other terms, and an agreement specifying the date of commencement and termination of the lease term; provided, however, that the failure to record said short form lease, memorandum of lease or agreement shall not affect or impair the validity and effectiveness of this Lease. Lessee shall pay all costs, taxes, fees and other expenses in connection with or prerequisite to recording.

Section 17.26. Governing Law; Provisions Severable. The laws of the State in which the Demised Premises are situated shall govern the interpretation, validity, performance and enforcement of this Lease. If any provision of this Lease should be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Lease shall not be affected thereby. Venue for any lawsuit by either party against the other party or otherwise arising

out of this Lease, and for any other legal proceeding, shall be in the Seventeenth Judicial Circuit in and for Broward County, Florida, or in the event of federal jurisdiction, in the Southern District of Florida, Fort Lauderdale Division.

Section 17.27. Interest on Late Payments. In the event any installment of Base Annual Rental, percentage rental or any other sum payable by Lessee to Lessor under the provisions of this Lease is not received by Lessor from Lessee within five (5) days of the date it is due and payable, Lessee shall pay to Lessor an additional sum (Late Charge) equal to five percent (5%) of the amount due. Furthermore, in the event any installment of Base Annual Rental, percentage rental or any other sum payable by Lessee is not received within ten (10) days after its due date for any reason whatsoever, it is agreed that the amount thus due shall bear interest at a rate of twelve percent (12%) per annum, such interest to accrue continuously on any unpaid balance due to Lessor by Lessee during the period commencing with the aforesaid due date and terminating with the date on which Lessee makes full payment of such amounts to Lessor. Any such interest shall be payable as additional rent hereunder, shall not be considered as a deduction from percentage rental, and shall be payable immediately on demand. In addition to any other charges permitted herein, if Lessee makes a payment to Lessor by check and said check is returned to Lessor by Lessee's bank marked NSF (Not Sufficient Funds), "Account Closed" or is dishonored for some similar reason, then an additional charge of \$25.00 per check shall be paid by Lessee to Lessor.

Section 17.28. AS IS/No Warranties/Covenants of Performance. It is expressly stipulated and agreed that the Demised Premises shall be leased "AS IS," in its present condition, and with all faults and defects, whether known or unknown to either Lessee or Lessor, or both. Lessee acknowledges that its decision to lease the Premises is based solely upon Lessee's comprehensive inspection of the Premises and not upon any warranty or representation of Lessor, or of Lessor's employees, agents, or representatives, with regard thereto. It is expressly stipulated and agreed that none of the obligations to be undertaken hereunder by Lessor shall constitute any form of a warranty, express or implied, all such obligations being contractual covenants of performance. Without limiting the generality of the foregoing, THERE IS NO WARRANTY, EXPRESS OR IMPLIED, OF SUITABILITY, MERCHANTABILITY, HABITABILITY, and OR FITNESS FOR ANY PARTICULAR PURPOSE GIVEN IN CONNECTION WITH THIS LEASE. The parties agree that the herein provision disclaiming warranties, express and implied, and the provisions hereof under which Lessee assumes responsibility for repairs under Section 12.1 hereof, are provisions bargained for by the parties in entering into this Lease. The parties further agree that had warranties been undertaken by the Lessor hereunder or were the Lessor to undertake to perform repairs beyond that contemplated hereunder, the economics of this Lease would have been affected and would have required an increase in rent from that payable hereunder.

Section 17.29. Entire Agreement and Amendments. This Lease embodies the entire agreement between Lessor and Lessee and supersedes all prior agreements and understandings, whether written or oral, and all contemporaneous oral agreements and understandings relating to the subject matter hereof. Except as otherwise specifically provided herein, no agreement hereafter made shall be effective to change, modify, discharge or effect an abandonment of this Lease, in whole or in part, unless such agreement is in writing and signed by or on behalf of the

party against whom enforcement of the change, modification, discharge or abandonment is sought.

Section 17.30. Dispute Resolution. If a dispute arises with respect to this Lease, the parties to the dispute shall first attempt to resolve it through direct discussions in the spirit of mutual cooperation. If the parties' attempts to resolve their disagreements through negotiation fail, the dispute shall be mediated by a mutually acceptable third-party to be chosen by the disputing parties within thirty (30) days after written notice by one of them demanding mediation but any mediation award or order shall not be binding upon the parties unless agreed to in writing. The disputing parties shall share the costs of the mediation equally. By mutual agreement the parties may postpone mediation until each has completed some specified but limited discovery about the dispute. By mutual agreement the parties may use a nonbinding form of dispute resolution other than mediation.

Section 17.31. Waiver of Jury Trial. LESSOR AND LESSEE WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THEM AGAINST THE OTHER ON ALL MATTERS ARISING OUT OF THIS LEASE, OR CONSTRUCTION OF THE IMPROVEMENTS OR THE USE AND OCCUPANCY OF THE DEMISED PREMISES OR THE MAINTENANCE THEREOF.

Section 17.32. Bankruptcy or Insolvency. Lessor and Lessee agree that if Lessee becomes the subject of a bankruptcy proceeding under the Federal Bankruptcy Laws, as now enacted or hereinafter amended, then "adequate protection" of Lessor's interest in the Premises pursuant to the provisions of Sections 361 and 363 (or their successor sections of the Bankruptcy Code, 11 U.S.C. §101, et seq.) prior to the assumption and/or assignment of this Lease by Lessee shall include, but not be limited to all (or any part) of the following:

- (1) The continued payment by Lessee of all rent and other sums due and owing under this Lease; the performance of all other covenants and obligations under this Lease by Lessee;
- (2) The hiring of security guards to protect the Premises if Lessee abandons and/or ceases operations; such obligation of Lessee only to be effective so long as Lessee remains in possession and control of the Premises to the exclusion of Lessor.
- (3) The furnishing of a security deposit by Lessee in the amount of three times the then-current monthly Base Annual Rental payable hereunder.

Section 17.33. No Merger of Title. Except upon expiration of the term of this Lease or upon termination of this Lease pursuant to express right to do so set forth herein, there shall be no merger of this Lease nor of the leasehold estate created by this Lease with the fee estate in the Demised Premises or any part thereof by reason of the fact that the same person may acquire or own or hold, directly or indirectly, (a) this Lease or the leasehold estate created by this Lease or any interest in this Lease or in any such leasehold estate (including the Building Improvements or any other Improvements hereafter situated upon the Demised Premises), and (b) the fee estate in the Demised Premises or any part thereof or any interest in such fee estate (including the reversionary interest in the Building Improvements or any other Improvement hereafter situated

upon the Demised Premises), unless and until all person having any interest in (i) this Lease or the leasehold estate created by this Lease, and (ii) the fee estate in the Demised Premises or any part thereof, shall join in a written instrument effecting such merger and shall duly record the same.

Section 17.34. Radon. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of Radon that exceed Federal and State guidelines have been found in buildings in Florida. Additional information regarding Radon and Radon testing may be obtained from your county public health unit.

Section 17.35. Representations. As a material inducement to Lessor entering into this Lease, Lessee hereby covenants, represents and warrants to Lessor as follows:

- (a) **Power and Authority.** Lessee has the full power and authority to make, deliver, enter into and perform pursuant to the terms and conditions of this Lease, and has taken all necessary action or its equivalent, to authorize the execution, delivery and performance of the terms and conditions of this Lease.
- (b) **Good Standing.** Lessee is duly organized, validly existing and in good standing under the laws of the State of Delaware and is authorized to transact business in the State of Florida.

- (d) **Financial Capacity.** Lessee has adequate financial resources and capacity to construct and complete the Initial Improvements and operate the Demised Premises, including the marina, and shall provide reasonable written assurance upon request from the City Manager or City Auditor (as defined in the City Charter) but no sooner than sixty (60) days prior to commencement of construction of the Initial Improvements.

Section 17.36. No Waiver of Sovereign Immunity. Nothing contained in this Lease is intended to serve as a waiver of sovereign immunity in favor of the City whether at common law or pursuant to F.S. Section 768.28 (2016), but it is acknowledged by Lessor that it will not have the protections of sovereign immunity in the event that Lessee brings a breach of contract claim arising out of the terms and conditions of this Lease.

Section 17.37. Inspection. The Lessor or its Authorized Representative shall have the right to enter the Demised Premises and the buildings, marina slips, restaurants and improvements constructed thereon, at all reasonable hours and reasonable frequency for the purpose of inspecting the same, or for any other purposes not inconsistent with the terms or spirit of this Lease, provided such inspection shall be performed in a manner to minimize disruption to any business being conducted upon the Demised Premises. Lessor will restore any damage caused to the Demised Premises in connection with its inspections and the Lessor shall provide Lessee reasonable advance notice in order to coordinate such access with operations to be conducted upon the Demised Premises.

Section 17.38. Incorporation. This Lease which comprises the entire Agreement between the Lessor and Lessee supersede any prior negotiations, representations or agreements and consist of the following:

In the event of any conflict between the documents or any ambiguity, the following priority is established:

- (a) This Lease and any amendments thereto;
