APPROACH/EXECUTIVE LETTER

Thank you for the opportunity to bid with the City of Fort Lauderdale.

We have created a Program that we feel best achieves the objectives of the Bid, that gives you the most coverage for the cost and makes the City of Fort Lauderdale shine bright for the Holidays! The lighting and displays used for this program are geared for everyone to enjoy, from the youngest of toddlers to the wisest of our elders. We will make all the Parks and Buildings have their own special display to be seen by all.

Coming from Federal Hwy travelling west on NE 6th St to Sistrunk Blvd your eyes will be drawn down the street as the light poles creates a captivating view with the greenery decorated in the vibrant City colors and capture the Holiday feeling with two snowbursts at the top of each pole.

Along the way, as you pass Peter Feldman Park, you will see a beautifully illuminated walkthrough ornament and a 16' LED lit Christmas Tree beautiful decorated.

As you keep traveling west, you'll pass by the raised flag area at Sistrunk Park and see two towering Toy Soldiers guarding the flags. On the West side of Sistrunk Park there will be a 20' LED lit Christmas Tree decorated in Red, Blue and Gold representing the colors of the City. As you continue the drive along Sistrunk Blvd the center median Palm trees will be illuminated in pure white lights with bursts of multi-colored lights in the fronds.

Looking to the left you will see The Pharmacy lit up along the roofline and within the architectural wood boxes. As we arrive to the CRA building we will have LED lit garlands and wreaths in the front of the Building, as well as perimeter lighting within along the architectural wood box creating a fresh new look during the Holiday Season. Across the street you will see the roofline of the Allen Community Center illuminated and heading west we come to the NAACP Building which will also have an illuminated roofline as well as a LED lit and decorated wreath.

All aboard, next stop Providence Park, here we have installed a 12' LED lit Christmas Tree decorated in the City colors, and look who came to get their picture taken with you, the Candy Cane's family; meet Joe, Mo, Lizzy and Jr.

Last stop on this ride is Lincoln Park, where Santa is watching if you have been naughty or nice, and while you are there don't forget to say hi to Santa's Polar Bear sitting in the Park.

Whether visiting these areas as a local or a tourist, this Holiday Program is sure to be a fun experience and enjoyed by all. We at Christmas Designers are very excited to have the opportunity to work with the City of Fort Lauderdale and provide a program like no other.
