**CITY OF FORT LAUDERDALE  
City Commission Agenda Memo  
REGULAR MEETING**

**#25-0161**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Susan Grant, Acting City Manager

**DATE:** March 4, 2025

**TITLE:** Motion Approving Agreement for an Open Spaces Coordinator - A & R  
Enterprises of So. FL Inc. d/b/a rAv Communications - \$115,000 -  
(Commission Districts 1 and 2)

---

**Recommendation**

Staff recommends the City Commission approve an agreement, in substantially the form attached, for the services of an Open Spaces Coordinator from A & R Enterprises of So. FL Inc. d/b/a rAv Communications, and authorize the City Manager to execute it for an initial one (1)-year contract term in the amount of \$115,000, and to exercise the three (3) additional one (1)-year renewal options for an estimated annual renewal amount of \$115,000 for a potential total contract amount of \$460,000, contingent upon the appropriation of funds.

**Background**

The City of Fort Lauderdale Parks and Recreation Department requested to acquire services to provide activation, management and staffing for three open space areas on the barrier island, located at Las Olas Oceanside Park and the Intracoastal promenade south of the Las Olas Bridge. In addition, the awardee will oversee activation, management and staffing to the North Beach Restaurants and Shoppes area. The premise is to provide additional recreational opportunities that highlight and expand upon the new existing amenities on Fort Lauderdale Beach. Anticipated programming options will include health and wellness opportunities, musical concerts, family activities and special events throughout the year.

On October 14, 2024, the Procurement Services Division issued a Request for Proposals (RFP) Event No. 368 for an Open Spaces Coordinator to provide management, coordination, and staffing to support the City's Parks and Recreation Department in activating open space areas. The target areas include:

- Las Olas Oceanside Park
- Galt Plaza/North Beach Restaurants and Shoppes
- Intracoastal Promenade (south of Las Olas Bridge)

A total of four (4) firms submitted proposals for this service. None of the firms listed their status as a Disadvantaged Business Enterprise (DBE).

1. A & R Enterprises of So. FL Inc. d/b/a rAv Communications
2. Beachside Events
3. Code RED Event
4. HZIP LLC

HZIP LLC was unable to honor the proposal price submitted and as such was deemed non-responsive.

On January 6, 2025, the Evaluation Committee (Committee) met to evaluate and score each proposal based on the criteria established in the RFP. The firms were ranked based on the evaluation criteria shown in the table below:

After discussion and consideration, the Committee recommended A & R Enterprises of So. FL Inc. d/b/a rAv Communications for award consideration.

## SERVICE AGREEMENT FOR OPEN SPACES COORDINATOR

THIS SERVICE AGREEMENT for an Open Spaces Coordinator ("Agreement"), is made this 11<sup>th</sup> day of MARCH, 2025 ("Effective Date"), by and between the **City of Fort Lauderdale**, a Florida municipality ("City"), with its principal address located at 101 NE 3<sup>rd</sup> Avenue, Suite 2100, Fort Lauderdale, Florida 33301 and **A & R Enterprises of So. FL Inc. d/b/a rAv Communications**, a Florida profit corporation ("Contractor") with its principal address located at 612 Southwest 13<sup>th</sup> Avenue, Fort Lauderdale, Florida 33312; Email: ari@ravcommunications.com; Phone: (954) 205-8754, (collectively, "Parties").

NOW THEREFORE, for and in consideration of the mutual promises and covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the Contractor covenant and agree as follows:

### WITNESSETH:

#### I. DOCUMENTS

The following documents (collectively "Contract Documents") are hereby incorporated into and made part of this Agreement:

- (1) Request for Proposals Event No. 368 - Open Spaces Coordinator, including any and all exhibits and addenda prepared by the City of Fort Lauderdale, ("RFP" or "Exhibit A").
- (2) The Contractor's response to the RFP, dated November 13, 2024, ("Exhibit B"), except that any language contained in Exhibit B suggesting that any part of Exhibit B is confidential is deleted by this reference.

All Contract Documents may also be collectively referred to as the "Documents." In the event of any conflict between or among the Documents or any ambiguity or missing specifications or instruction, the following priority is established:

- A. First, this Agreement dated March 11<sup>th</sup>, 2025 and any attachments.
- B. Second, Exhibit A.
- C. Third, Exhibit B.

#### II. SCOPE

The Contractor is retained as an open spaces coordinator to provide management, coordination, and staffing services that will further the City's Parks and Recreation Departments goal to activate open space areas on the City's Barrier Island and, more specifically, in the areas located at Las Olas Oceanside Park, Galt

Plaza/North Beach Restaurants and Shoppes (NE 32<sup>nd</sup> and 33<sup>rd</sup> Avenues), and Intracoastal Promenade (south of the Las Olas Bridge), in accordance with the terms, conditions, and specifications in the RFP (the "Work"). The Contractor shall perform the Work under the general direction of the City as set forth in the Contract Documents.

Unless otherwise specified herein, the Contractor shall perform all Work identified in this Agreement. The Parties agree that the scope of services is a description of Contractor's obligations and responsibilities, and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by Contractor impractical, illogical, or unconscionable.

Contractor acknowledges and agrees that the City's Contract Administrator has no authority to make changes that would increase, decrease, or otherwise modify the Scope of Services to be provided under this Agreement. Any change orders to the Scope of Services or amendments to the Contract Documents must be authorized by the City Manager, or designee, and approved by the City Commission whenever required in compliance with the Charter and Code of Ordinances for the City of Fort Lauderdale.

By signing this Agreement, the Contractor represents that it has thoroughly reviewed the documents incorporated into this Agreement by reference and that it accepts the description of the work and the conditions under which the Work is to be performed.

### **III. TERM OF AGREEMENT**

The initial term of this Agreement shall be for a period of one (1) consecutive year which shall commence on March 4, 2025, and shall terminate on March 3, 2026. The City reserves the right to extend this Agreement for three (3) additional one (1)-year terms, provided all terms, conditions and specifications contained herein remain the same, and the extension is mutually agreed to in writing and signed by both Parties. In the event the term of this Agreement extends beyond the end of any fiscal year of City, to wit, September 30th, the continuation of this Agreement beyond the end of the City's fiscal year shall be subject to and conditioned upon both the appropriation and the availability of funds.

### **IV. COMPENSATION**

The Contractor agrees to provide the services and/or materials as specified in the Contract Documents at the cost specified in Exhibit B. It is acknowledged and agreed by Contractor that this amount is the maximum payable and constitutes a limitation upon City's obligation to compensate Contractor for Contractor's services related to this Agreement. This maximum amount, however, does not constitute a limitation of any sort upon Contractor's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Services. Except as otherwise provided in the solicitation, no amount shall be paid to

Contractor to reimburse Contractor's expenses.

## **V. METHOD OF BILLING AND PAYMENT**

Contractor may submit proper invoices for compensation no more often than monthly, but only after the services for which the invoices are submitted have been completed. An original invoice plus one copy are due within fifteen (15) days of the end of the month. Invoices shall designate the nature of the services performed and/or the goods provided.

City shall pay Contractor within forty-five (45) days of receipt of Contractor's proper invoice, as provided in the Florida Local Government Prompt Payment Act, as may be amended from time to time.

To be deemed proper, all invoices must comply with the requirements set forth in this Agreement and must be submitted on the form and pursuant to instructions prescribed by the City's Contract Administrator. Payment may be withheld for failure of Contractor to comply with a term, condition, or requirement of this Agreement.

Notwithstanding any provision of this Agreement to the contrary, City may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work that has not been remedied or resolved in a manner satisfactory to the City's Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by City.

## **VI. GENERAL CONDITIONS**

### **A. Indemnification**

Contractor shall protect and defend at Contractor's expense, counsel being subject to the City's approval, and indemnify and hold harmless the City and the City's representatives, employees, volunteers, elected and appointed officials, and agents from and against any and all losses, penalties, fines, damages, settlements, judgments, claims, costs, charges, expenses, or liabilities, including any award of attorney fees and any award of costs, in connection with or arising directly or indirectly out of any act or omission by the Contractor or by any officer, employee, agent, invitee, subcontractor, or sublicensee of the Contractor. The provisions and obligations of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by the City Manager, any sums due Contractor under this Agreement may be retained by City until all of City's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved, and any amount withheld shall not be subject to payment of interest by City.

### **B. Intellectual Property**

Contractor shall protect and defend at Contractor's expense, counsel being subject to the City's approval, and indemnify and hold harmless the City from and against any and all losses, penalties, fines, damages, settlements, judgments, claims, costs, charges, royalties, expenses, or liabilities, including any award of attorney fees and any award of costs, in connection with or arising directly or indirectly out of any infringement or allegation of infringement of any patent, copyright, or other intellectual property right in connection with the Contractor's or the City's use of any copyrighted, patented or un-patented invention, process, article, material, or device that is manufactured, provided, or used pursuant to this Agreement. If the Contractor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or costs arising from the use of such design, device, or materials in any way involved in the work.

#### **C. Termination for Cause**

The aggrieved party may terminate this Agreement for cause if the party in breach has not corrected the breach within ten (10) days after written notice from the aggrieved party identifying the breach. The City Manager may also terminate this Agreement upon such notice as the City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The Parties agree that if the City erroneously, improperly, or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to perform the work to the City's satisfaction; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement.

#### **D. Termination for Convenience**

The City reserves the right, in its best interest as determined by the City, to cancel this Agreement for convenience by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. In the event this Agreement is terminated for convenience, Contractor shall be paid for any services performed to the City's satisfaction pursuant to the Agreement through the termination date specified in the written notice of termination. Contractor acknowledges and agrees that he/she/it has received good, valuable, and sufficient consideration from City, the receipt and adequacy of which are hereby acknowledged by Contractor, for City's right to terminate this Agreement for convenience.

#### **E. Cancellation for Unappropriated Funds**

The City reserves the right, in its best interest as determined by the City, to cancel this Agreement for unappropriated funds or unavailability of funds by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the Agreement into a subsequent fiscal period is subject to appropriation of funds, unless otherwise provided by law.

#### **F. Insurance**

As a condition precedent to the effectiveness of this Agreement, during the term of this Agreement and during any renewal or extension term of this Agreement, Contractor shall, at its sole expense, provide insurance of such types and with such terms and limits as noted below. Providing proof of and maintaining adequate insurance coverage are material obligations of Contractor. Contractor shall provide the City a certificate of insurance evidencing such coverage. Contractor's insurance coverage shall be primary insurance for all applicable policies, in respect to the City's interests. All insurance policies shall be through insurers authorized or eligible to write policies in the State of Florida and possess an A.M. Best rating of A-, VII or better, subject to approval by the City's Risk Manager.

The coverages, limits, and/or endorsements required herein protect the interests of the City, and these coverages, limits, and/or endorsements shall in no way be relied upon by Contractor for assessing the extent or determining appropriate types and limits of coverage to protect Contractor against any loss exposures, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the City's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by Contractor under this Agreement.

In addition, Contractor must provide to the City confirmation of coverage renewal via an updated certificate of insurance should any policies expire prior to the expiration of this Agreement. The City reserves the right to review, at any time, coverage forms and limits of Contractor's insurance policies.

Contractor shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement to Contractor's insurance company or companies and the City's Risk Management office as soon as practical.

It is Contractor's responsibility to ensure that any and all of Contractor's independent contractors and subcontractors comply with these insurance requirements. All coverages for independent contractors and subcontractors shall be subject to all of the applicable requirements stated herein. Any and all deficiencies are the responsibility of Contractor. The City reserves the right to adjust insurance limits from time to time at its discretion with notice to Contractor.

Contractor shall comply, and shall secure compliance by its employees, agents, and subcontractors, with all applicable environmental, health, safety and security laws and regulations, and performance conditions in this Agreement. Compliance with such requirements shall represent the minimum standard required of Contractor. Contractor shall be responsible for examining all requirements and determine whether additional or more stringent environmental, health, safety and security provisions are required for the Work. Contractor agrees to utilize protective devices as required by applicable laws, regulations, and any industry or Contractor's health and safety plans and regulations, and to pay the costs and expenses thereof, and warrants that all such persons shall be fit and qualified to carry out the Work.

#### **H. Standard of Care**

Contractor represents that it is qualified to perform the Work, that Contractor

and subcontractors possess current, valid state and/or local licenses to perform the Work, and that their services shall be performed in a manner consistent with that level of care and skill ordinarily exercised by other qualified contractors under similar circumstances.

**I. Rights in Documents and Work**

Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the property of City; and Contractor disclaims any copyright in such materials. In the event of and upon termination of this Agreement, any reports, photographs, surveys, and other data and documents prepared by Contractor, whether finished or unfinished, shall become the property of City and shall be delivered by Contractor to the City's Contract Administrator within seven (7) days of termination of this Agreement by either Party. Any compensation due to Contractor shall be withheld until Contractor delivers all documents to the City as provided herein.

**J. Audit Right and Retention of Records**

City shall have the right to audit the books, records, and accounts of Contractor and Contractor's subcontractors that are related to this Agreement. Contractor shall keep, and Contractor shall cause Contractor's subcontractors to keep, such books, records, and accounts as may be necessary in order to record complete and correct entries related to this Agreement. All books, records, and accounts of Contractor and Contractor's subcontractors shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, Contractor or Contractor's subcontractor, as applicable, shall make same available at no cost to City in written form.

Contractor and Contractor's subcontractors shall preserve and make available, at reasonable times for examination and audit by City in Broward County, Florida, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida public records law, Chapter 119, Florida Statutes (2024), as may be amended from time to time, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida public records law is determined by City to be applicable to Contractor and Contractor's subcontractors' records, Contractor and Contractor's subcontractors shall comply with all requirements thereof; however, Contractor and Contractor's subcontractors shall violate no confidentiality or non-disclosure requirement of either federal or state law. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for City's disallowance and recovery of any payment upon such entry.

Contractor shall, by written contract, require Contractor's subcontractors to agree to the requirements and obligations of this Section.

The Contractor shall maintain during the term of the Agreement all books of account, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this Agreement.

**K. Public Entity Crime Act**

Contractor represents that the execution of this Agreement will not violate the Public Entity Crime Act, Section 287.133, Florida Statutes (2024), as may be amended from time to time, which essentially provides that a person or affiliate who is a contractor, consultant, or other provider and who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to City, may not submit a bid on a contract with City for the construction or repair of a public building or public work, may not submit bids on leases of real property to City, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under an Agreement with City, and may not transact any business with City in excess of the threshold amount provided in Section 287.017, Florida Statutes (2024), as may be amended from time to time, for category two purchases for a period of 36 months from the date of being placed on the convicted vendor list. Violation of this Section shall result in termination of this Agreement and recovery of all monies paid by City pursuant to this Agreement and may result in debarment from City's competitive procurement activities.

**L. Independent Contractor**

Contractor is an independent contractor under this Agreement. Services provided by Contractor pursuant to this Agreement shall be subject to the supervision of the Contractor. In providing such services, neither Contractor nor Contractor's agents shall act as officers, employees, or agents of City. No partnership, joint venture, or other joint relationship is created hereby. City does not extend to Contractor or Contractor's agents any authority of any kind to bind City in any respect whatsoever.

**M. Inspection and Non-Waiver**

Contractor shall permit the representatives of City to inspect and observe the Work at all times.

The failure of the City to insist upon strict performance of any other terms of this Agreement or to exercise any rights conferred by this Agreement shall not be construed by Contractor as a waiver of the City's right to assert or rely on any such terms or rights on any future occasion or as a waiver of any other terms or rights.

#### **N. Assignment and Performance**

Neither this Agreement nor any right or interest herein shall be assigned, transferred, or encumbered without the written consent of the other Party. In addition, Contractor shall not subcontract any portion of the work required by this Agreement, except as provided in the Schedule of Subcontractor Participation. City may terminate this Agreement, effective immediately, if there is any assignment, or attempted assignment, transfer, or encumbrance, by Contractor of this Agreement or any right or interest herein without City's prior written consent.

Contractor represents that each person who will render services pursuant to this Agreement is duly qualified to perform such services by all appropriate governmental authorities, where required, and that each such person is reasonably experienced and skilled in the area(s) for which he or she will render his or her services.

Contractor shall perform Contractor's duties, obligations, and services under this Agreement in a skillful and respectable manner. The quality of Contractor's performance and all interim and final product(s) provided to or on behalf of City shall be comparable to the best local and national standards.

In the event Contractor engages any subcontractor in the performance of this Agreement, Contractor shall ensure that all of Contractor's subcontractors perform in accordance with the terms and conditions of this Agreement. Contractor shall be fully responsible for all of Contractor's subcontractors' performance, and liable for any of Contractor's subcontractors' non-performance and all of Contractor's subcontractors' acts and omissions. Contractor shall defend at Contractor's expense, counsel being subject to City's approval or disapproval, and indemnify and hold City and City's officers, employees, and agents harmless from and against any claim, lawsuit, third party action, fine, penalty, settlement, or judgment, including any award of attorney fees and any award of costs, by or in favor of any of Contractor's subcontractors for payment for work performed for City by any of such subcontractors, and from and against any claim, lawsuit, third party action, fine, penalty, settlement, or judgment, including any award of attorney fees and any award of costs, occasioned by or arising out of any act or omission by any of Contractor's subcontractors or by any of Contractor's subcontractors' officers, agents, or employees. Contractor's use of subcontractors in connection with this Agreement shall be subject to City's prior written approval, which approval City may revoke at any time.

#### **O. Conflicts**

Neither Contractor nor any of Contractor's employees shall have or hold any continuing or frequently recurring employment or contractual relationship

that is substantially antagonistic or incompatible with Contractor's loyal and conscientious exercise of judgment and care related to Contractor's performance under this Agreement.

Contractor further agrees that none of Contractor's officers or employees shall, during the term of this Agreement, serve as an expert witness against City in any legal or administrative proceeding in which he, she, or Contractor is not a party, unless compelled by court process. Further, Contractor agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of City in connection with any such pending or threatened legal or administrative proceeding unless compelled by court process. The limitations of this section shall not preclude Contractor or any persons in any way from representing themselves, including giving expert testimony in support thereof, in any action or in any administrative or legal proceeding.

In the event Contractor is permitted pursuant to this Agreement to utilize subcontractors to perform any services required by this Agreement, Contractor agrees to require such subcontractors, by written contract, to comply with the provisions of this Section to the same extent as Contractor.

**P. Schedule and Delays**

Time is of the essence in this Agreement. By signing, Contractor affirms that it believes the schedule to be reasonable; provided, however, the Parties acknowledge that the schedule might be modified as the City directs.

**Q. Materiality and Waiver of Breach**

City and Contractor agree that each requirement, duty, and obligation set forth herein was bargained for at arm's-length and is agreed to by the Parties in exchange for *quid pro quo*, that each is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof.

City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

**R. Compliance With Laws**

Contractor shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing Contractor's duties, responsibilities, and obligations pursuant to this Agreement.

**S. Severance**

In the event a portion of this Agreement is found by a court of competent

jurisdiction to be invalid or unenforceable, the provisions not having been found by a court of competent jurisdiction to be invalid or unenforceable shall continue to be effective.

**T. Limitation of Liability**

The City desires to enter into this Agreement only if in so doing the City can place a limit on the City's liability for any cause of action for money damages due to an alleged breach by the City of this Agreement, so that its liability for any such breach never exceeds the sum of \$1,000. Contractor hereby expresses its willingness to enter into this Agreement with Contractor's recovery from the City for any damage action for breach of contract or for any action or claim arising from this Agreement to be limited to a maximum amount of \$1,000 less the amount of all funds actually paid by the City to Contractor pursuant to this Agreement.

Accordingly, and notwithstanding any other term or condition of this Agreement, Contractor hereby agrees that the City shall not be liable to Contractor for damages in an amount in excess of \$1,000 which amount shall be reduced by the amount actually paid by the City to Contractor pursuant to this Agreement, for any action for breach of contract or for any action or claim arising out of this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon City's liability as set forth in Section 768.28, Florida Statutes (2024), as may be amended or revised.

**U. Jurisdiction, Venue, Waiver, Waiver of Jury Trial**

The Agreement shall be interpreted and construed in accordance with, and governed by, the laws of the state of Florida. The Parties agree that the exclusive venue for any lawsuit arising from, related to, or in connection with this Agreement shall be in the state courts of the Seventeenth Judicial Circuit in and for Broward County, Florida. If any claims arising from, related to, or in connection with this Agreement must be litigated in federal court, the Parties agree that the exclusive venue for any such lawsuit shall be in the United States District Court or United States Bankruptcy Court for the Southern District of Florida. **BY ENTERING INTO THIS AGREEMENT, THE PARTIES HEREBY EXPRESSLY WAIVE ANY AND ALL RIGHTS EITHER PARTY MIGHT HAVE TO A TRIAL BY JURY OF ANY ISSUES RELATED TO THIS AGREEMENT. IF A PARTY FAILS TO WITHDRAW A REQUEST FOR A JURY TRIAL IN A LAWSUIT ARISING OUT OF THIS AGREEMENT AFTER WRITTEN NOTICE BY THE OTHER PARTY OF VIOLATION OF THIS SECTION, THE PARTY MAKING THE REQUEST FOR JURY TRIAL SHALL BE LIABLE FOR THE REASONABLE ATTORNEYS' FEES AND COSTS OF THE OTHER PARTY IN CONTESTING THE REQUEST FOR JURY TRIAL, AND SUCH AMOUNTS SHALL BE AWARDED BY THE COURT IN ADJUDICATING THE MOTION.**

**V. Amendments**

No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the City's Mayor and/or City Manager, as determined by the City Charter and Ordinances of the City of Fort Lauderdale, Florida, and Contractor, or others delegated authority to or otherwise authorized to execute same on their behalf.

**W. Prior Agreements**

This document represents the final and complete understanding of the Parties and incorporates or supersedes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein. The Parties agree that there is no commitment, agreement, or understanding concerning the subject matter of this Agreement that is not contained in this written document. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representation or agreement, whether oral or written.

**X. Payable Interest**

Except as required and provided for by the Florida Local Government Prompt Payment Act, City shall not be liable for interest for any reason, whether as prejudgment interest or for any other purpose, and in furtherance thereof Contractor waives, rejects, disclaims and surrenders any and all entitlement it has or may have to receive interest in connection with a dispute or claim based on or related to this Agreement.

**Y. Representation of Authority**

Each individual executing this Agreement on behalf of a party hereto hereby represents and warrants that he or she is, on the date he or she signs this Agreement, duly authorized by all necessary and appropriate action to execute this Agreement on behalf of such party and does so with full legal authority.

**Z. Uncontrollable Circumstances ("Force Majeure")**

The City and Contractor will be excused from the performance of their respective obligations under this Agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or

shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

1. The non-performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

2. The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;

3. No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

4. The non-performing party uses its best efforts to remedy its inability to perform. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of two (2) months, provided that in extenuating circumstances, the City may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the Agreement shall be extended by a period equal to that during which either Party's performance is suspended under this Section.

**Answer:** No, the vendor is responsible for programming and activating the spaces, which includes hosting their own events and overseeing City-approved events, as well as managing all aspects of event production, coordination, and execution.

No, the proposal should only reflect the management fee. The vendor covers all event related costs and can retain any revenue (e.g., vendor fees, sponsorships).

#### 4.2.2 EXECUTIVE SUMMARY

A&R Enterprises of South Florida, Inc., [FEIN 02-0637901], is a Florida-registered, Fort Lauderdale-based consultancy specializing in brand development, destination marketing, and public space programming. For the past four years, as the Fort Lauderdale Beach Open Space Coordinator, we have transformed Las Olas Oceanside Park into a vibrant community hub, bringing together residents, visitors, and local businesses to fulfill Fort Lauderdale's vision of a thriving, inclusive city.

Our executive team is led by president and founder Arianne Glassman, with senior officers Malcolm Mayo and Jenna Wieland overseeing all aspects of programming, marketing, and community engagement across designated open spaces. In addition to our core team, we collaborate with a trusted network of subcontractors specializing in PR, digital media, and event services, enabling us to deliver high-impact programming that emphasizes community connection and quality.

Aligned with the City's objectives, our proposal offers a strategic approach to creating and promoting diverse, accessible events on Fort Lauderdale's Barrier Island at Las Olas Oceanside and Intracoastal Parks, as well as in the Galt / North Beach district. Through partnerships with the City, Broward County, and local businesses, we plan to expand event offerings, secure sponsorships, and enhance marketing efforts to maximize public engagement and visibility. Our success at Las Olas Oceanside Park has positioned it as a landmark venue, and we are excited to bring the same energy and expertise to the Galt / North Beach district, establishing it as another vibrant community destination.

Beyond event planning, we are committed to achieving the operational goals of this role—from coordinating with vendors and facilitating city site inspections to providing regular reports that track attendance, sponsorship milestones, and marketing deliverables. These measures ensure transparency, accountability, and a continued return on Fort Lauderdale's investment in its parks, reinforcing their value as essential community assets.

With a combined 40+ years of experience in hospitality, event management, and business development—primarily within Fort Lauderdale—our team is uniquely qualified to fulfill this expanded role. Jenna Wieland's eight years in hospitality, Malcolm Mayo's nine years in event management, Arianne Glassman's 23 years as a business owner, and her 35 years of local industry involvement provide invaluable perspectives for this project. As a voting member of the Chamber's Beach Council for fourteen years and with eight years on the Visit Lauderdale Marketing Advisory Committee, our leadership reflects a wealth of relationships and insights that directly benefit this role.

As we embark on this next chapter, we are committed to elevating Fort Lauderdale's open spaces, creating enduring experiences and connections that reflect the City's spirit and ambitions.

## APPROACH TO SCOPE OF WORK

### LAS OLAS OCEANSIDE / INTRACOASTAL PARKS

#### UNDERSTANDING OF THE CITY'S NEEDS, GOALS, AND OBJECTIVES

Four years ago, we envisioned the Fort Lauderdale Beach Open Spaces Coordinator role as a blend of impactful, structured, and community-driven programming with recreational and entertainment offerings that resonate with residents and visitors. Over this period, we have successfully transformed Las Olas Oceanside and Intracoastal Parks, aka The LOOP, into a year-round community hub that engages families, active seniors, and individuals from all walks of life. Our future vision is to build on these successes by enhancing inclusive, diverse programming and expanding the parks' offerings and reach based on ongoing community feedback.

#### VISION, IDEAS, AND METHODOLOGY

With LOOP's established foundation, our vision is to continue curating programs that reflect Fort Lauderdale's unique culture, introducing new elements to keep the experience fresh and accessible. We will enhance established events like Friday Night Sound Waves and year-round Weekend Farmers Markets and expand seasonal events like Spring Fling, Movies by Moonlight, Pumpkins and Palm Trees, and Wonderland. Tailored events, such as Fur the Love Pet Fest and celebrations for Caribbean American and Hispanic Heritage Months, will continue to engage diverse audiences. We plan to integrate more arts, fitness, and cultural diversity initiatives, aligning with Fort Lauderdale's goals and positioning LOOP as a model of public space programming. Our methodology includes:

- **Inclusive, Community-Centered Programming** We will build on successful initiatives like Broadway on the Beach, culturally-based art showcases, and fitness partnerships to expand offerings for families, toddlers, and special needs attendees. Through our 2024 launch with Miss Tracy Sings and partnerships with FIT Lauderdale and local fitness clubs like Lululemon, we aim to increase accessibility and offer sensory-friendly events and classes.
- **Strategic Partnerships and City Collaboration** Collaborating with local businesses and the City Parks Department has been essential to our success. Moving forward, we will strengthen partnerships with local companies to enhance our programming at minimal cost and seek increased support from the City's Parks & Recreation Department. City-wide promotional support through publications, newsletters, and social media would allow us to redirect part of our \$60,000+ annual PR and advertising investment into expanding and enhancing programming.

#### 4.2.4. [1] BENEFITS OF PROPOSED EVENTS/ ACTIVATIONS FOR COMMUNITY AND RESIDENTS

The LOOP's programming offers extensive benefits to the Fort Lauderdale community and beyond, which we will continue to strengthen and expand:

- **Economic Growth:** Events like Friday Night Sound Waves and the weekend markets drive significant foot traffic and support local businesses, bolstering Fort Lauderdale's reputation as a vibrant, dynamic destination that attracts visitors and serves locals.

- **Cultural Enrichment:** Programming for Caribbean American and Hispanic Heritage Months, along with local art showcases, fosters cultural connections, inclusivity, and a greater appreciation for Fort Lauderdale's diverse heritage.
- **Health and Wellness:** Expanded fitness offerings cater to a wider audience with diverse modalities and provide unique wellness experiences, such as a family fitness day in early spring. These initiatives further Fort Lauderdale's identity as a health-conscious community and create a wellness-focused gathering space at LOOP.
- **Community Pride and Connection:** Partnerships with organizations like the Fort Lauderdale Beach Sweep, Nova Southeastern University School of Medicine, OneBlood, and the Salvation Army build a culture of service, creating "do good, feel good" moments that unite residents in shared community pride and purpose.
- **Financial Sustainability:** The MKT generates over 50% of LOOP's annual operational and programming budget, fully funding staff salaries and select free public activities, including fitness programming and live music. Reserve funds from market revenue support seasonal holiday events, enhance sponsorship opportunities, and contribute to marketing, maintenance, and operational needs.
- **Consistency and Anticipation:** With four years of success, LOOP's annual events have become highly anticipated by the community, with residents and visitors regularly inquiring about upcoming dates and returning events. This established schedule not only builds excitement but also reliably garners media interest, expanding LOOP's reach and community impact.
- **Amplified Engagement through User-Generated Content:** Designed with shareability in mind, LOOP events inspire high levels of user-generated content. Our PR strategy actively engages influencers and content creators, who amplify the LOOP experience across social platforms. This broadens visibility, enhances community interaction, and positions Fort Lauderdale as a sought-after destination.

#### 4.2.4 [2]. EXAMPLES OF SIMILAR EVENTS PREVIOUSLY EXECUTED

We have established signature events, seasonal celebrations, and community-focused activities that incorporate the pillars of our engagement acronym, "F.A.M.E." (Food/Fitness, Art, Music, and Education/Environment). Examples include:

- **The MKT at Las Olas Oceanside Park:** This year-round weekend farmers and artisan market provides residents and visitors an engaging space to interact with local micro-businesses. The MKT also serves as a platform for community-focused activities, including fitness classes, live music, and inclusive programming that fosters connection and support for local entrepreneurs.
- **Friday Night Sound Waves** Sponsored by the BBID and now in its ninth season, this concert series draws thousands of locals and visitors to the main lawn for free, live music. Taking place in both Fall/Winter [October to December] and early Spring [February to April], it has become a signature event that offers an enjoyable, community-centered experience for people of all ages.

- **Seasonal Holiday Experiences:** Throughout the year, we offer established seasonal events that are free and family-friendly, such as *Spring Fling EGGstravaganza*, *Movies by Moonlight*, *Pumpkins & Palm Trees*, the month-long *Wonderland Holiday Experience*, and *Christmas Eve with Sinatra Dinner Show*. These anticipated celebrations attract attendees from across South Florida and enrich the area's seasonal appeal for visitors.
- **Local Artist & Youth Enrichment Programs:** Dedicated to supporting arts, culture, and youth advancement, we provide performance and exhibition opportunities for local high school bands, theater groups, and young artists. Events include *Broadway at the Beach* with Broward Center Spotlights, *Let's Beat Breast Cancer* with area drumlines, and art exhibits such as Youth Art Month in March and *Short Beach Shakes: Shakespeare in the Park* in collaboration with the Grace Arts Foundation. We also partner with the *Hollywood Arts Committee* to host interactive exhibits and experiences for Caribbean American and Hispanic Heritage Month.
- **Audience-Specific Events:** Recognizing our community's diverse interests, we offer events tailored to specific audiences, such as the annual *Fur the Love Pet Festival*, which brings together pet owners and enthusiasts for a day of pet-friendly activities and vendor showcases, and monthly *Full Moon Yoga Experiences*, designed to foster wellness and mindfulness in a serene outdoor setting.
- **Awareness Month Initiatives:** Our programming aligns with national awareness months, including *Breast Cancer Awareness Month*, *Heart Health Month*, and *Healthy Aging Month*. During these times, we add special pop-up experiences and integrate valuable content into our social media outreach and website to educate, support, and engage our community. We also recognize *Earth Month/ Earth Day* as an ongoing commitment, supporting the *Fort Lauderdale Beach Sweep* through partnerships that provide volunteers with refreshments like sponsored bottles of smartwater or fresh fruit from the market. These initiatives offer a meaningful layer of enrichment that raises awareness and adds value to our ongoing offerings.

**4.2.4 [4]. STRATEGIES: COMMUNITY OUTREACH; ADDRESS/ INCORPORATE COMMUNITY NEEDS**  
Community input has always been central to our programming. Our outreach strategies will expand upon our current efforts, which include:

- **Direct Feedback Channels:** We conduct annual surveys, oversee social media engagement, and log on-site feedback to maintain a programming and operational excellence calendar that reflects community interests. We additionally connect City staff with residents via inbound email and social messaging when questions are asked, or additional oversight is required.
- **Workshops and Collaborative Planning:** Ongoing invitations to residents and local organizations to contribute ideas through surveys, along with our dedicated team efforts in neighborhood outreach with HOAs, rental communities, business organizations, and cultural groups.
- **Expanded Accessibility and Inclusivity:** Continued focus on outreach to organizations serving the special needs community and diverse cultural groups, creating welcoming, inclusive events that meet their specific needs.

#### 4.2.4 [5]. INTEGRATION INTO UPCOMING AND EXISTING RECURRING EVENTS

Recurring events will act as anchor points seasonally and throughout the year. These core events remain central to the programming schedule, while new seasonal activities and annual city-sponsored events will add layers of engagement. Integrating LOOP activities and events into the City of Fort Lauderdale Parks & Recreation's annual events calendar, marketing plan, and publications would further cement LOOP's role as a community hub.

#### 4.2.4 [6]. TENTATIVE SCHEDULE FOR ACTIVATIONS UPON CONTRACT APPROVAL Est Feb 1, 2025

We will follow a structured approach with flexible evaluation points, allowing us to adapt based on our budget, community feedback, and city needs.

#### City Collaboration and Key Timeline Milestones

To maximize reach and resources, we would request enhanced City support, including LOOP events on the official city calendar and in the annual Parks and Recreation publication. Additional City contributions, whether through funding or in-kind support, such as allotted fitness instructors in partnership with FIT Fort Lauderdale would allow us to bolster fitness programming to reach broader audiences and introduce new passive experiences, such as the long-discussed Virtual Reality activity.

[ Approach to Scope of Services: LOOP, end of section ]

## **APPROACH TO SCOPE OF SERVICES**

### **GALT / NORTH BEACH COMMUNITY ACTIVATION**

#### **UNDERSTANDING THE CITY'S NEEDS, GOALS, AND OBJECTIVES**

The City of Fort Lauderdale envisions transforming the Galt/North Beach area into a dynamic and welcoming destination. This transformation emphasizes recreational events, a cohesive community identity, and engagement opportunities that resonate with residents and visitors. With a core group of enthusiastic business owners and residents eager for the area's development, my role as the Galt/North Beach Community Activator focuses on harnessing this excitement, gathering ideas, and translating them into events and activities that align with the City's vision. This approach builds local pride and creates meaningful connections and a strong community identity.

#### **OVERVIEW OF PROPOSED VISION, IDEAS, AND METHODOLOGY**

To ensure the activation plan genuinely reflects the community's identity and needs, we have proactively engaged with key stakeholders, including Diane and Denise Fogt, owners of Blue Jean Blues; realtor, landowner, and Oppenheim Realty President Zack Oppenheim; Galt / North Beach Business Association Board president, Cathy Vassallo; and Fred Nesbitt, President of the Galt Mile Community Association. These initial discussions have provided valuable insights into the community's aspirations, unique challenges, and vision for the area's future. With a collaborative approach, these local advocates will play an essential role in guiding the initial phases of our plan and supporting sustained engagement.

This approach mirrors our proven strategy with the LOOP activation, where extensive stakeholder engagement during the initial six months allowed us to create a plan aligned with the City's goals while garnering strong support from local businesses, residents, and community groups.

Our phased plan for building the Galt area's identity focuses on creating sustainable funding through the Galt Shoppes/North Beach Business Micro-Sponsorship Program or partnerships with the emerging North Beach Business Association. By generating community-based sponsorship, organizing smaller-scale community events, and fostering local pride over an initial six-month period, we will lay the groundwork to establish the Galt Shoppes/North Beach district as a vibrant destination for recreation and activities.

This initial ramp-up period will allow us to curate a schedule of proposed events and activities running from November 2025 through May 2026, designed to meet residents' seasonal needs and establish a vibrant winter/spring calendar. Our ultimate aim is to develop a unifying message and series of sustainable events and activities that inspire locals and visitors alike to "Gather at the Galt" for Good Times, Artistic Expression, Libations, Tastes, and Tunes.

As seasonal residents return, we will increase activities with a strategic schedule from November 2025 to May 2026, creating sustained interest throughout the year. This approach also provides time to address logistical considerations, such as parking, as we work closely with the City to ensure a smooth growth trajectory and ease of access for all visitors.

#### 4.2.4. [1] BENEFITS OF PROPOSED EVENTS/ ACTIVATIONS FOR COMMUNITY AND RESIDENTS

Our events and recreational activities are thoughtfully crafted to bring meaningful, long-term benefits to the Galt area, with a focus on community enrichment, connectivity, and vibrancy:

- **Fostering a Strong Community Identity:** Through inclusive events like night markets, walking tours, and cultural celebrations, we aim to create shared experiences that bring residents together, establishing the Galt area as a community hub that locals are proud of and visitors love to explore. Our programming will reflect Galt's diverse character, contributing to an identity fostering pride and belonging.
- **Supporting and Engaging Local Businesses:** The Micro-Sponsorship Program enables local businesses to play a visible, active role in community events, increasing foot traffic and fostering consistent connections among residents, visitors, and merchants. By integrating local businesses into the event experience, we strengthen the neighborhood's unique appeal and create economic benefits that grow alongside the community.
- **Balancing Growth with Community-Centered Values:** Maintaining a community-centered identity is essential with anticipated developments, including the Bokampers redevelopment and a new hotel. By establishing Galt as a destination known for its recreational events, we help preserve its unique character and ensure new growth aligns with the area's values. Community-driven programming will encourage people to visit Galt for its authenticity and inclusive atmosphere.
- **Expanding Sponsorship Opportunities for Enhanced Programming:** The initial activation period will build excitement and local support, creating a solid foundation for future growth. This momentum will position Galt to attract larger sponsors for the 2025-2026 season, further enhancing its programming. These partnerships will allow for a more diverse and engaging event calendar, fostering a sense of connection and enjoyment year-round for residents and visitors.

#### 4.2.4 [2]. EXAMPLES OF SIMILAR EVENTS PREVIOUSLY EXECUTED

Our experience at Las Olas Oceanside Park highlights our ability to create impactful, community-centered events that resonate with local audiences and drive economic benefits. Building on these successes, we are well-positioned to adapt similar initiatives to the Galt area, tailoring each event to align with its unique demographic, positioning, and resources. The examples below showcase past events that we can reimagine to suit Galt's community character while supporting sustainable growth and developing a vibrant destination that meets residents' recreational interests.

- **Cultural Celebrations and Collaborations:** Our experience with events that honor Hispanic and Caribbean American Heritage Month illustrates how cultural celebrations can enrich community programming. We envision working with the Beach Community Center to expand on existing offerings, such as their French class, by celebrating French-American Heritage Month with events that honor French culture through language, food, and art. Similarly, we could partner with the Community Center's Book Club to bring selected books to life through additional passive activities. These culturally rich events would add new dimensions to the Galt area's programming and strengthen connections across Fort Lauderdale's diverse population.

- **Friday Night Sound Waves:** This concert series turned Las Olas Oceanside Park into a lively destination that fostered a strong sense of place, community connection, and economic support for local businesses. Our approach included engaging local vendors and musicians to create a Friday night gathering that residents and visitors alike looked forward to. We envision adapting this model to the Galt area by collaborating with local businesses, such as Blue Jean Blue's "Dinner in the Streets," to create similar activation events that expand the reach of existing activities.
- **Scavenger Hunts / Themed Walking Tours / Art Crawl Events** In partnership with the Fort Lauderdale Chamber, we organized scavenger hunt-style tours that guided visitors through local businesses, increasing engagement and foot traffic. This model aligns perfectly with Galt's identity-building, as it introduces participants to the area's unique mix of retailers and restaurants. Alongside these tours, we'll also establish monthly Art Crawls, inviting the community to explore local galleries and studios while discovering eclectic businesses throughout the area. Additionally, we plan to explore creative in-business events that reflect residents' interests and provide free or low-cost, engaging experiences that can support our micro-sponsorship fund.
- **Seasonal Celebrations:** We've successfully curated seasonal celebrations that align with holidays and local events, including holiday markets, themed festivities, and interactive public art installations. For the Galt area, we plan to establish similar seasonal events that reflect the community's culture and create unique experiences for residents and seasonal visitors. We aim to work closely with local stakeholders to ensure these celebrations are responsive to community interests and seamlessly integrated into the area's character.
- **Taste the Wave:** Created as a summer activation for the Fort Lauderdale Beach BID in partnership with Visit Lauderdale, Taste the Wave was designed to launch the annual Visit Lauderdale Dine Out Lauderdale Program. This event was a dine-around experience where participants enjoyed "bites" from various restaurants, promoting local dining options and encouraging participation during the slower summer months. With its multiple restaurants, the Galt Shops area offers the perfect opportunity for a similar event. Taste the Wave could be reimaged as an outdoor culinary tour that invites attendees to experience each restaurant while strolling through the area, creating an engaging and delicious activation. Structured as a fundraiser, with ticketed entry and a free component for broader community appeal, this event could draw locals and visitors alike, generating visibility and revenue for the Galt area.

#### 4.2.4 [4]. STRATEGIES: COMMUNITY OUTREACH; ADDRESS/ INCORPORATE COMMUNITY NEEDS

Our outreach strategy prioritizes community involvement, addresses logistical concerns, and builds a lasting identity for the Galt area. Early engagement with local business owners and community leaders has provided valuable insights to shape a responsive activation plan. This proactive outreach aligns with our successful approach at the LOOP, where six months of stakeholder discussions established a foundation that met city goals and built strong local support.

Here's how we'll incorporate community needs throughout the activation:

- **Stakeholder Engagement/ Volunteer Committee:** Monthly meetings with local businesses, residents, and community leaders will address event logistics, parking, and ongoing development concerns. This consistent engagement ensures that community priorities guide programming and

adapt to local feedback, fostering a sense of shared ownership and alignment with the area's evolving needs.

- **Resident Sponsorship Program:** Modeled after our year one sponsorship with the Central Beach Alliance for Friday Night Sound Waves, this program offers residents access to otherwise paid/fundraising event participation, sponsorship recognition, and perks at local businesses. As seen with the CBA, this approach cultivates community pride and investment, encouraging residents to participate in the area's growth and success.
- **Collaborative Marketing:** Our marketing campaigns will target the Galt area's audience through partnerships with the City, Chamber, Visit Lauderdale, and other relevant entities. Events and activities will be shared on community calendars and other key locations, establishing Galt as a welcoming, community-centered neighborhood. We envision a dedicated print campaign or landing page that local businesses and the Parks & Recreation Department Beach Community Center can distribute to visitors, helping reinforce Galt's brand identity and expand its reach.
- **Feedback-Based Programming:** We will consistently assess community and event feedback, allowing us to refine programming to maintain relevance and impact. This adaptive approach, which we previously took and continue at LOOP through resident and stakeholder surveys, will be particularly useful as development progresses, ensuring that Galt's activation plan evolves in response to resident needs and community sentiment.

#### 4.2.4 [5] INTEGRATION INTO UPCOMING AND EXISTING RECURRING EVENTS

Our plan proposes integrating with existing activities for the first six months to create a cohesive experience that amplifies local engagement and visibility for the Galt area. We have initiated conversations with key businesses to explore their involvement in a way that would be beneficial to them and the community while gaining a better understanding of the area and what attracts locals and visitors to participate:

- **Friday Night Mini Night Market Happy Hour:** We are in discussions with Blue Jean Blue to complement their "Dinner in the Streets" event with a mini night market, creating a Friday night experience filled with food, shopping, entertainment, and local business engagement. This collaboration would expand community engagement while broadening marketing reach cost-effectively. By structuring their involvement as an in-kind contribution to the Micro-Sponsorship fund, we aim to provide mutual benefits that grow Galt's appeal.
- **Monthly Second Sunday Community Events:** We are exploring a partnership with Fishtails to establish a Second Sunday community event that aligns with their existing live music programming. These full-day experiences would unite residents and visitors, enhancing the weekend appeal. Fishtails' involvement, structured as an in-kind contribution, would support the Micro-Sponsorship fund and provide a stepping stone for future initiatives.
- **Marketing Booth at The Howard Alan Arts & Craft Show:** We would like to establish a Galt marketing booth at the Howard Alan Arts & Craft Show on Sunday, February 16. This booth will allow us to provide opportunities to participate in the survey, introduce attendees to upcoming plans, promote Galt events, and directly engage residents and visitors. If time allows, this booth will help establish Galt's identity and create excitement around our future initiatives.
- **Seasonal Tours and Scavenger Hunts:** Coordinated with seasonal activities, these tours would foster interaction between the community and local businesses. Structured as a low-cost initiative,

they would drive engagement as a passive recreational activity and serve as fundraisers for other free activities in the 2025/26 season, helping to build sustainable community programming.

#### 4.2.4 [6]. GALT / NORTH BEACH TENTATIVE ACTIVATION SCHEDULE AND TIMELINE

Upon contract approval, the following schedule will activate the Galt area from approx. Feb through July:

- **PHASE 1 (0-60 DAYS):** Meet with local businesses and residents to launch the Business Micro-Sponsorship Program, secure initial support, and coordinate a monthly meeting schedule. Implement initial branding for "Gather at the Galt."
- **PHASE 2 (60-90 DAYS):** Launch the Friday night market, initiate monthly community sales, and introduce the resident membership program.
- **PHASE 3 (90-180 DAYS):** Begin interactive walking tours, broaden sponsorships, and adjust events based on community feedback.
- **PHASE 4 (180+ DAYS):** Review event successes and business and resident feedback, optimize programming, and pursue sponsorships for a solid seasonal ramp-up from November 2025 to May 2026.
- **DELIVERY TIMELINE:** All setup and planning will be completed within 60 days of contract approval, ensuring readiness for a seven-month seasonal activation period from November 2025 through May 2026. Key milestones include completing Phase 1 setup (0-60 days) and Phase 2 launch (60-90 days). Our approach allows ongoing evaluation and adjustments to align with development changes and community needs.

[ Approach to Scope of Services: Galt / North Beach. end of section ]

## APPROACH TO SCOPE OF WORK: SPECIAL EVENT LIAISON

### UNDERSTANDING OF THE CITY'S NEEDS, GOALS, AND OBJECTIVES

The Special Event Liaison role is essential to managing external events across Fort Lauderdale's designated areas, including the Fort Lauderdale Beach LOOP and Galt area, to ensure quality, compliance, and alignment with the City's standards. This position balances the high demand for public space with community expectations, upholding consistent standards across diverse events. Our approach centers on providing structured oversight, flexible vetting, and a proposed fee-based support system for event organizers. By establishing clear guidelines, sustainable fee structures, and compliance standards, we maximize the benefits of public events for the community while offsetting LOOP and Galt/North Beach programming costs.

### VISION, IDEAS, AND METHODOLOGY

Our vision is to facilitate a well-balanced, high-quality annual event calendar by implementing a structured event services program and creating uniform guidelines for external event organizers. Through a templated approach to event planning and a fee structure that funds compliance, marketing, and operational support, we streamline organizer processes while ensuring every event meets City standards.

This approach includes:

- **Templated Event Requirements:** External event organizers will follow structured guidelines for space usage, community contributions, and sustainability practices. Standardized branding templates will consist of LOOP/Galt and City logos, ensuring cohesive visual representation across events.
- **Barrier Island Event Organizer Fee for Services Program and Security Deposits:** We will propose a new Barrier Island Event Organizer Services Program for the Park and Recreation Department and City of Fort Lauderdale Commission approval to offer comprehensive support and resources, including marketing inclusion, sanitation service scheduling, and compliance oversight. This fee-based system helps fund LOOP and Galt/North Beach programming and Special Event Liaison services, creating a sustainable model without burdening City budgets. Likewise, a security deposit will be imposed, to mirror the one within the Riverwalk district.
- **Compliance Monitoring and Resource Coordination:** Our on-site support team will oversee each event to ensure compliance with established standards and coordinate resources such as restroom maintenance, power, cleaning services, and waste management to maintain an organized, high-quality event experience.

#### 4.2.4. [1] BENEFITS OF PROPOSED APPROACH; SPECIAL EVENTS LIAISON RESPONSIBILITIES

The structured oversight we will bring as a Special Event Liaison ensures that all events hosted in Fort Lauderdale's Barrier Island public spaces, including Las Olas Oceanside and Intracoastal Parks and the Galt / North Beach district, deliver tangible benefits to the community:

- **Economic Impact:** By managing event quality and frequency, we enhance foot traffic, support local businesses, and create a balanced calendar that attracts visitors and residents alike.
- **Community Engagement and Safety:** Our templated requirements and onsite monitoring create safe, enjoyable events that align with community values and meet the City's operational standards.

- **Sustainability and Transparency:** The Barrier Island Event Organizer Fee for Services Program ( overview below ) generates additional funds for LOOP and Galt/North Beach needs, ensuring that all events contribute fairly to the open spaces' upkeep and promotional efforts. It also assures event compliance to the highest levels, giving the applicant a better chance at having a positive post-event report and, therefore, being welcomed back to host subsequent annual events.

#### **Proposed Barrier Island Event Organizer Fee Program**

This program functions independently of the City's application fees and with City approval between the Event Organizer and the Fort Lauderdale Beach Barrier Island Open Spaces Coordinator, who acts as a Special Event Liaison. It provides organizers with standardized services and relieves accountability while providing LOOP and Galt/North Beach with a sustainable funding source.

The proposed Event Organizer Fee would cover:

- **Onsite Compliance Services:** The fee will cover all pre-application reviews, site walkthroughs, and sanitation, power, waste, and space setup needs, including dumpster coordination, restroom cleaning, restroom supplies, site cleaning services, access to electricity ( where applicable ), access to water sources ( where applicable ), and other owned property ( LOOP only ) on an as-needed basis, including tables, chairs, extension cords, tents, and weights.
- **Marketing and PR Inclusion:** Ensuring LOOP and City branding integration across all promotions while assisting event organizers with additional marketing resources.
- **Dedicated Liaison Support:** Providing a team member responsible for compliance checks and event-day support.

By creating an event organizer fee-based package with a partner-based approach, outside event organizers will benefit from best-in-service compliance coordination. As the Special Event Liaison, we can maximize operational efficiency, enhance community engagement, and align all external events with Fort Lauderdale's goals.

**4.2.4 [2]. EXAMPLES OF SIMILAR SERVICES PREVIOUSLY PROVIDED: SPECIAL EVENT LIAISON**  
Our team brings a wealth of experience in event coordination and management at the LOOP, continually aligning with Fort Lauderdale's objectives and elevating the visitor experience. *Although these responsibilities were not stipulated in our previous contract,* we proactively assumed the role of Special Event Liaison to support the seamless execution of high-impact events, showcasing our commitment to LOOP and the Fort Lauderdale community. Through sponsor-funded services, we provided guidance, oversight, and hands-on support to external event organizers, ensuring that all events upheld the LOOP's quality standards.

- **Fort Lauderdale Air Show:** In 2021, we proposed an activation area on Las Olas Festival Street to enhance community engagement during the Fort Lauderdale Air Show. Partnering closely with the organizers, our team provided logistical support and designated a team member to oversee sponsor asset setup, asset delivery coordination, and day-of support to ensure smooth operations and a rapid teardown.
- **Chanukah Fair on Las Olas:** When organizers relocated the Chanukah Fair from downtown to the Las Olas Festival Street in 2022, we leveraged our experience to facilitate a successful

transition. Acknowledging prior issues with this event, we offered comprehensive support with site plans and application processing and amplified marketing efforts through our Wonderland holiday campaign. Additionally, we sponsored essential services to expand the event's budget and were on-site for day-of oversight, working closely with contractors. Although the organizers did not adhere to all compliance guidelines, our established presence in the park led to their calling upon us, reinforcing our commitment to the venue's success and the community's expectations.

- **NHL All-Star Weekend:** As Open Spaces Coordinator, we consulted with NHL representatives and primary sponsors on site layout, space capacities, and efficient installation and removal processes. We provided a pre-approved list of contractors to ensure top-notch standards and charged a fee for a team member to be on-site from setup through breakdown. To safeguard the venue's integrity, we supplied a detailed checklist covering heavy equipment and security requirements, waste management, and sanitation to mitigate potential damages.
- **FemAle Brew Fest:** Our team partnered with the FemAle Brew Fest organizer, offering logistical templates, setup guidance, and procedures for efficient load-in and placement of critical assets such as dumpsters and parking zones. We further supported the event by providing necessary supplies, including tables, chairs, weights, and restroom essentials. This collaboration ensured that the event met LOOP standards while enhancing the attendee experience.

#### 4.2.4 [4]. STRATEGIES: COMMUNITY OUTREACH; ADDRESS/ INCORPORATE COMMUNITY NEEDS

Community feedback is integral to our role as Special Event Liaison. Our outreach strategy includes:

- **Direct Communication Channels:** Ongoing communication with neighborhood associations, local businesses, and residents ensures transparency and provides a platform for community input.
- **Collaborative Planning:** Working with local councils and business organizations, we align event activities with community goals, address concerns, and prioritize resident needs.
- **Post-Event Feedback Mechanisms:** After each event, we gather community feedback through surveys and discussions, which helps us refine processes, address concerns, and improve future events.

#### 4.2.4 [5]. INTEGRATION OF EXISTING RECURRING EVENTS INTO THE ACTIVATION SCHEDULE

We will incorporate existing recurring events, such as marathons and cultural festivals, into the annual activation schedule to maintain continuity while preventing saturation. To manage event frequency, we propose:

- **Capping High-Frequency / High Attendance Events:** We preserve park resources and ensure a balanced event calendar by capping certain event types, such as smaller runs or marathons or events that create extended road closures.
- **Strategic Scheduling:** Aligning high-value events and existing recurring events creates a seamless, diverse calendar that fosters community engagement without overloading the space.

#### 4.2.4 [6] TENTATIVE SCHEDULE FOR SPECIAL EVENT LIAISON UPON CONTRACT APPROVAL

- **PHASE 1 (0-90 DAYS):**

- Meet with the Parks & Recreation Department to fully understand the depth of service scope and expectations of the role and develop a guideline of parameters.
- Assess recurring events, refine the event cap structure, and introduce rotational programming.
- Create an onboarding process and all documents for current and prospective outside event organizers with guidelines and standard operating procedures.
- Create an Event Organizer Fee Program for Parks Staff and Commission review.

- **PHASE 2 (30+ DAYS)**

- Focus on compliance oversight for all outside events, coordinating with organizers to align events with LOOP and Galt standards and City expectations.

[ Approach to Scope of Services: Special Event Liaison, end of section ]

#### CURRENT WORKLOAD

As the current contractor for Las Olas Oceanside Park, we bring four years of proven success in activating community spaces with high-impact, community-driven programming. Our well-established systems, experienced team, and refined processes enable us to manage LOOP's ongoing activities seamlessly while dedicating focused, thoughtful attention to the unique needs of the Galt/North Beach area.

With these resources in place, we're positioned to integrate the Galt project smoothly into our workload, applying the same mindful and strategic activation approach that has consistently engaged and inspired the LOOP community. Our commitment to quality and community connection ensures that the Galt area will receive the same level of dedication and expertise, creating a vibrant and sustainable destination.

#### 4.2.5 | REFERENCES

With over 14 years of dedicated service to the City of Fort Lauderdale, including 10 years with the Beach Business Improvement District and four years as the Open Spaces Coordinator for the Parks & Recreation Department, our focus has remained exclusively on Fort Lauderdale. As a result, we are unable to provide non-City project references within the RFP's scope of service of public space activation.

Instead, we offer project references from our firm's other services in brand development, creative, and event planning. Also included are letters of recommendation from City stakeholders—residents, businesses, nonprofits, and community associations, including those in the Galt/North Beach area—further support our commitment to Fort Lauderdale's growth and our expertise in destination marketing, event programming, sponsorship, and public space activation.

**Total Cost of the Project:** \$25,000; actual \$25,000

**Description Of Work:** When Keith Willard Events needed a fresh direction, Keith turned to me upon a recommendation from a previous client. Although his event planning business had gained multiple awards, he felt his brand lacked the impact to break through in a competitive market. Together, we embarked on a complete brand transformation to elevate his image and accelerate growth.

The project included a detailed brand analysis, logo redesign, and the development of a refined website that better reflected his expertise. We sourced compelling imagery and crafted taglines, programmatic content and copy to capture his vision. To maintain a cohesive brand identity across all platforms, I created customized email signatures, social media templates, print ads, and integrated podcast elements for his emerging show, *Behind the Veil*, a concept we launched as part of his growth strategy. Today, *Behind the Veil* has become a syndicated success, receiving multiple awards and drawing world-renowned event planners, Monte, David Tutera, Colin Cowie and others as guests. Keith's business now stands out with a bold brand that showcases his talent, making him a recognized leader in the event planning space.

**Title:** Former Manager, Sports & Entertainment, Visit Lauderdale

**Phone:** (407) 761-7699

**Email:** dawson@air.show

**Year the Project was Completed:** January 2020

**Total Cost of the Project:** Cost to Visit Lauderdale \$0. Est \$70,000; Act \$68,804.

**Description of Work:** As a member of the Visit Lauderdale Marketing Advisory Committee, I was approached by Mr. Pritchett on behalf of Visit Lauderdale as an inquiry to capitalize on Super Bowl 54 in Miami. With only four weeks until the big game, I created a concept "Raised In the 954" and an event which focused on the significant number of Broward County high school football players who made it to the NFL. Mr. Pritchett pitched the concept to the Miami Super Bowl Host Committee, who found value as a sanctioned event within their schedule.

Working with no funds from Visit Lauderdale, we quickly pitched sponsors to raise the estimated \$70,000 budget needed to create a three-day immersive weekend, which kicked off with a Friday Night concert honoring National High School Champion Team, St Thomas Aquinas Raiders. The event brought together 14 local community partners, 5 high school marching bands, 3 arts and health and wellness organizations

and 9 local businesses, to present a family friendly weekend focused on the youth movement in the City of Fort Lauderdale. Our team handled every aspect of the event, including site logistics and city required police and fire department services, permitting, partner activations, vendor procurement, all creative, public relations and marketing.

Attended by well over 20,000 throughout the weekend, the event, sponsored in major part by the City of Fort Lauderdale BBID and Florida Power and Light, generated much buzz for Fort Lauderdale, garnering over 35 media placements and an estimated 9.4 million media impressions, including the cover of the Sun-Sentinel twice.

**Description of Work:** In 2022, independent of our work with as the Fort Lauderdale Beach Open Spaces Coordinator, I was retained by GMR by way of an introduction by Visit Lauderdale, to work with the GMR team to help coordinate their activation for Humana, the title sponsor of the National Senior Games. In a consultancy role, we managed their \$20,000 overall budget to create an activation plan and coordinate all logistics, including permitting and local vendor contracting, activation coordination and brand ambassador management with their team. Coming in under budget at \$15,000, to produce a concert, movie night and health and wellness experience, we in turn waived our company fees to transition the \$5,000 balance into a legacy grant for Las Olas Oceanside Park to further Humana's reach post event.

To Whom It May Concern,

This letter is to enthusiastically support rAv Communications in their application to continue as the Open Spaces Coordinator for Fort Lauderdale Beach. As Lead Producer and Creative Director at Junto Entertainment I had the pleasure to work closely with Ari and her team when I brought Pixar Putt to the LOOP in early 2023.

From site assistance, permitting, and staff support to public relations, marketing, and connecting us with local resources, rAv Communications ensured that every detail was carefully coordinated. This level of experience is especially relevant as the new RFP scope includes oversight of outside event organizers—a capacity in which they have already proven their effectiveness and professionalism.

I wholeheartedly support their continued role as Open Spaces Coordinator and believe they will bring the same level of dedication and success to future projects in Fort Lauderdale.

Sincerely,

City Parks and Recreation Department

**RE: RFP for activating open space areas**

I understand the Parks and Recreation Department is soliciting proposals (RFP) from qualified professional firms, to provide management, coordination, and staffing to support the City's Parks and Recreation Department in activating open space areas. I believe one of the areas being considered is the Galt Mile restaurants and shops.

As President of the neighborhood association (Galt Mile Community Association), we are excited about showcasing the Galt Mile neighborhood and all it has to offer.

I had the opportunity to speak with Arianne Glassman regarding this project. She shared with me some of her past work, and we talked briefly about the possibilities for a neighborhood such as ours. I am extremely impressed with her work, visions and planning. I find her very easy to discuss ideas and share information. I like the fact she is not trying to tell us what to do – but is soliciting input and learning about the uniqueness of the neighborhood.

The Galt Mile Community Association strongly supports her application for this RFP. I think that working together, we can accomplish our goal of making the Galt Mile a destination neighborhood. I like her concept:

On behalf of the Hollywood Arts Committee, I am pleased to support rAv Communications in their application to continue as the Open Spaces Coordinator for Fort Lauderdale Beach. We have collaborated with rAv Communications on two artist showcases for Caribbean American and Hispanic Heritage Month, and their professionalism and expertise in event coordination and marketing have made these events a great success.

With the expansion of this role to include programming for the Galt area, we see exciting opportunities to grow these showcases further, creating even more visibility and opportunities for artists.

RE: Letter of Support for Arianne Glassman, rAv Communications, City of Fort Lauderdale Open Spaces Coordinator

To Whom It May Concern,

I am pleased to support Arianne Glassman, and rAv Communications, whose brand development and public space programming work has significantly enhanced Fort Lauderdale Beach's reputation as a top destination. During my time as Senior Vice President of Marketing and Communications at Visit Lauderdale, we collaborated extensively to integrate BBID-sponsored activations into broader campaigns, spotlighting key experiences at Las Olas Oceanside Park and beyond.

Together, we worked on several impactful initiatives:

- **COVID-19 Outreach and Clean & Safe Pledge:** Arianne coordinated outreach to enroll over 80 beach businesses, supporting the citywide effort to build confidence in safe travel and business practices.
- **Signature COVID-19 Video Campaign:** To inspire travelers to return post-lockdown, Arianne developed, self-funded, and managed a video campaign capturing the area's resilience and community spirit.
- **"Everyone Under the Sun" Brand Integration:** Arianne expanded this campaign to promote The LOOP as a vibrant hub for diverse, inclusive experiences.
- **Pet-Friendly Travel Initiative:** Arianne's "Tour with Teddy" series and the "Fur the Love Pet Fest" reinforced Fort Lauderdale's appeal as a pet-friendly destination.

Throughout our collaboration, Arianne also developed campaigns such as the "Love is Love" anniversary and the Valentine's Day Vow Renewal, strengthening the area's identity as an inclusive community. I can attest to Arianne's unique ability to manage multi-stakeholder projects and deliver high-impact programming. Her dedication and expertise make her exceptionally suited to meet the objectives outlined in this RFP.

To Whom It May Concern,

I am pleased to provide a letter of support for Arianne Glassman and rAv Communications, with whom I collaborated on two major activations while managing the Humana and Good Foods accounts. Arianne and her team's expertise in event logistics, community engagement, and brand visibility made each project a success and maximized the value of our sponsorship investments.

In 2022, as Account Director for GMR Marketing, I managed the Humana account during the National Senior Games. rAv was integral in executing the local activation, managing a \$20,000 budget with impressive attention to detail and strategic insight. They handled local logistics, permitting, and event coordination, ensuring Humana's brand objectives were met through creative, engaging activities that resonated with the senior athlete demographic. Their coordinated efforts—from branded movie nights and a tribute concert to yoga sessions and cooking demos—created an inviting and memorable experience for attendees. Additionally, they coordinated on-site supply storage, staff accommodations, and data capture, helping us exceed Humana's marketing goals. The legacy grant from the sponsorship balance further enhanced Fort Lauderdale Beach's community offerings.

Following my transition to Story House in Los Angeles, Arianne and her team once again delivered an outstanding activation for Good Foods during the 2024 Caribbean American Heritage Month (CAHM) celebrations at Las Olas Oceanside Park. Working with a \$2,500 budget, they provided Good Foods with extensive visibility, securing prominent sponsor recognition, media coverage, and onsite activation space. The overall CAHM campaign, which included Good Foods activations, generated over 42 million impressions and a publicity value exceeding \$2.3 million through a press release, dedicated social media content, and placements across partner platforms. Additionally, they tailored a digital strategy featuring bounce-back coupon offers linked to a custom recipe page, extending our brand's reach with innovative engagement tactics.

Arianne and her team's dedication, creativity, and local expertise make her a valuable market expert. Our ongoing conversations about future projects speak to her effectiveness as a partner who delivers meaningful community impact and brand success.

Sincerely,

Matt Peña

Dear City of Fort Lauderdale,

On behalf of the North Beach Restaurants and Shoppes Business Association, we are writing to express our strong support for the rAv Communications' application to be the Open Spaces Coordinator for North Beach area at the Galt (NOBE Galt). We believe the proposed project and this initiative is crucial for transforming our area into a vibrant destination that reflects the unique identity of our community.

The proposed program will enhance local business visibility and generate sustainable funding for community events. By fostering collaboration among local merchants and residents, we can create shared experiences that promote pride and connectivity. Events like night markets, art festivals, and cultural celebrations will not only strengthen our community but also drive foot traffic to our businesses.

We are particularly excited about the strategic marketing campaign that will highlight NOBE Galt as a welcoming space for both residents and visitors. The phased approach to activation ensures that community needs are prioritized, making NOBE Galt a thriving hub for recreation and connection.

In conclusion, we wholeheartedly support the the rAv Communications' application and look forward to collaborating with the City of Fort Lauderdale to bring this vision to life.

RE: Letter of Support for Open Spaces Coordinator

To Whom It May Concern,

I am writing to offer my strong support for Arianne Glassman and rAv Communications in their application for the Open Spaces Coordinator position for Fort Lauderdale Beach.

My partnership with Ms. Glassman began in 2016 when she approached our team at Entercom Radio to explore sponsorship opportunities for the Friday Night Sound Waves concert series. At the time, we were rebranding our station, 102.7 The Beach, and also looking to launch a music festival to coincide the same year.

Ms. Glassman's foresight and genuine understanding of Fort Lauderdale's potential led her to propose Fort Lauderdale Beach as the ideal venue for what would become the Riptide Music Festival. Her initiative to connect us with the Beach Business Improvement District (BBID) and facilitate the necessary funding to launch Riptide helped turn a promising idea into a reality. Without her initial outreach and determination, this longstanding partnership would unlikely have been established. Riptide Music Festival alone has generated millions in economic activity and, during our eight-year run, become a staple for locals and visitors.

Beyond the festival, Ms. Glassman's commitment to creating quality programming for Fort Lauderdale Beach is evident in her ongoing collaboration with our station, now under the Audacy flagship. The partnership she cultivated has expanded over the years to include creative integrations like live broadcasts with musicians performing in-studio before concerts, appearances by our station personalities, and activations that enhance the attendee experience at LOOP events. Through this relationship, rAv Communications has consistently created added value for the community and our station, resulting in impactful events and invaluable in-kind media support that strengthens our connection to the Fort Lauderdale audience.

This collaboration speaks to Ms. Glassman's dedication to elevating Fort Lauderdale Beach as a premier destination and her vision for building partnerships that create lasting value for the entire community. I firmly believe that her continued leadership as Open Spaces Coordinator will foster even more growth and success for Fort Lauderdale Beach and the newly added expanded areas of the Galt / North Beach area.

RE: Letter of Support for Open Spaces Coordinator

To Whom It May Concern,

On behalf of the Central Beach Alliance (CBA), I strongly support Arianne Glassman and the team at rAv Communications for the Open Spaces Coordinator contract position.

For the past 10 years, Ms. Glassman's extensive involvement with the Beach Business Improvement District has been unwavering, with the last four overseeing the activation of Las Olas Oceanside Park. Ms. Glassman has always shown our beach community a willingness towards achieving quality programs and events that align with the community's needs and improve the quality of life for all Fort Lauderdale residents.

Here are some examples of programs & events the CBA has witnessed first-hand with much success due to Ari's involvement:

- **Friday Night Sound Waves Concert Series:** This popular, resident-friendly concert series has brought the community together regularly and continues to be a highlight event that fosters a sense of safety and camaraderie among residents and visitors alike.
- **Weekend Markets and Seasonal Events:** Residents enjoy the local markets and seasonal festivities that Ms. Glassman and her team have organized, including family-oriented events like Shakespeare in the Park, movie nights, and family-friendly holiday gatherings. These events consistently bring added vibrancy and engagement to the area.
- **Management of Larger Activations:** When significant events such as the Alfa Romeo F1 Experience, Pixar Putt, The Rink, the Visit Lauderdale Food and Wine Festival, and upcoming activations like the Grand Prix 2025 were introduced, Ms. Glassman worked diligently to ensure they aligned with resident interests by addressing traffic congestion, noise control, and overall value to the community.
- **Hurricane Relief Drives:** Ms. Glassman's efforts have extended beyond regular programming; she has organized hurricane relief drives that encourage residents to volunteer and donate supplies, strengthening community bonds and making a positive difference in times of need.

Additionally, Ms. Glassman has taken proactive measures to ensure continuous communication with CBA members, attending commission agenda review meetings and providing regular updates at Chamber Beach Council meetings. Her responsiveness to resident feedback and her proactive approach to addressing concerns have made her an invaluable liaison between our community and the city, ensuring all events remain in compliance with city regulations.

Given Ms. Glassman's history and performance record, please consider her proposal to have strong support from the CBA. If awarded, we will continue to work together as community stakeholders in a collaborative approach to achieving successful outcomes that make Fort Lauderdale Beach a vibrant community and an international tourist destination.

Sincerely,

*William Brown*

**Request for Taxpayer  
Identification Number and Certification**

Go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9) for instructions and the latest information.

Give form to the  
requester. Do not  
send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

**A & R Enterprises of So FL, inc**

2 Business name/disregarded entity name, if different from above.

**3a** Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes.

☐ Individual/sole proprietor ☐ C corporation ☒ S corporation ☐ Partnership ☐ Trust/estate

☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership)

Notes: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any)

Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)

(Applies to accounts maintained outside the United States.)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions ☐

5 Address (number, street, and apt. or suite no.). See instructions.

**612 SW 13 Avenue**

6 City, state, and ZIP code

**Fort Lauderdale, FL 33312**

7 List account number(s) here (optional)

Requester's name and address (optional)

Print or type.  
See Specific Instructions on page 3.

**Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

**Part II Certification**

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

**What's New**

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
