

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#17-0969

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: August 22, 2017

TITLE: An Ordinance Amending the Code of Ordinances, Article V, Chapter 15,
Related to Outdoor Events and Creating a Section Therein Related to
Supplemental Regulations for Outdoor Social Service Feeding Events

Recommendation

It is recommended that the City Commission adopt an ordinance amending Sections 15-181, 15-182, 15-183, 15-184, and 15-185 of Article V, entitled "Outdoor Events," of Chapter 15 of the Code of Ordinances, and creating Section 15-186 entitled "Supplemental Regulations for Outdoor Social Service Feeding Events."

Background

Since the last amendments to Chapter 15 were enacted in May of 2012, various sections of Chapter 15 are in need of revision for purposes of clarity and to most efficiently accommodate and process the numerous and various types of Outdoor Events occurring in the City. Additionally, the temporary and transient outdoor feeding and distribution of food on public property, which has been occurring with more frequency in the last few years, is currently regulated under the City's Unified Land Development Regulations (ULDR), Section 47-18.31. Adopting and establishing uniform regulations specifically addressing these types of outdoor feedings and food distribution as events under Chapter 15, Article V ("Outdoor Events") will expedite processing and will ease the permitting requirements for persons and entities engaging in such social service feeding events within the City, further ensuring the health, safety, morals and general welfare of the residents and visitors of the City of Fort Lauderdale, as well as protecting individuals' freedom of speech, assembly, and association.

Resource Impact

There is no financial impact associated with the adoption of this ordinance.
