13.2. In the event the LICENSEE fails to remove the Project Improvements and CITY finds it necessary to remove the Project Improvements in accordance with the foregoing, then the total expense incurred by the CITY in removing the Project Improvements and the administrative costs associated therewith shall be considered a special assessment and lien upon the Property. LICENSEE shall have thirty (30) days from the date of the statement of the total expenses incurred by the CITY and the administrative costs associated therewith within which to pay to the CITY the full amount due. Failure to timely pay the amount due or serve upon the CITY Manager a written letter contesting the statement of assessed expenses and administrative costs will result in the matter being scheduled before the CITY Commission for consideration of and adoption of a Resolution assessing against the Property the expenses and administrative costs associated with the CITY's removal of the Project Improvements. The Resolution may also impose a special assessment lien against the Property for the expenses and costs so assessed. A Notice of the Special Assessment assessed by the CITY Commission for the unpaid expenses and costs as stated above shall be recorded with the CITY Clerk and in the Public Records of Broward

(a) seek the necessary Permits and approvals from the regulatory agencies with jurisdiction over the License Area, Project Improvements or adjacent real property to repair, replace and rebuild the same or cause the same to be repaired, replaced or rebuilt as nearly as possible to their original condition; or

(b) to the extent that such destruction or damage affected the Project Improvements within the License Area or real property adjacent thereto, or any part thereof, if LICENSEE elects to remove such Project Improvements consistent with the terms of the RLA, then LICENSEE shall seek the Permits and approvals, if any, required for such removal and cause such Project Improvements to be removed from the License Area and return the License Area to the condition that existed prior to the Effective Date of the RLA.

in connection with any claims, suits or causes of action, and any such defense shall be at no cost or expense whatsoever to CITY, provided that the CITY (exercisable by the CITY's Risk Manager) shall retain the right to select counsel of its own choosing. This indemnification shall survive termination, revocation or expiration of the RLA and this Agreement and shall cover any acts or omissions occurring during the term of the RLA and this Agreement, including any period after termination, revocation or expiration of the RLA and this Agreement while any curative acts are undertaken.

16. Insurance. At all times during the term of the RLA and this Agreement, LICENSEE, at its expense, shall keep or cause to be kept in effect the insurance coverages set forth in the RLA, naming the City as an "additional insured" and LICENSEE shall provide Certificates of Insurance to CITY at least fourteen (14) days prior to the commencement of the License Term and annually thereafter on the anniversary date of the policies.

17. Remedies of CITY.

17.1 In the event the LICENSEE fails to perform or violates any of the terms or conditions of RLA or this Agreement or is in breach or default in any term or condition hereof, COUNTY or CITY shall provide written notice thereof to LICENSEE and LICENSEE shall cure such violation within the time provided in such Notice, which such time for cure shall be reasonable in light of all the circumstances. LICENSEE shall be obligated to serve upon the CITY any notices of breach of default served upon LICENSEE by COUNTY.

Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum simple interest but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs or maintenance undertaken by CITY in accordance with this License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation.

17.3 If LICENSEE does not make the payments required under this Section within the thirty (30) day period set forth herein, then CITY shall have a right to record a Claim of Lien against the Property, which Lien may be either (a) for the total amount of the fines resulting from the procedures set forth in Sections 17.1 and 17.2, including all subsections thereunder, or (b) for all reasonable and necessary costs and expenses of any cure undertaken by CITY in accordance with this Section, the cost of any interim insurance policy as provided herein, and reasonable attorneys' fees and costs associated therewith. The Lien shall be effective upon the recording of the Claim of Lien in the Public Records of Broward County, Florida, which Claim of Lien shall state all amounts due and owing to CITY. The Lien may be foreclosed by CITY in the same manner as provided by law for foreclosure of mortgage liens. The Lien shall continue until payment to CITY of the amounts set forth in the Lien (at which time CITY shall record a satisfaction of such lien). In addition to the Lien, CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE'S failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien.

17.4 CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE's failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien. The remedies found within this Section 17, including all subsections thereof, are cumulative. The exercise of one does not preclude the exercise of any other remedy.

2.2. Other than for the purposes identified in this Agreement, Licensee may not use the Revocable License Area for any other purpose whatsoever without written amendment of this Agreement executed with the same formalities as this Agreement. SECTION 3. LICENSEE'S OBLIGATIONS

3.1. Licensee shall make application to the Division for a permit to perform the Improvements as set forth in the Approved Plans. Licensee may not proceed with the Improvements until all permits have been issued and all permit conditions for commencement of construction have been satisfied.

3.2. Licensee may not make any alterations to the Improvements without first obtaining a permit from the Division and the written approval of the Contract Administrator for such alterations.

3.3. Licensee shall make the Improvements at its own expense and in accordance with the Approved Plans and to the Contract Administrator's satisfaction. Licensee shall not be entitled to any compensation from County for making the Improvements.

3.4. Following Licensee's installation of the Improvements and County's approval of same (as set forth in Section 5), Licensee shall provide County with signed and sealed certified as-built drawings and warranties for all work performed as set forth in the Approved Plans.

3.5. Once the Improvements have been made, Licensee shall perform the Maintenance Obligations at its own expense and in accordance with the requirements set forth in Exhibit D. As part of the Maintenance Obligations, Licensee shall keep the Improvements and the Revocable License Area clean, sanitary, and in good condition consistent with industry-standard maintenance standards and techniques. The Maintenance Obligations shall include all repair and replacement of materials due to any cause, including but not limited to normal wear and tear, acts of God, vandalism, and accidents. Licensee shall promptly replace all defective or unsightly materials, as well as any materials that the Contract Administrator determines, in his/her reasonable discretion, should be replaced for safety reasons or because such materials would interfere with any County property or County operations. All replacements must be approved in writing by the Contract Administrator.

3.6. If Licensee takes any action or makes any omission that causes or results in alternations to the Revocable License Area (or any materials on the Revocable License Area), which alterations are not specified in the Approved Plans, Licensee shall, at its own expense, restore the Revocable License Area to its condition before the alterations were made or such condition as approved in writing by the Contract Administrator. If Licensee fails to make such restoration within thirty (30) calendar days after County's request, County may make the restoration or exercise its rights as provided in Section 4 of this Agreement. If County elects to make the restoration, it will invoice Licensee for the costs thereof. Licensee shall pay such invoice within thirty (30) calendar days after receipt.

3.7. If Licensee takes any action or makes any omission that causes or results in damage to the Revocable License Area (or any materials on the License Area), Licensee shall, at its own expense, repair such damage. If Licensee fails to make such repair within thirty (30) calendar days after County's request, County may make the repair or exercise its rights as provided in

Section 4 of this Agreement. If County elects to make the repair, it will invoice Licensee for the costs thereof. Licensee shall pay such invoice within thirty (30) calendar days after receipt.

3.8. If the Revocable License Area is serviced by any utilities (including but not limited to electricity, water, sewage, or gas), Licensee shall be solely responsible for the cost of such utilities.

3.9. If the Revocable License Area contains an irrigation or water pump system, Licensee shall maintain same in compliance with the requirements set forth in Exhibit D and all applicable rules and regulations of the applicable South Florida Water Management District.

3.10. Licensee shall provide the Contract Administrator with immediate verbal notice, followed by written notice (in the manner set forth in Section 8 of this Agreement), of any condition on the Revocable License Area that might present a risk of damage to the Revocable License Area or adjacent property, or might pose a risk of injury to any person.

3.11. Licensee shall provide the Contract Administrator with immediate verbal notice, followed by prompt written notice (in the manner set forth in Section 8 of this Agreement), of any damage to the Revocable License Area or any injury to any person on the Revocable License Area.

3.12. Licensee may retain a third party to make the Improvements and/or perform the Maintenance Obligations. If Licensee retains a third party for such purpose(s), Licensee shall enter into a written contract with the third party under which the third party must agree to make the Improvements and/or perform the Maintenance Obligations in accordance with the requirements of this Agreement. Licensee shall provide the Contract Administrator with a copy of any such contract(s). Notwithstanding Licensee's use of any third party, Licensee shall remain obligated and responsible for making the Improvements and performing the Maintenance Obligations if the third party does not. Licensee may not relieve itself of any of its obligations under this Agreement by contracting with a third party.

SECTION 4. CITY'S OBLIGATIONS

4.1. If Licensee fails to timely comply with the requirements set forth in Section 3, upon written demand of Contract Administrator, City shall, at its own expense, immediately perform the Maintenance Obligations for the duration of this Agreement. In addition, City shall, at its own expense, cure any and all deficiencies or failures by Licensee identified in the Contract Administrator's written notice to City. City shall cure such deficiencies and failures within thirty (30) calendar days after such notice. If City fails to timely comply with its obligations under this section, County may fulfill such obligations, and then invoice the City for the cost thereof. City shall pay such invoice within thirty (30) calendar days after receipt.

4.2. City may retain a third party to perform the Maintenance Obligations. If City retains a third party for such purpose(s), City shall enter into a written contract with the third party under which the third party agrees to perform the Maintenance Obligations in accordance with the requirements of this Agreement. City shall provide the Contract Administrator with a copy of any such contract(s). Notwithstanding City's use of any third party, City shall remain obligated

and responsible for performing the Maintenance Obligations if the third party does not. City may not relieve itself of any of its obligations under this Agreement by contracting with a third party.

SECTION 5. COUNTY'S OBLIGATIONS

5.1. County shall review the Approved Plans to determine whether to issue a permit for the Approved Plans and shall issue a permit only if the Approved Plans comply with all applicable County permitting requirements.

5.2. County shall inspect the Improvements and may reject work that does not conform to the Approved Plans.

5.3. After receiving signed and sealed certified as-built drawings that the Improvements are in conformance with the Approved Plans, and receiving request for a final inspection, County shall perform a final inspection of the Improvements and notify Licensee and City of County's final approval or rejection of the Improvements.

5.4. County shall have no further obligations under this Agreement other than those stated in this section but may exercise any and all rights it has under this Agreement.

SECTION 6. RISK OF LOSS

All Improvements not permanently affixed to the Revocable License Area shall remain the property of Licensee, and all risk of loss for the Improvements (whether permanently affixed or not) shall be Licensee's risk alone. However, Licensee may not remove, replace or alter any of the Improvements without the Contract Administrator's written consent and any required permitting.

SECTION 7. TERM AND TERMINATION

7.1. This Agreement shall begin on the Effective Date and continue in perpetuity unless terminated as provided in this section.

7.2. This Agreement may be terminated for cause by County if Licensee, City, or both breach any obligations under this Agreement and have not corrected the breach within thirty (30) calendar days after receipt of written notice identifying the breach. County may, at the option of the Contract Administrator, cause such breach to be corrected and invoice the breaching party or parties for the costs of the correction or may terminate this Agreement. If County opts to correct the breach and invoice the breaching party or parties for the costs of correction, the invoiced party or parties (as applicable) shall pay such invoice within thirty (30) calendar days after receipt. If County erroneously, improperly, or unjustifiably terminates for cause, such termination shall, at County's sole election, be deemed a termination for convenience, which shall be effective thirty (30) calendar days after such notice of termination for cause is provided.

7.3. This Agreement may be terminated for convenience by the Board. Termination for convenience by the Board shall be effective on the termination date stated in the written notice provided by County, which termination date shall not be less than thirty (30) calendar days after the date of such written notice.

7.4. This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate if the County Administrator determines that termination is necessary to protect the public health or safety. Termination under this section shall be effective on the date County provides notice of such termination.

7.5. Upon termination of this Agreement, Licensee shall peaceably surrender its use of the Revocable License Area. If City has assumed the Maintenance Obligations pursuant to Section 4, City shall peaceably surrender use of the Revocable License Area.

7.6. If County terminates this Agreement, Licensee shall remove all Improvements, materials and equipment installed or placed in the Revocable License Area, unless the Contract Administrator, in writing, authorizes Licensee to leave any such Improvements, materials, or equipment in the Revocable License Area. In addition, Licensee shall be obligated to repair any damage to the Revocable License Area resulting from the removal of any Improvements, materials and equipment. If Licensee fails to comply with these removal and/or repair obligations within thirty (30) days of termination, County may perform them, and then invoice Licensee for the cost thereof. Licensee shall pay such invoice within thirty (30) calendar days after receipt.

7.7. If County terminates this Agreement, Licensee shall restore the Revocable License Area to its condition before the Improvements or to such condition as approved in writing by the Contract Administrator. If Licensee fails to make such restorations within thirty (30) days of termination, County may make them and then invoice Licensee for the costs thereof. Licensee shall pay such invoice within thirty (30) calendar days after receipt.

7.8. County shall have no obligation to compensate Licensee or City for any loss resulting from or arising out of the termination of this Agreement.

7.9. If tree mitigation is required as a result of termination of this Agreement, Licensee must obtain a Broward County Environmental Licensing and Building Permitting Division, Tree Preservation Program Agreement required by Chapter 27, Article XIV, Sections 27-401 through 27-414 of the Broward County Tree Preservation and Abuse Ordinance, as may be amended from time to time, to provide for relocation, removal, and replacement per the tree removal Agreement requirements at Licensee's sole cost and expense.

7.10. If Licensee fails to comply with the requirements of Sections 7.6, 7.7, and/or 7.9, City shall perform said requirements within thirty (30) days of written notice from the Contract Administrator. If City fails to timely perform such requirements, County may perform them, and then invoice City for the cost thereof. City shall pay the invoice within thirty (30) calendar days after receipt.

7.11. Notice of termination shall be provided in accordance with Section 8 of this Agreement,

except that notice of termination by the County Administrator, pursuant to Section 7.4 of this Agreement may be verbal notice that shall be promptly confirmed in writing in accordance with Section 8 of this Agreement.

9.1. Licensee shall indemnify and hold harmless County, and all of County's, past, present, and future officers, agents, servants, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses (collectively, a "Claim"), raised or asserted by any person or entity not a party to this Agreement, which Claim is caused or alleged to be caused in whole or in part, by any intentional, reckless, or negligent act or omission of Licensee, its then current or former officers, employees, agents, servants or assigns, arising from, relating to, or in connection with this Agreement. If any Claim is brought against an Indemnified Party, Licensee shall, at its own expense, upon written notice from County defend each Indemnified Party against each such Claim by counsel satisfactory to County, or, at the option of County, pay for an attorney selected by the County Attorney to defend the Indemnified Party.

9.2. If Licensee or City contract with a third party to perform any of their obligations under this Agreement, Licensee and City must enter into written agreements with such third parties, which contracts are required to include an indemnification provision by such third party in favor of the Indemnified Party using the language provided in Section 9.1.

9.3. County and City are entities subject to Section 768.28, Florida Statutes, as may be amended from time to time, and agree to be fully responsible for the negligent or wrongful acts and omissions of their respective agents or employees to the extent permitted by law. Nothing herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by either party to be sued by third parties in any matter arising out of this Agreement or any other contract.

9.4. The provisions of this Section 9 shall survive the expiration or earlier termination of this Agreement.

SECTION 10. INSURANCE

10.1. For the duration of the Agreement, Licensee shall, at its sole expense, maintain the minimum coverages stated in Exhibit E in accordance with the terms and conditions of this section. Licensee shall maintain insurance coverage against claims relating to any act or omission by Licensee, its agents, representatives, employees, or any third parties in connection with this Agreement. County reserves the right at any time to review and adjust the limits and types of coverage required under this section.

10.2. Licensee shall ensure that "Broward County, Florida" is listed and endorsed as an additional insured as stated in Exhibit E on all policies required under this section.

10.3. On or before the Effective Date, or at least fifteen (15) days before the commencement of the Improvements, Licensee shall provide County with a copy of all Certificates of Insurance or other documentation sufficient to demonstrate the insurance coverage required by Exhibit E and this section. If and to the extent requested by County, Licensee shall provide complete, certified copies of all required insurance policies and all required endorsements within thirty

(30) days after County's request.

10.4. Licensee shall ensure that all insurance coverages required by this section remain in full force and effect for the duration of this Agreement and until all performance required by Licensee has been completed, as determined by Contract Administrator. Licensee or its insurer shall provide notice to County of any cancellation or modification of any required policy at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of any cancellation due to nonpayment, and shall concurrently provide County with a copy of its updated Certificates of Insurance evidencing continuation of the required coverage(s). Licensee shall ensure that there is no lapse in coverage at any time during the time period for which coverage is required by this section.

10.5. Licensee shall ensure that all required insurance policies are issued by insurers: (1) assigned an A.M. Best rating of at least "A" with a Financial Size Category of at least Class VII; (2) authorized to transact insurance in the State of Florida; or (3) a qualified eligible surplus lines insurer pursuant to Section 626.917 or 626.918, Florida Statutes, with approval by County's Risk Management Division.

10.6. If Licensee maintains broader coverage or higher limits than the minimum insurance requirements stated in Exhibit E, County shall be entitled to any such broader coverage and higher limits maintained by Licensee. All required insurance coverages under this section shall provide primary coverage and shall not require contribution from any County insurance, self-insurance or otherwise, both of which shall be in excess of and shall not contribute to the insurance required and provided by Licensee.

10.7. Licensee shall declare in writing any self-insured retentions or deductibles over the limit(s) prescribed in Exhibit E and submit to County for approval at least fifteen (15) days prior to the Effective Date or commencement of the Improvements. Licensee shall be solely responsible for and shall pay any deductibles or self-insured retention applicable to any claim against County. County may, at any time, require Licensee to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. Licensee agrees that any deductible or self-insured retention may be satisfied by either the named insured or County, if so elected by County, and Licensee agrees to obtain same in endorsements to the required policies.

10.8. Unless prohibited by the applicable policy, Licensee waives any right to subrogation that any of Licensee's insurers may acquire against County and agrees to obtain same in an endorsement of Licensee's insurance policies.

10.9. If any of the policies required under this article provide claims-made coverage: (1) any retroactive date must be prior to the Effective Date; (2) the required coverage must be maintained after termination or expiration of the Agreement for at least the duration stated in Exhibit E; and (3) if coverage is canceled or nonrenewed and is not replaced with another claims-made policy form with a retroactive date prior to the Effective Date, Licensee must obtain and maintain "extended reporting" coverage that applies after termination or expiration of the Agreement for at least the duration stated in Exhibit E.

10.10. Licensee shall require that each third party retained by Licensee for performance of any of Licensee's obligations under this Agreement maintain coverage that adequately covers the performance of the third party on substantially the same insurance terms and conditions required of Licensee under this Section. Licensee shall ensure that all such third parties comply with these requirements and that "Broward County, Florida" is named as an additional insured under the third parties' policies.

10.11. Licensee shall not permit any third party to provide services under this Agreement unless and until the requirements of this section are satisfied. If requested by County, Licensee shall provide, within one (1) business day, evidence of any third party's compliance with this section.

10.12. City is a governmental entity and is fully responsible for the negligent or wrongful acts and omissions of its agents or employees, subject to any applicable limitations of Section 768.28, Florida Statutes.

10.13. Within five (5) calendar days after request by County, City must provide County with written verification of liability protection that meets or exceeds any requirements of Florida law. If City holds any excess liability coverage, City must ensure that Broward County is named as an additional insured and certificate holder under such excess liability policy and provide evidence of same to County.

10.14. If City maintains broader coverage or higher limits than the minimum coverage required under Florida law, County shall be entitled to such broader coverage and higher limits on a primary and non-contributory basis.

10.15. The foregoing requirements shall apply to City's self-insurance, if any.

10.16. If City contracts with one or more third parties to perform any of City's obligations set forth herein, City shall require that each third party (and any subcontractors retained by the third party) procure and maintain insurance coverages as provided in Exhibit E and Sections 10.1 through 10.11 of this Agreement. City must ensure that all such third parties name "Broward County, Florida" as an additional insured and certificate holder under the applicable insurance policies. City shall not permit any third party to provide services required by this Agreement until the insurance requirements of the third party under this section are met. If requested by County, City shall furnish evidence of all insurance required by this section.

10.17. County reserves the right, but not the responsibility, to periodically review any and all insurance coverage(s) required by this Agreement and to reasonably adjust the limits and/or types of coverage required herein, from time to time throughout the term of this Agreement.

SECTION 11. MISCELLANEOUS

11.1. Independent Contractor. Licensee and City are each an independent contractor under this Agreement. In performing under this Agreement, neither Licensee, City, nor any of their respective agents shall act as officers, employees, or agents of County.
