

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
Regular Meeting

#13-0666

TO: Honorable Mayor & Members
Fort Lauderdale City Commission

FROM: Lee Feldman, City Manager

DATE: May 21, 2013

TITLE: Contract Addendum No. 1 - Project No. 11761 – 2012/2013 Annual Asphaltic Concrete Pavement Contract with Weekley Asphalt Paving, Inc.

Recommendation

It is recommended that the City Commission approve Contract Addendum No. 1 to add Community Development Block Grant (CDBG) Federal provisions, certifications and affidavits to Project No. 11761 – 2012/2013 Annual Asphaltic Concrete Pavement Contract with Weekley Asphalt Paving, Inc. (Weekley).

Background

City staff is preparing to resurface various streets located within the boundaries of the CRA. As such, the Community Development Block Grant (CDBG) may be used to fund the construction.

All construction contracts for projects receiving CDBG funds are required to include certain provisions, certifications, and affidavits pertaining to Federal labor laws and other regulations in accordance with the goals and objectives of the CDBG entitlement program. Addendum No. 1 is necessary since the Annual Concrete and Paver Bricks Contract with Weekley does not contain the CDBG provisions.

Weekley has reviewed the CDBG provisions and has agreed to comply with all the requirements and execute Addendum No. 1. Approval of Addendum No. 1 would allow staff to initiate Work Orders for the construction of future sidewalk projects within CRA and allow this annual contract to be used to construct any future improvements funded by the CDBG program.

Resource Impact

There is no fiscal impact associated with this action.

Attachment: Addendum to Contract – Exhibit 1
