Re: Proposed Park Acquisition - Little Lincoln Park

I am Nathaniel McClain, The President of Durr's Homeowner's Association located in Fort Lauderdale, Florida. I am writing this letter on behalf of Durr's Homeowner's to express our approval of The City of Ft. Lauderdale's Proposed Park Acquisition that will entail extending the property lot of Little Lincoln Park. We believe that the extension of the Little Lincoln Park property will better serve the community and create an environment that will further beautify the neighborhood.

We look forward to discussing the details and seeing the purchase of the property. Please do not hesitate to contact me if you have any further questions or would need the input of The Durr's Homeowner's Association.

Sincerely,

Nathaniel McClain
