Recommendation

Staff recommends the City Commission hold a public hearing and adopt a resolution adopting the final Fiscal Year (FY) 2026 Sunrise Key Neighborhood Improvement District Millage Rate and a resolution adopting and approving the final FY 2026 Sunrise Key Neighborhood Improvement District Budget.

Background

The Sunrise Key Neighborhood Improvement District is a local government neighborhood improvement district created by Ordinance No. C-92-12 in accordance with Section 163.506, Florida Statutes (1992). The District is authorized to levy ad valorem tax on real and personal property up to two mills annually to generate revenue to provide security services. The revenue is collected via tax bills by the Broward County Tax Collector and is electronically transmitted to the City. The funds are set aside in a trust account for the District and are subsequently reimbursed to the District on an as needed basis.

The Sunrise Key Neighborhood Improvement District set its millage rate at 1.0000 mill and established its budget of \$199,800 at its May 6, 2025 meeting. Revenue generated from this millage is estimated at \$223,168 and will support the budget as detailed in the Sunrise Key Neighborhood Improvement District Minutes (Exhibit 1) in addition to a transfer to fund balance in the amount of \$23,368 for a total budget of \$223,168.

Resource Impact

The City of Fort Lauderdale's FY 2026 Final Budget includes the Sunrise Key Neighborhood Improvement District revenues and expenditures since it is a dependent district.
