AIRSPACE AGREEMENT

ITEM/SEGMENT NO.: 231540-1
MANAGING DISTRICT: 4
F.A.P. NO.: 5951 279 I
STATE ROAD NO.: 862 (I-595)
COUNTY.: BROWARD
PARCEL NO.: 145 (Part)

THIS AGREEMENT, made this _____ day of _____, between
the City of Fort Lauderdale at 100 North Andrews Avenue, Fort Lauderdale, FL 33301
(Lessee) and the STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION (Department), an agency
of the State of Florida (State).

WITNESSETH :

WHEREAS, the Department may convey a leasehold in the name of the State, in any land, buildings, or other property, real or personal, acquired under Section 337.25, Florida Statutes; and

WHEREAS, the United States Department of Transportation, Federal Highway Administration (FHWA), requires any use of airspace above, and/or below the highway's established gradeline, lying within the approved right of way limits on a Federal Aid System, to be accomplished pursuant to an airspace agreement in accordance with 23 CFR, Part 710, and

WHEREAS, the Department has acquired sufficient legal right, title, and interest in the right of way of Interstate 595 which includes the property described in Exhibit "A" attached hereto and made a part hereof, which right of way is part of a highway on a Federal Aid System; and

WHEREAS, the Department desires to lease to Lessee the airspace above or below gradeline of the property described in Exhibit "A", attached and made a part hereof for the following purpose: a boat ramp and vehicle turn-around area

WHEREAS, the proposed use will not impair the full use and safety of the highway, require or permit vehicular access to such space directly from the established gradeline of said highway, or interfere with the free flow of traffic on said highway.

NOW, THEREFORE, in consideration of the premises made a part hereof, and the covenants, promises, understandings, and agreements made by each party to the other as set forth herein, the Department and the Lessee do hereby mutually agree as follows:

1. Premises

The premises hereto are true and correct and form an integral part of this Agreement.

2. Term

The Department does hereby lease unto Lessee the airspace above or below gradeline of the property for a period of ten (10) years beginning with the date of this Agreement. One renewal of this Agreement may be made for ten (10) years. However, except for a public purpose conveyance, such renewal may not exceed five years. Nothing herein shall be construed to in any way grant an interest in the property lying below said airspace.

3. Rent

a. Lessee shall pay to the Department as rent each month quarter year on or before the first day of each rent payment period, \$0.00 plus applicable sales tax. When this Agreement is terminated, any unearned portion of any rent and sales tax payment shall be refunded to Lessee. However, no such refund shall be made where termination is due to Lessee's violation of a term or condition of this Agreement.

b. The Department reserves the right to review and adjust the rental fee biannually and at renewal to reflect market conditions.

c. All rental payments are to be made by check or money order, payable to the State of Florida Department of Transportation and delivered on or before the due date to: N/A

d. Lessee shall be responsible for all state, county, city, and local taxes that may be assessed, including real property taxes and special assessments. In the event that no rent is specified herein, then it has been determined that either the use by Lessee is a nonproprietary use by a governmental agency or an exception from the current fair market rental value requirement (23 U.S.C. Section 156) has been obtained for social, environmental, or economic mitigation (SEE) purposes. In the event that it should be determined at any time that the use is not a nonproprietary use by a governmental agency or that the SEE exception does not apply or has been revoked, Lessee agrees to pay, at that time, rent as determined to be the fair market rental value by an independent appraiser certified by the Department, and Lessee further agrees to pay such rent, under the remaining terms and conditions of this Paragraph 3, for the remaining term (including renewals) of this Agreement.

e. Any installment of rent not received within ten (10) days after the due date shall bear interest at the highest rate allowed by law from the due date thereof, per Section 55.03(1), Florida Statutes. This provision shall not obligate the Department to accept late rent payments or provide Lessee a grace period.

4. Use, Occupancy, and Maintenance

a. The Lessee shall be responsible for developing and operating the airspace as set forth herein.

b. The Lessee's proposed use of the airspace is as follows: Riverland Woods Park boat ramp and turn-around
area

c. The general design for the use of the airspace, including any facilities to be constructed, and the maps, plans, and sketches setting out the pertinent features of the use of the airspace in relation to the highway facility are set forth in composite Exhibit "B" attached hereto and by this reference made a part hereof. In addition, said composite Exhibit "B" also contains a three-dimensional description of the space to be used, unless the use is of a surface area beneath an elevated highway structure or adjacent to a highway roadway for recreation, public park, beautification, parking of motor vehicles, public mass transit facilities, or other similar uses, in which case, a metes and bounds description of the surface area, together with appropriate plans or cross sections clearly defining the vertical use limits, may be substituted for said three-dimensional description in said composite Exhibit "B".

d. Any change in the authorized use of the airspace or revision in the design or construction of the facility described in Exhibit "B" shall require prior written approval from the appropriate District Secretary of the Department, subject to concurrence by the FHWA.

e. The Department, through its duly authorized representatives, employees, and contractors, and any authorized FHWA representative, may enter the facility at any time for the purpose of inspection, maintenance, or reconstruction of the highway and adjacent facilities, when necessary; or for the purpose of surveying, drilling, monitoring well installations, sampling, remediation, and any other action which is reasonable and necessary to conduct an environmental assessment or to abate an environmental hazard.

f. Lessee, at Lessee's sole cost and expense, shall maintain the facility to occupy the airspace so as to assure that the structures and the area within the highway right of way boundaries will be kept in good condition, both as to safety and appearance. Such maintenance will be accomplished in a manner so as to cause no unreasonable interference with the highway use. In the event that Lessee fails to so maintain the facility, the Department, through its duly authorized representatives, employees, and contractors, may enter the facility to perform such work, and the cost thereof shall be chargeable to the Lessee and shall be immediately due and payable to the Department upon the performance of such work.

g. Portable or temporary advertising signs are prohibited.

h. The design, occupancy, and use of the airspace shall not adversely affect the use, safety, appearance, or enjoyment of the highway by smoke, fumes, vapors, odors, droppings, or any other objectionable discharges or emissions, or nuisances of any kind therefrom.

i. When, for the proposed use of the airspace, the highway requires additional highway facilities for the proper operation and maintenance of the highway, such facilities shall be provided by the Lessee without cost to either the Department or the FHWA and subject to both Department and FHWA approval.

j. The proposed use shall not cause or allow any changes in the existing drainage on the property under the airspace.

k. Lessee shall not occupy, use, permit, or suffer the airspace, the property, the facility, or any part thereof to be occupied or used for any illegal business use or purpose, for the manufacture or storage of flammable, explosive, or hazardous material, or any other hazardous activity, or in such manner as to constitute a nuisance of any kind, nor for any purpose or in any way in violation of any present or future federal, state, or local laws, orders, directions, ordinances, or regulations.

l. Any activities in any way involving hazardous materials or substances of any kind whatsoever, either as those terms may be defined under any state or federal laws or regulations, or as those terms are understood in common usage, are specifically prohibited. The use of petroleum products, pollutants, and other hazardous materials affecting the property is prohibited. Lessee shall be held responsible for the performance of and payment for any environmental remediation that may be necessary, as determined by the Department. Similarly, if any contamination either spread to or was released onto adjoining property as a result of Lessee's use of the airspace under lease, the Lessee shall be held similarly responsible. The Lessee shall indemnify, defend, and hold harmless the Department from any claim, loss, damage, cost, charge, or expense arising out of any such contamination.

m. Existing utilities and all corresponding easements shall remain in place and Lessee shall not disturb or interfere with the same.

5. Indemnification. To the extent provided by law, Lessee shall indemnify, defend, and hold harmless the Department and all of its officers, agents, and employees from any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by Lessee, its officers, agents, or employees, during the performance of the Agreement, except that neither Lessee, its agents, or its employees will be liable under this paragraph for any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by the Department or any of its officers, agents, or employees during the performance of the Agreement.

When the Department receives a notice of claim for damages that may have been caused by Lessee in the performance of services required under this Agreement, the Department will immediately forward the claim to Lessee. Lessee and the Department will evaluate the claim and report their findings to each other within fourteen (14) working days and will jointly discuss options in defending the claim. After reviewing the claim, the Department will determine whether to require the participation of Lessee in the defense of the claim or to require that Lessee defend the Department in such claim as described in this section. The Department's failure to promptly notify Lessee of a claim shall not act as a waiver of any right herein to require the participation in or defense of the claim by Lessee. The Department and Lessee will each pay its own expenses for the evaluation, settlement negotiations, and trial, if any.

Note: No longer required for local governments.

6. Insurance. Lessee at its expense, shall maintain at all times during the term of this Agreement, public liability insurance protecting the Department and Lessee against any and all claims for injury and damage to persons and property, and for the loss of life or property occurring in, on, or about the land arising out of the act, negligence, omission, nonfeasance, or malfeasance of Lessee, its employees, agents, contractors, customers, licensees, and invitees. Such insurance shall be carried in a minimum amount of not less than See Addendum _____ (\$ _____) for bodily injury or death to any one person or any number of persons in any one occurrence and not less than _____ (\$ _____) for property damage, or a combined coverage of not less than _____ (\$ _____). All such policies shall be issued by companies licensed to do business in the State of Florida and all such policies shall contain a provision whereby the same cannot be canceled or modified unless the Department is given at least sixty (60) days prior written notice of such cancellation or modification. Lessee shall provide the Department certificates showing such insurance to be in place and showing the Department as additional insured under the policies. If self-insured or under a risk management program, Lessee represents that such minimum coverage for liability will be provided for the property.

7. Termination

- a. This Agreement may be terminated by either party without cause upon thirty (30) days prior written notice to the other party.
- b. It is understood and agreed to by the Lessee that the Department reserves the right to terminate this Agreement immediately without prior notice, in the event the Lessee violates any of the conditions of this Agreement and such violation is not corrected within a reasonable time after written notice of noncompliance has been given. In the event the Agreement is terminated and the Department deems it necessary to request the removal of the facility on the property, the removal shall be accomplished by the Lessee in a manner prescribed by the Department at no cost to the Department or the FHWA.
- c. The Lessee must notify the Department of its intention to renew this Agreement not later than thirty (30) days prior to the expiration of the original term. Lessee's failure to comply with the foregoing notice provision may result in the Department's refusal to renew the Agreement.
- d. Upon termination of this Agreement, Lessee shall deliver the property to the Department, or its agents, in the condition existing at the commencement of this Agreement, normal wear and tear excepted, unless a facility, any improvement, or any part thereof has been constructed on the property.
- e. If removal of the facility, improvements, or any part thereof is requested by the Department, any such structures shall be removed by the Lessee at Lessee's expense by midnight of the day of termination of this Agreement and the property restored as nearly as practicable.
- f. This Agreement is terminable by the Department in the event that the facility ceases to be used for its intended purpose or is abandoned.

8. Eminent Domain

Termination of this Agreement for any cause shall not be deemed a taking under any eminent domain or other law so as to entitle Lessee to compensation for any interest suffered or lost as a result of termination of this Agreement, including any residual interest in the Agreement or any other facts or circumstances arising out of or in connection with this Agreement.

Lessee hereby waives and relinquishes any legal rights and monetary claims which it might have for full compensation, or damages of any sort, including special damages, severance damages, removal costs, or loss of business profits, resulting from Lessee's loss of occupancy of the property specified in this Agreement, or any such rights, claims, or damages flowing from adjacent properties owned or leased by Lessee as a result of Lessee's loss of occupancy of the property specified in this Agreement.
