including, without limitation, attorneys' fees through and including all trial and appellate levels, arising out of or from any accident or other occurrence, due to the negligent acts or omissions of Tenant, or its employees, invitees or agents, on or about the Premises, causing injury to any person whomsoever or damage to property whatsoever; and, against and from any and all claims and against and from any and all loss, cost, damage or expense arising out of the operation or possession of the Premises and any failure of Tenant in any respect to comply with and perform all of the requirements and provisions of this Lease. This indemnity shall apply to all losses including attorney fees as costs whether taxable or not.

ARTICLE XII
REMEDIES CUMULATIVE - WAIVER NOT TO BE INFERRED

Except to the extent specifically set forth in this Lease, no remedy herein or otherwise conferred upon or reserved to either party shall be considered exclusive of any other remedy but the same shall be cumulative and shall be in addition to every other remedy given hereunder or hereafter existing at law or in equity or by statute. Further, all powers and remedies given by this Lease to either party may be exercised from time to time and as often as occasion may arise or as may be deemed expedient.

No waiver of any breach of any covenant, agreement or provision of this Lease shall be construed or held to be a waiver of any other breach or waiver, acquiescence or as consent to any further or succeeding breach of the same covenant, agreement or provision.

ARTICLE XIII
SURRENDER UPON TERMINATION

Tenant covenants and agrees to and with Landlord that upon expiration of the Term, or earlier termination of this Lease, Tenant shall at once surrender and deliver up to Landlord the Premises in good and clean condition.

14.1 Condemnation. In the event that the whole of the Premises shall be condemned or taken in any manner for any public or quasi-public use or less than the whole of the Premises is condemned or taken and it is not economically feasible to continue to operate the remaining portion of the Premises, this Lease and the Term and estate hereby granted shall forthwith cease and terminate as of the date of vesting of title. In the event that only a part of the Premises shall be so condemned or taken (and it is economically feasible to operate the remaining portion of the Premises), then this Lease shall continue with no abatement in rent.

In the event of any condemnation or taking hereinabove mentioned of all or a part of the Premises, Landlord shall be entitled to receive the entire award in the condemnation proceeding, including any award made for the value of the estate vested by this Lease in Tenant, and Tenant hereby expressly assigns to Landlord any and all right, title and interest of Tenant now or hereafter arising in or to any part thereof, and Tenant shall be entitled to receive no part of such

award. Tenant shall, however, be entitled to claim, prove and receive in such condemnation proceeding such award as may be allowed for trade fixtures, alterations and improvements constructed by Tenant at its sole expense (amortized over the balance of the Term and Landlord being entitled to any remainder interest with respect thereto), and other equipment installed by Tenant, and for loss of business, but only if such award shall be in addition to the award payable to Landlord as set forth above.

14.2 Governmental Action Short of Physical Taking. In the case of any governmental action not resulting in the taking of any portion of the Premises, but creating a right to compensation therefor, such as, without limitation, a change of the grade of any street, this Lease shall continue in full force and effect without reduction or abatement of any Rent thereafter due and payable. Landlord shall be entitled to receive the entire amount of compensation made with respect to any such governmental action unless such taking results in a material interruption of business whereupon Tenant shall be entitled to separately claim in such condemnation proceeding such award for loss to its business as the law may allow.
