

Residential Tower

Beach Community Center

NE 32nd Ave

NE 33rd Ave

NE 33rd St

Key Concepts:

- Keeping the western edge of the park passive with shaded seating areas and movable furnishings.
- A centralized open green space with a meandering walking path around it.
- Activity pockets with toddler play area and exercise station.
- Trees and shrubs aligned with the location of the structural piers, with the larger vegetation placed mostly along the edges of the elevated structure.

Legend

1. Elevated Park Structure
2. Staircase and Elevator
3. Open Green Space
4. Shaded Seating Area
