Subject – Notification Request for Ft Lauderdale G T Lohmeyer FLA041378 Wastewater Treatment Biosolids

Dear Mr. Barker,

This letter serves to notify the FDEP that on September 15, 2014 or before with acceptance by all parties, a portion of the wastewater biosolids from G T Lohmeyer Plant FLA041378 through an agreement with Waste Management will be directed to the Wheelabrator South Broward, Inc. , South Broward Waste to Energy facility located at 4400 South State Road 7, Fort Lauderdale, Florida. The South Broward Waste to Energy facility is a permitted facility operating under Permit No. 0112119-019-AC/PSD-FL-105F, issued by the Florida Department of Environmental Protection. Project : Biosolids Combustion in Municipal Waste.

As noted in the Ft Lauderdale Wastewater Treatment Facility Permit, transferring biosolids to a Biosolids Treatment Facility requires submittal written notification to the Department at least 30 days before transport of the biosolids.

Respectively,
