MMD REALTY PARTNERS WITH THE DAN MARINO FOUNDATION.
REAL ESTATE MAKING A REAL DIFFERENCE.

November 13, 2013

PROVIDED BY
MICHELLE ROSS

Honorable Mayor and City Commissioners of Fort Lauderdale
100 N Andrews Avenue
Fort Lauderdale, FL 33301

Dear Mayor and Commissioners:

After searching numerous locations MMD Realty decided that Fort Lauderdale Beach would be the best location for our new offices which are now located in the Fort Lauderdale Central Beach area at 2896 East Sunrise Boulevard. Having recently viewed the plans for the Vintro Hotel project that is being proposed for 3029 Alhambra Street, we are compelled to express our enthusiastic support for this type of project that the Central Beach area lacks.

From researching the renewed development activities around Fort Lauderdale, we believe the design of this boutique hotel with ground breaking architectural detail is exactly the kind of development that is needed to continue the revitalization of the Central Beach area.

We are pleased as new central beach business owners to support bringing the Vintro Hotel chain to Fort Lauderdale beach.

Sincerely,
