Subject: FW: PEARL Resolution, 9/5, CC

Is it possible to change the unit count on the Pearl draft resolution to 331 from 327?

Please advise.

Randall – See the email from Robert below concerning the DRAFT resolution provided in the City Commission back up. Is it possible to have this amended before the meeting tomorrow?

If you have any questions or comments, please do not hesitate to contact me.

Can you call Randall? If need be, I can call the clerk but would be better if they could fix it before the meeting. I am tied up right now.
