RE: Beach-Access Park at NE 27th Street and Atlantic Blvd: **LOGGERHEAD PARK**  
name request.

Dear Phil,

Greetings! We would like to request your attention to name a park in our neighborhood.

The Lauderdale Beach Home Owners Association representing our community, would like to have the beach-access park located at NE 27th Street and Atlantic Boulevard named **LOGGERHEAD PARK**, with proper signage. We request signage to be uniform with that of Vista Park and Earl Lifshey Park, each located only blocks apart from one another.

Attached are the abbreviated LBHA minutes from Monday, October 13, 2014. As noted, the name, "Loggerhead Park" was unanimously agreed upon.

Please advise us what we can do to move this process forward. We appreciate all of the work that your division does for our community and neighborhood to keep it green, beautiful and well maintained. We want to do our part to work along with you and your team whenever possible.

Thank you for your consideration on this matter.

Kind regards,

Tracey Prazer
