LTC No: 25-212

TO: Honorable Mayor and Members of the Fort Lauderdale City Commission
FROM: Rickelle Williams, City Manager *RW*
DATE: October 29, 2025
SUBJECT: **New River Crossing Tunnel Initiative Update –
Request for Information**

The purpose of this Letter to the Commission (LTC) is to provide the City Commission with an update on the New River Crossing Tunnel Initiative. The most recent formal update was provided on September 30, 2025, via LTC No. 25-191.

On October 27, 2025, the City released a Request for Information (RFI) to gather insights from subject matter experts in the tunneling industry.

The RFI aims to elicit formal responses for subsequent market analysis as a follow-up to the discussions held during Industry Day on July 28, 2025. While the RFI does not request proposals, it invites qualified firms to share feedback on project delivery methods, innovative technologies, financing mechanisms, and timelines to aid in developing future procurement strategies. The information gathered will inform next steps in planning for the New River Crossing Tunnel, and assist in assessing market interest and capabilities in delivering this complex infrastructure project.

Key RFI Dates

- Open Date – October 27, 2025
- Question & Answer Period Closes – November 21, 2025
