hereinafter, "CITY"

and

RECITALS

A. LICENSEE is the General Contractor for the construction of the future Broward County Main Courthouse Parking Garage located on the Property (see **Exhibit "A"**) with a street address 612 S. Andrews Avenue. This Development Project is being constructed up to the property lines on all sides. At its East elevation it is constructed to approximately five feet West of the existing sidewalk on the West side of S.E. 1st Avenue between S.E. 6th Court and S.E. 7th Street ("License Area").

B. The erection of the Development Project is to progress in an "L" pattern, starting from the Northwest quadrant of the Development Site, proceeding to the South, and then to the Southeast quadrant of the Development Site. The staging of cranes and materials will be contained on the Development Site until just prior to the erection of the East wall. At that point it will be necessary for the Crane to exit the Development Site (and the building envelope) so that the erection of the Easterly building shell may be completed from the S.E. 1st Avenue right-of-way.

C. Upon proceeding to erection of the Eastern portion of the parking garage, construction will largely rely on precast members. The heaviest precast members at this portion of the Development Project range from 55,000 to 72,000 lbs. In order to hoist these members

up six floors and complete erection of the Development Project, a very large crane is required. LICENSEE has chosen to 250-ton fixed jib crawler Crane to safely hoist the precast members up the six-floor garage.

D. The dimensional requirements of the Crane combined with the Development Project being constructed up to the property lines will require the last portion of the Development Project to be built along the East elevation along S.E. 1st Avenue within the License Area.

E. The placement of cranes in the public rights-of-way is considered only as a last resort and the LICENSEE has confirmed to City staff that all other scenarios have been evaluated and that this is the only viable alternative. The conditions of the Engineering Permit will require that a pad be installed to evenly distribute loads under the Crane to safeguard subsurface utilities and to enhance the stability of the Crane.

F. Pursuant to City Code Section 25-7, the City Manager has the authority to close street, alleys and sidewalks for a period not to exceed 72 hours. In order to implement this phase of construction of the Development Project, the License Area within S.E. 1st Avenue will be required to be closed for a period of not less than two-weeks.

G. The Property and Right-Of-Way Committee reviewed the proposed temporary closure of S.E. 1st Avenue within the License Area and recommended approval of this Revocable License.

H. The City Commission has determined that the granting of a Revocable License so that LICENSEE can proceed with the Development Project serves a valid municipal purpose.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained in this Revocable License, and other good and valuable considerations, the adequacy and receipt of which are hereby acknowledged, the parties agree as follows:

17. Damage and Destruction. LICENSEE shall not by its possession, use, occupancy, operation, maintenance or repair of the respective License Area, suffer or permit any damage to the respective License Area or to the adjacent real property. If during the term of this Revocable License LICENSEE becomes aware that the Project Improvements within the any of the respective License Area have been damaged, destroyed or deteriorated in whole or in part by fire, casualty, obsolescence, failure to maintain or any other cause, and whether or not such destruction or damage is covered by any insurance policy on the Project, LICENSEE shall give to CITY immediate notice thereof, and LICENSEE shall:

(a) seek the necessary Permits and approvals from CITY and any other regulatory agency with jurisdiction over the License Area, Project Improvements or adjacent real property to repair, replace and rebuild the same or cause the same to be repaired, replaced or rebuilt as nearly as possible to their original condition; or

(b) to the extent that such destruction or damage affected the Project Improvements within the License Area or real property adjacent thereto, or any part thereof, if LICENSEE elects to remove such Project Improvements, LICENSEE shall seek the Permits and approvals, if any, required for such removal and cause such Project Improvements to be removed from the respective License Area and return the License Area to the condition that existed prior to the Effective Date of this Revocable License.

18. License, not Lease. It is acknowledged and stipulated by and between the parties hereto that this Revocable License shall not be deemed a lease of the License Area by CITY but rather a license granted to LICENSEE by CITY for the nonexclusive possession, use, occupancy, operation, maintenance, repair and replacement, from time to time, of the License Area for the conduct of the Project under the terms and conditions stated herein. LICENSEE acknowledges and understands the provisions of §§ 8.05 and 8.09 of the CITY Charter with respect to Leases.

19. Indemnity. LICENSEE shall protect, defend, indemnify and hold harmless the CITY, its officers, employees and agents from and against any and all lawsuits, penalties, damages, settlements, judgments, decrees, costs, charges and other expenses, including reasonable attorney's fees actually incurred, or liabilities of every kind, nature or degree arising out of or in connection with the rights, responsibilities and obligations of LICENSEE under this Revocable License, conditions contained therein, the location, construction, repair, maintenance use or occupancy by LICENSEE of the License Area or Project, or the breach or default by LICENSEE of any covenant or provision of this Revocable License except for any occurrence arising out of

or resulting from the intentional torts or gross negligence of the CITY, its officers, agents and employees. Without limiting the foregoing, any and all such claims, suits, causes of action relating to personal injury, death, damage to property, defects in construction, rehabilitation or restoration of any of the License Area by LICENSEE, alleged infringement of any patents, trademarks, copyrights or of any other tangible or intangible personal or real property right by LICENSEE, or any actual or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation or decree of any court by LICENSEE, is included in the indemnity. In regard to any indemnity granted in this Revocable License, LICENSEE and CITY agree as follows:

- (i) The indemnified party shall give written notice to the indemnifying party within forty-five (45) days after receiving notice of claims, loss, complaint, expense or cost that might be covered by an indemnity contained herein;
- (ii) The failure of an indemnified party to timely give the written notice required by subparagraph (i) above shall constitute a waiver and a release by the indemnified party of any claim that is otherwise would have had pursuant to any indemnity contained herein in connection with the claim, loss, complaint, expense or cost for which it failed to properly and timely give written notice to the indemnifying party; and
- (iii) The indemnifying party shall be entitled to defend and/or settle any claim or complaint with counsel of its choosing, subject to the prior approval of any chosen counsel or any settlement by the indemnified party, which approval shall not be unreasonably withheld, conditioned or delayed.

LICENSEE further agrees that upon proper and timely notice to investigate, handle, respond to, provide defense for, and defend any such claims at its sole expense and agrees to bear all other costs and expenses related thereto even if the claim is groundless, false or fraudulent and if called upon by the CITY, LICENSEE shall assume and defend not only itself but also the CITY in connection with any claims, suits or causes of action, and any such defense shall be at no cost or expense whatsoever to CITY, provided that the CITY (exercisable by the CITY's Risk Manager) shall retain the right to select counsel of its own choosing. This indemnification shall survive termination, revocation or expiration of the Revocable License and shall cover any acts or omissions occurring during the term of the Revocable License, including any period after termination, revocation or expiration of the Revocable License while any curative acts are undertaken.

20. Insurance. At all times during the term of this Revocable License Agreement, LICENSEE, at its expense, shall keep or cause to be kept in effect the following insurance coverages and shall further require such coverages from its subcontractor(s) for the Crane operations within the License Area:

21. Special Exception. It is agreed that this Revocable License is granted to LICENSEE for LICENSEE'S benefit, is a special exception to the CITY'S general policy and it is stipulated between the parties that this Revocable License shall be construed most strictly in favor of the CITY and against LICENSEE.

22. Remedies of CITY.

22.1 In the event the LICENSEE fails to perform or violates any of the terms or conditions of this Revocable License or is in breach or default in any term or condition hereof, CITY shall provide written notice thereof to LICENSEE and LICENSEE shall cure such violation within the time provided in such Notice, which such time for cure shall be reasonable in light of all the circumstances.

22.1.1 In the event the Contract Administrator finds that the LICENSEE has failed to timely cure such violation, the Contract Administrator shall provide written Notice thereof to LICENSEE and impose or assess a fine of \$1,000.00 per day for each and every day the violation continues beyond the date set in the Notice under Section 22.1.

22.1.2 LICENSEE shall provide written Notice to CITY when the violation has been cured. In the event the Contract Administrator finds the violation was not cured on the date alleged by LICENSEE, Contract Administrator shall provide LICENSEE with written Notice thereof. Contract Administrator shall provide written Notice to LICENSEE when Contract Administrator finds that the violation has been cured.

22.1.3 In the event LICENSEE disagrees with the Contract Administrator's (a) finding that a violation exists or continues to exist, or (b) imposition or assessment of a per diem fine, or (c) determination of the date of compliance or noncompliance, LICENSEE shall file a written Notice of Appeal to the City Manager within five (5) days of receiving notice of (a), (b) or (c) above.

22.1.4 Within ten (10) days of receiving a Notice of Appeal under Section 22.1.3, the City Manager shall hear presentations thereon and render a written Final Order thereon, serving a copy thereof upon LICENSEE. In deciding an Appeal filed under Section 22.1.3, the City Manager may affirm, reverse or

Revocable License
LICENSEE: Stiles Construction

modify, in whole or in part, the findings of the Contract Administrator. The City Manager may equitably adjust downward any fines in the interests of justice.

22.1.5 In the event LICENSEE contests the Final Order of the City Manager under Section 22.1.4 above, LICENSEE may file a Notice of Appeal with the CITY Clerk including all written arguments in support of contesting the Final Order. The City Commission shall review the Notice of Appeal and the written arguments in support of contesting the Final Order as soon as a hearing thereon may be reasonably scheduled. At the hearing on the Appeal, the City Commission shall hear presentations by the LICENSEE and City Manager and shall render an Order ("Order on Appeal") thereon affirming, reversing or modifying the Final Order in whole or in part.

22.1.6 Any fines resulting from the process set forth in Sections 22.1.1 through 22.1.5 shall be paid to CITY within sixty (60) days from the final adjudication resulting from that process.

22.1.7 LICENSEE hereby waives all right, title and interest to the issuance of any temporary, partial or final Certificate of Occupancy or Certificate of Completion for the Development Project during the period that any violations of the terms or conditions of this License still exist.

22.1.8 LICENSEE hereby waives all right, title and interest in issuance of any temporary, partial or final Certificate of Occupancy or Certificate of Completion for the Development Project during the period that any fines imposed have not been paid.

22.1.9 LICENSEE hereby waives all right, title and interest in and to any further building or engineering inspections during the period that any violations of the terms or conditions of this License still exist.

22.2 In the event the LICENSEE fails to timely cure the violation within the time specified in Section 22.1, the CITY, as an alternative to the procedures set forth in Sections 22.1.1 through 22.1.9, may

22.2.1 revoke or terminate this License in whole or in part as to any of the respective License Area; or

22.2.2 take any equitable action to enforce the terms and conditions of this Revocable License, it being stipulated by the parties that since this Revocable License deals with the right to use public easements and rights-of-way or CITY owned lands used for a municipal purpose a violation or breach of any term or condition of the Revocable License constitutes an irreparable injury to the public and CITY for which there is no adequate remedy at law; or

22.2.3 take such curative action that was required to be taken by the LICENSEE under the Revocable License and the cost and expense incurred in CITY's curative actions shall be passed on to and owed by LICENSEE, in which

Revocable License

case LICENSEE shall be liable for payment to CITY for all reasonable and necessary costs and expenses incurred by CITY in connection with the performance of the action or actions. LICENSEE shall reimburse CITY within sixty (60) days following written demand for payment thereof. Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum, compounded monthly, but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs or maintenance undertaken by CITY in accordance with this License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation.

22.3 [This subsection 22.3 is intentionally deleted.]

22.4 CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE's failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien. The remedies found within this Section 22, including all subsections thereof, are cumulative. The exercise of one does not preclude the exercise of any other remedy.

23. Requirement for Notice. LICENSEE shall give CITY prompt written notice of any accidents on, in, over, within, under and above any of the License Area.

24. Notices.

(a) Except as provided in subparagraph (c) below, whenever it is provided herein that notice, demand, request or other communication shall or may be given to, or served upon, either of the parties by the other, or either of the parties shall desire to give or serve upon the other any notice, demand, request or other communication with respect hereto or with respect to any matter set forth in this Revocable License, each such notice, demand, request or other communication shall be in writing and any law or statute to the contrary notwithstanding shall not be effective for any purpose unless the same shall be given by hand delivery, or by a nationally recognized overnight courier, or by mailing the same by registered or certified mail, postage prepaid, return receipt requested, addressed to the party at the address set forth below, or at such other address or addresses and to such other person or firm as LICENSEE may from time to time designate by notice as herein provided.

(b) All notices, demands, requests or other communications hereunder shall be deemed to have been given or served for all purposes hereunder upon receipt if by hand delivery, upon one (1) business day after deposit with such overnight courier as required above, or upon two (2) business days after deposit with the United States mail, postage prepaid, in the manner aforesaid, provided, however, that for any distance in excess of five hundred (500) miles, air mail service or Federal Express or similar carrier shall be utilized, if available.
