ARTICLE 3

THE WORK

- 3.1 The CONSTRUCTION MANAGER shall perform Pre-Construction Management Services as described in Exhibit "A", Scope of Services, attached hereto and incorporated herein. CONSTRUCTION MANAGER shall provide all services set forth in Exhibit A. CONSTRUCTION MANAGER shall provide all services set forth in Exhibit "A" including all necessary, incidental and related activities and services required by the Scope of Services and contemplated in CONSTRUCTION MANAGER's level of effort. CONSTRUCTION MANAGER will perform the Services in accordance with standard industry practices, with the care, knowledge and skill expected of similar CONSTRUCTION MANAGER's. No other warranties, express or implied are made or intended.
- 3.2 CITY and CONSTRUCTION MANAGER acknowledge that the Scope of Services does not delineate every detail and minor work tasks required to be performed by CONSTRUCTION MANAGER to complete the Project. If, during the course of the performance of the services included in this Agreement, CONSTRUCTION MANAGER determines that work should be performed to complete the Project which is in the CONSTRUCTION MANAGER's opinion, outside the level of effort originally anticipated, whether or not the Scope of Services identifies the work items, CONSTRUCTION MANAGER shall notify Contract Administrator and obtain written approval by the CITY in a timely manner before proceeding with the work. If CONSTRUCTION MANAGER proceeds with said work without notifying the Contract Administrator, said work shall be deemed to be within the original level of effort, whether or not specifically addressed in the Scope of Services. Notice to Contract Administrator does not constitute authorization or approval by CITY to perform the work. Performance of work by CONSTRUCTION MANAGER outside the originally anticipated level of effort without prior written CITY approval is at CONSTRUCTION MANAGER's sole risk.

- 3.3 CITY and CONSTRUCTION MANAGER acknowledge that Basic Services described in Exhibit "A" are included in the fee agreed upon. The CITY and CONSTRUCTION MANAGER may negotiate additional scopes of services, compensation, time of performance and other related matters for future phases of Project. If CITY and CONSTRUCTION MANAGER cannot contractually agree, CITY shall have the right to immediately terminate negotiations at no cost to CITY and procure services for future Project phases from another source.

ARTICLE 4 GENERAL PROVISIONS

- 4.1 Generally. CONSTRUCTION MANAGER shall perform and provide the Services and the Work required by, or reasonably implied by or inferable from, the Contract Documents, and shall pay for all labor, supervision, materials, supplies, furnishings, equipment and things required by the Contract Documents. In performing its duties hereunder, CONSTRUCTION MANAGER shall owe a duty of care consistent with its role as a CONSTRUCTION MANAGER while performing preconstruction services.
- 4.2 Standard of Care. CONSTRUCTION MANAGER shall perform the Work at a level, and be judged by a standard of care that is consistent with the standards and quality prevailing among first-rate, nationally recognized construction management and general contracting firms of superior knowledge, skill and experience engaged in projects of similar size and complexity. CONSTRUCTION MANAGER shall carry out and complete the Work in an efficient, economical and timely manner, as expeditiously as is consistent with the level of skill and care required hereby and the interests of CITY, and in strict accordance with the Contract Documents.
- 4.3 CONSTRUCTION MANAGER shall include CITY's specific project number as part of the heading on all correspondence, invoices and the GMP Proposal. All correspondence shall be directed specifically to the Contract Administrator.
- 4.4 Communications in Writing. All communications relating to the Project between CONSTRUCTION MANAGER and the CITY shall be in writing, or as applicable, shall be confirmed in writing.
- 4.5 Duty to Correct. CONSTRUCTION MANAGER shall promptly correct any errors, omissions, deficiencies or conflicts in its Work, as defined in Article 3, at its own cost and without additional compensation or reimbursement, and CONSTRUCTION MANAGER shall not be compensated or reimbursed for performing any services necessitated by its failure to perform in strict accordance with the Contract Documents.
- 4.6 Standards and Codes. Wherever references are made in the Contract to standards or codes in accordance with which Work is to be performed or tested, the edition or revision of the standards or codes current on the effective date of this Contract shall apply, unless otherwise expressly set forth. Unless otherwise specified, reference to such standards or codes is solely for implementation of the technical portions of such standards and codes. In case of conflict among any

referenced standards and codes, or between any referenced standards and codes, which are later revised during the course of construction, the Owner will determine which shall govern. Construction Manager acknowledges that compliance with code requirements represents minimum standards for construction, and is not evidence that the Work has been completed in accordance with the Contract Documents.

ARTICLE 5 PRIORITY OF PROVISIONS

- 5.1 The Contract Documents are intended to include all items necessary for the proper execution and completion of the work by CONSTRUCTION MANAGER. Any labor, services, materials, supplies, equipment or documentation that may reasonably be inferred from the Contract Documents or trade usage from prevailing custom as being required to produce the indicated result will be provided whether or not specifically called for, at no additional cost to CITY. The Contract Documents are complementary, and wherever possible the provisions of the Contract Documents shall be construed in such manner as to avoid conflicts between provisions of the various Contract Documents. In the event of any inconsistency in the Contract Documents, where such inconsistency is not clarified by change order, addendum or amendment, the Contract Documents shall be construed according to the following priorities:

First priority: Specific written direction from the City Manager (or designee)

Second priority: Approved Change Orders, Addendums or Amendments to all related documents.

Third priority: Specifications (quality) and Drawings (location and quantity) of CONSTRUCTION MANAGER.

Fourth priority: This AGREEMENT

Fifth priority: City of Fort Lauderdale Request for Qualifications 12309-296, incorporated herein by reference.

Sixth priority: CONSTRUCTION MANAGER'S response to City of Fort Lauderdale Request for Qualifications 12309-296, incorporated herein by reference.

- 5.2 Anything shown on the drawings and not mentioned in the specifications, or mentioned in the specifications and now shown on the drawings, shall have the same effect as if shown or mentioned respectively in both. In the event of a conflict among the Contract Documents, the latest, most stringent, and more technical requirement(s), including, but not limited to, issues of quantities or cost of the Work shall control.

Reference to standard specifications, manuals, rules, regulations, ordinances, laws or codes of any governmental authority, whether such reference be specific or by implication, shall mean the latest standard specification, manual, rule, regulation, ordinance, law or code in effect at the time of permit submittal.

ARTICLE 6
TERM OF AGREEMENT; TIME FOR PERFORMANCE

- 6.1 CONSTRUCTION MANAGER shall perform the basic services described in Exhibit "A" within the time periods specified in a mutually agreed upon Project schedule, developed before commencement of work and made a part of this Agreement. The Project schedule, once complete, shall be automatically incorporated into this Agreement; said time periods shall commence from the date of the Notice to Proceed for such services.
- 6.2 Prior to beginning the performance of any services under this Agreement, CONSTRUCTION MANAGER must receive a Notice to Proceed and a purchase order. CONSTRUCTION MANAGER must receive written approval from the Contract Administrator prior to beginning the performance of services in any subsequent phases of the Agreement. Prior to granting approval for CONSTRUCTION MANAGER to proceed to a subsequent phase, the Contract Administrator may, at his or her sole option, require CONSTRUCTION MANAGER to submit itemized deliverables for the Contract Administrator's review.
- 6.3 In the event CONSTRUCTION MANAGER is unable to complete the above services because of delays resulting from untimely review by CITY or other governmental authorities having jurisdiction over the Project, or for the untimely delivery of updated preliminary or final Plans and Specifications by CONSULTANT, and such delays are not the fault of CONSTRUCTION MANAGER, or because of delays which were caused by factors outside the control of CONSTRUCTION MANAGER, CITY shall grant a reasonable extension of time for completion of the services and shall provide reasonable compensation, if appropriate. It shall be the responsibility of the CONSTRUCTION MANAGER to notify CITY promptly in writing whenever a delay in approval by a governmental agency is anticipated or experienced, and to inform CITY of all facts and details related to the delay.
- 6.4 The time for the performance of services described in Exhibit "A," Scope of Services and supplemental Change Orders shall be negotiated by the CITY and the CONSTRUCTION MANAGER as the services are requested and authorized by the CITY.
- 6.5 The Term of this Agreement shall be limited to the time required to complete the Basic Services of the Project and any approved Change Orders for additional services.
- 6.6 At or before the completion date for this contract, CONSTRUCTION MANAGER, following completion of cost estimating, value engineering, and other services (as set forth in subsequent sections of this Agreement and Exhibit "A" – Scope of Services) will tender to the CITY a written Guaranteed Maximum Price (GMP) for final completion of this Project. Construction Manager represents that the GMP embodies the total cost for a complete and functioning Project.

The CITY, by and through the Contract Administrator, Project Manager, and/or other CITY personnel, will have the opportunity to negotiate the amount of the GMP with the CONSTRUCTION MANAGER. In the event a GMP, which is satisfactory to CITY personnel, in their reasonable discretion, is not agreed upon in writing, the CITY reserves the right to terminate this Contract for convenience and the CONSTRUCTION MANAGER will immediately tender all documents, in accordance with applicable provisions of this agreement. The CONSTRUCTION MANAGER shall have no recourse from this termination and the CITY shall take such documents, as defined, in 11.1 herein. Conditions precedent to a Phase II contract for this Project are the satisfactory completion of Phase I and an agreed upon GMP. If a GMP is agreed to by the CONSTRUCTION MANAGER and CITY, a separate (Construction) agreement will be submitted to City Commission for approval.

ARTICLE 7 COMPENSATION AND METHOD OF PAYMENT

7.1 AMOUNT AND METHOD OF COMPENSATION

7.1.1 Not To Exceed Amount Compensation

CITY agrees to pay CONSTRUCTION MANAGER as compensation for performance of basic services as related to Exhibit "A" required under the terms of this Agreement up to a Not to Exceed Amount of **Seventy-Six Thousand, Seven Hundred and Ninety Dollars (\$76,790.00)**. It is agreed that the method of compensation is that of "Not to Exceed Amount" which means that CONSTRUCTION MANAGER shall perform all services set forth in Exhibit "A" for total compensation in the amount of or less than that stated above. The total hourly rates payable by CITY for each of CONSTRUCTION MANAGER's employee categories are shown on Exhibit "B."

Except as required and provided for by the Florida Local Government Prompt Payment Act, City shall not be liable for interest for any reason, whether as prejudgment interest or for any other purpose, and in furtherance thereof Contractor waives, rejects, disclaims and surrenders any and all entitlement it has or may have to receive interest in connection with a dispute or claim based on or related to this Agreement.

A not to exceed proposal shall be accompanied by the CONSTRUCTION MANAGER's estimate. The estimate shall detail the direct labor costs by categories of employees, work hours, and hourly rate; overhead; direct non-salary expenses including Reimbursables; and profit, or as required by individual Task Order.

7.2 METHOD OF BILLING

7.2.1 Not To Exceed Amount Compensation

CONSTRUCTION MANAGER shall submit billings, which are identified by the specific project number on a monthly basis in a timely manner for all salary costs and Reimbursables attributable to the Project. These billings shall identify the nature of the work performed for each phase, subtask, deliverable and item identified in the Exhibit "A" Scope of Services or Task Order, the total hours of work performed and the employee category of the individuals performing same. Billings shall itemize and summarize Reimbursables by category and identify same as to the personnel incurring the expense and the nature of the work with which such expense was associated. Where prior written approval by Contract Administrator is required for Reimbursables, a copy of said approval shall accompany the billing for such Reimbursables. The statement shall show a summary of salary costs with accrual of the total and credits for portions paid previously. CONSTRUCTION MANAGER's Subconsultant and Subcontractor fees must be documented by copies of invoices or receipts, which describe the nature of the expenses and contain a project number or other identifier, which clearly indicates the expense, as identifiable to the Project. Except for meals and travel expenses, it shall be deemed unacceptable for the CONSTRUCTION MANAGER to modify the invoice or receipt by adding a project number or other identifier. Internal expenses must be documented by appropriate CONSTRUCTION MANAGER's cost accounting forms with a summary of charges by category. When requested, CONSTRUCTION MANAGER shall provide backup for past and current invoices that records hours and salary costs by employee category and CONSTRUCTION MANAGER's Subconsultant and Subcontractor fees on a task basis, so that total hours and costs by task may be determined.

7.3 METHOD OF PAYMENT

7.3.1 CITY shall pay CONSTRUCTION MANAGER in accordance with the Florida Prompt Payment Act. To be deemed proper, all invoices must comply with the requirements set forth in this Agreement and must be submitted on the form and pursuant to instructions prescribed by Contract Administrator.

7.3.2 CITY will review CONSTRUCTION MANAGER's invoices and, if inaccuracies or errors are discovered in said invoice, CITY will inform CONSTRUCTION MANAGER within ten (10) working days by fax and/or by email of such inaccuracies or errors and request that revised copies of all such documents be re-submitted by CONSTRUCTION MANAGER to CITY.

7.3.3 Payments shall be made by CITY to CONSTRUCTION MANAGER using a CITY P-Card (MasterCard or Visa credit card).

ARTICLE 8
AMENDMENTS AND CHANGES IN SCOPE OF SERVICES

- 8.1 No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written Amendment prepared with the same formality as this Agreement and executed by the CITY and CONSTRUCTION MANAGER.
- 8.2 CITY or CONSTRUCTION MANAGER may request changes that would increase, decrease, or otherwise modify the Scope of Services to be provided under a Change Order. Such changes must be contained in a written amendment, executed by the parties hereto, with the same formality and of equal dignity herewith, prior to any deviation from the terms of the Change Order including the initiation of any additional services. CITY shall compensate CONSTRUCTION MANAGER for such additional services as provided in Article 7.
- 8.3 In the event a dispute between the Contract Administrator and CONSTRUCTION MANAGER arises over whether requested services constitute additional services and such dispute cannot be resolved by the Contract Administrator and CONSTRUCTION MANAGER, such dispute shall be promptly presented to the City Manager for resolution. The City Manager's decision shall be final and binding on the parties for amounts in the aggregate under \$100,000 per project. In the event of a dispute in an amount over \$100,000, the parties agree to use their best efforts to settle such dispute. To this effect, they shall consult and negotiate with each other, in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties. If they do not reach such solution within a period of sixty (60) days, then upon notice to the other, either party may commence litigation to resolve the dispute in Broward County, Florida. Any resolution in favor of CONSTRUCTION MANAGER shall be set forth in a written document in accordance with Section 8.2 above. During the pendency of any dispute, CONSTRUCTION MANAGER shall promptly perform the disputed services.

ARTICLE 9
CONSTRUCTION MANAGER'S RESPONSIBILITIES

- 9.1 The CONSTRUCTION MANAGER, following the CITY's approval of the GMP Proposal, shall, when so directed and authorized by the CITY, through the completion of a Construction Agreement, obtain bids and award subcontracts for the construction of the Project, as specified in more detail in a separate Construction Agreement. MANAGER shall, at the CITY's direction, meet with CITY and its CONSULTANTS to redesign said Project and/or work with the CITY to reduce the costs of the Work to be included within the GMP Proposal to be within the Final Statement of Probable Construction Costs at no additional expense to the CITY. If negotiations between the CITY and the CONSTRUCTION MANAGER have not commenced within three months after completion of the final design phase, or if industry-wide prices are changed because of unusual or unanticipated events affecting the general level of prices or times of delivery in the construction industry, the established Construction Cost Limit may be adjusted in accordance with the applicable change in the Construction Cost Index for Twenty Cities from the date of completion of the final design phase and the date on which proposals are sought, as published monthly in "Engineering News Record". If each Project scope and design is expanded by the CITY after the CONSTRUCTION MANAGER provides its GMP Proposal based upon the final Plans and Specifications, the CONSTRUCTION MANAGER shall not be responsible for any redesign without compensation.

- 9.3 The CONSTRUCTION MANAGER shall provide the CITY with a list of recommended, prospective bidders as discussed more in a Construction Agreement.

performance of the Contract; and all other matters which would be reasonably known to a licensed general contractor with expertise in streetscape and related infrastructure construction as in any way affecting performance of the Contract, or the cost associated with such performance. The failure of Construction Manager to acquaint itself with any applicable condition will not relieve it from the responsibility for properly estimating either the difficulties or the costs of successfully and timely performing the Contract.

- 9.9 The Construction Manager shall, at its expense, as requested by Owner, attend any and all meetings called by Owner to discuss the Work under the Contract. Such meetings shall be conducted and recorded by the Owner with typed minutes of each meeting distributed to all attendees.

- 10.6 The CITY shall maintain a record of all Change Orders which shall be categorized according to the various types, causes, etc. that it may be determined are useful or necessary for its purpose.

ARTICLE 11
MISCELLANEOUS

11.1 OWNERSHIP OF DOCUMENTS

Drawings, specifications, designs, models, photographs, reports, surveys and other data prepared in connection with this Agreement related to the Project are and shall remain the property of the CITY whether the Project for which they are made is executed or not, and are subject to reuse by the CITY in accordance with Section 287.055(10) of the Florida Statutes. They are not intended or represented to be suitable for reuse by the CITY or others on extensions of this Project or on any other project without appropriate verification or adaptation. This does not, however, relieve the CONSTRUCTION MANAGER of liability or legal exposure for errors or negligent acts made on the part of the CONSTRUCTION MANAGER in connection with the proper use of documents prepared under this Agreement. This shall not limit the CITY's reuse of preliminary or developmental plans or ideas incorporated therein, should the Project be suspended or terminated prior to completion.

11.2 SUSPENSION

Owner may, at its sole option, suspend, at any time, the performance of all or any portion of Work to be performed under the Contract. Owner will notify Construction Manager of such decision, in writing. Such notice of suspension of work may designate the amount and type of plant, labor and equipment to be committed to the Work site. During the period of suspension, Construction Manager shall use its best efforts to utilize its plant, labor and equipment in such a manner as to minimize costs associated with suspension.

11.2.1 Upon receipt of any such written notice, Construction Manager shall, unless the notice requires otherwise:

1. immediately discontinue work on the date and to the extent specified in the notice;
2. place no further orders or subcontracts for material, services, or facilities with respect to suspended work other than to the extent required in the notice;
3. promptly make every reasonable effort to obtain suspension, upon terms satisfactory to Owner, of all orders, subcontracts and rental agreements to the extent they relate to performance of work suspended;
4. continue to protect and maintain the Work including those portions on which work has been suspended, and
5. take any other reasonable steps to minimize costs associated with such suspension.

11.2.2 In addition to all amounts that would otherwise be due for Work performed prior to the suspension, as compensation for such suspension, Construction Manager will be reimbursed for the following verifiable costs (without profit) and without duplication of any item, to the extent that such costs directly result from such suspension of work:

1. A standby charge to be paid to Construction Manager during the period of suspension of work which standby charge shall be sufficient to compensate Construction Manager for keeping, to the extent required in the notice, its organization and equipment committed to the Work in a standby status;
2. All reasonable costs associated with mobilization and demobilization of Construction Manager's plant, forces and equipment;
3. An equitable amount to reimburse Construction Manager for the cost of maintaining and protecting that portion of the Work upon which work has been suspended; and
4. If as a result of any such suspension of Work the cost to Construction Manager of subsequently performing Work is increased or decreased, an equitable adjustment will be made in the GMP.

11.2.3 In no event shall the Construction Manager be entitled to assert a claim for home office overhead in accordance with the Eichleay Formula, or otherwise, in the event of an Owner suspension. Upon receipt of notice to resume suspended work, Construction Manager shall immediately resume performance of the suspended work to the extent required in the notice. Any claim on the part of Construction Manager for time and/or compensation arising from suspension shall be made within twenty-one (21) calendar days after receipt of notice to resume work and Construction Manager shall submit for review a revised construction schedule. No adjustment shall be made for any suspension to the extent that performance would have been suspended, delayed, or interrupted by any Construction Manager's non-compliance with the requirements of this Contract.

11.3 DECLARATION OF DEFAULT

The failure of the Construction Manager a) to supply enough properly skilled workers or materials, or b) its failure to make prompt payments to subcontractors/subconsultants, or for materials or labor, or c) to obey laws, ordinances, rules, regulations or orders of public agencies having jurisdiction, or d) to comply in any way with the Contract Documents, shall be sufficient grounds for the Owner to find the Construction Manager in material default, and that sufficient cause exists to terminate the Contract for cause, and to withhold payment or any part thereof until the cause or causes giving rise to the default has/have been eliminated by the Construction Manager and approved by the Owner. If a finding of default is made by the Owner, the Construction Manager and its Surety shall remain responsible for performance of the requirements of the Contract

Documents unless and until the Owner terminates the Contract. Upon a finding of default, the Owner shall set a reasonable time, but in no event in excess of seven (7) calendar days after written notice from Owner detailing the default, within which the Construction Manager and its Surety shall eliminate the cause or causes of default. When the basis for finding of default no longer exists, the Owner shall notify the Construction Manager and its Surety, in writing, that the default has been corrected, and that the Construction Manager is no longer in default. If the Construction Manager fails to correct the default within the time allowed, the Owner, without further notice to Construction Manager or its Surety, may immediately terminate the Contract and the employment of the Construction Manager, without otherwise waiving its rights against the Construction Manager or its Surety.

11.4 TERMINATION

11.4.1 Termination for Cause. It is expressly understood and agreed that the CITY may terminate this Agreement at any time for cause in the event that the CONSTRUCTION MANAGER (1) violates any provisions of this Agreement or performs same in bad faith or (2) unreasonably delays the performance of the services or does not perform the services in a timely manner upon written notice to the CONSTRUCTION MANAGER. Notice of termination shall be provided in accordance with Section 11.29. In the case of termination by the CITY for cause, the CONSTRUCTION MANAGER shall be first granted a 10-working day cure period after receipt of written notice from the CITY. In the event that the Agreement is terminated, the CONSTRUCTION MANAGER shall be entitled to be compensated for the services rendered from the date of execution of the Agreement up to the time of termination. Such compensation shall be based on the fee as set forth above, wherever possible. For those portions of services rendered to which the applicable fee cannot be applied, payment shall be based upon the appropriate rates for the actual time spent on the project. In the event that the CONSTRUCTION MANAGER abandons this Agreement or through violation of any of the terms and conditions of this Agreement, causes it to be terminated, CONSTRUCTION MANAGER shall indemnify the CITY against any loss pertaining to this termination.

All finished or unfinished documents, data, studies, surveys, maps, models, photographs and reports prepared by CONSTRUCTION MANAGER shall become the property of CITY and shall be delivered by CONSTRUCTION MANAGER to the CITY within five (5) days of CITY's request. Upon payment of such sum by CITY to CONSTRUCTION MANAGER, CITY shall have no further duties or obligations pursuant to or arising from this Agreement.

11.4.2 This Agreement may also be terminated by CITY upon such notice as CITY deems appropriate in the event City Manager or Contract Administrator determines that termination is necessary to protect the public health, safety, or welfare.

11.4.3 Notice of termination shall be provided in accordance with Section 11.27, NOTICES, except that Contract Administrator may provide a prior verbal stop work order if the Contract Administrator deems a stop work order of this Agreement in whole or in part is necessary to protect the public's health, safety, or welfare. A verbal stop work order shall be promptly confirmed in writing as set forth in Section 11.27, NOTICES.

11.4.4 Termination for Convenience. In the event this Agreement is terminated for convenience, CONSTRUCTION MANAGER shall be paid for any services performed and accepted by CITY to the date the Agreement is terminated. Compensation shall be withheld until all documents specified in Section 11.3 of this Agreement are provided to the CITY. Upon being notified of CITY's election to terminate, CONSTRUCTION MANAGER shall refrain from performing further services or incurring additional expenses under the terms of this Agreement. Under no circumstances shall CITY make payment for services which have not been performed or deemed unacceptable.

11.4.5 Termination by CONSTRUCTION MANAGER. CONSTRUCTION MANAGER shall have the right to terminate this Agreement upon substantial breach by the CITY of its obligation under this Agreement as to unreasonable delay in payment or non-payment of undisputed amounts. CONSTRUCTION MANAGER shall have no right to terminate this Agreement for its convenience.

11.4.6 Cancellation for Unappropriated Funds. 1. Scope Of Services

The anticipated scope of work includes, but not limited to: street roadway improvements; water, sewer, and drainage improvements; signing and pavement markings; new landscaping and irrigation, new sidewalks; hardening and/or overhead utility to conversion (undergrounding); and new lighting. Other improvements may also be necessary and determined during the design process. The proposed improvements provided for in this project may not occur at the same time and phased as necessary. Phasing may be subject to funding availability as well.

The anticipated Scope of Services may include, but is not limited, to the following:

- Working side-by-side with the CITY contracted professional engineering team during the design stages. CONSTRUCTION MANAGER will be tasked to review plans at 30%, 60%, 90% and 100% to ensure constructability, adequacy of pricing and materials, preparation of project schedules, conducting feasibility analyses, assisting with site plans and/or design alternative and recommendations and preliminary cost estimates leading to a Guaranteed Maximum Price (GMP). Contractor shall help identify any design restrictions that could affect the overall design and intent of the project(s).
- Preparation of a detailed cost estimate at the 30%, 60% and 90% design intervals to confirm initial budget allocations and/or to seek CITY's advice before proceeding with next level and final designs. The CONSTRUCTION MANAGER will be responsible for cost controls throughout the design and construction project except for design and construction elements added or deleted by an expressed CITY directive.
- CONSTRUCTION MANAGER may be requested to participate in presentations to elected officials, advisory boards, staff, and the public.
- CONSTRUCTION MANAGER shall work with design team members to prepare all required bidding and construction documents for final permitting.
- CONSTRUCTION MANAGER will prepare bidding packages and secure no less than three (3) proposals for work not conducted by own work forces.
- Attendance at City Commission, Advisory Committee meetings, and public meeting may be required.

2. Tasks/Deliverables

CONSTRUCTION MANAGERS will provide constructability analysis and value engineering review at various intervals (30-60-90%) for CITY staff review. Due to the requirement that the Contractor(s) be readily available for meetings, discussions and tours within the affected areas of responsibility, it will be necessary for any Qualifier to have an office physically located within the tri-county areas of Miami- Dade, Broward or Palm Beach County. This office must be an active facility from which services are routinely provided and not merely a post office box or other type of mail drop, nor can it be the office of simply a representative agent. The CITY reserves the right to inspect any facility designated by the Qualifier to insure that it complies with this section.

SCOPE OF WORK

The CONSTRUCTION MANAGER may be responsible for both preconstruction and construction phases of the project and/or may be responsible for only the construction phase on projects, depending on the determination of the CITY for each particular project. Generally, the selected CONSTRUCTION MANAGER will be responsible for the successful, timely, and economical completion of each project. CONSTRUCTION MANAGER is encouraged to self-perform any of the general services listed herein. The CONSTRUCTION MANAGER may retain necessary design professionals under the process provided in Florida Statute Section 287.055. The types of services required may include, but shall not be limited to, the following.

Preconstruction:

- A. Review and coordination of the proposed work that the architect, engineer and/or the owner prepare for the project, within the existing site conditions.
- B. Submit to the architect, engineer and owner for consideration appropriate cost and savings programs (value engineering), suitability of materials and equipment and schedule of construction.
- C. Coordinate competitive bidding and contracting for trade subcontractors.
- D. Calculate and provide a GMP for the project or each phase of the project.
- E. Provide a preliminary construction schedule.

Guaranteed Maximum Price:

The CONSTRUCTION MANAGER shall prepare and submit a Guaranteed Maximum Price (GMP) proposal to the CITY after completion of the pre-construction services. The GMP proposal must be prepared in accordance with the guideline and delivered in the format specified by the CITY. The CITY, at its sole option and discretion, may specify different requirements for the GMP proposal. The CONSTRUCTION MANAGER shall not withdraw its Guaranteed Maximum Price proposal for ninety (90) days following submission to the CITY.

The CONSTRUCTION MANAGER shall submit the GMP proposal in a bound format which shall include but not limited to the following:

- Cover sheet including project title and CITY project number.
- Summary sheet of GMP Proposal including subcontractor bids, allowances, contingencies, bonds, insurance, conditions, and exclusions. This sheet shall also contain contract time, construction start date, date of submittal completion, date of final completion, critical path schedule, and proposes work hours.
- Schedule of costs
- Detailed summary of general conditions.
- Allowance list statement amount and uses.
- Proposed subcontractor list.
- List of all solicited contractors.
- Subcontractor bid sheets with proposed selected contractors highlighted.
- Plans, drawings, and specifications specific to the GMP.
- Any supporting documents reference in the GMP.

After appropriate general review, and comparison of the initial GMP proposed by the CONSTRUCTION MANAGER with the CITY's projected budget, the CITY may accept, or reject the GMP proposed by the CONSTRUCTION MANAGER, or attempt to negotiate its amount and its terms and conditions with the CONSTRUCTION MANAGER.

At such time the GMP preparation process results in a mutually agreeable GMP value, the CITY will document its acceptance thereof in writing and both parties shall execute a contract amendment for the project that incorporates the GMP and its supporting documents into the contract. The CONSTRUCTION MANAGER scope of basic and additional services shall be detailed and subject to a final determination of the project scope and size and careful negotiation and coordination between the selected CONSTRUCTION MANAGER and the CITY.

CMAR shall also identify and help resolve other issues that might affect the aesthetics and longevity of the final work product and to mitigate logistical construction constraints. A cost estimate will be performed at 30% and 60% design development stages to help determine the budget and to keep the project on track.

Task 1 – \$19,330.00

Task 2: Traffic Control Plan:

The CMAR will develop a traffic control plan which will provide coordinated adequate accessibility to parking and businesses. The Traffic Control Plan shall address typical rush hour traffic loading and provide for construction sequencing that will optimize the coordinated construction schedule along the work corridor

Task 2 – \$2,200.00

9. BROADENED WHO IS AN INSURED

SECTION II – WHO IS AN INSURED is deleted and replaced with the following:

1. If you are designated in the Declarations as:

- a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.
 - b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.
 - c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.
 - d. An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.
 - e. A trust, you are an insured. Your trustees are also insureds, but only with respect to their duties as trustees.
2. Each of the following is also an insured:
- a. Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees," other than either your "executive officers," (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insured for:
 - (1) "Bodily injury" or "personal and advertising injury":
 - (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

 - b. Any person (other than your "employee" or "volunteer worker"), or any organization while acting as your real estate manager.

Includes copyrighted material of Insurance Services Office, Inc.

e. Your subsidiaries if:

- (1)** They are legally incorporated entities; and
- (2)** You own more than 50% of the voting stock in such subsidiaries as of the effective date of this policy.

If such subsidiaries are not shown in the Declarations, you must report them to us within 180 days of the inception of your original policy.

f. Any person or organization, including any manager, owner, lessor, mortgagee, assignee or receiver of premises, to whom you are obligated under a written contract to provide insurance such as is afforded by this policy, but only with respect to liability arising out of the ownership, maintenance or use of that part of any premises or land leased to you, including common or public areas about such premises or land if so required in the contract.

However, no such person or organization is an insured with respect to:

- (1)** Any "occurrence" that takes place after you cease to occupy or lease that premises or land; or
- (2)** Structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

g. Any state or political subdivision but only as respects legal liability incurred by the state or political subdivision solely because it has issued a permit with respect to operations performed by you or on your behalf.

However, no state or political subdivision is an insured with respect to:

- (1)** "Bodily injury", "property damage", and "personal and advertising injury" arising out of operations performed for the state or municipality; or
- (2)** "Bodily injury" or "property damage" included within the "products-completed operations hazard."

h. Any person or organization who is the lessor of equipment leased to you to whom you are obligated under a written contract to provide insurance such as is afforded by this policy, but only with respect to their liability arising out of the maintenance, operation or use of such equipment by you or a subcontractor on your behalf with your permission and under your supervision.

However, no such person or organization is an insured with respect to any "occurrence" that takes place after the equipment lease expires.

i. Any architect, engineer, or surveyor engaged by you under a written contract but only with respect to liability arising out of your premises or "your work."

However, no architect, engineer, or surveyor is an insured with respect to "bodily injury," "property damage," or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services by or for you, including:

- (1)** The preparing, approving, or failing to prepare or approve maps, drawings, opinions, reports, surveys, change orders, designs or specifications; or
- (2)** Supervisory, inspection, or engineering services.

This paragraph **i.** does not apply if a separate Additional Insured endorsement providing liability coverage for architects, engineers, or surveyors engaged by you is attached to the policy.

If the written contract, written agreement, or certificate of insurance requires primary and non-contributory coverage, the insurance provided by paragraphs **f.** through **i.** above will be primary and non-contributory relative to other insurance available to the additional insured which covers that person or organization as a Named Insured, and we will not share with that other insurance.

3. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
- a. Coverage under this provision is afforded until the end of the policy period.
 - b. Coverage **A** does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization.
 - c. Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.
 - d. Coverage **A** does not apply to "product recall expense" arising out of any withdrawal or recall that occurred before you acquired or formed the organization.
4. Any person or organization (referred to below as vendor) with whom you agreed under a written contract to provide insurance is an insured, but only with respect to "bodily injury" or "property damage" arising out of "your products" that are distributed or sold in the regular course of the vendor's business.

However, no such person or organization is an insured with respect to:

- a. "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement.
- b. Any express warranty unauthorized by you;
- c. Any physical or chemical change in "your product" made intentionally by the vendor;
- d. Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;
- e. Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of "your products";
- f. Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of "your product";
- g. "Your products" which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor.
- h. "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:
 - (1) The exceptions contained in subparagraphs **d.** or **f.**; or
 - (2) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

This paragraph 4. does not apply to any insured person or organization from which you have acquired "your product", or any ingredient, part, or container, entering into, accompanying or containing "your product". This paragraph 4. also does not apply if a separate Additional Insured endorsement, providing liability coverage for "bodily injury" or "property damage" arising out of "your product" that is distributed or sold in the regular course of a vendor's business, is attached to the policy.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

10. INCIDENTAL MALPRACTICE LIABILITY

As respects provision 9., **SECTION II – WHO IS AN INSURED**, paragraph 2.a.(1)(d) does not apply to any “employee” who provides incidental medical or paramedical services, provided that you are not engaged in the business or occupation of providing such services. This incidental malpractice coverage is excess over any available medical professional liability coverage.

Under **SECTION III – LIMITS OF INSURANCE**, provisions 11. through 14. of this endorsement amend the policy as follows:

11. AGGREGATE LIMITS PER PROJECT

The General Aggregate Limit applies separately to each of your construction projects away from premises owned by or rented to you.

12. AGGREGATE LIMITS PER LOCATION

The General Aggregate Limit applies separately to each of your locations, but only when required by written contract, written agreement or certificate of insurance. As respects this provision 12., your locations are premises you own, rent or use involving the same or connecting lots or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad. However, your locations do not include any premises where you, or others acting on your behalf, are performing construction operations.

13. INCREASED MEDICAL PAYMENTS LIMIT

A. **SECTION III – LIMITS OF INSURANCE**, paragraph 7., the Medical Expense Limit, is subject to all of the terms of **SECTION III – LIMITS OF INSURANCE** and is the greater of:

1. \$10,000; or
2. The amount shown in the Declarations for Medical Expense Limit.

B. This provision 13. does not apply if **COVERAGE C MEDICAL PAYMENTS** is excluded either by the provisions of the Coverage Form or by endorsement.

14. DAMAGE TO PREMISES RENTED TO YOU – SPECIFIC PERILS AND INCREASED LIMIT

A. The word fire is changed to “specific perils” where it appears in:

1. The last paragraph of **SECTION I – COVERAGE A**, paragraph 2. **Exclusions**;
2. **SECTION IV**, paragraph 4.b. **Excess Insurance**.

B. The Limits of Insurance shown in the Declarations will apply to all damage proximately caused by the same event, whether such damage results from a “specific peril” or any combination of “specific perils.”

C. The Damage To Premises Rented To You Limit described in **SECTION III – LIMITS OF INSURANCE**, paragraph 6., is replaced by a new limit, which is the greater of:

1. \$1,000,000; or
2. The amount shown in the Declarations for Damage To Premises Rented To You Limit.

D. This provision 14. does not apply if the Damage To Premises Rented To You Limit of **SECTION I – COVERAGE A** is excluded either by the provisions of the Coverage Form or by endorsement.

E. “Specific Perils” means fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; weight of snow, ice or sleet; or “water damage”.

“Water damage” means accidental discharge or leakage of water or steam as the direct result of the breaking or cracking of any part of a system or appliance containing water or steam.

15. BROADENED LEGAL LIABILITY COVERAGE FOR LANDLORD'S BUSINESS PERSONAL PROPERTY

Under **SECTION I – COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY, 2.**

Exclusions, j. Damage to Property, the first paragraph following paragraph (6) is deleted and replaced with the following:

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire) to a landlord's business personal property that is subject to, or part of, a premises lease or rental agreement with that landlord.

The most we will pay for damages under this provision **15.** is \$10,000. A \$250 deductible applies.

Under **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**, provisions **16.** through **18.** of this endorsement amend the policy as follows:

16. BROADENED KNOWLEDGE OF OCCURRENCE

Under **2. Duties In The Event Of Occurrence, Offense, Claim, Or Suit**, paragraph **a.** is deleted and replaced and paragraphs **e.** and **f.** are added as follows:

- a.** You must see to it that we are notified as soon as practicable of an "occurrence" or an offense, regardless of the amount, which may result in a claim. Knowledge of an "occurrence" or an offense by your "employee(s)" shall not, in itself, constitute knowledge to you unless one of your partners, members, "executive officers", directors, or managers has knowledge of the "occurrence" or offense. To the extent possible, notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and
 - (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
- e.** If you report an "occurrence" to your workers compensation carrier that develops into a liability claim for which coverage is provided by this Coverage Form, failure to report such an "occurrence" to us at the time of the "occurrence" shall not be deemed a violation of paragraphs **a.**, **b.**, and **c.** above. However, you shall give written notice of this "occurrence" to us as soon you become aware that this "occurrence" may be a liability claim rather than a workers compensation claim.
- f.** You must see to it that the following are done in the event of an actual or anticipated "covered recall" that may result in "product recall expense":
 - (1) Give us prompt notice of any discovery or notification that "your product" must be withdrawn or recalled. Include a description of "your product" and the reason for the withdrawal or recall;
 - (2) Cease any further release, shipment, consignment or any other method of distribution of like or similar products until it has been determined that all such products are free from defects that could be a cause of loss under the insurance.

17. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

Paragraph **6. Representations** is deleted and replaced with the following:

6. Representations

By accepting this policy, you agree:

- a.** The statements in the Declarations are accurate and complete;
- b.** Those statements are based upon representations you made to us;
- c.** We have issued this policy in reliance upon your representations; and
- d.** This policy is void in any case of fraud by you as it relates to this policy or any claim under this policy.

We will not deny coverage under this Coverage Form if you unintentionally fail to disclose all hazards existing as of the inception date of this policy. You must report to us any knowledge of an error or omission in the description of any premises or operations intended to be covered by this Coverage Form as soon as practicable after its discovery. However, this provision does not affect our right to collect additional premium or exercise our right of cancellation or nonrenewal.

18. TRANSFER OF RIGHTS (BLANKET WAIVER OF SUBROGATION)

Paragraph 8. **Transfer of Rights Of Recovery Against Others To Us** is deleted and replaced with the following:

8. If the insured has rights to recover all or part of any payment we have made under this Coverage Form, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. However, if the insured has waived rights to recover through a written contract, or if "your work" was commenced under a letter of intent or work order, subject to a subsequent reduction to writing with customers whose customary contracts require a waiver, we waive any right of recovery we may have under this Coverage Form.

19. MOBILE EQUIPMENT REDEFINED

Under **SECTION V – DEFINITIONS**, paragraph 12. "Mobile equipment", paragraph f. (1) does not apply to self-propelled vehicles of less than 1,000 pounds gross vehicle weight.

20. ADDITIONAL DEFINITIONS

1. **SECTION V – DEFINITIONS**, paragraph 4. "Coverage territory" is replaced by the following definition:

"Coverage territory" means anywhere in the world with respect to liability arising out of "bodily injury," "property damage," or "personal and advertising injury," including "personal and advertising injury" offenses that take place through the Internet or similar electronic means of communication provided the insured's responsibility to pay damages is determined in a settlement to which we agree or in a "suit" on the merits, in the United States of America (including its territories and possessions), Puerto Rico and Canada.

2. **SECTION V – DEFINITIONS** is amended by the addition of the following definitions:

"Covered recall" means a recall made necessary because you or a government body has determined that a known or suspected defect, deficiency, inadequacy, or dangerous condition in "your product" has resulted or will result in "bodily injury" or "property damage".

"Product Recall expenses" mean only reasonable and necessary extra costs, which result from or are related to the recall or withdrawal of "your product" for:

- a. Telephone and telegraphic communication, radio or television announcements, computer time and newspaper advertising;
- b. Stationery, envelopes, production of announcements and postage or facsimiles;
- c. Remuneration paid to regular employees for necessary overtime or authorized travel expense;
- d. Temporary hiring by you or by agents designated by you of persons, other than your regular employees, to perform necessary tasks;
- e. Rental of necessary additional warehouse or storage space;
- f. Packaging of or transportation or shipping of defective products to the location you designate; and
- g. Disposal of "your products" that cannot be reused. Disposal expenses do not include:
 - (1) Expenses that exceed the original cost of the materials incurred to manufacture or process such product; and
 - (2) Expenses that exceed the cost of normal trash discarding or disposal, except as are necessary to avoid "bodily injury" or "property damage".

21. REASONABLE FORCE – BODILY INJURY OR PROPERTY DAMAGE

Under **SECTION I – COVERAGE A.**, paragraph 2. **Exclusions**, subparagraph a. **Expected Or Intended Injury** is deleted and replaced with the following:

[This insurance does not apply to:]

a. Expected Or Intended Injury

“Bodily injury” or “property damage” expected or intended from the standpoint of the insured. This exclusion does not apply to “bodily injury” or “property damage” resulting from the use of reasonable force to protect persons or property.

22. BROADENED LIABILITY COVERAGE FOR DAMAGE TO YOUR PRODUCT AND YOUR WORK

A. Under **SECTION I – COVERAGE A.**, paragraph 2. **Exclusions**, exclusion k. **Damage to Your Product** and exclusion l. **Damage to Your Work** are deleted and replaced with the following:

[This insurance does not apply to:]

k. Damage to Your Product

“Property damage” to “your product” arising out of it or any part of it, except when caused by or resulting from:

- (1) Fire;
- (2) Smoke;
- (3) “Collapse”; or
- (4) Explosion.

For purposes of exclusion k. above, “collapse” means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

l. Damage to Your Work

“Property damage” to “your work” arising out of it or any part of it and included in the “products-completed operations hazard”. This exclusion does not apply:

- (1) If the damaged work or the work out of which the damage arises was performed on your behalf by a subcontractor; or
- (2) If the cause of loss to the damaged work arises as a result of:
 - (a) Fire;
 - (b) Smoke;
 - (c) “Collapse”; or
 - (d) Explosion.

For purposes of exclusion l. above, “collapse” means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

B. The following paragraph is added to **SECTION III – LIMITS OF INSURANCE**:

Subject to 5. above [of the CGL Coverage Form], \$100,000 is the most we will pay under Coverage A for the sum of damages arising out of any one “occurrence” because of “property damage” to “your product” and “your work” that is caused by fire, smoke, collapse or explosion and is included within the “product-completed operations hazard”. This sublimit does not apply to “property damage” to “your work” if the damaged work, or the work out of which the damage arises, was performed on your behalf by a subcontractor.

23. BROADENED BODILY INJURY COVERAGE

Under **SECTION V – DEFINITIONS**, the definition of “bodily injury” is deleted and replaced with the following:

3. “Bodily injury”

a. Means physical:

- (1)** Injury;
- (2)** Disability;
- (3)** Sickness; or
- (4)** Disease;

sustained by a person, including death resulting from any of these at any time.

b. Includes mental:

- (5)** Anguish;
- (6)** Injury;
- (7)** Humiliation;
- (8)** Fright; or
- (9)** Shock;

directly resulting from any “bodily injury” described in paragraph **3.a.**

c. All “bodily injury” described in paragraph **3.b. shall be deemed to have occurred at the time the “bodily injury” described in paragraph **3.a.** occurred.**

24. DESIGNATED COMPLETED PROJECTS – AMENDED LIMITS OF INSURANCE

When a written contract or written agreement between you and another party requires project-specific limits of insurance exceeding the limits of this policy;

- A.** for “bodily injury” or “property damage” that occurs within any policy period for which we provided coverage; and
- B.** for “your work” performed within the “products-completed operation hazard”; and
- C.** for which we previously issued Amendment Of Limits Of Insurance (Designated Project Or Premises) CG 71 94 either during this policy term or a prior policy term; and
- D.** that designated project is now complete;

the limits of insurance shown in the CG 71 94 schedule will replace the limits of insurance of this policy for the designated project and will continue to apply for the amount of time the written contract or written agreement requires, subject to the Florida 10-year statute of repose. These limits are inclusive of and not in addition to the replaced limits.
