CHECKLIST FOR SUBMITTAL AND COMPLETENESS: The following checklist outlines the necessary items for submittal to ensure the application is deemed complete. Failure to provide this information will result in your application being deemed **incomplete**.

- Preliminary Development Meeting** completed on the following date:
- Development Application Form** completed with the applicable information including signatures.
- Proof of Ownership** warranty deed or tax record including corporation documents and SunBiz verification name.
- Address Verification Form** applicant contact David Goodrum at 954-828-5976 or DDGoodrum@fortlauderdale.gov
- Project and Unified Land Development Code Narratives** project narrative and the applicable ULDR sections and criteria as described in the specifications for submittal by application type.
- Electronic Files, File Naming, and Documents** consistent with the applicable specifications for application type, consistent with the online submittal requirements including file naming convention, plan sets uploaded as single pdf.
- Traffic Study or Statement** submittal of a traffic study or traffic statement.
- Stormwater Calculations** signed and sealed by a Florida registered professional engineer consistent with calculations as described in the specifications for plan submittal for site plan applications.
- Water and Wastewater Capacity Request** copy of email to Public Works requesting the capacity letter.

OVERVIEW FOR ONLINE SUBMITTAL REQUIREMENTS: Submittals must be conducted through the City's online citizen access portal [LauderBuild](#). No hardcopy application submittals are accepted. Below only highlights the important submittal requirements that applicants must follow to submit online and be deemed complete. View all the requirements at [LauderBuild Plan Room](#).

- **Uploading Entire Submittal** upload all documents at time the application is submitted to prevent delays in processing.
- **File Naming Convention** file names must adhere to the City's [File Naming Convention](#).
- **Reduce File Size** plan sets and other large files must be merged or flattened to reduce file size.
- **Plan Sets** plan sets like site plans, plats, etc. must be submitted as a single pdf file. Staff will instruct when otherwise.
- **Document Categories** choose the correct document category when uploading.

DRC PROCESS OVERVIEW: The entire development review process flowchart can be found in the [Development Application Guide and Instructions](#) document. Below is a quick reference flowchart with key steps in the process to guide applicants.

Uptown Rezoning Application
150 NW 68th Street
Case No. UDP-Z24002

RE: Rezoning from Residential Multifamily Mid Rise/Medium High Density (RMM-25) District to Uptown Urban Village Northeast (UUV-NE) District – 150 NW 68th Street - ULDR Rezoning Criteria Responses

The property owner, Cypress Development, LLC, is requesting to rezone 70,385 square feet (1.61 acres) of land located at 150 NW 68th Street from Residential Multifamily Mid Rise/Medium High-Density District (RMM-25) District to Uptown Urban Village Northeast (UUV-NE) District to permit the development of a mixed-use project on the site. The City of Fort Lauderdale staff is processing the rezoning on behalf of the property owner.

Pursuant to the City's Unified Land Development Regulations (ULDR) Section 47-24.4.D, Rezoning Criteria, an applicant must demonstrate that the application for a rezoning meet the following criteria:

1. The zoning district proposed is consistent with the City's Comprehensive Plan.
The property is currently zoned RMM-25 and has an underlying land use designation of Employment Center which is intended to encourage employment-based development, as well as retail, restaurant, office, service, business and residential uses. The proposed UUV-NE zoning district is consistent with this land use designation. Please refer to the Comprehensive Plan Consistency section within this report for additional information.
2. The changes anticipated by the proposed rezoning will not adversely impact the character of development in or near the area under consideration.
The development in the surrounding area is characterized mainly by office, hotel, and commercial uses with a lack of residential and mixed-use developments. Rather than adversely impacting the character of development in the area with more intense uses such as industrial manufacturing, the proposed rezoning to UUV-NE will have a positive impact by allowing for mixed-use development that will create a stronger tax base, add residential to the area, and will further the live, work, play environment that the City envisions for the area.
3. The character of the area proposed is suitable for the uses permitted in the proposed zoning district and is compatible with surrounding districts and uses.
The UUV-NE zoning district permitted uses are compatible with the surrounding zoning district's permitted uses in such that hotel, and mixed-use developments are permitted in both the existing and proposed zoning, with the addition of residential use permitted in the proposed zoning district as a mixed-use development. The City explicitly adopted the Uptown Master Plan to promote residential and mixed-use for the area. Furthermore, the Uptown Master Plan identifies specific character subareas that residential and mixed-use should be allowed which are more suitable, which is applicable in this request.
