February 21st, 2014

Debbie Bylica
City of Fort Lauderdale City Hall
100 North Andrews Avenue 6th Floor
Fort Lauderdale, Florida 33301

Dear Mrs. Bylica,

Pyrotecnico would like to respectfully request the use of the swimming hall of fame property for the 4th of July fireworks load in site. This request is being made for the extent of the contract with the City. The same time frame from June 29th through July 5th of each year is being requested. Pyrotecnico agrees to pay for all fire watch and police detail fees related to the fireworks loading at this location not to exceed \$6,000. Additionally, Pyrotecnico agrees to reimburse the city for the cost of the pilings installed at the swimming hall of fame each year not to exceed \$2,000 per year. Due to the load in logistics of the show Pyrotecnico is requesting that we be permitted to continue to load both the Hollywood and Fort Lauderdale barges together since our pricing reflects discounts that are in place as a result of one single load in site for both shows.

Pyrotecnico can either discount the final invoice by this agreed amount or issue a check reimbursement once payment is received in full.

Thank you for considering this request as an alternative to using the port and please don't hesitate to contact me with any questions or concerns.

Sincerely,

Chris Liberatore
Show Producer
