Project Description and Responsibilities

A. Project Description (description of Agency's project to provide context, description of project components funded via this Agreement (if not the entire project)): Runway 9-27 Pavement Rehabilitation-Construct

B. Project Location (limits, city, county, map): Fort Lauderdale Executive Airport/Fort Lauderdale, FL/Broward

C. Project Scope (allowable costs: describe project components, improvement type/service type, approximate timeline, project schedule, project size): As required by 215.971, F.S., this scope of work includes but is not limited to consultant and design fees, the survey and geotechnical costs, construction inspection and material testing costs, mobilization and demobilization, permitting, pavement demolition, surface course improvements (such as concrete, asphalt, rejuvenators, or sealants), joint construction, runway grooving, pavement markings and striping, airfield lighting and signage improvements, recalculation of the pavement PCN, updating the new PCN numbers on the FAA Form 5010 and the FAD, sodding, and safety barricades, including all materials, equipment, labor, and incidentals required to rehabilitate the runway pavement. The Sponsor will comply with Aviation Program Assurances.

D. Deliverable(s):

The project scope identifies the ultimate project deliverables. Deliverables for requisition, payment and invoice purposes will be the incremental progress made toward completion of project scope elements. Supporting documentation will be quantifiable, measurable, and verifiable, to allow for a determination of the amount of incremental progress that has been made, and provide evidence that the payment requested is commensurate with the accomplished incremental progress and costs incurred by the Agency.

E. Unallowable Costs (including but not limited to):

F. Transit Operating Grant Requirements (Transit Only):

Transit Operating Grants billed as an operational subsidy will require an expenditure detail report from the Agency that matches the invoice period. The expenditure detail, along with the progress report, will be the required deliverables for Transit Operating Grants. Operating grants may be issued for a term not to exceed three years from execution. The original grant agreement will include funding for year one. Funding for years two and three will be added by amendment as long as the grantee has submitted all invoices on schedule and the project deliverables for the year have been met.
