No, I can whip something up and send it over to you today Jack. I appreciate you doing this as will Granvil. I am out of the office on vacation this week but will dictate something to Lisa and ask her to email something to both addresses if that is ok with you.

Best regards,
Tom

I like Granville and his real estate projects and developments, and I will gladly sign a letter of reference if our City Attorney approves the specific language.

Do you have a proposed reference letter ready for review?

Thanks

Good morning Jack. My client Granvil Tracy had requested that I ask you for a letter of reference on behalf of the city Of Fort Lauderdale regarding his successful development of the three phases of New River Village. As you are probably aware, New River phase one was the first large scale residential development on the New River and paved the way for many others and encouraged confined redevelopment in the downtown corridor. The letter can be addressed "To whom it may concern" and can be forwarded either to my attention or directly to Granvil Tracy at gtracy@ameriland.com. Please let me know if you have any questions and of you can comply with this request.

Best regards,
Tom
