THIS RESTRICTIVE COVENANT is hereby entered into this 17<sup>th</sup> day of November, 20 23, by **City of Fort Lauderdale**, hereinafter referred to as "the Owner."

WHEREAS, the Owner is the fee simple title holder of the land and the building(s) to be used as a cultural facility located at **1450 West Sunrise Blvd., Fort Lauderdale, FL 33311**. A legal description of the subject property is attached as Exhibit A and is made a part of this covenant.

WHEREAS, the Owner has been approved to receive a Cultural Facilities Grant in the amount of **\$118,599**, to be administered by the Division and used only for the acquisition, renovation, and construction of the cultural facility, as required by Section 265.701(1), Florida Statutes. "Facility" is used herein to refer to the building(s) and associated land that will be used as a "cultural facility," as defined herein.

WHEREAS, the Division has authority under Section 265.701(4), Florida Statutes, to require that this restrictive covenant be recorded to ensure that the facility will be used as "cultural facility," as defined herein, for at least ten (10) years following execution of the grant award agreement.

NOW THEREFORE, in partial consideration for the Cultural Facilities Grant and in accordance with Section 265.701(4), Florida Statutes, the Parties agree to the following:

- 1.) This restrictive covenant shall run with the title to the facility and the associated land, shall encumber them, and shall be binding upon the Owner and its successors in interest for (10) ten years following execution of the grant award agreement.
- 2.) The grant award shall only be expended for

### **Project Title: Joseph Carter Community Center (24.c.cf.200.509)**

3.) For the required duration of this covenant, the Parties agree that the Owner shall own all improvements made to the facility and the associated land, funded in whole or in part by grant funds.

4.) The Division has the right to inspect the facility at all reasonable times to determine whether the conditions of the grant award agreement and this covenant are being complied with.

5.) The Owner shall maintain the facility as a "cultural facility," defined as a building which shall be used primarily for the programming, production, presentation, exhibition or any combination of the above functions of any of the cultural disciplines defined in s. 265.283(1), F.S. These disciplines include, but are not limited to music, dance, theatre, creative writing, literature, architecture, painting, sculpture, folk arts, photography, crafts, media arts, visual arts, programs of museums, and other such allied, major art forms.

6.) This restrictive covenant will be violated if the Owner or its successors in interest if the facility ceases to be used as a cultural facility, as defined above, within ten (10) years following the execution of the grant award agreement as required by Section 265.701(4), Florida Statutes. If the Owner violates this restrictive covenant, it shall repay the grant funds to Division pursuant to the amortization schedule set forth below:

- a. If the violation occurs within five (5) years following the execution of the grant award agreement, 100% of the grant amount;
- b. If the violation occurs more than five (5) but less than six (6) years following execution of the grant award agreement, 80% of the grant amount;

- f. If the violation occurs more than nine (9) but less than ten (10) years following execution of the grant award agreement, 20% of the grant amount.

7.) Any amount due from the Owner as a result of a violation of this restrictive covenant shall be due in full within 90 days of the violation, or some other period of time as agreed upon by the parties

8.) If the entire amount due under the provisions of paragraph six (6) is not repaid by the Owner within the time allotted, the Parties agree that the Division may obtain a stipulated judgment against the Owner for the amount due plus interest at the current legal rate, and record it in the public records of the county where the land and cultural facility are located. The Parties further agree that such a judgment shall be a stipulated judgment by virtue of full execution of this restrictive covenant; that it shall not require further approval of the Owner to obtain; and that no trial or hearing shall be necessary to make such a stipulated judgment legally effective. Such a judgment, when recorded, shall be considered a valid lien upon Owner's interest in the facility and the associated land, including all improvements funded in whole or part by grant funds.

- 9.) As a condition to receipt of grant funds, the Owner shall:
- Record this covenant in the public records with the Clerk of the Circuit Court of **Broward** County, Florida;
  - Pay fees associated with its recording; and
  - Provide a certified copy of the recorded covenant to the Division.

Pursuant to Section 17, Grantee shall refund to the Division any excess funds paid out prior to a reduction of total grant funding.
10. **Encumbrance of Funds.** To encumber means to have a signed contract with an architect or contractor for the expenditure of all grant and matching funds. The Grantee shall execute a binding contractual agreement for the entire Scope of Work. The Grantee shall submit project contracts to the Division for review and approval prior to execution. All grantees shall submit documentation demonstrating a competitive procurement process as part of their encumbrance documentation (See Section 40). The Grantee shall insert a provision in all of its subcontracts for services under this Agreement that subcontractors may not discriminate against any employee employed under the Subcontract, or against any applicant for employment because of race, religion, gender, national origin, age, disability or marital status. (See Section 35). Encumbrance documentation shall be submitted as part of the Deliverables and Performance Measures for the first payment.

An extenuating circumstance is one that is beyond the control of the Grantee, and one that prevents timely completion of the project such as a natural disaster, death or serious illness of the individual responsible for the completion of the project, litigation related to the project, or failure of the contractor or architect to provide the services for which they were contracted to provide. An extenuating circumstance does not include failure to read or understand the administrative requirements of a grant or failure to raise sufficient matching funds. Prior written approval is required for extensions.
14. **Credit Line(s) to Acknowledge Grant Funding.** All construction projects shall display a project identification sign in a prominent location at the Project site and shall maintain said sign while work is in progress. The sign must be a minimum of eight (8) square feet in area, be constructed of plywood or other durable material, and shall contain the following statement, or logo made available by the Division, in the same size, type, style, and location as credit to other major donors, in accordance with Section 286.25 *Florida Statutes*:
- a) "Sponsored in part by the State of Florida through the Division of Arts and Culture."
  - b) Any variation in the above specifications must receive prior approval in writing by the Division. The cost of preparation and erection of the project identification sign are allowable project costs. Routine maintenance costs of project signs are not allowable project costs.
15. **Non-allowable Grant Expenditures.** The Grantee agrees to expend all grant funds received under this agreement solely for the purposes for which they were authorized and appropriated. Expenditures shall be in compliance with the state guidelines for allowable project costs as outlined in the Department of Financial Services' Reference Guide for State Expenditures, which are incorporated by reference and are available online at [https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf?sfvrsn=b4cc3337\\_2](https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf?sfvrsn=b4cc3337_2). Further, the recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period. Expenditures of state financial assistance must be in compliance with the laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures.

- a) **Lease of Land and Buildings.** If the land and buildings are leased, the Division may, from time to time, require certification from the Grantee or the property owner that the lease is in full force and effect, that it has not been modified or terminated, and that the Grantee is not in default of the lease (or in the case of an owner, documentation of ownership is required). Failure to provide such certification will constitute a default hereunder, which will give the Division the right to terminate this Agreement and demand the return of all or a part of any funds already delivered, and/or to withhold funds from subsequent grants.
  - b) **Retaining Ownership of Land and Buildings.** The owner of land and building(s) must retain ownership of the land and buildings, along with improvements made to the land and building(s), for at least 10 years following the Grant Award.
19. **Restrictive Covenant.** If the Grantee chooses to record a Restrictive Covenant and the facility ceases to be used as a "Cultural Facility" during the ten (10) years following the Grant Award, the grant funds must be repaid to the Division according to the Restrictive Covenant Amortization Schedule (incorporated into this Agreement and attached as Attachment C).
20. **Surety Bond instead of a Restrictive Covenant.** If a Surety Bond is selected by the Grantee and the facility ceases to be used as a "Cultural Facility" during the ten (10) years following the Grant Award, the grant funds must be repaid to the Division according to the Surety Bond Amortization Schedule (incorporated into this Agreement and attached as Attachment D).

Should the Bureau deem the facility to have historic significance, grant funds may only be released after the Bureau notifies the Division, in writing, that the Grantee has satisfied the Bureau's requirements. If the facility is not deemed to be of historic significance, grant funds will be released to Grantee in accordance with Section 4 of this Agreement.
22. **Fortuitous Finds.** In the event of unexpected discoveries during ground disturbing activities within the project area:
- 1. If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the project shall cease all activities involving subsurface disturbance in the immediate vicinity of the discovery. The applicant shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section, at (850)-245-6333. Project activities shall not resume without verbal and/or written authorization.

2. In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately and the proper authorities notified in accordance with Section 872.05, *Florida Statutes*.
23. **International Travel.** In accordance with Section 15.182, *Florida Statutes* (International travel by state-funded musical, cultural, or artistic organizations; notification to the Department of Economic Opportunity), the grantee shall notify the Department of State of any international travel at least 30 days before the date the international travel is to commence or, when an intention to travel internationally is not formed at least 30 days in advance of the date the travel is to commence, as soon as feasible after forming such travel intention. Notification shall include date, time, and location of each appearance.
24. **Single Audit Act.** The grantee is required to complete a Single Audit Act certification form through the <https://dosgrants.com> grants management system. Each grantee, other than a grantee that is a State agency, shall submit to an audit pursuant to 2 CFR 200, Subpart F - Audit Requirements, and Section 215.97, *Florida Statutes*. See Attachment B for additional information regarding this requirement.
25. **Retention of Accounting Records.** Financial records, supporting documents, statistical records, and all other records including electronic storage media pertinent to the Project shall be retained for a period of ten (10) years after the close out of the grant. If any litigation or audit is initiated, or claim made, before the expiration of the ten-year period, the records shall be retained until the litigation, audit, or claim has been resolved. Retention period shall match the ten (10) year Restrictive Covenant or Surety Bond period.
26. **Obligation to Provide State Access to Grant Records.** The Grantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts, and transcripts.
27. **Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Grantee refuses public access to all documents or other materials made or received by the Grantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the Florida Public Records Act. The Grantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.
28. **Noncompliance with Grant Requirements.** Any applicant that has not submitted required reports or satisfied other administrative requirements for other Division of Arts and Culture grants or grants from any other Office of Cultural, Historical, and Information Programs (OCHIP) Division will be in noncompliance status and subject to the OCHIP Grants Compliance Procedure. (OCHIP) Divisions include the Division of Arts and Culture, the Division of Historical Resources, and the Division of Library and Information Services. Grant compliance issues must be resolved before a grant award agreement may be executed, and before grant payments for any OCHIP grant may be released.
29. **Accounting Requirements.** The Grantee must maintain an accounting system that provides a complete record of the use of all grant funds as follows:
- The accounting system must be able to specifically identify and provide audit trails that trace the receipt, maintenance, and expenditure of state funds;
  - Accounting records must adequately identify the sources and application of funds for all grant activities and must classify and identify grant funds by using the same budget categories that were approved in the grant application. If Grantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Grantee's accounting records to those amounts reported to the Division.
  - An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget.
  - The name of the account(s) must include the grant award number;
  - The Grantee's accounting records must have effective control over and accountability for all funds, property, and other assets; and
  - Accounting records must be supported by source documentation and be in sufficient detail to allow for a proper pre-audit and post-audit (such as invoices, bills, and canceled checks).
30. **Availability of Funds.** The State of Florida's performance and obligation to pay under this Agreement are contingent upon an annual appropriation by the Florida Legislature, or the United States Congress in the case of a federally funded grant. In the event that the state or federal funds upon which this Agreement is dependent are withdrawn, this Agreement will be automatically terminated and the Department shall have no further liability to the Grantee, beyond those amounts already released prior to the termination date. Such termination will not affect the responsibility of the Grantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total

grant may be reduced accordingly.

31. **Independent Contractor Status of Grantee.** The Grantee, if not a state agency, agrees that its officers, agents and employees, in performance of this Agreement, shall act in the capacity of independent contractors and not as officers, agents, or employees of the state. The Grantee is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment by the State of Florida.
32. **Grantee's Subcontractors.** The Grantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Grantee may subcontract, as necessary, to perform the services and to provide commodities required by this Agreement. The Division shall not be liable to any subcontractor(s) for any expenses or liabilities incurred under the Grantee's subcontract(s), and the Grantee shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under its subcontract(s). The Grantee must take the necessary steps to ensure that each of its subcontractors will be deemed to be "independent contractors" and will not be considered or permitted to be an agents, servants, joint venturers, or partners of the Division.
33. **Liability.** The Division will not assume any liability for the acts, omissions to act, or negligence of, the Grantee, its agents, servants, or employees; nor may the Grantee exclude liability for its own acts, omissions to act, or negligence, to the Division.
- a) The Grantee shall be responsible for claims of any nature, including but not limited to injury, death, and property damage arising out of activities related to this Agreement by the Grantee, its agents, servants, employees, and subcontractors. The Grantee shall indemnify and hold the Division harmless from any and all claims of any nature and shall investigate all such claims at its own expense. If the Grantee is governed by Section 768.28, *Florida Statutes*, it shall only be obligated in accordance with this Section.
  - b) Neither the state nor any agency or subdivision of the state waives any defense of sovereign immunity, or increases the limits of its liability, by entering into this Agreement.
  - c) The Division shall not be liable for attorney fees, interest, late charges or service fees, or cost of collection related to this Agreement.
  - d) The Grantee shall be responsible for all work performed and all expenses incurred in connection with the project. The Grantee may subcontract as necessary to perform the services set forth in this Agreement, including entering into subcontracts with vendors for services and commodities; provided that such subcontract has been approved in writing by the Department prior to its execution; and provided that it is understood by the Grantee that the Department shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
34. **Strict Compliance with Laws.** The Grantee shall perform all acts required by this Agreement in strict conformity with all applicable local, state and federal laws and regulations. The Grantee shall during the term of this Agreement be in strict conformity with all applicable local, state and federal laws and regulations.
35. **No Discrimination.** The Grantee may not discriminate against any employee employed under this Agreement, or against any applicant for employment because of race, religion, gender, national origin, age, disability, or marital status. The Grantee shall insert a similar provision in all of its subcontracts for services under this Agreement.
36. **Breach of Agreement.** The Division will demand the return of grant funds already received, will withhold subsequent payments, and/or will terminate this agreement if the Grantee improperly expends and manages grant funds, fails to prepare, preserve or surrender records required by this Agreement, or otherwise violates this Agreement.
37. **Termination of Agreement.** The Division will terminate or end this Agreement if the Grantee fails to fulfill its obligations herein. In such event, the Division will provide the Grantee a notice of its violation by letter, and shall give the Grantee fifteen (15) calendar days from the date of receipt to cure its violation. If the violation is not cured within the stated period, the Division will terminate this Agreement. The notice of violation letter shall be delivered to the Grantee's Contract Manager, personally, or mailed to his/her specified address by a method that provides proof of receipt. In the event that the Division terminates this Agreement, the Grantee will be compensated for any work completed in accordance with this Agreement, prior to the notification of termination, if the Division deems this reasonable under the circumstances. Grant funds previously advanced and not expended on work completed in accordance with this Agreement shall be returned to the Division, with interest, within thirty (30) days after termination of this Agreement. The Division does not waive any of its rights to additional damages, if grant funds are returned under this Section.
38. **Preservation of Remedies.** No delay or omission to exercise any right, power, or remedy accruing to either party upon breach or violation by either party under this Agreement, shall impair any such right, power or remedy of either party; nor shall such delay or omission be construed as

a waiver of any such breach or default, or any similar breach or default.

39. **Non-Assignment of Agreement.** The Grantee may not assign, sublicense nor otherwise transfer its rights, duties or obligations under this Agreement without the prior written consent of the Division, which consent shall not unreasonably be withheld. The agreement transferee must demonstrate compliance with the requirements of the project. If the Division approves a transfer of the Grantee's obligations, the Grantee shall remain liable for all work performed and all expenses incurred in connection with this Agreement. In the event the Legislature transfers the rights, duties, and obligations of the Division to another governmental entity pursuant to Section 20.06, *Florida Statutes*, or otherwise, the rights, duties, and obligations under this Agreement shall be transferred to the successor governmental agency as if it was the original party to this Agreement.
40. **Required Procurement Procedures for Obtaining Goods and Services.** The Grantee shall provide maximum open competition when procuring goods and services related to the grant-assisted project in accordance with Section 287.057, *Florida Statutes*. All grantees shall submit documentation demonstrating a competitive procurement process as part of their encumbrance documentation (See Section 10).
- a) **Procurement of Goods and Services Not Exceeding \$35,000.** The Grantee must use the applicable procurement method described below.
1. **Purchases Up to \$2,500:** Procurement of goods and services where individual purchases do not exceed \$2,500 do not require competition and may be conducted at the Grantee's discretion.
  2. **Purchases or Contract Amounts Between \$2,500 and \$35,000:** Goods and services costing between \$2,500 and \$35,000 require informal competition and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document.
- b) **Procurement of Goods and Services Exceeding \$35,000.** Goods and services costing over \$35,000 may be procured by either Formal Invitation to Bid, Request for Proposals or Invitation to Negotiate and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document.
41. **Conflicts of Interest.** The Grantee hereby certifies that it is cognizant of the prohibition of conflicts of interest described in Sections 112.311 through 112.326, *Florida Statutes*, and affirms that it will not enter into or maintain a business or other relationship with any employee of the Department of State that would violate those provisions. The Grantee further agrees to seek authorization from the General Counsel for the Department of State prior to entering into any business or other relationship with a Department of State Employee to avoid a potential violation of those statutes.
42. **Binding of Successors.** This Agreement shall bind the successors, assigns and legal representatives of the Grantee and of any legal entity that succeeds to the obligations of the Division of Arts and Culture.
43. **No Employment of Unauthorized Aliens.** The employment of unauthorized aliens by the Grantee is considered a violation of Section 274A (a) of the Immigration and Nationality Act. If the Grantee knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement.
44. **Severability.** If any term or provision of the Agreement is found to be illegal and unenforceable, the remainder will remain in full force and effect, and such term or provision shall be deemed stricken.
45. **Americans with Disabilities Act.** All programs and facilities related to this Agreement must meet the standards of Sections 553.501-553.513, *Florida Statutes*, and the Americans with Disabilities Act of 1990 as amended (42 U.S.C. 12101, *et seq.*), which is incorporated herein by reference.
46. **Governing Law.** This Agreement shall be construed, performed, and enforced in all respects in accordance with the laws and rules of Florida. Venue or location for any legal action arising under this Agreement will be in Leon County, Florida.

**FLORIDA SINGLE AUDIT ACT REQUIREMENTS**

## **AUDIT REQUIREMENTS**

The administration of resources awarded by the Department of State to the Grantee may be subject to audits and/or monitoring by the Department of State as described in this Addendum to the Grant Award Agreement.

### **Monitoring**

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, *Florida Statutes* (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by Department of State staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

### **Audits**

#### **Part I: Federally Funded**

In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of State. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. A recipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the recipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than federal entities).
