REGULAR MEETING**

**#22-0597**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Chris Lagerbloom, ICMA-CM, City Manager

**DATE:** July 5, 2022

**TITLE:** Resolution to Reinstate and Expand the Galt Mile Link Service Hours and  
Expand the Service Hours for the Beach Link, Downtown Link, Las Olas  
Link and Neighborhood Link - (**Commission Districts 1, 2, 3 and 4**)

---

**Recommendation**

Staff recommends the City Commission adopt a resolution to reinstate the Galt Mile Link service hours and expand the service hours for the Beach Link, Downtown Link, Las Olas Link and Neighborhood Link.

**Background**

The City has been a partner in Broward County's Community Shuttle Program since September 15, 2009. These services are fully funded for operations and maintenance by Broward County's Penny for Transportation Surtax. The City recently rebranded its community shuttle service to LauderGO! which is a free transportation option for City of Fort Lauderdale residents and visitors. LauderGO! Community Shuttle service has five routes that improve mobility and connectivity within the City, covering areas that larger Broward County Transit (BCT) buses are unable to serve, and linking passengers to destinations across the city and to the larger transit network. The LauderGO! Community Shuttle service also receives supplemental support from the Florida Department of Transportation (FDOT) and the City for planning, management, capital and other incidental expenses not covered by the surtax funding.

In December 2018, the service routes were modified as the service standards of 7.1 passengers per hour were not met. At that time, the Galt Route was discontinued, and the other routes were modified by stopping service during hours with low ridership. These changes negatively impacted the overall benefit of the service as the operating times became compressed and not conducive for those commuting to and from work.

On May 18, 2021, the City Commission adopted a resolution supporting the proposal for new Community Shuttle routes and service changes to restore the service levels. The resolution was included in the City of Fort Lauderdale's application to Broward County Transit's Fiscal Year 2022 Community Shuttle Program Transportation Surtax Funding. On January 5, 2022, the City was awarded funding for expanded services.

The FTA and the Interlocal Agreement requires that the City conduct a public hearing in advance of making changes to the operating schedule. On Tuesday, July 5, 2022, the City Commission will conduct a Public Meeting to receive feedback on the proposed changes.

The changes to the operating schedule are listed below:

Route	Current Service	Proposed Service
Galt Mile Link	No Service	Weekdays 9:00am – 6:23pm Saturday - Sunday 12:00pm – 8:02pm
Beach Link	Daily 10:30am – 5:00pm	Weekdays 9:30am – 6:33pm Saturday 9:30am – 6:29pm Sunday 9:30am – 6:40pm

**Resource Impact**
