OPERATION NARRATIVE:

Riverfront Cruise and Anticipation Yacht Charters LLC is requesting/ re-applying for a license to conduct a new taxi service, operating as *Water Bus* this operation which will utilize two (2) fully certified and properly insured water taxi vessels as required by City Code Section 8-146.1. Riverfront Cruise and Anticipation Yacht Charters LLC has employed rigorously trained USCG captains with stringent drug testing and background checks. Riverfront cruise and Anticipation Yacht Charters is the contract/operator of the existing Water Trolley service that is run by the City of Ft Lauderdale.

The vessels that we propose are ideal vessels for this type of service because they are front loading, custom built Watertaxi Vessels that in the past were used by Broward County and Previously Licensed by the City of Fort Lauderdale. This makes them exemplary Vessels for this type of service and ideal to dock at the existing designated Watertaxi Stops, which are on City Docks. These vessels are safe and Wheel Chair Assessable for all our guests. They are also Hybrid and run on Diesel and Electric. *Water Bus* has conducted some trial runs with one of our Vessels to Private Stops and has concluded that this is a Viable Service to offer Visitors to Fort Lauderdale.

The Vessels will be custom painted in order to not confuse our company with the Only other Company that operates using Watertaxi Licenses in Ft Lauderdale. This existing Company operates under the brand Watertaxi. The services that we propose will complement the existing Single operator that currently operates all the Water taxis in Fort Lauderdale. The web-site relating to this existing operator is www.watertaxi.com our new brand is under the www.waterbus.com domain (this domain is currently forwarded to another of our operations)

Water Bus intends to operate along the New River, the Fort Lauderdale Intracoastal Waterway and associated navigable canals. *Water Bus* intends to operate in the future as a *door to door service* to Fort Lauderdale residences and will make on-call or whistle stops at various public Stop/locations.

1. DESCRIPTION OF FARES

Water Bus Proposed Fares:

Adult Ticket:	\$18
Children & Senior Ticket	\$16
Child Ticket (Under 4)	FREE

2. TRANSPORTATION ROUTE

Water Bus intends to stop at all existing public docks that are now currently being used by the Water Taxi service.

Water Bus intends in the future to operate as an on-call service and will stop at private docks at the request of residents.

We will have a fully Manned dispatch office. Customers will call our office line at (954) 527-0075 or 1 (800)- 499- 2248 and be instructed where the *Water Bus* is currently located and when they will be picked up. We also intend to have the Vessels on a Live Locator App.
