Between

BROWARD COUNTY

and

CITY OF FORT LAUDERDALE

for

MILLS POND PARK ENHANCEMENT PHASE II

through the

BROWARD COUNTY LAND STEWARDSHIP PROGRAM

This Agreement, made and entered into by and between BROWARD COUNTY, a political subdivision of the state of Florida, hereinafter referred to as "COUNTY,"

and

CITY OF FORT LAUDERDALE a municipal corporation of the state of Florida, hereinafter referred to as "CITY",

WHEREAS, pursuant to the COUNTY's Land Stewardship Program ("Grant Program"), funding from the 2000 Broward County Safe Parks and Land Preservation Bond Issue has been made available for the ecological restoration of publicly-owned natural lands and sustainable development of passive recreation parks in an expeditious manner; and

WHEREAS, the Broward County Board of County Commissioners ("Board") has determined that these expenditures serve a COUNTY purpose and are authorized by the 2000 Broward County Safe Parks and Land Preservation Bond Program; and

WHEREAS, CITY has been awarded funding under the Grant Program for **Mills Pond Park Enhancement Phase II**; and

WHEREAS, the COUNTY consents to provide for the dissemination of Grant Program funds to CITY for reimbursement of activities consistent with the Program;

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, conditions, promises, covenants and payments hereinafter set forth, COUNTY and CITY agree as follows:

ARTICLE 1
SCOPE OF SERVICES

- 1.1 CITY shall perform all services identified in this Agreement in accordance with the Grant Program Guidelines attached hereto as Exhibit "A", the Grant Project Description and schedule (hereinafter referred to as "Project") attached hereto as Exhibit "B", Grant Project Cost/Budget attached hereto as Exhibit "C," and evidence of Project site ownership or lease attached hereto as Exhibit "D". The parties agree that the Project Description is a description of CITY's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipments, and tasks, which are such an inseparable part of the work described, that exclusion would render performance by CITY impractical, illogical, or unconscionable.
- 1.2 The COUNTY's Grant Program Administrator may approve changes to the Scope of Services, Project description, unit of services, and changes within the categories of expenditures listed in Exhibits "A, B, C", provided that the total grant dollars awarded to CITY remains unchanged. The COUNTY's Grant Program Administrator may also approve changes to the Project Description if the revisions are consistent with the grant application and the Grant Program guidelines, and the revisions do not diminish the quantity or quality of services to be provided.
- 1.3 For Projects where the site was not acquired utilizing 2000 Broward County Safe Parks and Land Preservation Bond funds, CITY agrees to execute a Declaration of Restrictive Covenants, in a form acceptable to the County Attorney's Office, ensuring that the Project, when completed, shall be utilized for public recreational purposes for a minimum of twenty-five (25) years. The Declaration shall be recorded in the Official Records for Broward County, Florida, pursuant to Section 28.222, Florida Statutes. CITY further agrees to return to COUNTY all funds tendered for the Project in the event the Project becomes utilized during this period for other than the public recreational purposes of the Project.

ARTICLE 2
TERM AND TIME OF PERFORMANCE

- 2.1 The term of this Agreement shall begin on the date Agreement is fully executed by both parties and shall end one (1) year after. CITY may request an extension of up to eighteen (18) months for completion of the Project, subject to approval by COUNTY Administrator. Any extension request shall be in writing and delivered to the Grant Program Administrator at least sixty (60) days prior to the end of the original term.
- 2.2 CITY agrees that it will comply with the construction time table included in Exhibit "B," attached hereto, excepting bona fide force majeure delays.

ARTICLE 3
COMPENSATION

- 3.1 COUNTY agrees to pay CITY, in the manner specified in Section 3.3, the total amount of (not to exceed) **Twenty Five Thousand Dollars (\$25,000)** for Project pursuant to this Agreement. It is acknowledged and agreed by CITY that this amount is the maximum payable and constitutes a limitation upon COUNTY's obligation to compensate CITY for services and expenses related to this Agreement. This maximum amount, however, does not constitute a limitation, of any sort, upon CITY's obligation to perform all items of work required by or which can be reasonably inferred for the Project from the Grant Project Description.
- 3.2 The Grant Program Administrator is responsible for ensuring performance of the terms and conditions of this Agreement and shall approve all requests from CITY for payment prior to payment. CITY shall furnish to the Grant Program Administrator a copy of the Project's construction contract(s) at least thirty (30) days prior to any reimbursement from the COUNTY.
- 3.3 METHOD OF BILLING AND PAYMENT
- 3.3.1 Upon completion of the Project and approval by the COUNTY, CITY may submit an invoice(s) for reimbursement in the funding amount set forth herein. The invoice should be received by the Grant Program Administrator's office no later than sixty (60) days after this Agreement expires. Invoices shall designate the nature of the services performed and the expenses incurred.
- 3.3.2 Documentation as required in Exhibit "A" must accompany any request for payment. Invoices shall be certified by CITY's authorized official.
- 3.3.3 COUNTY shall pay CITY within thirty (30) calendar days of receipt of CITY's proper invoice, as required by the "Broward County Prompt Payment Ordinance" (Broward County Ordinance No. 89-49, as may be amended from time to time). To be deemed proper, all invoices must comply with the requirements set forth in this Agreement and must be submitted on the form and pursuant to instructions prescribed by COUNTY. Payment may be withheld for failure of CITY to comply with a term, condition, or requirement of this Agreement.
- 3.4 Notwithstanding any provision of this Agreement to the contrary, COUNTY may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work which has not been remedied or resolved in a manner satisfactory to the Grant Program Administrator. The amount withheld shall not be subject to payment of interest by COUNTY.

3.5 If it becomes necessary for COUNTY to demand a refund of any or all funds paid to CITY pursuant to this Agreement, CITY agrees to remit said funds to COUNTY within sixty (60) days after notification. If not returned within sixty-(60) days, CITY agrees that any further CITY requests for funding, as to this or any other program under COUNTY's administration, may be denied until the funds have been returned.

3.6 Payment shall be made to CITY at:

City Manager
City of Fort Lauderdale
100 North Andrews Avenue
Fort Lauderdale, FL 33301

ARTICLE 4 LIABILITY

CITY is a municipal corporation existing under the laws of the state of Florida, as defined in Section 768.28, Florida Statutes, and is fully responsible for acts and omissions of its agents, contractors, or employees to the extent permitted by law. Nothing herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by a state agency or political subdivision of the state of Florida to be sued by third parties, in any matter, arising out of this Agreement or any other contract.

ARTICLE 5 INSURANCE

CITY is a municipal corporation existing under the laws of the state of Florida, as defined by Section 768.28, Florida Statutes, and CITY shall furnish the Grant Program Administrator with written verification of liability protection, in accordance with state law prior to final execution of this Agreement.

ARTICLE 6 TERMINATION

6.1 This Agreement may be terminated for cause by action of the Board or by CITY upon thirty (30) days written notice by the party that elected to terminate, or for convenience by action of the Board upon, not less than, ten (10) days written notice by the Grant Program Administrator. Grant Program Administrator may terminate this Agreement upon such notice, as the Grant Program Administrator deems appropriate under the circumstances, in the event the Grant Program Administrator determines that termination is necessary to protect the public health, safety, or welfare.

6.2 Notices shall be provided in accordance with "NOTICES" section of this Agreement (Section 8.5); except that notice of termination deemed by the Grant Program

4

Administrator necessary to protect the public health, safety, or welfare may be verbal and promptly confirmed in writing in accordance with the "NOTICES" section of this Agreement.

- 6.3 In the event this Agreement is terminated for convenience, CITY shall be paid for any services performed to the date this Agreement is terminated; however, upon being notified of COUNTY's election to terminate, CITY shall refrain from performing further services or incurring additional expenses under the terms of this Agreement. CITY acknowledges and agrees that Ten Dollars (\$10.00) of the compensation to be paid by COUNTY, the adequacy of which is hereby acknowledged by CITY, is given as specific consideration for COUNTY's right to terminate this Agreement for convenience.
- 6.4 COUNTY shall have the right to terminate this Agreement and demand refund of Program funds provided to CITY for noncompliance with the terms and conditions of the Program guidelines. Failure to comply with these terms and conditions shall result in COUNTY declaring CITY ineligible for further participation in the Program until such time as CITY complies therewith.
- 6.5 In the event this Agreement is terminated, any compensation payable by COUNTY shall be withheld until all documents are provided to COUNTY pursuant to Section 8.1.

ARTICLE 7 FINANCIAL STATEMENTS

- 7.1 CITY hereby gives COUNTY, through any authorized representative, access to, and the right to, examine all records, books, papers, or documents relating to the Project.
- 7.2 CITY hereby agrees to maintain books and records in accordance with Generally Accepted Accounting Principles and properly reflect all expenditures of funds provided by COUNTY under this Agreement.
- 7.3 CITY agrees and understands that all funding authorized under this Agreement shall be used only for eligible activities specifically outlined in this Agreement. CITY agrees to reimburse COUNTY any and all funds not used in strict compliance with this Agreement.
- 7.4 Within thirty (30) days of receipt by CITY, CITY shall provide to COUNTY on an annual basis the Single Audit Report prepared by an independent certified public accountant showing that there are sufficient and acceptable internal controls over the administration of the CITY's grants. The Single Audit Report will encompass the controls over grants in general without reference to any specific grant award.
- 7.5 Failure of CITY to meet these financial reporting requirements shall result in suspension of payment under this Agreement or any subsequent grant agreement

in effect and disqualify CITY from obtaining future grant awards until such financial statements are received and accepted by COUNTY.

- 7.6 CITY is required to, and hereby agrees to, account for any program income related to Project financed in whole or part with Grant Program Funds.

ARTICLE 8 MISCELLANEOUS

8.1 OWNERSHIP OF DOCUMENTS

Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the property of COUNTY. In the event of termination of this Agreement, any reports, photographs, surveys, and other data and documents prepared by CITY, whether finished or unfinished, shall become the property of COUNTY, and shall be delivered by CITY to the Grant Program Administrator within seven (7) days of termination of this Agreement by either party. Any compensation due to CITY shall be withheld until all documents are received as provided herein.

8.2 AUDIT RIGHT AND RETENTION OF RECORDS

If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by COUNTY to be applicable to CITY's records, CITY shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by CITY. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for COUNTY's disallowance and recovery of any payment upon such entry.

8.3 NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND AMERICANS WITH DISABILITIES ACT

CITY shall not unlawfully discriminate against any person in its operations and activities in its use or expenditure of the funds or any portion of the funds provided by this Agreement and shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded in whole or in part by COUNTY, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards.

CITY's decisions regarding the delivery of services under this Agreement shall be made without regard to or consideration of race, age, religion, color, gender, sexual orientation (Broward County Code, Chapter 16 $\frac{1}{2}$), national origin, marital status, physical or mental disability, political affiliation, or any other factor which cannot be lawfully or appropriately used as a basis for service delivery.

In addition, CITY shall take affirmative steps to ensure nondiscrimination in employment against disabled persons. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay, other forms of compensation, terms and conditions of employment, training (including apprenticeship), and accessibility.

CITY shall take affirmative action to ensure that applicants are employed and employees are treated without regard to race, age, religion, color, gender, sexual orientation (Broward County Code, Chapter 16 $\frac{1}{2}$), national origin, marital status, political affiliation, or physical or mental disability during employment. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay, other forms of compensation, terms and conditions of employment, training (including apprenticeship), and accessibility.

CITY shall not engage in or commit any discriminatory practice in violation of the Broward County Human Rights Act (Broward County Code, Chapter 16 $\frac{1}{2}$) in performing the Scope of Services or any part of the Scope of Services of this Agreement.

Qualified Applicants

Municipalities and County agencies that own and manage natural lands with native vegetative communities impacted by invasive non-native vegetation, that have not previously applied for county funding for public land, may apply.

Funding Requirement

Except as provided in this section, funds from this grant may only be applied to the actual costs incurred for the initial removal or eradication of invasive non-native vegetation and replanting with native vegetation. The grant funding is only for projects that propose treatment or containment of invasions to new areas. No part of this grant funding shall be used for project management, administration or overhead costs. The grant funding may not be used to cover costs associated with the preparation, submission or presentation of the funding application.

Project Match Requirement

No match is required but consideration will be given to those entities providing a match if funding is insufficient to award all applicants. The applicant's cost-share match can be direct (actual) or as in-kind contributions (e.g., equipment, material, expenses, or labor).

7. The project has a method to protect any already existing native plant species present in the project site.

8. The site municipality or County agency has placed a restrictive covenant designating conservation use, or will place one prior to reimbursement, on project site for conservation use, for a minimum of twenty-five years.

Award Process Information

The award recommendations made by the selection panel and the Land Stewardship program will be submitted to the Board of County Commissioners for approval. Award notices will be sent to the applicants with a Grant Agreement, for the appropriate signature and due back to the County as soon as possible after signing. Funds spent prior to the Grant Agreement signing date will not be eligible for reimbursement or count towards matching funds. Reasons for funding decisions will be provided with a written request from an authorized official.

Before any work is done in developing a proposal for reimbursement, the project director and the authorized official of the municipality should review the following responsibilities to determine if the project applicant is able to comply with all the requirements for the reimbursement of funds.

1. Recipients awarded the Partners in Preservation grant funds will be paid on a reimbursement basis, and payment will be effected through electronic funds transfer;
2. Changes in the scope or detail of the project or in any other arrangements set in the Grant Agreement should be requested in writing, done by an authorized official and with proof of not been executed without the written approval from the Land Stewardship Program designated official;

- 2.3 CITY agrees to commence development of Phase I of the Park Site as soon as possible from the date of this Agreement, and to open Phase I to the public by June 30, 1987.
- 2.4 CITY further agrees to use its best efforts to complete development of the remainder of the Park Site prior to January 1, 1999.

ARTICLE III

COST

- 3.1 The cost of construction at the Park Site, and expenses reasonably related thereto, shall be paid by the COUNTY and CITY as follows: COUNTY agrees to contribute the total maximum sum of \$1,345,250.00 as COUNTY'S financial contribution to the development of the Park Site; that sum includes \$462,374.00 for a Land and Water Conservation Fund Grant that has strict guidelines included in a separate agreement made a part of this Lease Agreement.
- 3.2 COUNTY further agrees to lease to CITY, for exclusively park purposes, the property described in Exhibit "C" attached hereto and made a part hereof in accordance with the terms contained herein. In the event COUNTY acquires additional property in the future which is contiguous to the Park Site, COUNTY may, at its discretion, convey said additional property to CITY for park purposes.
- 3.3 Within 45 days from the date of this Lease Agreement, COUNTY shall set up a special account entitled "Bradley/Lake Lauderdale Development" for funding the construction at the Park Site in accordance with the approved Master Plan, and allocate funds identified in Section 3.1 to such account.
- 3.4 CITY shall be allowed to draw on said special account according to the following invoice procedures:
 - 3.4.1 No later than the tenth (10) day of each month during the period of Park Site development, CITY shall submit to the COUNTY'S Parks and Recreation Division an itemized statement showing all expenses relating to development of the Park Site incurred by the CITY during the preceding month. Each statement shall show a cost total for the month covered by the statement and a running total of the accumulated costs of the development work.
 - 3.4.2 In addition to the statement described in Section 3.4.1, CITY shall also submit a certified copy of invoices for all services rendered and purchases made during the preceding month, which shall include the date the services were rendered or purchases made.
 - 3.4.3 The Director of the CITY'S Department of Parks and Recreation, or his authorized representative, shall certify to COUNTY

- that the work for which an invoice is being submitted has been completed or that the material purchased has been received.
- 3.4.4 As a final portion of the monthly statement described in Section 3.4.1 above, CITY shall describe all construction improvements at the Park Site which it has completed or is currently working on. This progress report on such improvements shall be submitted in the format provided in Exhibit "D."
- 3.4.5 Upon receiving a monthly statement described in this Section 3.4, the Accounting Division of the COUNTY'S Parks and Recreation Division shall audit such statement, including supporting documentation, to determine whether the items for which invoices are submitted have been completed or received and that the invoiced items should, therefore, be paid.
- 3.4.6 Upon determination by the Accounting Division of the COUNTY'S Parks and Recreation Division that the invoiced services and materials shown on a monthly statement have been received or completed, the Accounting Division shall authorize the COUNTY'S Department of Finance to make payment to the CITY from the special account referred to above in the amount it determines to be payable pursuant to the audit.
- 3.4.7 The COUNTY'S Department of Finance shall then make payment to CITY in the amount indicated in said Accounting Division's authorization.
- 3.4.8 The entire payment process set out in Sections 3.4.5 through 3.4.7 hereof shall be completed and payment made to CITY within thirty (30) days of submittal of a statement by CITY pursuant to Section 3.4.1 above.
- 3.4.9 The CITY shall keep records and accounts of all costs and expenses attributable to development of the Park Site and shall make such records and accounts available for examination and audit by the COUNTY upon request of the COUNTY'S Parks and Recreation Division.
- 3.5 CITY covenants and agrees to comply with all time frames and all other conditions contained in the Land and Water Conservation Fund agreement attached and made a part hereof. Failure to do so may result in the loss of the grant and reduce the amount of the COUNTY'S contribution by \$462,374.00.
- 3.6 CITY covenants and agrees to contribute the additional resources necessary to develop the Park Site in accordance with the Plan. CITY covenants and agrees to dedicate the property owned by CITY, more particularly described in Exhibit "A" attached hereto and made a part hereof, to the exclusive use of the Park Site. CITY further covenants and agrees that access by the public to the Park Site will be nondiscriminatory with respect to fees and charges assessed for use of the Park Site.
