Re: Fort Lauderdale Contract #565-11551, Aerial Adventure Course

Dear Mr. Domeck / Ms. Stewart,

The City of Fort Lauderdale has made a concerted effort to contact you for an update on your final plans for the Aerial Adventure Course.

Pursuant to Paragraph 2.(b) of the Contract, as amended in the First Amendment, you must obtain all approvals necessary for the installation and use of the first Zipline within twelve months of the execution of the First Amendment, or Owner shall have the right to terminate this Agreement upon thirty days written notice of termination and failure of Licensee to obtain such approvals during the thirty day period.

We have surpassed the twelve month timeline. Be advised you have ten business days to submit your final plans to our offices. The plans must arrive no later than end of business on Tuesday, August 14, 2018. Failure to provide the final plans by this date will result in finding your firm non-responsive and will move forward with formal cancellation of contract and the recommendation to the Procurement Manager that your firm be suspended from doing business with the City for a period up to two years.

Sincerely,

AnnDebra Diaz
Senior Procurement Specialist
